

AN ACT concerning transportation.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Illinois Highway Code is amended by changing Sections 6-205, 6-410 and 9-107 as follows:

(605 ILCS 5/6-205) (from Ch. 121, par. 6-205)

Sec. 6-205. The district treasurer shall receive and have charge of all moneys raised in the district for the support and maintenance of roads therein, and for road damages except such portions of the moneys which by Section 6-507 are directed to be paid to the municipalities. He shall hold such moneys at all times subject to the order of the highway commissioner and shall pay them over upon the order of the commissioner, such order to be countersigned by the town or district clerk. In counties under township organization such moneys, other than Social Security taxes required by the Social Security Enabling Act, shall not be paid over until the board of town trustees or highway board of auditors, as the case may be, has examined and audited the claims or charges for which such order is drawn. ~~In no case shall payment be made on several orders of \$5,000 or less where such orders are in payment of a contract or contracts, constituting a single project or transaction, either for road construction or maintenance or for the purchase of material, machinery or other appliance to be used therein, if such plan or project costs more than \$5,000, unless such orders are accompanied by the written approval of the county superintendent of highways or the highway board of auditors.~~ He shall keep an account in a book provided by the commissioner of all moneys received, and all moneys paid out, showing in detail to whom and on what account the same is so paid.

The treasurer shall also present annually, within 30 days after the end of the fiscal year of the district, to the

highway commissioner an itemized statement of receipts and disbursements of the district during the fiscal year just ended, which shall be sworn to.

(605 ILCS 5/6-410) (from Ch. 121, par. 6-410)

Sec. 6-410. All final payments on contracts for the construction or repair of roads, including the constructing or repairing bridges or culverts, shall be made payable as soon as the work under such contract is completed and accepted by the highway commissioner ~~and the county superintendent of highways~~. The highway commissioner shall submit all warrants, bills and orders for such final payments to the township board of trustees or the highway board of auditors within 30 days after the receipt of the bill.

(605 ILCS 5/9-107) (from Ch. 121, par. 9-107)

Sec. 9-107. Whenever the highway authorities are about to lay a tile drain along any public highway the highway authorities may contract with the owners or occupants of adjoining lands to lay larger tile than would be necessary to drain the highway, and permit connection therewith by such contracting parties to drain their lands.

~~However, all such contracts on township or district roads for a sum in excess of \$1,000.00 shall be made on behalf of any road district by the highway commissioner thereof, with the consent of the county superintendent of highways.~~
