or opening the door in the path a vehicle approaching from behind).

(d) The Secretary of State shall include, in the Illinois Rules of the Road publication, information advising drivers to use the zipper merge method when merging into a reduced number of lanes (drivers in merging lanes are expected to use both lanes to advance to the lane reduction point and merge at that location, alternating turns).

(e) The Secretary of State, in consultation with the Illinois State Police, shall include in the Illinois Rules of the Road publication a description of law enforcement procedures during traffic stops and the actions that a motorist should take during a traffic stop, including appropriate interactions with law enforcement officers.

(f) The Secretary of State shall include, in the Illinois Rules of Road publication, information advising drivers on best practices related to stranded motorists. This may include, but is not limited to, how to safely pull the vehicle out of traffic, activating hazard lights, when to remain in a vehicle, how to safely exit a stranded vehicle, where to find a safe place outside the stranded vehicle, and emergency numbers to call for assistance.
