

AN ACT concerning State government.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Illinois Identification Card Act is amended by changing Sections 4 and 12 as follows:

(15 ILCS 335/4)

(Text of Section before amendment by P.A. 103-210)

Sec. 4. Identification card.

(a) The Secretary of State shall issue a standard Illinois Identification Card to any natural person who is a resident of the State of Illinois who applies for such card, or renewal thereof. No identification card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The card shall be prepared and supplied by the Secretary of State and shall include a photograph and signature or mark of the applicant. However, the Secretary of State may provide by rule for the issuance of Illinois Identification Cards without photographs if the applicant has a bona fide religious objection to being photographed or to the display of his or her photograph. The Illinois Identification Card may be used for identification purposes in

any lawful situation only by the person to whom it was issued. As used in this Act, "photograph" means any color photograph or digitally produced and captured image of an applicant for an identification card. As used in this Act, "signature" means the name of a person as written by that person and captured in a manner acceptable to the Secretary of State.

(a-5) If an applicant for an identification card has a current driver's license or instruction permit issued by the Secretary of State, the Secretary may require the applicant to utilize the same residence address and name on the identification card, driver's license, and instruction permit records maintained by the Secretary. The Secretary may promulgate rules to implement this provision.

(a-10) If the applicant is a judicial officer as defined in Section 1-10 of the Judicial Privacy Act or a peace officer, the applicant may elect to have his or her office or work address listed on the card instead of the applicant's residence or mailing address. The Secretary may promulgate rules to implement this provision. For the purposes of this subsection (a-10), "peace officer" means any person who by virtue of his or her office or public employment is vested by law with a duty to maintain public order or to make arrests for a violation of any penal statute of this State, whether that duty extends to all violations or is limited to specific violations.

(a-15) The Secretary of State may provide for an expedited

process for the issuance of an Illinois Identification Card. The Secretary shall charge an additional fee for the expedited issuance of an Illinois Identification Card, to be set by rule, not to exceed \$75. All fees collected by the Secretary for expedited Illinois Identification Card service shall be deposited into the Secretary of State Special Services Fund. The Secretary may adopt rules regarding the eligibility, process, and fee for an expedited Illinois Identification Card. If the Secretary of State determines that the volume of expedited identification card requests received on a given day exceeds the ability of the Secretary to process those requests in an expedited manner, the Secretary may decline to provide expedited services, and the additional fee for the expedited service shall be refunded to the applicant.

(a-20) The Secretary of State shall issue a standard Illinois Identification Card to a person committed to the Department of Corrections, the ~~or~~ Department of Juvenile Justice, a Federal Bureau of Prisons facility located in Illinois, or a county jail or county department of corrections as follows: ~~upon receipt of the person's birth certificate, social security card, photograph, proof of residency upon discharge, and an identification card application transferred via a secure method as agreed upon by the Secretary and the Department of Corrections or Department of Juvenile Justice. Illinois residency shall be established by submission of a Secretary of State prescribed Identification Card verification~~

~~form completed by the respective Department.~~

(1) A committed person who has previously held an Illinois Identification Card or an Illinois driver's license shall submit an Identification Card verification form to the Secretary of State, including a photograph taken by the correctional facility, proof of residency upon discharge, and a social security number, if the committed person has a social security number. If the committed person does not have a social security number and is eligible for a social security number, the Secretary of State shall not issue a standard Illinois Identification Card until the committed person obtains a social security number. If the committed person's photograph and demographic information matches an existing Illinois Identification Card or Illinois driver's license and the Secretary of State verifies the applicant's social security number with the Social Security Administration, the Secretary of State shall issue the committed person a standard Illinois Identification Card. If the photograph or demographic information matches an existing Illinois Identification Card or Illinois driver's license in another person's name or identity, a standard Illinois Identification Card shall not be issued until the committed person submits a certified birth certificate and social security card to the Secretary of State and the Secretary of State verifies the identity of the committed

person. If the Secretary of State cannot find a match to an existing Illinois Identification Card or Illinois driver's license, the committed person may apply for a standard Illinois Identification card as described in paragraph (2).

(2) A committed person who has not previously held an Illinois Identification Card or Illinois driver's license or for whom a match cannot be found as described in paragraph (1) shall submit an Identification Card verification form, including a photograph taken by the correctional facility, a certified birth certificate, proof of residency upon discharge, and a social security number, if the committed has a social security number. If the committed person does not have a social security number and is eligible for a social security number, the Secretary of State shall not issue a standard Illinois Identification Card until the committed person obtains a social security number. If the Secretary of State verifies the applicant's social security number with the Social Security Administration, the Secretary of State shall issue the committed person a standard Illinois Identification Card.

The Illinois Identification Card verification form described in this subsection shall be prescribed by the Secretary State. The Secretary of State and correctional facilities in this State shall establish a secure method to

transfer the form.

(a-25) The Secretary of State shall issue a limited-term Illinois Identification Card valid for 90 days to a committed person upon release on parole, mandatory supervised release, aftercare release, final discharge, or pardon from the Department of Corrections, the ~~or~~ Department of Juvenile Justice, a Federal Bureau of Prisons facility located in Illinois, or a county jail or county department of corrections, if the released person does not obtain a standard Illinois Identification Card as described in subsection (a-20) prior to release ~~is unable to present a certified copy of his or her birth certificate and social security card or other documents authorized by the Secretary,~~ but does present a Secretary of State prescribed Identification Card verification form completed by the correctional facility ~~Department of Corrections or Department of Juvenile Justice,~~ verifying the released person's date of birth, social security number, if the person has a social security number, and his or her Illinois residence address. The verification form must have been completed no more than 30 days prior to the date of application for the Illinois Identification Card.

Prior to the expiration of the 90-day period of the limited-term Illinois Identification Card, if the released person submits to the Secretary of State a certified copy of his or her birth certificate and his or her social security card or other documents authorized by the Secretary, a

standard Illinois Identification Card shall be issued. A limited-term Illinois Identification Card may not be renewed.

This subsection shall not apply to a released person who was unable to obtain a standard Illinois Identification Card because his or her photograph or demographic information matched an existing Illinois Identification Card or Illinois driver's license in another person's name or identity or to a released person who does not have a social security number and is eligible for a social security number.

(a-30) The Secretary of State shall issue a standard Illinois Identification Card to a person upon conditional release or absolute discharge from the custody of the Department of Human Services, if the person presents a certified copy of his or her birth certificate, social security card, or other documents authorized by the Secretary, and a document proving his or her Illinois residence address. The Secretary of State shall issue a standard Illinois Identification Card to a person prior to his or her conditional release or absolute discharge if personnel from the Department of Human Services bring the person to a Secretary of State location with the required documents. Documents proving residence address may include any official document of the Department of Human Services showing the person's address after release and a Secretary of State prescribed verification form, which may be executed by personnel of the Department of Human Services.

(a-35) The Secretary of State shall issue a limited-term Illinois Identification Card valid for 90 days to a person upon conditional release or absolute discharge from the custody of the Department of Human Services, if the person is unable to present a certified copy of his or her birth certificate and social security card or other documents authorized by the Secretary, but does present a Secretary of State prescribed verification form completed by the Department of Human Services, verifying the person's date of birth and social security number, and a document proving his or her Illinois residence address. The verification form must have been completed no more than 30 days prior to the date of application for the Illinois Identification Card. The Secretary of State shall issue a limited-term Illinois Identification Card to a person no sooner than 14 days prior to his or her conditional release or absolute discharge if personnel from the Department of Human Services bring the person to a Secretary of State location with the required documents. Documents proving residence address shall include any official document of the Department of Human Services showing the person's address after release and a Secretary of State prescribed verification form, which may be executed by personnel of the Department of Human Services.

(b) The Secretary of State shall issue a special Illinois Identification Card, which shall be known as an Illinois Person with a Disability Identification Card, to any natural

person who is a resident of the State of Illinois, who is a person with a disability as defined in Section 4A of this Act, who applies for such card, or renewal thereof. No Illinois Person with a Disability Identification Card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The Secretary of State shall charge no fee to issue such card. The card shall be prepared and supplied by the Secretary of State, and shall include a photograph and signature or mark of the applicant, a designation indicating that the card is an Illinois Person with a Disability Identification Card, and shall include a comprehensible designation of the type and classification of the applicant's disability as set out in Section 4A of this Act. However, the Secretary of State may provide by rule for the issuance of Illinois Person with a Disability Identification Cards without photographs if the applicant has a bona fide religious objection to being photographed or to the display of his or her photograph. If the applicant so requests, the card shall include a description of the applicant's disability and any information about the applicant's disability or medical history which the Secretary determines would be helpful to the applicant in securing emergency medical care. If a mark is used in lieu of a signature, such mark shall be affixed to the card in the

presence of two witnesses who attest to the authenticity of the mark. The Illinois Person with a Disability Identification Card may be used for identification purposes in any lawful situation by the person to whom it was issued.

The Illinois Person with a Disability Identification Card may be used as adequate documentation of disability in lieu of a physician's determination of disability, a determination of disability from a physician assistant, a determination of disability from an advanced practice registered nurse, or any other documentation of disability whenever any State law requires that a person with a disability provide such documentation of disability, however an Illinois Person with a Disability Identification Card shall not qualify the cardholder to participate in any program or to receive any benefit which is not available to all persons with like disabilities. Notwithstanding any other provisions of law, an Illinois Person with a Disability Identification Card, or evidence that the Secretary of State has issued an Illinois Person with a Disability Identification Card, shall not be used by any person other than the person named on such card to prove that the person named on such card is a person with a disability or for any other purpose unless the card is used for the benefit of the person named on such card, and the person named on such card consents to such use at the time the card is so used.

An optometrist's determination of a visual disability

under Section 4A of this Act is acceptable as documentation for the purpose of issuing an Illinois Person with a Disability Identification Card.

When medical information is contained on an Illinois Person with a Disability Identification Card, the Office of the Secretary of State shall not be liable for any actions taken based upon that medical information.

(c) The Secretary of State shall provide that each original or renewal Illinois Identification Card or Illinois Person with a Disability Identification Card issued to a person under the age of 21 shall be of a distinct nature from those Illinois Identification Cards or Illinois Person with a Disability Identification Cards issued to individuals 21 years of age or older. The color designated for Illinois Identification Cards or Illinois Person with a Disability Identification Cards for persons under the age of 21 shall be at the discretion of the Secretary of State.

(c-1) Each original or renewal Illinois Identification Card or Illinois Person with a Disability Identification Card issued to a person under the age of 21 shall display the date upon which the person becomes 18 years of age and the date upon which the person becomes 21 years of age.

(c-3) The General Assembly recognizes the need to identify military veterans living in this State for the purpose of ensuring that they receive all of the services and benefits to which they are legally entitled, including healthcare,

education assistance, and job placement. To assist the State in identifying these veterans and delivering these vital services and benefits, the Secretary of State is authorized to issue Illinois Identification Cards and Illinois Person with a Disability Identification Cards with the word "veteran" appearing on the face of the cards. This authorization is predicated on the unique status of veterans. The Secretary may not issue any other identification card which identifies an occupation, status, affiliation, hobby, or other unique characteristics of the identification card holder which is unrelated to the purpose of the identification card.

(c-5) Beginning on or before July 1, 2015, the Secretary of State shall designate a space on each original or renewal identification card where, at the request of the applicant, the word "veteran" shall be placed. The veteran designation shall be available to a person identified as a veteran under subsection (b) of Section 5 of this Act who was discharged or separated under honorable conditions.

(d) The Secretary of State may issue a Senior Citizen discount card, to any natural person who is a resident of the State of Illinois who is 60 years of age or older and who applies for such a card or renewal thereof. The Secretary of State shall charge no fee to issue such card. The card shall be issued in every county and applications shall be made available at, but not limited to, nutrition sites, senior citizen centers and Area Agencies on Aging. The applicant,

upon receipt of such card and prior to its use for any purpose, shall have affixed thereon in the space provided therefor his signature or mark.

(e) The Secretary of State, in his or her discretion, may designate on each Illinois Identification Card or Illinois Person with a Disability Identification Card a space where the card holder may place a sticker or decal, issued by the Secretary of State, of uniform size as the Secretary may specify, that shall indicate in appropriate language that the card holder has renewed his or her Illinois Identification Card or Illinois Person with a Disability Identification Card. Sec. 4. Identification card.

(a) The Secretary of State shall issue a standard Illinois Identification Card to any natural person who is a resident of the State of Illinois who applies for such card, or renewal thereof. No identification card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The card shall be prepared and supplied by the Secretary of State and shall include a photograph and signature or mark of the applicant. However, the Secretary of State may provide by rule for the issuance of Illinois

Identification Cards without photographs if the applicant has a bona fide religious objection to being photographed or to the display of his or her photograph. The Illinois Identification Card may be used for identification purposes in any lawful situation only by the person to whom it was issued. As used in this Act, "photograph" means any color photograph or digitally produced and captured image of an applicant for an identification card. As used in this Act, "signature" means the name of a person as written by that person and captured in a manner acceptable to the Secretary of State.

(a-5) If an applicant for an identification card has a current driver's license or instruction permit issued by the Secretary of State, the Secretary may require the applicant to utilize the same residence address and name on the identification card, driver's license, and instruction permit records maintained by the Secretary. The Secretary may promulgate rules to implement this provision.

(a-10) If the applicant is a judicial officer as defined in Section 1-10 of the Judicial Privacy Act or a peace officer, the applicant may elect to have his or her office or work address listed on the card instead of the applicant's residence or mailing address. The Secretary may promulgate rules to implement this provision. For the purposes of this subsection (a-10), "peace officer" means any person who by virtue of his or her office or public employment is vested by law with a duty to maintain public order or to make arrests for

a violation of any penal statute of this State, whether that duty extends to all violations or is limited to specific violations.

(a-15) The Secretary of State may provide for an expedited process for the issuance of an Illinois Identification Card. The Secretary shall charge an additional fee for the expedited issuance of an Illinois Identification Card, to be set by rule, not to exceed \$75. All fees collected by the Secretary for expedited Illinois Identification Card service shall be deposited into the Secretary of State Special Services Fund. The Secretary may adopt rules regarding the eligibility, process, and fee for an expedited Illinois Identification Card. If the Secretary of State determines that the volume of expedited identification card requests received on a given day exceeds the ability of the Secretary to process those requests in an expedited manner, the Secretary may decline to provide expedited services, and the additional fee for the expedited service shall be refunded to the applicant.

(a-20) The Secretary of State shall issue a standard Illinois Identification Card to a person committed to the Department of Corrections, the ~~or~~ Department of Juvenile Justice, a Federal Bureau of Prisons facility located in Illinois, or a county jail or county department of corrections as follows: ~~upon receipt of the person's birth certificate, social security card, photograph, proof of residency upon discharge, and an identification card application transferred~~

Illinois residency shall be established by submission of a Secretary of State prescribed Identification Card verification form completed by the respective Department.~~

(1) A committed person who has previously held an Illinois Identification Card or an Illinois driver's license shall submit an Identification Card verification form to the Secretary of State, including a photograph taken by the correctional facility, proof of residency upon discharge, and a social security number, if the committed person has a social security number. If the committed person does not have a social security number and is eligible for a social security number, the Secretary of State shall not issue a standard Illinois Identification Card until the committed person obtains a social security number. If the committed person's photograph and demographic information matches an existing Illinois Identification Card or Illinois driver's license and the Secretary of State verifies the applicant's social security number with the Social Security Administration, the Secretary of State shall issue the committed person a standard Illinois Identification Card. If the photograph or demographic information matches an existing Illinois Identification Card or Illinois driver's license in

another person's name or identity, a standard Illinois Identification Card shall not be issued until the committed person submits a certified birth certificate and social security card to the Secretary of State and the Secretary of State verifies the identity of the committed person. If the Secretary of State cannot find a match to an existing Illinois Identification Card or Illinois driver's license, the committed person may apply for a standard Illinois Identification card as described in paragraph (2).

(2) A committed person who has not previously held an Illinois Identification Card or Illinois driver's license or for whom a match cannot be found as described in paragraph (1) shall submit an Illinois Identification Card verification form, including a photograph taken by the correctional facility, a certified birth certificate, proof of residency upon discharge, and a social security number, if the committed has a social security number. Identification Card.

The Illinois Identification Card verification form described in this subsection shall be prescribed by the Secretary State. The Secretary of State and correctional facilities in this State shall establish a secure method to transfer the form.

(a-25) The Secretary of State shall issue a limited-term Illinois Identification Card valid for 90 days to a committed person upon release on parole, mandatory supervised release, aftercare release, final discharge, or pardon from the Department of Corrections, the ~~or~~ Department of Juvenile Justice, a Federal Bureau of Prisons facility located in Illinois, or a county jail or county department of corrections, if the released person does not obtain a standard Illinois Identification Card as described in subsection (a-20) prior to release ~~is unable to present a certified copy of his or her birth certificate and social security card, if the person has a social security number, or other documents authorized by the Secretary,~~ but does present a Secretary of State prescribed Identification Card verification form completed by the correctional facility ~~Department of Corrections or Department of Juvenile Justice,~~ verifying the released person's date of birth, social security number, if the person has a social security number, and his or her Illinois residence address. The verification form must have been completed no more than 30 days prior to the date of

application for the Illinois Identification Card.

Prior to the expiration of the 90-day period of the limited-term Illinois Identification Card, if the released person submits to the Secretary of State a certified copy of his or her birth certificate and his or her social security card, if the person has a social security number, or other documents authorized by the Secretary, a standard Illinois Identification Card shall be issued. A limited-term Illinois Identification Card may not be renewed.

This subsection shall not apply to a released person who was unable to obtain a standard Illinois Identification Card because his or her photograph or demographic information matched an existing Illinois Identification Card or Illinois driver's license in another person's name or identity or to a released person who does not have a social security number and is eligible for a social security number.

(a-30) The Secretary of State shall issue a standard Illinois Identification Card to a person upon conditional release or absolute discharge from the custody of the Department of Human Services, if the person presents a certified copy of his or her birth certificate, social security card, if the person has a social security number, or other documents authorized by the Secretary, and a document proving his or her Illinois residence address. (a-35) The Secretary of State shall issue a limited-term Illinois Identification Card valid for 90 days to a person upon conditional release or absolute discharge from the custody of the Department of Human Services, if the person is unable to present a certified copy of his or her birth certificate and social security card, if the person has a social security number, or other documents authorized by the Secretary, but does present a Secretary of State prescribed verification form completed by the Department of Human Services, verifying the person's date of birth and social security number, if the person has a social security number, and a document proving his or her Illinois residence address. The verification form must have been completed no more than 30 days prior to the date of application for the Illinois Identification Card. The Secretary of State shall issue a limited-term Illinois Identification Card to a person no sooner than 14 days prior to his or her conditional release or absolute discharge if personnel from the Department of Human Services bring the person to a Secretary of State location

with the required documents. Documents proving residence address shall include any official document of the Department of Human Services showing the person's address after release and a Secretary of State prescribed verification form, which may be executed by personnel of the Department of Human Services.

(b) The Secretary of State shall issue a special Illinois Identification Card, which shall be known as an Illinois Person with a Disability Identification Card, to any natural person who is a resident of the State of Illinois, who is a person with a disability as defined in Section 4A of this Act, who applies for such card, or renewal thereof. The Secretary of State shall charge no fee to issue such card. The card shall be prepared and supplied by the Secretary of State, and shall include a photograph and signature or mark of the applicant, a designation indicating that the card is an Illinois Person with a Disability Identification Card, and shall include a comprehensible designation of the type and classification of the applicant's disability as set out in Section 4A of this Act. However, the Secretary of State may provide by rule for the issuance of Illinois Person with a Disability

If a mark is used in lieu of a signature, such mark shall be affixed to the card in the presence of two witnesses who attest to the authenticity of the mark. The Illinois Person with a Disability Identification Card may be used for identification purposes in any lawful situation by the person to whom it was issued.

The Illinois Person with a Disability Identification Card may be used as adequate documentation of disability in lieu of a physician's determination of disability, a determination of disability from a physician assistant, a determination of disability from an advanced practice registered nurse, or any other documentation of disability whenever any State law requires that a person with a disability provide such documentation of disability, however an Illinois Person with a Disability Identification Card shall not qualify the cardholder to participate in any program or to receive any benefit which is not available to all persons with like disabilities. Notwithstanding any other provisions of law, an Illinois Person with a Disability Identification Card, or

evidence that the Secretary of State has issued an Illinois Person with a Disability Identification Card, shall not be used by any person other than the person named on such card to prove that the person named on such card is a person with a disability or for any other purpose unless the card is used for the benefit of the person named on such card, and the person named on such card consents to such use at the time the card is so used.

An optometrist's determination of a visual disability under Section 4A of this Act is acceptable as documentation for the purpose of issuing an Illinois Person with a Disability Identification Card.

When medical information is contained on an Illinois Person with a Disability Identification Card, the Office of the Secretary of State shall not be liable for any actions taken based upon that medical information.

(c) The Secretary of State shall provide that each original or renewal Illinois Identification Card or Illinois Person with a Disability Identification Card issued to a person under the age of 21 shall be of a distinct nature from those Illinois Identification Cards or Illinois Person with a Disability Identification Cards issued to individuals 21 years of age or older. (c-1) Each original or renewal Illinois Identification Card or Illinois Person with a Disability Identification Card issued to a person under the age of 21 shall display the date upon which the person becomes 18 years of age and the date upon which the person becomes 21 years of age.

(c-3) The General Assembly recognizes the need to identify military veterans living in this State for the purpose of ensuring that they receive all of the services and benefits to which they are legally entitled, including healthcare, education assistance, and job placement. To assist the State in identifying these veterans and delivering these vital services and benefits, the Secretary of State is authorized to issue Illinois Identification Cards and Illinois Person with a Disability Identification Cards with the word "veteran" appearing on the face of the cards. This authorization is predicated on the unique status of veterans. The Secretary may not issue any other identification card which identifies an occupation, status, affiliation, hobby, or other unique characteristics of the identification card holder which is unrelated to the purpose of the identification card.

(c-5) Beginning on or before July 1, 2015, the Secretary of State shall designate a space on each original or renewal identification card where, at the request of the applicant, the word "veteran" shall be placed.
