

AN ACT relating to schools.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The School Code is amended by adding Section 18-8.10 as follows:

(105 ILCS 5/18-8.10 new)

Sec. 18-8.10. Fast growth grants.

(a) If there has been an increase in a school district's student population over the most recent 2 school years of (i) over 1.5% in a district with over 10,000 pupils in average daily attendance (as defined in Section 18-8.05 of this Code) or (ii) over 7.5% in any other district, then the district is eligible for a grant under this Section, subject to appropriation.

(b) The State Board of Education shall determine a per pupil grant amount for each school district. The total grant amount for a district for any given school year shall equal the per pupil grant amount multiplied by the difference between the number of pupils in average daily attendance for the 2 most recent school years.

(c) Funds for grants under this Section must be appropriated to the State Board of Education in a separate line item for this purpose. If the amount appropriated in any fiscal year is insufficient to pay all grants for a school year, then the amount appropriated shall be prorated among eligible districts. As soon as possible after funds have been appropriated to the State Board of Education, the State Board of Education shall distribute the grants to eligible districts.

(d) If a school district intentionally reports incorrect average daily attendance numbers to receive a grant under this Section, then the district shall be denied State aid in the same manner as State aid is denied for intentional incorrect
