

AN ACT concerning animal cremation services.

Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:

Section 5. The Environmental Protection Act is amended  
by adding Section 22.49 as follows:

(415 ILCS 5/22.49 new)

Sec. 22.49. Animal cremation. Unless subject to the requirements of Title XV of this Act as potentially infectious medical waste, a deceased companion animal, as defined in the Companion Animal Cremation Act, that is delivered to a provider of companion animal cremation services subject to the Companion Animal Cremation Act is not waste for the purposes of this Act. Providing companion animal cremation services at a location does not make that location a waste management facility for the purposes of this Act.

For the purposes of this Section, "companion animal" does not include livestock.
