

AN ACT concerning gaming.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Illinois Lottery Law is amended by changing Section 21.4 as follows:

(20 ILCS 1605/21.4)

Sec. 21.4. Joint Special Instant Scratch-off game.

(a) The Department shall offer a joint special instant scratch-off game for the benefit of the special causes identified in Sections 21.5, 21.6, 21.7, 21.8, 21.9, 21.10, 21.11, 21.13, 21.15, and 21.16. The operation of the game shall be governed by this Section and any rules adopted by the Department. The game shall commence on January 1, 2024 or as soon thereafter, at the discretion of the Director, as is reasonably practical and shall be discontinued on January 1, 2027. If any provision of this Section is inconsistent with any other provision in the Act, then this Section governs.

(b) Once the joint special instant scratch-off game is used to fund a special cause, the game will be used to fund the special cause for the remainder of the special causes' existence per the causes' respective Section of this Act.

(c) New specialty tickets and causes authorized by this Act shall be funded by the joint special instant scratch-off

game. New specialty tickets and causes after February 1, 2024 must have a sunset date. The Department shall be limited to supporting no more than 10 causes in total at any given time.

(d) Net revenue received from the sale of the joint special instant scratch-off game for the purposes of this Section shall be divided equally among the special causes the game benefits. At the direction of the Department, the State Comptroller shall direct and the State Treasurer shall transfer from the State Lottery Fund the net revenue to the specific fund identified for each special cause in accordance with the special cause's respective Section in this Act. ~~The Department shall transfer the net revenue into the special fund identified for each special cause in accordance with the special cause's respective Section of this Act.~~ As used in this Section, "net revenue" means the total amount for which tickets have been sold less the sum of the amount paid out in prizes and to retailers, and direct and estimated administrative expenses incurred in operation of the ticket.

Section 10. The Illinois Gambling Act is amended by changing Sections 7 and 13 as follows:

(230 ILCS 10/7) (from Ch. 120, par. 2407)

Sec. 7. Owners licenses. (a) The Board shall issue owners licenses to persons or entities that apply for such

licenses upon payment to the Board of the non-refundable license fee as provided in subsection (e) or (e-5) and upon a determination by the Board that the applicant is eligible for an owners license pursuant to this Act and the rules of the Board. From December 15, 2008 (the effective date of Public Act 95-1008) until (i) 3 years after December 15, 2008 (the effective date of Public Act 95-1008), (ii) the date any organization licensee begins to operate a slot machine or video game of chance under the Illinois Horse Racing Act of 1975 or this Act, (iii) the date that payments begin under subsection (c-5) of Section 13 of this Act, (iv) the wagering tax imposed under Section 13 of this Act is increased by law to reflect a tax rate that is at least as stringent or more stringent than the tax rate contained in subsection (a-3) of Section 13, or (v) when an owners licensee holding a license issued pursuant to Section 7.1 of this Act begins conducting gaming, whichever occurs first, as a condition of licensure and as an alternative source of payment for those funds payable under subsection (c-5) of Section 13 of this Act, any owners licensee that holds or receives its owners license on or after May 26, 2006 (the effective date of Public Act 94-804), other than an owners licensee operating a riverboat with adjusted gross receipts in calendar year 2004 of less than \$200,000,000, must pay into the Horse Racing Equity Trust Fund, in addition to any other payments required under this Act, an amount equal to 3% of the adjusted gross receipts

received by the owners licensee. The payments required under this Section shall be made by the owners licensee to the State Treasurer no later than 3:00 o'clock p.m. of the day after the day when the adjusted gross receipts were received by the owners licensee. A person or entity is ineligible to receive an owners license if:

(1) the person has been convicted of a felony under the laws of this State, any other state, or the United States;

(2) the person has been convicted of any violation of Article 28 of the Criminal Code of 1961 or the Criminal Code of 2012, or substantially similar laws of any other jurisdiction;

(3) the person has submitted an application for a license under this Act which contains false information;

(4) the person is a member of the Board;

(5) a person defined in (1), (2), (3), or (4) is an officer, director, or managerial employee of the entity;

(6) the entity employs a person defined in (1), (2), (3), or (4) who participates in the management or operation of gambling operations authorized under this Act;

(7) (blank); or

(8) a license of the person or entity issued under this Act, or a license to own or operate gambling facilities in any other jurisdiction, has been revoked.

The Board is expressly prohibited from making changes to the requirement that licensees make payment into the Horse Racing Equity Trust Fund without the express authority of the Illinois General Assembly and making any other rule to implement or interpret Public Act 95-1008. For the purposes of this paragraph, "rules" is given the meaning given to that term in Section 1-70 of the Illinois Administrative Procedure Act.

(b) In determining whether to grant an owners license to an applicant, the Board shall consider:

(1) the character, reputation, experience, and financial integrity of the applicants and of any other or separate person that either:

(A) controls, directly or indirectly, such applicant; or

(B) is controlled, directly or indirectly, by such applicant or by a person which controls, directly or indirectly, such applicant;

(2) the facilities or proposed facilities for the conduct of gambling;

(3) the highest prospective total revenue to be derived by the State from the conduct of gambling;

(4) the extent to which the ownership of the applicant reflects the diversity of the State by including minority persons, women, and persons with a disability and the good faith affirmative action plan of each applicant to

recruit, train and upgrade minority persons, women, and persons with a disability in all employment classifications; the Board shall further consider granting an owners license and giving preference to an applicant under this Section to applicants in which minority persons and women hold ownership interest of at least 16% and 4%, respectively;

(4.5) the extent to which the ownership of the applicant includes veterans of service in the armed forces of the United States, and the good faith affirmative action plan of each applicant to recruit, train, and upgrade veterans of service in the armed forces of the United States in all employment classifications;

(5) the financial ability of the applicant to purchase and maintain adequate liability and casualty insurance;

(6) whether the applicant has adequate capitalization to provide and maintain, for the duration of a license, a riverboat or casino;

(7) the extent to which the applicant exceeds or meets other standards for the issuance of an owners license which the Board may adopt by rule;

(8) the amount of the applicant's license bid;

(9) the extent to which the applicant or the proposed host municipality plans to enter into revenue sharing agreements with communities other than the host municipality;

(10) the extent to which the ownership of an applicant includes the most qualified number of minority persons, women, and persons with a disability; and

(11) whether the applicant has entered into a fully executed construction project labor agreement with the applicable local building trades council.

(c) Each owners license shall specify the place where the casino shall operate or the riverboat shall operate and dock.

(d) Each applicant shall submit with his or her application, on forms provided by the Board, 2 sets of his or her fingerprints.

(e) In addition to any licenses authorized under subsection (e-5) of this Section, the Board may issue up to 10 licenses authorizing the holders of such licenses to own riverboats. In the application for an owners license, the applicant shall state the dock at which the riverboat is based and the water on which the riverboat will be located. The Board shall issue 5 licenses to become effective not earlier than January 1, 1991. Three of such licenses shall authorize riverboat gambling on the Mississippi River, or, with approval by the municipality in which the riverboat was docked on August 7, 2003 and with Board approval, be authorized to relocate to a new location, in a municipality that (1) borders on the Mississippi River or is within 5 miles of the city limits of a municipality that borders on the Mississippi River and (2) on August 7, 2003, had a riverboat conducting

riverboat gambling operations pursuant to a license issued under this Act; one of which shall authorize riverboat gambling from a home dock in the city of East St. Louis; and one of which shall authorize riverboat gambling from a home dock in the City of Alton. One other license shall authorize riverboat gambling on the Illinois River in the City of East Peoria or, with Board approval, shall authorize land-based gambling operations anywhere within the corporate limits of the City of Peoria. The Board shall issue one additional license to become effective not earlier than March 1, 1992, which shall authorize riverboat gambling on the Des Plaines River in Will County. The Board may issue 4 additional licenses to become effective not earlier than March 1, 1992. In determining the water upon which riverboats will operate, the Board shall consider the economic benefit which riverboat gambling confers on the State, and shall seek to assure that all regions of the State share in the economic benefits of riverboat gambling.

In granting all licenses, the Board may give favorable consideration to economically depressed areas of the State, to applicants presenting plans which provide for significant economic development over a large geographic area, and to applicants who currently operate non-gambling riverboats in Illinois. The Board shall review all applications for owners licenses, and shall inform each applicant of the Board's decision. The Board may grant an owners license to an

applicant that has not submitted the highest license bid, but if it does not select the highest bidder, the Board shall issue a written decision explaining why another applicant was selected and identifying the factors set forth in this Section that favored the winning bidder. The fee for issuance or renewal of a license pursuant to this subsection (e) shall be \$250,000.

(e-5) In addition to licenses authorized under subsection (e) of this Section:

(1) the Board may issue one owners license authorizing the conduct of casino gambling in the City of Chicago;

(2) the Board may issue one owners license authorizing the conduct of riverboat gambling in the City of Danville;

(3) the Board may issue one owners license authorizing the conduct of riverboat gambling in the City of Waukegan;

(4) the Board may issue one owners license authorizing the conduct of riverboat gambling in the City of Rockford;

(5) the Board may issue one owners license authorizing the conduct of riverboat gambling in a municipality that is wholly or partially located in one of the following townships of Cook County: Bloom, Bremen, Calumet, Rich, Thornton, or Worth Township; and

(6) the Board may issue one owners license authorizing the conduct of riverboat gambling in the unincorporated area of Williamson County adjacent to the Big Muddy River. Except for the license authorized under paragraph (1),

each application for a license pursuant to this subsection (e-5) shall be submitted to the Board no later than 120 days after June 28, 2019 (the effective date of Public Act 101-31). All applications for a license under this subsection (e-5) shall include the nonrefundable application fee and the nonrefundable background investigation fee as provided in subsection (d) of Section 6 of this Act. In the event that an applicant submits an application for a license pursuant to this subsection (e-5) prior to June 28, 2019 (the effective date of Public Act 101-31), such applicant shall submit the nonrefundable application fee and background investigation fee as provided in subsection (d) of Section 6 of this Act no later than 6 months after June 28, 2019 (the effective date of Public Act 101-31).

The Board shall consider issuing a license pursuant to paragraphs (1) through (6) of this subsection only after the corporate authority of the municipality or the county board of the county in which the riverboat or casino shall be located has certified to the Board the following:

(i) that the applicant has negotiated with the corporate authority or county board in good faith;

(ii) that the applicant and the corporate authority or county board have mutually agreed on the permanent location of the riverboat or casino;

(iii) that the applicant and the corporate authority or county board have mutually agreed on the temporary

location of the riverboat or casino;

(iv) that the applicant and the corporate authority or the county board have mutually agreed on the percentage of revenues that will be shared with the municipality or county, if any;

(v) that the applicant and the corporate authority or county board have mutually agreed on any zoning, licensing, public health, or other issues that are within the jurisdiction of the municipality or county;

(vi) that the corporate authority or county board has passed a resolution or ordinance in support of the riverboat or casino in the municipality or county;

(vii) the applicant for a license under paragraph (1) has made a public presentation concerning its casino proposal; and

(viii) the applicant for a license under paragraph (1) has prepared a summary of its casino proposal and such summary has been posted on a public website of the municipality or the county.

At least 7 days before the corporate authority of a municipality or county board of the county submits a certification to the Board concerning items (i) through (viii) of this subsection, it shall hold a public hearing to discuss items (i) through (viii), as well as any other details concerning the proposed riverboat or casino in the municipality or county. The corporate authority or county

board must subsequently memorialize the details concerning the proposed riverboat or casino in a resolution that must be adopted by a majority of the corporate authority or county board before any certification is sent to the Board. The Board shall not alter, amend, change, or otherwise interfere with any agreement between the applicant and the corporate authority of the municipality or county board of the county regarding the location of any temporary or permanent facility.

In addition, within 10 days after June 28, 2019 (the effective date of Public Act 101-31), the Board, with consent and at the expense of the City of Chicago, shall select and retain the services of a nationally recognized casino gaming feasibility consultant. Within 45 days after June 28, 2019 (the effective date of Public Act 101-31), the consultant shall prepare and deliver to the Board a study concerning the feasibility of, and the ability to finance, a casino in the City of Chicago. The feasibility study shall be delivered to the Mayor of the City of Chicago, the Governor, the President of the Senate, and the Speaker of the House of Representatives. Ninety days after receipt of the feasibility study, the Board shall make a determination, based on the results of the feasibility study, whether to recommend to the General Assembly that the terms of the license under paragraph (1) of this subsection (e-5) should be modified. The Board may begin accepting applications for the owners license under paragraph (1) of this subsection (e-5) upon the determination

to issue such an owners license.

In addition, prior to the Board issuing the owners license authorized under paragraph (4) of subsection (e-5), an impact study shall be completed to determine what location in the city will provide the greater impact to the region, including the creation of jobs and the generation of tax revenue.

(e-10) The licenses authorized under subsection (e-5) of this Section shall be issued within 12 months after the date the license application is submitted. If the Board does not issue the licenses within that time period, then the Board shall give a written explanation to the applicant as to why it has not reached a determination and when it reasonably expects to make a determination. The fee for the issuance or renewal of a license issued pursuant to this subsection (e-10) shall be \$250,000. Additionally, a licensee located outside of Cook County shall pay a minimum initial fee of \$17,500 per gaming position, and a licensee located in Cook County shall pay a minimum initial fee of \$30,000 per gaming position. The initial fees payable under this subsection (e-10) shall be deposited into the Rebuild Illinois Projects Fund. If at any point after June 1, 2020 there are no pending applications for a license under subsection (e-5) and not all licenses authorized under subsection (e-5) have been issued, then the Board shall reopen the license application process for those licenses authorized under subsection (e-5) that have not been issued. The Board shall follow the licensing process provided

in subsection (e-5) with all time frames tied to the last date of a final order issued by the Board under subsection (e-5) rather than the effective date of the amendatory Act.

(e-15) Each licensee of a license authorized under subsection (e-5) of this Section shall make a reconciliation payment 3 years after the date the licensee begins operating in an amount equal to 75% of the adjusted gross receipts for the most lucrative 12-month period of operations, minus an amount equal to the initial payment per gaming position paid by the specific licensee. Each licensee shall pay a \$15,000,000 reconciliation fee upon issuance of an owners license. If this calculation results in a negative amount, then the licensee is not entitled to any reimbursement of fees previously paid. This reconciliation payment may be made in installments over a period of no more than 6 years.

All payments by licensees under this subsection (e-15) shall be deposited into the Rebuild Illinois Projects Fund.

(e-20) In addition to any other revocation powers granted to the Board under this Act, the Board may revoke the owners license of a licensee which fails to begin conducting gambling within 15 months of receipt of the Board's approval of the application if the Board determines that license revocation is in the best interests of the State.

(f) The first 10 owners licenses issued under this Act shall permit the holder to own up to 2 riverboats and equipment thereon for a period of 3 years after the effective date of the

license. Holders of the first 10 owners licenses must pay the annual license fee for each of the 3 years during which they are authorized to own riverboats.

(g) Upon the termination, expiration, or revocation of each of the first 10 licenses, which shall be issued for a 3-year period, all licenses are renewable annually upon payment of the fee and a determination by the Board that the licensee continues to meet all of the requirements of this Act and the Board's rules. However, for licenses renewed on or after the effective date of this amendatory Act of the 102nd General Assembly, renewal shall be for a period of 4 years.

(h) An owners license, except for an owners license issued under subsection (e-5) of this Section, shall entitle the licensee to own up to 2 riverboats.

An owners licensee of a casino or riverboat that is located in the City of Chicago pursuant to paragraph (1) of subsection (e-5) of this Section shall limit the number of gaming positions to 4,000 for such owner. An owners licensee authorized under subsection (e) or paragraph (2), (3), (4), or (5) of subsection (e-5) of this Section shall limit the number of gaming positions to 2,000 for any such owners license. An owners licensee authorized under paragraph (6) of subsection (e-5) of this Section shall limit the number of gaming positions to 1,200 for such owner. The initial fee for each gaming position obtained on or after June 28, 2019 (the effective date of Public Act 101-31) shall be a minimum of

\$17,500 for licensees not located in Cook County and a minimum of \$30,000 for licensees located in Cook County, in addition to the reconciliation payment, as set forth in subsection (e-15) of this Section. The fees under this subsection (h) shall be deposited into the Rebuild Illinois Projects Fund. The fees under this subsection (h) that are paid by an owners licensee authorized under subsection (e) shall be paid by July 1, 2021.

Each owners licensee under subsection (e) of this Section shall reserve its gaming positions within 30 days after June 28, 2019 (the effective date of Public Act 101-31). The Board may grant an extension to this 30-day period, provided that the owners licensee submits a written request and explanation as to why it is unable to reserve its positions within the 30-day period.

Each owners licensee under subsection (e-5) of this Section shall reserve its gaming positions within 30 days after issuance of its owners license. The Board may grant an extension to this 30-day period, provided that the owners licensee submits a written request and explanation as to why it is unable to reserve its positions within the 30-day period.

A licensee may operate both of its riverboats concurrently, provided that the total number of gaming positions on both riverboats does not exceed the limit established pursuant to this subsection. Riverboats licensed

to operate on the Mississippi River and the Illinois River south of Marshall County shall have an authorized capacity of at least 500 persons. Any other riverboat licensed under this Act shall have an authorized capacity of at least 400 persons.

(h-5) An owners licensee who conducted gambling operations prior to January 1, 2012 and obtains positions pursuant to Public Act 101-31 shall make a reconciliation payment 3 years after any additional gaming positions begin operating in an amount equal to 75% of the owners licensee's average gross receipts for the most lucrative 12-month period of operations minus an amount equal to the initial fee that the owners licensee paid per additional gaming position. For purposes of this subsection (h-5), "average gross receipts" means (i) the increase in adjusted gross receipts for the most lucrative 12-month period of operations over the adjusted gross receipts for 2019, multiplied by (ii) the percentage derived by dividing the number of additional gaming positions that an owners licensee had obtained by the total number of gaming positions operated by the owners licensee. If this calculation results in a negative amount, then the owners licensee is not entitled to any reimbursement of fees previously paid. This reconciliation payment may be made in installments over a period of no more than 6 years. These reconciliation payments shall be deposited into the Rebuild Illinois Projects Fund.

(i) A licensed owner is authorized to apply to the Board for and, if approved therefor, to receive all licenses from

the Board necessary for the operation of a riverboat or casino, including a liquor license, a license to prepare and serve food for human consumption, and other necessary licenses. All use, occupation, and excise taxes which apply to the sale of food and beverages in this State and all taxes imposed on the sale or use of tangible personal property apply to such sales aboard the riverboat or in the casino.

(j) The Board may issue or re-issue a license authorizing a riverboat to dock in a municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the municipality in which the riverboat will dock has by a majority vote approved the docking of riverboats in the municipality. The Board may issue or re-issue a license authorizing a riverboat to dock in areas of a county outside any municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the county has by a majority vote approved of the docking of riverboats within such areas.

(k) An owners licensee may conduct land-based gambling operations upon approval by the Board and payment of a fee of \$250,000, which shall be deposited into the State Gaming Fund.

(l) An owners licensee may conduct gaming at a temporary facility pending the construction of a permanent facility or the remodeling or relocation of an existing facility to accommodate gaming participants for up to 24 months after the

temporary facility begins to conduct gaming. Upon request by an owners licensee and upon a showing of good cause by the owners licensee: 7 (i) for a licensee authorized under paragraph (3) of subsection (e-5), the Board shall extend the period during which the licensee may conduct gaming at a temporary facility by up to 30 months; and (ii) for all other licensees, the Board shall extend the period during which the licensee may conduct gaming at a temporary facility by up to 12 months. The Board shall make rules concerning the conduct of gaming from temporary facilities.

For the purposes of this subsection (a-3), the term "dormant license" means an owners license that is authorized by this Act under which no riverboat gambling operations are being conducted on June 20, 2003.

(a-4) Beginning on the first day on which the tax imposed under subsection (a-3) is no longer imposed and ending upon the imposition of the privilege tax under subsection (a-5) of this Section, a privilege tax is imposed on persons engaged in the business of conducting gambling operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

For the imposition of the privilege tax in this subsection (a-5), amounts paid pursuant to item (1) of subsection (b) of Section 56 of the Illinois Horse Racing Act of 1975 shall not be included in the determination of adjusted gross receipts.

(3) Notwithstanding the provisions of this subsection (a-5), for the first 10 years that the privilege tax is imposed under this subsection (a-5) or until the year preceding the calendar year in which paragraph (4) becomes operative, whichever occurs first, the privilege tax shall be imposed on the modified annual adjusted gross receipts of a riverboat or casino conducting gambling operations in the City of East St. Louis, unless:

(1) the riverboat or casino fails to employ at least 450 people, except no minimum employment shall be required during 2020 and 2021 or during periods that the riverboat or casino is closed on orders of State officials for public health emergencies or other emergencies not caused by the riverboat or casino;

(2) the riverboat or casino fails to maintain operations in a manner consistent with this Act or is not a

viable riverboat or casino subject to the approval of the Board; or

(3) the owners licensee is not an entity in which employees participate in an employee stock ownership plan or in which the owners licensee sponsors a 401(k) retirement plan and makes a matching employer contribution equal to at least one-quarter of the first 12% or one-half of the first 6% of each participating employee's contribution, not to exceed any limitations under federal laws and regulations.

(4) Notwithstanding the provisions of this subsection (a-5), for 10 calendar years beginning in the year that gambling operations commence either in a temporary or permanent facility at an organization gaming facility located in the City of Collinsville if the facility commences operations within 3 years of the effective date of the changes made to this Section by this amendatory Act of the 103rd General Assembly, the privilege tax imposed under this subsection (a-5) on a riverboat or casino conducting gambling operations in the City of East St. Louis shall be reduced, if applicable, by an amount equal to the difference in adjusted gross receipts for the 2022 calendar year less the current year's adjusted gross receipts, unless:

(A) the riverboat or casino fails to employ at least 350 people, except that no minimum employment shall be required during periods that the riverboat or casino is

closed on orders of State officials for public health emergencies or other emergencies not caused by the riverboat or casino;

(B) the riverboat or casino fails to maintain operations in a manner consistent with this Act or is not a viable riverboat or casino subject to the approval of the Board; or

(C) the riverboat or casino fails to submit audited financial statements to the Board prepared by an accounting firm that has been preapproved by the Board and such statements were prepared in accordance with the provisions of the Financial Accounting Standards Board Accounting Standards Codification under nongovernmental accounting principles generally accepted in the United States.

As used in this subsection (a-5), "modified annual adjusted gross receipts" means:

(A) for calendar year 2020, the annual adjusted gross receipts for the current year minus the difference between an amount equal to the average annual adjusted gross receipts from a riverboat or casino conducting gambling operations in the City of East St. Louis for 2014, 2015, 2016, 2017, and 2018 and the annual adjusted gross receipts for 2018;

(B) for calendar year 2021, the annual adjusted gross receipts for the current year minus the difference between

an amount equal to the average annual adjusted gross receipts from a riverboat or casino conducting gambling operations in the City of East St. Louis for 2014, 2015, 2016, 2017, and 2018 and the annual adjusted gross receipts for 2019; and

(C) for calendar years 2022 through 2029, the annual adjusted gross receipts for the current year minus the difference between an amount equal to the average annual adjusted gross receipts from a riverboat or casino conducting gambling operations in the City of East St. Louis for 3 years preceding the current year and the annual adjusted gross receipts for the immediately preceding year.

(a-6) From June 28, 2019 (the effective date of Public Act 101-31) until June 30, 2023, an owners licensee that conducted gambling operations prior to January 1, 2011 shall receive a dollar-for-dollar credit against the tax imposed under this Section for any renovation or construction costs paid by the owners licensee, but in no event shall the credit exceed \$2,000,000.

Additionally, from June 28, 2019 (the effective date of Public Act 101-31) until December 31, 2024, an owners licensee that (i) is located within 15 miles of the Missouri border, and (ii) has at least 3 riverboats, casinos, or their equivalent within a 45-mile radius, may be authorized to relocate to a new location with the approval of both the unit of local

government designated as the home dock and the Board, so long as the new location is within the same unit of local government and no more than 3 miles away from its original location. Such owners licensee shall receive a credit against the tax imposed under this Section equal to 8% of the total project costs, as approved by the Board, for any renovation or construction costs paid by the owners licensee for the construction of the new facility, provided that the new facility is operational by July 1, 2024. In determining whether or not to approve a relocation, the Board must consider the extent to which the relocation will diminish the gaming revenues received by other Illinois gaming facilities.

(a-7) Beginning in the initial adjustment year and through the final adjustment year, if the total obligation imposed pursuant to either subsection (a-5) or (a-6) will result in an owners licensee receiving less after-tax adjusted gross receipts than it received in calendar year 2018, then the total amount of privilege taxes that the owners licensee is required to pay for that calendar year shall be reduced to the extent necessary so that the after-tax adjusted gross receipts in that calendar year equals the after-tax adjusted gross receipts in calendar year 2018, but the privilege tax reduction shall not exceed the annual adjustment cap. If pursuant to this subsection (a-7), the total obligation imposed pursuant to either subsection (a-5) or (a-6) shall be reduced, then the owners licensee shall not receive a refund

from the State at the end of the subject calendar year but instead shall be able to apply that amount as a credit against any payments it owes to the State in the following calendar year to satisfy its total obligation under either subsection (a-5) or (a-6). The credit for the final adjustment year shall occur in the calendar year following the final adjustment year.

If an owners licensee that conducted gambling operations prior to January 1, 2019 expands its riverboat or casino, including, but not limited to, with respect to its gaming floor, additional non-gaming amenities such as restaurants, bars, and hotels and other additional facilities, and incurs construction and other costs related to such expansion from June 28, 2019 (the effective date of Public Act 101-31) until June 28, 2024 (the 5th anniversary of the effective date of Public Act 101-31), then for each \$15,000,000 spent for any such construction or other costs related to expansion paid by the owners licensee, the final adjustment year shall be extended by one year and the annual adjustment cap shall increase by 0.2% of adjusted gross receipts during each calendar year until and including the final adjustment year. No further modifications to the final adjustment year or annual adjustment cap shall be made after \$75,000,000 is incurred in construction or other costs related to expansion so that the final adjustment year shall not extend beyond the 9th calendar year after the initial adjustment year, not

including the initial adjustment year, and the annual adjustment cap shall not exceed 4% of adjusted gross receipts in a particular calendar year. Construction and other costs related to expansion shall include all project related costs, including, but not limited to, all hard and soft costs, financing costs, on or off-site ground, road or utility work, cost of gaming equipment and all other personal property, initial fees assessed for each incremental gaming position, and the cost of incremental land acquired for such expansion. Soft costs shall include, but not be limited to, legal fees, architect, engineering and design costs, other consultant costs, insurance cost, permitting costs, and pre-opening costs related to the expansion, including, but not limited to, any of the following: marketing, real estate taxes, personnel, training, travel and out-of-pocket expenses, supply, inventory, and other costs, and any other project related soft costs.

To be eligible for the tax credits in subsection (a-6), all construction contracts shall include a requirement that the contractor enter into a project labor agreement with the building and construction trades council with geographic jurisdiction of the location of the proposed gaming facility.

Notwithstanding any other provision of this subsection (a-7), this subsection (a-7) does not apply to an owners licensee unless such owners licensee spends at least \$15,000,000 on construction and other costs related to its

expansion, excluding the initial fees assessed for each incremental gaming position.

This subsection (a-7) does not apply to owners licensees authorized pursuant to subsection (e-5) of Section 7 of this Act.

For purposes of this subsection (a-7):

"Building and construction trades council" means any organization representing multiple construction entities that are monitoring or attentive to compliance with public or workers' safety laws, wage and hour requirements, or other statutory requirements or that are making or maintaining collective bargaining agreements.

"Initial adjustment year" means the year commencing on January 1 of the calendar year immediately following the earlier of the following:

(1) the commencement of gambling operations, either in a temporary or permanent facility, with respect to the owners license authorized under paragraph (1) of subsection (e-5) of Section 7 of this Act; or

(2) June 28, 2021 (24 months after the effective date of Public Act 101-31);

provided the initial adjustment year shall not commence earlier than June 28, 2020 (12 months after the effective date of Public Act 101-31).

"Final adjustment year" means the 2nd calendar year after the initial adjustment year, not including the initial

adjustment year, and as may be extended further as described in this subsection (a-7).

"Annual adjustment cap" means 3% of adjusted gross receipts in a particular calendar year, and as may be increased further as otherwise described in this subsection (a-7).

(a-8) Riverboat gambling operations conducted by a licensed manager on behalf of the State are not subject to the tax imposed under this Section.

(a-9) Beginning on January 1, 2020, the calculation of gross receipts or adjusted gross receipts, for the purposes of this Section, for a riverboat, a casino, or an organization gaming facility shall not include the dollar amount of non-cashable vouchers, coupons, and electronic promotions redeemed by wagerers upon the riverboat, in the casino, or in the organization gaming facility up to and including an amount not to exceed 20% of a riverboat's, a casino's, or an organization gaming facility's adjusted gross receipts.

The Illinois Gaming Board shall submit to the General Assembly a comprehensive report no later than March 31, 2023 detailing, at a minimum, the effect of removing non-cashable vouchers, coupons, and electronic promotions from this calculation on net gaming revenues to the State in calendar years 2020 through 2022, the increase or reduction in wagerers as a result of removing non-cashable vouchers, coupons, and electronic promotions from this calculation, the effect of the

tax rates in subsection (a-5) on net gaming revenues to this State, and proposed modifications to the calculation.

(a-10) The taxes imposed by this Section shall be paid by the licensed owner or the organization gaming licensee to the Board not later than 5:00 o'clock p.m. of the day after the day when the wagers were made.

(a-15) If the privilege tax imposed under subsection (a-3) is no longer imposed pursuant to item (i) of the last paragraph of subsection (a-3), then by June 15 of each year, each owners licensee, other than an owners licensee that admitted 1,000,000 persons or fewer in calendar year 2004, must, in addition to the payment of all amounts otherwise due under this Section, pay to the Board a reconciliation payment in the amount, if any, by which the licensed owner's base amount exceeds the amount of net privilege tax paid by the licensed owner to the Board in the then current State fiscal year. A licensed owner's net privilege tax obligation due for the balance of the State fiscal year shall be reduced up to the total of the amount paid by the licensed owner in its June 15 reconciliation payment. The obligation imposed by this subsection (a-15) is binding on any person, firm, corporation, or other entity that acquires an ownership interest in any such owners license. The obligation imposed under this subsection (a-15) terminates on the earliest of: (i) July 1, 2007, (ii) the first day after August 23, 2005 (the effective date of Public Act 94-673) that riverboat gambling operations

are conducted pursuant to a dormant license, (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act, or (iv) the first day that a licensee under the Illinois Horse Racing Act of 1975 conducts gaming operations with slot machines or other electronic gaming devices. The Board must reduce the obligation imposed under this subsection (a-15) by an amount the Board deems reasonable for any of the following reasons: (A) an act or acts of God, (B) an act of bioterrorism or terrorism or a bioterrorism or terrorism threat that was investigated by a law enforcement agency, or (C) a condition beyond the control of the owners licensee that does not result from any act or omission by the owners licensee or any of its agents and that poses a hazardous threat to the health and safety of patrons. If an owners licensee pays an amount in excess of its liability under this Section, the Board shall apply the overpayment to future payments required under this Section.

For purposes of this subsection (a-15):

"Act of God" means an incident caused by the operation of an extraordinary force that cannot be foreseen, that cannot be avoided by the exercise of due care, and for which no person can be held liable.

"Dormant license" has the meaning ascribed to it in subsection (a-3).

"Net privilege tax" means all privilege taxes paid by a licensed owner to the Board under this Section, less all payments made from the State Gaming Fund pursuant to subsection (b) of this Section.

The changes made to this subsection (a-15) by Public Act 94-839 are intended to restate and clarify the intent of Public Act 94-673 with respect to the amount of the payments required to be made under this subsection by an owners licensee to the Board.
