

AN ACT concerning methamphetamine.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 1. Short title. This Act may be cited as the Methamphetamine Control and Community Protection Act.

Section 5. Purpose. The purpose of this Act is to reduce the damage that the manufacture, distribution, and use of methamphetamine are inflicting on children, families, communities, businesses, the economy, and the environment in Illinois. The General Assembly recognizes that methamphetamine is fundamentally different from other drugs regulated by the Illinois Controlled Substances Act because the harms relating to methamphetamine stem not only from the distribution and use of the drug, but also from the manufacture of the drug in this State. Because methamphetamine is not only distributed and used but also manufactured here, and because the manufacture of methamphetamine is extremely and uniquely harmful, the General Assembly finds that a separate Act is needed to address the manufacture, distribution, and use of methamphetamine in Illinois.

(g) A disposition of probation is considered to be a conviction for the purposes of imposing the conditions of probation and for appeal, however, discharge and dismissal under this Section is not a conviction for purposes of this Act or for purposes of disqualifications or disabilities imposed by law upon conviction of a crime.

(h) There may be only one discharge and dismissal under this Section, Section 410 of the Illinois Controlled Substances Act, or Section 10 of the Cannabis Control Act with respect to any person.

(i) If a person is convicted of an offense under this Act, the Cannabis Control Act, or the Illinois Controlled Substances Act within 5 years subsequent to a discharge and dismissal under this Section, the discharge and dismissal under this Section are admissible in the sentencing proceeding for that conviction as evidence in aggravation.

Section 75. Fines.

(a) Whenever any person pleads guilty to, is found guilty of, or is placed on supervision for an offense under this Act, a fine may be levied in addition to any other penalty imposed by the court.

(b) In determining whether to impose a fine under this Section and the amount, time for payment, and method of payment of any fine so imposed, the court shall:

(1) consider the defendant's income, regardless of

source, the defendant's earning capacity and the defendant's financial resources, as well as the nature of the burden the fine will impose on the defendant and any person legally or financially dependent upon the defendant;

(2) consider the proof received at trial, or as a result of a plea of guilty, concerning the full street value of the controlled substances seized and any profits or other proceeds derived by the defendant from the violation of this Act;

(3) take into account any other pertinent equitable considerations; and

(4) give primary consideration to the need to deprive the defendant of illegally obtained profits or other proceeds from the offense.

For the purpose of paragraph (2) of this subsection (b), "street value" shall be determined by the court on the basis of testimony of law enforcement personnel and the defendant as to the amount seized and such testimony as may be required by the court as to the current street value of the controlled substances.

(c) As a condition of a fine, the court may require that payment be made in specified installments or within a specified period of time, but the period shall not be greater than the maximum applicable term of probation or imprisonment, whichever is greater. Unless otherwise specified, payment of a fine shall be due immediately.

(d) If a fine for a violation of this Act is imposed on an organization, it is the duty of each individual authorized to make disbursements of the assets of the organization to pay the fine from the assets of the organization.

(e) A defendant who has been sentenced to pay a fine, and who has paid part but not all of the fine, may petition the court for an extension of the time for payment or modification of the method of payment. The court may grant the petition if it finds that:

(1) the circumstances that warranted payment by the time or method specified no longer exist; or

(2) it is otherwise unjust to require payment of the fine by the time or method specified.

Section 80. Assessment.

(a) Every person convicted of a violation of this Act, and every person placed on probation, conditional discharge, supervision, or probation under this Act, shall be assessed for each offense a sum fixed at:

- (1) \$3,000 for a Class X felony;
- (2) \$2,000 for a Class 1 felony;
- (3) \$1,000 for a Class 2 felony;
- (4) \$500 for a Class 3 or Class 4 felony.

(b) The assessment under this Section is in addition to and not in lieu of any fines, restitution, costs, forfeitures, or other assessments authorized or required by law.

(c) As a condition of the assessment, the court may require that payment be made in specified installments or within a specified period of time. If the assessment is not paid within the period of probation, conditional discharge, or supervision to which the defendant was originally sentenced, the court may extend the period of probation, conditional discharge, or supervision pursuant to Section 5-6-2 or 5-6-3.1 of the Unified Code of Corrections, as applicable, until the assessment is paid or until successful completion of public or community service set forth in subsection (e) or the successful completion of the substance abuse intervention or treatment program set forth in subsection (f). If a term of probation, conditional discharge, or supervision is not imposed, the assessment shall be payable upon judgment or as directed by the court.

(d) If an assessment for a violation of this Act is imposed on an organization, it is the duty of each individual authorized to make disbursements of the assets of the organization to pay the assessment from assets of the

organization.

(e) A defendant who has been ordered to pay an assessment may petition the court to convert all or part of the assessment into court-approved public or community service. One hour of public or community service shall be equivalent to \$4 of assessment. The performance of this public or community service shall be a condition of the probation, conditional discharge, or supervision and shall be in addition to the performance of any other period of public or community service ordered by the court or required by law.

(f) The court may suspend the collection of the assessment imposed under this Section if the defendant agrees to enter a substance abuse intervention or treatment program approved by the court and the defendant agrees to pay for all or some portion of the costs associated with the intervention or treatment program. In this case, the collection of the assessment imposed under this Section shall be suspended during the defendant's participation in the approved intervention or treatment program. Upon successful completion of the program, the defendant may apply to the court to reduce the assessment imposed under this Section by any amount actually paid by the defendant for his or her participation in the program. The court shall not reduce the penalty under this subsection unless the defendant establishes to the satisfaction of the court that he or she has successfully completed the intervention or treatment program. If the defendant's participation is for any reason terminated before his or her successful completion of the intervention or treatment program, collection of the entire assessment imposed under this Section shall be enforced. Nothing in this Section shall be deemed to affect or suspend any other fines, restitution costs, forfeitures, or assessments imposed under this or any other Act.

(g) The court shall not impose more than one assessment per complaint, indictment, or information. If the person is convicted of more than one offense in a complaint, indictment, or information, the assessment shall be based on the highest

class offense for which the person is convicted.

(h) In counties with a population under 3,000,000, all moneys collected under this Section shall be forwarded by the clerk of the circuit court to the State Treasurer for deposit in the Drug Treatment Fund. The Department of Human Services may make grants to persons licensed under Section 15-10 of the Alcoholism and Other Drug Abuse and Dependency Act or to municipalities or counties from funds appropriated to the Department from the Drug Treatment Fund for the treatment of pregnant women who are addicted to alcohol, cannabis or controlled substances and for the needed care of minor, unemancipated children of women undergoing residential drug treatment. If the Department of Human Services grants funds to a municipality or a county that the Department determines is not experiencing a problem with pregnant women addicted to alcohol, cannabis or controlled substances, or with care for minor, unemancipated children of women undergoing residential drug treatment, or intervention, the funds shall be used for the treatment of any person addicted to alcohol, cannabis, or controlled substances. The Department may adopt such rules as it deems appropriate for the administration of such grants.

(i) In counties with a population of 3,000,000 or more, all moneys collected under this Section shall be forwarded to the County Treasurer for deposit into the County Health Fund. The County Treasurer shall, no later than the 15th day of each month, forward to the State Treasurer 30 percent of all moneys collected under this Act and received into the County Health Fund since the prior remittance to the State Treasurer. Funds retained by the County shall be used for community-based treatment of pregnant women who are addicted to alcohol, cannabis, or controlled substances or for the needed care of minor, unemancipated children of these women. Funds forwarded to the State Treasurer shall be deposited into the State Drug Treatment Fund maintained by the State Treasurer from which the Department of Human Services may make grants to persons licensed under Section 15-10 of the Alcoholism and Other Drug

Abuse and Dependency Act or to municipalities or counties from funds appropriated to the Department from the Drug Treatment Fund, provided that the moneys collected from each county be returned proportionately to the counties through grants to licensees located within the county from which the assessment was received and moneys in the State Drug Treatment Fund shall not supplant other local, State or federal funds. If the Department of Human Services grants funds to a municipality or county that the Department determines is not experiencing a problem with pregnant women addicted to alcohol, cannabis or controlled substances, or with care for minor, unemancipated children or women undergoing residential drug treatment, the funds shall be used for the treatment of any person addicted to alcohol, cannabis or controlled substances. The Department may adopt such rules as it deems appropriate for the administration of such grants.

Section 85. Forfeiture.

(a) The following are subject to forfeiture:

(1) all substances containing methamphetamine which have been produced, manufactured, delivered, or possessed in violation of this Act;

(2) all methamphetamine manufacturing materials which have been produced, delivered, or possessed in connection with any substance containing methamphetamine in violation of this Act;

(3) all conveyances, including aircraft, vehicles or vessels, which are used, or intended for use, to transport, or in any manner to facilitate the transportation, sale, receipt, possession, or concealment of property described in paragraph (1) or (2) that constitutes a felony violation of the Act, but:

(i) no conveyance used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this Section unless it appears that the owner or other person in

charge of the conveyance is a consenting party or privy to a violation of this Act;

(ii) no conveyance is subject to forfeiture under this Section by reason of any act or omission which the owner proves to have been committed or omitted without his or her knowledge or consent;

(iii) a forfeiture of a conveyance encumbered by a bona fide security interest is subject to the interest of the secured party if he or she neither had knowledge of nor consented to the act or omission;

(4) all money, things of value, books, records, and research products and materials including formulas, microfilm, tapes, and data which are used, or intended for use in a felony violation of this Act;

(5) everything of value furnished or intended to be furnished by any person in exchange for a substance in violation of this Act, all proceeds traceable to such an exchange, and all moneys, negotiable instruments, and securities used, or intended to be used, to commit or in any manner to facilitate any felony violation of this Act.

(6) all real property, including any right, title, and interest (including, but not limited to, any leasehold interest or the beneficial interest in a land trust) in the whole of any lot or tract of land and any appurtenances or improvements, which is used, or intended to be used, in any manner or part, to commit, or in any manner to facilitate the commission of, any violation or act that constitutes a violation of this Act or that is the proceeds of any violation or act that constitutes a violation of this Act.

(b) Property subject to forfeiture under this Act may be seized by the Director or any peace officer upon process or seizure warrant issued by any court having jurisdiction over the property. Seizure by the Director or any peace officer without process may be made:

(1) if the property subject to seizure has been the subject of a prior judgment in favor of the State in a

criminal proceeding or in an injunction or forfeiture proceeding based upon this Act or the Drug Asset Forfeiture Procedure Act;

(2) if there is probable cause to believe that the property is directly or indirectly dangerous to health or safety;

(3) if there is probable cause to believe that the property is subject to forfeiture under this Act and the property is seized under circumstances in which a warrantless seizure or arrest would be reasonable; or

(4) in accordance with the Code of Criminal Procedure of 1963.

(c) In the event of seizure pursuant to subsection (b), forfeiture proceedings shall be instituted in accordance with the Drug Asset Forfeiture Procedure Act.

(d) Property taken or detained under this Section is not subject to replevin, but is deemed to be in the custody of the Director subject only to the order and judgments of the circuit court having jurisdiction over the forfeiture proceedings and the decisions of the State's Attorney under the Drug Asset Forfeiture Procedure Act. When property is seized under this Act, the seizing agency shall promptly conduct an inventory of the seized property, estimate the property's value, and forward a copy of the inventory of seized property and the estimate of the property's value to the Director. Upon receiving notice of seizure, the Director may:

(1) place the property under seal;

(2) remove the property to a place designated by him or her;

(3) keep the property in the possession of the seizing agency;

(4) remove the property to a storage area for safekeeping or, if the property is a negotiable instrument or money and is not needed for evidentiary purposes, deposit it in an interest bearing account;

(5) place the property under constructive seizure by

posting notice of pending forfeiture on it, by giving notice of pending forfeiture to its owners and interest holders, or by filing notice of pending forfeiture in any appropriate public record relating to the property; or

(6) provide for another agency or custodian, including an owner, secured party, or lienholder, to take custody of the property upon the terms and conditions set by the Director.

(e) No disposition may be made of property under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court.

(f) When property is forfeited under this Act, the Director shall sell the property unless the property is required by law to be destroyed or is harmful to the public, and shall distribute the proceeds of the sale, together with any moneys forfeited or seized, in accordance with subsection (g). However, upon the application of the seizing agency or prosecutor who was responsible for the investigation, arrest or arrests and prosecution which lead to the forfeiture, the Director may return any item of forfeited property to the seizing agency or prosecutor for official use in the enforcement of laws relating to methamphetamine, cannabis, or controlled substances, if the agency or prosecutor demonstrates that the item requested would be useful to the agency or prosecutor in their enforcement efforts. When any real property returned to the seizing agency is sold by the agency or its unit of government, the proceeds of the sale shall be delivered to the Director and distributed in accordance with subsection (g).

(g) All moneys and the sale proceeds of all other property forfeited and seized under this Act shall be distributed as follows:

(1) 65% shall be distributed to the metropolitan enforcement group, local, municipal, county, or State law

enforcement agency or agencies which conducted or participated in the investigation resulting in the forfeiture. The distribution shall bear a reasonable relationship to the degree of direct participation of the law enforcement agency in the effort resulting in the forfeiture, taking into account the total value of the property forfeited and the total law enforcement effort with respect to the violation of the law upon which the forfeiture is based. Amounts distributed to the agency or agencies shall be used for the enforcement of laws governing methamphetamine, cannabis, and controlled substances, except that amounts distributed to the Secretary of State shall be deposited into the Secretary of State Evidence Fund to be used as provided in Section 2-115 of the Illinois Vehicle Code.

(2) (i) 12.5% shall be distributed to the Office of the State's Attorney of the county in which the prosecution resulting in the forfeiture was instituted, deposited in a special fund in the county treasury and appropriated to the State's Attorney for use in the enforcement of laws governing methamphetamine, cannabis, and controlled substances. In counties with a population over 3,000,000, 25% shall be distributed to the Office of the State's Attorney for use in the enforcement of laws governing methamphetamine, cannabis, and controlled substances. If the prosecution is undertaken solely by the Attorney General, the portion provided hereunder shall be distributed to the Attorney General for use in the enforcement of laws governing methamphetamine, cannabis, and controlled substances.

(ii) 12.5% shall be distributed to the Office of the State's Attorneys Appellate Prosecutor and deposited in the Narcotics Profit Forfeiture Fund of that Office to be used for additional expenses incurred in the investigation, prosecution and appeal of cases arising under laws governing methamphetamine, cannabis, and

controlled substances. The Office of the State's Attorneys Appellate Prosecutor shall not receive distribution from cases brought in counties with a population over 3,000,000.

(3) 10% shall be retained by the Department of State Police for expenses related to the administration and sale of seized and forfeited property.

Section 90. Methamphetamine restitution.

(a) If a person commits a violation of this Act in a manner that requires an emergency response, the person shall be required to make restitution to all public entities involved in the emergency response, to cover the reasonable cost of their participation in the emergency response, including but not limited to regular and overtime costs incurred by local law enforcement agencies and private contractors paid by the public agencies in securing the site. The convicted person shall make this restitution in addition to any other fine or penalty required by law.

(b) Any restitution payments made under this Section shall be disbursed equitably by the circuit clerk in the following order:

(1) first, to the local agencies involved in the emergency response;

(2) second, to the State agencies involved in the emergency response; and

(3) third, to the federal agencies involved in the emergency response.

Section 95. Youth Drug Abuse Prevention Fund.

(a) Twelve and one-half percent of all amounts collected as fines pursuant to the provisions of this Article shall be paid into the Youth Drug Abuse Prevention Fund created by the Controlled Substances Act in the State treasury, to be used by the Department for the funding of programs and services for drug-abuse treatment, and prevention and education services, for juveniles.

(b) Eighty-seven and one-half percent of the proceeds of all fines received under the provisions of this Act shall be transmitted to and deposited into the State treasury and distributed as follows:

(1) If such seizure was made by a combination of law enforcement personnel representing differing units of local government, the court levying the fine shall equitably allocate 50% of the fine among these units of local government and shall allocate 37.5% to the county general corporate fund. If the seizure was made by law enforcement personnel representing a unit of local government from a municipality where the number of inhabitants exceeds 2 million in population, the court levying the fine shall allocate 87.5% of the fine to that unit of local government. If the seizure was made by a combination of law enforcement personnel representing differing units of local government and if at least one of those units represents a municipality where the number of inhabitants exceeds 2 million in population, the court shall equitably allocate 87.5% of the proceeds of the fines received among the differing units of local government.

(2) If such seizure was made by State law enforcement personnel, then the court shall allocate 37.5% to the State treasury and 50% to the county general corporate fund.

(3) If a State law enforcement agency in combination with any law enforcement agency or agencies of a unit or units of local government conducted the seizure, the court shall equitably allocate 37.5% of the fines to or among the law enforcement agency or agencies of the unit or units of local government that conducted the seizure and shall allocate 50% to the county general corporate fund.

(c) The proceeds of all fines allocated to the law enforcement agency or agencies of the unit or units of local government pursuant to subsection (b) shall be made available to that law enforcement agency as expendable receipts for use in the enforcement of laws regulating controlled substances and

cannabis. The proceeds of fines awarded to the State treasury shall be deposited in a special fund known as the Drug Traffic Prevention Fund, except that amounts distributed to the Secretary of State shall be deposited into the Secretary of State Evidence Fund to be used as provided in Section 2-115 of the Illinois Vehicle Code. Moneys from this Fund may be used by the Department of State Police for use in the enforcement of laws regulating controlled substances and cannabis; to satisfy funding provisions of the Intergovernmental Drug Laws Enforcement Act; to defray costs and expenses associated with returning violators of the Cannabis Control Act and this Act only, as provided in those Acts, when punishment of the crime shall be confinement of the criminal in the penitentiary; and all other moneys shall be paid into the General Revenue Fund in the State treasury.

Section 100. Second or subsequent offenses.

(a) Any person convicted of a second or subsequent offense under this Act may be sentenced to imprisonment for a term up to twice the maximum term otherwise authorized, fined an amount up to twice that otherwise authorized, or both.

(b) Any penalty imposed for any violation of this Act is in addition to, and not in lieu of, any civil or administrative penalty or sanction otherwise authorized by this Act or any other law.

Section 105. Applicability. A prosecution for any violation of law occurring prior to the effective date of this Act is not affected or abated by this Act. If the offense being prosecuted would be a violation of this Act, and has not reached the sentencing stage or final adjudication, then for purposes of penalty the penalties under this Act apply if they are less than under the prior law upon which the prosecution was commenced.

Section 110. Scope of Act. Nothing in this Act limits any

authority or activity authorized by the Illinois Controlled Substances Act, the Medical Practice Act of 1987, the Nursing and Advanced Practice Nursing Act, the Pharmacy Practice Act of 1987, the Illinois Dental Practice Act, the Podiatric Medical Practice Act of 1987, or the Veterinary Medicine and Surgery Practice Act of 2004. Nothing in this Act limits the authority or activity of any law enforcement officer acting within the scope of his or her employment.

(1) Design, coordinate and fund a comprehensive and coordinated community-based and culturally and gender-appropriate array of services throughout the State for the prevention, intervention, treatment and rehabilitation of alcohol and other drug abuse and dependency that is accessible and addresses the needs of at-risk or addicted individuals and their families.

(2) Act as the exclusive State agency to accept, receive and expend, pursuant to appropriation, any public or private monies, grants or services, including those received from the federal government or from other State agencies, for the purpose of providing an array of services for the prevention, intervention, treatment and rehabilitation of alcoholism or other drug abuse or dependency. The plan shall be based on local community-based needs and upon data including, but not limited to, that which defines the prevalence of and costs associated with the abuse of and dependency upon alcohol and other drugs. This comprehensive State plan shall include identification of problems, needs, priorities, services and other pertinent information, including the needs of minorities and other specific populations in the State, and shall describe how the identified problems and needs will be addressed. For purposes of this paragraph, the term "minorities and other specific populations" may include, but shall not be limited to, groups such as women, children, intravenous drug users, persons with AIDS or who are HIV infected, African-Americans, Puerto Ricans, Hispanics, Asian Americans, the elderly, persons in the criminal justice system, persons who are clients of services provided by other State agencies, persons with disabilities and such other specific populations as the Department may from time to time identify. (G) Cooperate with and assist the State Superintendent of Education, boards of education, schools, police departments, the Illinois Department of State Police, courts and other public and private

agencies and individuals in establishing prevention programs statewide and preparing curriculum materials for use at all levels of education. An agreement shall be entered into with the State Superintendent of Education to assist in the establishment of such programs.

(2) Review all State agency applications for federal funds which include provisions relating to the prevention, early intervention and treatment of alcoholism and other drug abuse and dependency in order to ensure consistency with the comprehensive statewide plan developed pursuant to this Act.

Such materials may deal with the educational needs of the citizens of Illinois, and may include at least pamphlets which describe the causes and effects of fetal alcohol syndrome, which the Department may distribute free of charge to each county clerk in sufficient quantities that the county clerk may provide a pamphlet to the recipients of all marriage licenses issued in the county.

(4) Develop and coordinate, with regional and local agencies, education and training programs for persons engaged in providing the array of services for persons having alcoholism or other drug abuse and dependency problems, which programs may include specific HIV education and training for program personnel.

(5) Cooperate with and assist in the development of education, prevention and treatment programs for employees of State and local governments and businesses in the State.

(9) Publish or provide for the publishing of a manual to assist medical and social service providers in identifying alcoholism and other drug abuse and dependency and coordinating the multidisciplinary delivery of services to addicted pregnant women, addicted mothers and their children. The manual may be used only to provide information and may not be used by the Department to establish practice standards. The Department may not require recipients to use specific providers nor may they require providers to refer recipients to specific providers. The manual may include, but need not be limited to, the following:

and manner required by the Department and within 30 days of the criminal history event. Specifically:

(a) Arrest Information. All agencies making arrests for offenses which are required by statute to be collected, maintained or disseminated by the Department of State Police shall be responsible for furnishing daily to the Department fingerprints, charges and descriptions of all persons who are arrested for such offenses. All such agencies shall also notify the Department of all decisions by the arresting agency not to refer such arrests for prosecution. With approval of the Department, an agency making such arrests may enter into arrangements with other agencies for the purpose of furnishing daily such fingerprints, charges and descriptions to the Department upon its behalf.

(b) Charge Information. The State's Attorney of each county shall notify the Department of all charges filed and all petitions filed alleging that a minor is delinquent, including all those added subsequent to the filing of a case, and whether charges were not filed in cases for which the Department has received information required to be reported pursuant to paragraph (a) of this Section. (d) Fingerprints After Sentencing.

(1) After the court pronounces sentence, sentences a minor following a trial in which a minor was found to be delinquent or issues an order of supervision or an order of probation granted under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, Section 10 of the Steroid Control Act, or Section 5-615 of the Juvenile Court Act of 1987 for any offense which is required by statute to be collected, maintained, or disseminated by the Department of State Police, the State's Attorney of each county shall ask the court to order a law enforcement agency to fingerprint immediately all persons appearing

before the court who have not previously been fingerprinted for the same case. (20 ILCS 2630/5) (from Ch. 38, par. 206-5)

(This Section may contain text from a Public Act with a delayed effective date)

Sec. 5. Arrest reports; expungement.

(a) All policing bodies of this State shall furnish to the Department, daily, in the form and detail the Department requires, fingerprints and descriptions of all persons who are arrested on charges of violating any penal statute of this State for offenses that are classified as felonies and Class A or B misdemeanors and of all minors of the age of 10 and over who have been arrested for an offense which would be a felony if committed by an adult, and may forward such fingerprints and descriptions for minors arrested for Class A or B misdemeanors. Moving or nonmoving traffic violations under the Illinois Vehicle Code shall not be reported except for violations of Chapter 4, Section 11-204.1, or Section 11-501 of that Code. In addition, conservation offenses, as defined in the Supreme Court Rule 501(c), that are classified as Class B misdemeanors shall not be reported.

Whenever an adult or minor prosecuted as an adult, not having previously been convicted of any criminal offense or municipal ordinance violation, charged with a violation of a municipal ordinance or a felony or misdemeanor, is acquitted or released without being convicted, whether the acquittal or release occurred before, on, or after the effective date of this amendatory Act of 1991, the Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial may upon verified petition of the defendant order the record of arrest expunged from the official records of the arresting authority and the Department and order that the records of the clerk of the circuit court be sealed until further order of the court upon good cause shown and the name of the defendant obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. The Department may charge the petitioner a fee

equivalent to the cost of processing any order to expunge or seal the records, and the fee shall be deposited into the State Police Services Fund. The records of those arrests, however, that result in a disposition of supervision for any offense shall not be expunged from the records of the arresting authority or the Department nor impounded by the court until 2 years after discharge and dismissal of supervision. Those records that result from a supervision for a violation of Section 3-707, 3-708, 3-710, 5-401.3, or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, or for a violation of Section 12-3.2, 12-15 or 16A-3 of the Criminal Code of 1961, or probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act when the judgment of conviction has been vacated, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act when the judgment of conviction has been vacated, or Section 10 of the Steroid Control Act shall not be expunged from the records of the arresting authority nor impounded by the court until 5 years after termination of probation or supervision. Those records that result from a supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, shall not be expunged. All records set out above may be ordered by the court to be expunged from the records of the arresting authority and impounded by the court after 5 years, but shall not be expunged by the Department, but shall, on court order be sealed by the Department and may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any offense, the Department of Corrections shall

have access to all sealed records of the Department pertaining to that individual.

(a-5) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(b) Whenever a person has been convicted of a crime or of the violation of a municipal ordinance, in the name of a person whose identity he has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the chief judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the aggrieved's name. The records of the clerk of the circuit court shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used. For purposes of this Section, convictions for moving and nonmoving traffic violations other than convictions for violations of Chapter 4, Section 11-204.1 or Section 11-501 of the Illinois Vehicle Code shall not be a bar to expunging the record of arrest and court records for violation of a misdemeanor or municipal ordinance.

(c) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he may, upon verified petition to the chief judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, may have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the clerk of the circuit court and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of expungement, the clerk of the circuit court shall promptly mail a copy of the order to the person who was pardoned.

(c-5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the defendant's trial to have a court order entered to seal the records of the clerk of the circuit

court in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning the offense available for public inspection.

(c-6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the defendant was factually innocent of the charge, the court shall enter an expungement order as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(d) Notice of the petition for subsections (a), (b), and (c) shall be served upon the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government affecting the arrest. Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency or such chief legal officer objects to the petition within 30 days from the date of the notice, the court shall enter an order granting or denying the petition. The clerk of the court shall promptly mail a copy of the order to the person, the arresting agency, the prosecutor, the Department of State Police and such other criminal justice agencies as may be ordered by the judge.

(e) Nothing herein shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section

10 of the Steroid Control Act.

(f) No court order issued under the expungement provisions of this Section shall become final for purposes of appeal until 30 days after notice is received by the Department. Any court order contrary to the provisions of this Section is void.

(g) Except as otherwise provided in subsection (c-5) of this Section, the court shall not order the sealing or expungement of the arrest records and records of the circuit court clerk of any person granted supervision for or convicted of any sexual offense committed against a minor under 18 years of age. For the purposes of this Section, "sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(h) (1) Applicability. Notwithstanding any other provision of this Act to the contrary and cumulative with any rights to expungement of criminal records, this subsection authorizes the sealing of criminal records of adults and of minors prosecuted as adults.

(2) Sealable offenses. The following offenses may be sealed:

(A) All municipal ordinance violations and misdemeanors, with the exception of the following:

(i) violations of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance;

~~(iv)~~ However, for purposes of this subsection (h), a sentence of first offender probation under Section 10 of the Cannabis Control Act, ~~and~~ Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act shall be treated as a Class 4 felony conviction.

(3) Requirements for sealing. Records identified as sealable under clause (h) (2) may be sealed when the individual was:

(A) Acquitted of the offense or offenses or released without being convicted.

(B) Convicted of the offense or offenses and the conviction or convictions were reversed.

(C) Placed on misdemeanor supervision for an offense or offenses; and

(i) at least 3 years have elapsed since the completion of the term of supervision, or terms of supervision, if more than one term has been ordered; and

(4) Requirements for sealing of records when more than one charge and disposition have been filed. In instances in which more than one waiting period is applicable under clauses (h) (C) (i) and (ii) and (h) (D) (i) and (ii), the longer applicable period applies, and the requirements of clause (h) (3) shall be considered met when the petition is filed after the passage of the longer applicable waiting period. That period commences on the date of the completion of the last sentence or the end of supervision, probation, or parole, whichever is last in time.

(5) Subsequent convictions. A person may not have subsequent felony conviction records sealed as provided in this subsection (h) if he or she is convicted of any felony offense after the date of the sealing of prior felony records as provided in this subsection (h).

(C) Service of petition. The clerk shall promptly serve a copy of the petition on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest.

Section 950. The School Code is amended by changing Sections 10-21.9, 10-27.1B, 21-23a, 34-18.5, and 34-84b as follows:

(105 ILCS 5/10-21.9) (from Ch. 122, par. 10-21.9)

Sec. 10-21.9. Criminal history records checks.

(a) Certified and noncertified applicants for employment with a school district, except school bus driver applicants, are required as a condition of employment to authorize a fingerprint-based criminal history records check to determine if such applicants have been convicted of any of the enumerated criminal or drug offenses in subsection (c) of this Section or have been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State. Authorization for the check shall be furnished by the applicant to the school district, except that if the applicant is a substitute teacher seeking employment in more than one school district, a teacher seeking concurrent part-time employment positions with more than one school district (as a reading specialist, special education teacher or otherwise), or an

educational support personnel employee seeking employment positions with more than one district, any such district may require the applicant to furnish authorization for the check to the regional superintendent of the educational service region in which are located the school districts in which the applicant is seeking employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee. Upon receipt of this authorization, the school district or the appropriate regional superintendent, as the case may be, shall submit the applicant's name, sex, race, date of birth, social security number, fingerprint images, and other identifiers, as prescribed by the Department of State Police, to the Department. The regional superintendent submitting the requisite information to the Department of State Police shall promptly notify the school districts in which the applicant is seeking employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee that the check of the applicant has been requested. The Department of State Police and the Federal Bureau of Investigation shall furnish, pursuant to a fingerprint-based criminal history records check, records of convictions, until expunged, to the president of the school board for the school district that requested the check, or to the regional superintendent who requested the check. The Department shall charge the school district or the appropriate regional superintendent a fee for conducting such check, which fee shall be deposited in the State Police Services Fund and shall not exceed the cost of the inquiry; and the applicant shall not be charged a fee for such check by the school district or by the regional superintendent. Subject to appropriations for these purposes, the State Superintendent of Education shall reimburse school districts and regional superintendents for fees paid to obtain criminal history records checks under this Section.

(b) Any information concerning the record of convictions obtained by the president of the school board or the regional

superintendent shall be confidential and may only be transmitted to the superintendent of the school district or his designee, the appropriate regional superintendent if the check was requested by the school district, the presidents of the appropriate school boards if the check was requested from the Department of State Police by the regional superintendent, the State Superintendent of Education, the State Teacher Certification Board or any other person necessary to the decision of hiring the applicant for employment. A copy of the record of convictions obtained from the Department of State Police shall be provided to the applicant for employment. If a check of an applicant for employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee in more than one school district was requested by the regional superintendent, and the Department of State Police upon a check ascertains that the applicant has not been convicted of any of the enumerated criminal or drug offenses in subsection (c) or has not been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State and so notifies the regional superintendent, then the regional superintendent shall issue to the applicant a certificate evidencing that as of the date specified by the Department of State Police the applicant has not been convicted of any of the enumerated criminal or drug offenses in subsection (c) or has not been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State. The school board of any school district located in the educational service region served by

the regional superintendent who issues such a certificate to an applicant for employment as a substitute teacher in more than one such district may rely on the certificate issued by the regional superintendent to that applicant, or may initiate its own criminal history records check of the applicant through the Department of State Police as provided in subsection (a). Any person who releases any confidential information concerning any criminal convictions of an applicant for employment shall be guilty of a Class A misdemeanor, unless the release of such information is authorized by this Section.

Section 970. The Health Care Worker Background Check Act is amended by changing Section 25 as follows:

(225 ILCS 46/25)

Sec. 25. Persons ineligible to be hired by health care employers.

(a) After January 1, 1996, or January 1, 1997, as applicable, no health care employer shall knowingly hire, employ, or retain any individual in a position with duties involving direct care for clients, patients, or residents, who has been convicted of committing or attempting to commit one or more of the offenses defined in Sections 8-1.1, 8-1.2, 9-1, 9-1.2, 9-2, 9-2.1, 9-3, 9-3.1, 9-3.2, 9-3.3, 10-1, 10-2, 10-3, 10-3.1, 10-4, 10-5, 10-7, 11-6, 11-9.1, 11-19.2, 11-20.1, 12-1, 12-2, 12-3, 12-3.1, 12-3.2, 12-4, 12-4.1, 12-4.2, 12-4.3, 12-4.4, 12-4.5, 12-4.6, 12-4.7, 12-7.4, 12-11, 12-13, 12-14, 12-14.1, 12-15, 12-16, 12-19, 12-21, 12-21.6, 12-32, 12-33, 16-1, 16-1.3, 16A-3, 17-3, 18-1, 18-2, 18-3, 18-4, 18-5, 19-1, 19-3, 19-4, 20-1, 20-1.1, 24-1, 24-1.2, 24-1.5, or 33A-2 of the Criminal Code of 1961; those provided in Section 4 of the Wrongs to Children Act; those provided in Section 53 of the Criminal Jurisprudence Act; those defined in Section 5, 5.1, 5.2, 7, or 9 of the Cannabis Control Act; those defined in the Methamphetamine Control and Community Protection Act; or those defined in Sections 401, 401.1, 404, 405, 405.1, 407, or 407.1 of the Illinois Controlled Substances Act, unless the applicant or employee obtains a waiver pursuant to Section 40.

(a-1) After January 1, 2004, no health care employer shall knowingly hire any individual in a position with duties involving direct care for clients, patients, or residents who

has (i) been convicted of committing or attempting to commit one or more of the offenses defined in Section 12-3.3, 12-4.2-5, 16-2, 16G-15, 16G-20, 18-5, 20-1.2, 24-1.1, 24-1.2-5, 24-1.6, 24-3.2, or 24-3.3 of the Criminal Code of 1961; Section 4, 5, 6, 8, or 17.02 of the Illinois Credit Card and Debit Card Act; or Section 5.1 of the Wrongs to Children Act; or (ii) violated Section 10-5 of the Nursing and Advanced Practice Nursing Act.

A UCIA criminal history record check need not be redone for health care employees who have been continuously employed by a health care employer since January 1, 2004, but nothing in this Section prohibits a health care employer from initiating a criminal history check for these employees.

A health care employer is not required to retain an individual in a position with duties involving direct care for clients, patients, or residents who has been convicted of committing or attempting to commit one or more of the offenses enumerated in this subsection.

(b) A health care employer shall not hire, employ, or retain any individual in a position with duties involving direct care of clients, patients, or residents if the health care employer becomes aware that the individual has been convicted in another state of committing or attempting to commit an offense that has the same or similar elements as an offense listed in subsection (a) or (a-1), as verified by court records, records from a state agency, or an FBI criminal history record check. This shall not be construed to mean that a health care employer has an obligation to conduct a criminal history records check in other states in which an employee has resided.

All proceedings to suspend, revoke, place on probationary status, or take any other disciplinary action as the Department may deem proper, with regard to a license on any of the foregoing grounds, must be commenced within 3 years next after receipt by the Department of a complaint alleging the commission of or notice of the conviction order for any of the acts described herein. Except for the grounds numbered (8), (9) and (29), no action shall be commenced more than 5 years after the date of the incident or act alleged to have violated this Section. In the event of the settlement of any claim or cause of action in favor of the claimant or the reduction to final judgment of any civil action in favor of the plaintiff, such claim, cause of action or civil action being grounded on the allegation that a person licensed under this Act was negligent in providing care, the Department shall have an additional period of one year from the date of notification to the Department under Section 23 of this Act of such settlement or final judgment in which to investigate and commence formal disciplinary proceedings under Section 36 of this Act, except as otherwise provided by law. The time during which the holder of the license was outside the State of Illinois shall not be included within any period of time limiting the commencement of disciplinary action by the Department.

The entry of an order or judgment by any circuit court establishing that any person holding a license under this Act is a person in need of mental treatment operates as a

suspension of that license. That person may resume their practice only upon the entry of a Departmental order based upon a finding by the Medical Disciplinary Board that they have been determined to be recovered from mental illness by the court and upon the Disciplinary Board's recommendation that they be permitted to resume their practice.

The Department may refuse to issue or take disciplinary action concerning the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied as determined by the Illinois Department of Revenue.

The Department, upon the recommendation of the Disciplinary Board, shall adopt rules which set forth standards to be used in determining:

(a) when a person will be deemed sufficiently rehabilitated to warrant the public trust;

(b) what constitutes dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud, or harm the public;

(c) what constitutes immoral conduct in the commission of any act, including, but not limited to, commission of an act of sexual misconduct related to the licensee's practice; and

(d) what constitutes gross negligence in the practice of medicine.

However, no such rule shall be admissible into evidence in any civil action except for review of a licensing or other disciplinary action under this Act.

In enforcing this Section, the Medical Disciplinary Board, upon a showing of a possible violation, may compel any individual licensed to practice under this Act, or who has applied for licensure or a permit pursuant to this Act, to submit to a mental or physical examination, or both, as

required by and at the expense of the Department. The examining physician or physicians shall be those specifically designated by the Disciplinary Board. The Medical Disciplinary Board or the Department may order the examining physician to present testimony concerning this mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communication between the licensee or applicant and the examining physician. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of the examination. Failure of any individual to submit to mental or physical examination, when directed, shall be grounds for suspension of his or her license until such time as the individual submits to the examination if the Disciplinary Board finds, after notice and hearing, that the refusal to submit to the examination was without reasonable cause. If the Disciplinary Board finds a physician unable to practice because of the reasons set forth in this Section, the Disciplinary Board shall require such physician to submit to care, counseling, or treatment by physicians approved or designated by the Disciplinary Board, as a condition for continued, reinstated, or renewed licensure to practice. Any physician, whose license was granted pursuant to Sections 9, 17, or 19 of this Act, or, continued, reinstated, renewed, disciplined or supervised, subject to such terms, conditions or restrictions who shall fail to comply with such terms, conditions or restrictions, or to complete a required program of care, counseling, or treatment, as determined by the Chief Medical Coordinator or Deputy Medical Coordinators, shall be referred to the Director for a determination as to whether the licensee shall have their license suspended immediately, pending a hearing by the Disciplinary Board. In instances in which the Director immediately suspends a license under this Section, a hearing upon such person's license must be convened by the Disciplinary Board within 15 days after such suspension and completed without appreciable delay. The Disciplinary

Board shall have the authority to review the subject physician's record of treatment and counseling regarding the impairment, to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act, affected under this Section, shall be afforded an opportunity to demonstrate to the Disciplinary Board that they can resume practice in compliance with acceptable and prevailing standards under the provisions of their license.

The Department may promulgate rules for the imposition of fines in disciplinary cases, not to exceed \$5,000 for each violation of this Act. Fines may be imposed in conjunction with other forms of disciplinary action, but shall not be the exclusive disposition of any disciplinary action arising out of conduct resulting in death or injury to a patient. Any funds collected from such fines shall be deposited in the Medical Disciplinary Fund.

(B) The Department shall revoke the license or visiting permit of any person issued under this Act to practice medicine or to treat human ailments without the use of drugs and without operative surgery, who has been convicted a second time of committing any felony under the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act, or who has been convicted a second time of committing a Class 1 felony under Sections 8A-3 and 8A-6 of the Illinois Public Aid Code. A person whose license or visiting permit is revoked under this subsection B of Section 22 of this Act shall be prohibited from practicing medicine or treating human ailments without the use of drugs and without operative surgery.

(C) The Medical Disciplinary Board shall recommend to the Department civil penalties and any other appropriate discipline in disciplinary cases when the Board finds that a physician willfully performed an abortion with actual knowledge that the person upon whom the abortion has been

performed is a minor or an incompetent person without notice as required under the Parental Notice of Abortion Act of 1995. Upon the Board's recommendation, the Department shall impose, for the first violation, a civil penalty of \$1,000 and for a second or subsequent violation, a civil penalty of \$5,000. Whoever knowingly practices or offers to practice nursing in this State without a license for that purpose shall be guilty of a Class A misdemeanor and for each subsequent conviction, shall be guilty of a Class 4 felony. (c) Whenever in the opinion of the Department any person violates any provision of this Act, the Department may issue a rule to show cause why an order to cease and desist should not be entered against him. The rule shall clearly set forth the grounds relied upon by the Department and shall provide a period of 7 days from the date of the rule to file an answer to the satisfaction of the Department. Failure to answer to the satisfaction of the Department shall cause an order to cease

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship, issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of his employment related duties, or to allow transportation for the petitioner, or a household member of the petitioner's family, to receive necessary medical care and if the professional evaluation indicates, provide transportation for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of

separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A

restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 18 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(2) The court shall allow the general public to have access to the name, address, and offense of a minor who is at least 13 years of age at the time the offense is committed and who is convicted, in criminal proceedings permitted or required under Section 5-4, under either of the following circumstances:

(A) The minor has been convicted of first degree murder, attempt to commit first degree murder, aggravated criminal sexual assault, or criminal sexual assault,

(B) The court has made a finding that the minor was at least 13 years of age at the time the offense was committed and the conviction was based upon the minor's commission of: (i) an offense in furtherance of the commission of a felony as a member of or on behalf of a criminal street gang, (ii) an offense involving the use of a firearm in the commission of a felony, (iii) a

Class X felony offense under or a second or subsequent Class 2 or greater felony offense under the Cannabis Control Act, (iv) a second or subsequent offense under Section 402 of the Illinois Controlled Substances Act, ~~or~~ (v) an offense under Section 401 of the Illinois Controlled Substances Act, (vi) an act that would be a second or subsequent offense under Section 60 of the Methamphetamine Control and Community Protection Act, or (vii) an act that would be an offense under another Section of the Methamphetamine Control and Community Protection Act.

(D) Pending or following any adjudication of delinquency for any offense defined in Sections 12-13 through 12-16 of the Criminal Code of 1961, the victim of any such offense shall receive the rights set out in Sections 4 and 6 of the Bill of Rights for Victims and Witnesses of Violent Crime Act; and the juvenile who is the subject of the adjudication, notwithstanding any other provision of this Act, shall be treated as an adult for the purpose of affording such rights to the victim.

(E) Nothing in this Section shall affect the right of a Civil Service Commission or appointing authority of any state, county or municipality examining the character and fitness of an applicant for employment with a law enforcement agency, correctional institution, or fire department to ascertain whether that applicant was ever adjudicated to be a delinquent minor and, if so, to examine the records of disposition or evidence which were made in proceedings under this Act.

(F) Following any adjudication of delinquency for a crime which would be a felony if committed by an adult, or following any adjudication of delinquency for a violation of Section 24-1, 24-3, 24-3.1, or 24-5 of the Criminal Code of 1961, the State's Attorney shall ascertain whether the minor respondent is enrolled in school and, if so, shall provide a copy of the dispositional order to the principal or chief administrative officer of the school. Access to such juvenile records shall be

limited to the principal or chief administrative officer of the school and any guidance counselor designated by him.

(G) Nothing contained in this Act prevents the sharing or disclosure of information or records relating or pertaining to juveniles subject to the provisions of the Serious Habitual Offender Comprehensive Action Program when that information is used to assist in the early identification and treatment of habitual juvenile offenders.

(H) When a Court hearing a proceeding under Article II of this Act becomes aware that an earlier proceeding under Article II had been heard in a different county, that Court shall request, and the Court in which the earlier proceedings were initiated shall transmit, an authenticated copy of the Court record, including all documents, petitions, and orders filed therein and the minute orders, transcript of proceedings, and docket entries of the Court.

(I) The Clerk of the Circuit Court shall report to the Department of State Police, in the form and manner required by the Department of State Police, the final disposition of each minor who has been arrested or taken into custody before his or her 17th birthday for those offenses required to be reported under Section 5 of the Criminal Identification Act. Information reported to the Department under this Section may be maintained with records that the Department files under Section 2.1 of the Criminal Identification Act.

(705 ILCS 405/5-130)

Sec. 5-130. Excluded jurisdiction.

(1) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of an offense was at least 15 years of age and who is charged with first degree murder, aggravated criminal sexual assault, aggravated battery with a firearm committed in a school, on the real property comprising a school, within 1,000

feet of the real property comprising a school, at a school related activity, or on, boarding, or departing from any conveyance owned, leased, or contracted by a school or school district to transport students to or from school or a school related activity regardless of the time of day or time of year that the offense was committed, armed robbery when the armed robbery was committed with a firearm, or aggravated vehicular hijacking when the hijacking was committed with a firearm.

These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

For purposes of this paragraph (a) of subsection (1):

"School" means a public or private elementary or secondary school, community college, college, or university.

"School related activity" means any sporting, social, academic or other activity for which students' attendance or participation is sponsored, organized, or funded in whole or in part by a school or school district.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (1) the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the Criminal Code of 1961 on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (1) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the Criminal Code of 1961.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (1), then, in sentencing the minor, the court shall have available

any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (1), that finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(2) (a) The definition of a delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of the offense was at least 15 years of age and who is charged with an offense under Section 401 of the Illinois

Controlled Substances Act or an offense under the Methamphetamine Control and Community Protection Act, while in a school, regardless of the time of day or the time of year, or any conveyance owned, leased or contracted by a school to transport students to or from school or a school related activity, or residential property owned, operated or managed by a public housing agency or leased by a public housing agency as part of a scattered site or mixed-income development, on the real property comprising any school, regardless of the time of day or the time of year, or residential property owned, operated or managed by a public housing agency or leased by a public housing agency as part of a scattered site or mixed-income development, or on a public way within 1,000 feet of the real property comprising any school, regardless of the time of day or the time of year, or residential property owned, operated or managed by a public housing agency or leased by a public housing agency as part of a scattered site or mixed-income development. School is defined, for the purposes of this Section, as any public or private elementary or secondary school, community college, college, or university. These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (2) the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (2) and additional charges that are not specified in that paragraph, all of the charges

arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (2), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (2), that finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so

prescribed.

(3) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of the offense was at least 15 years of age and who is charged with a violation of the provisions of paragraph (1), (3), (4), or (10) of subsection (a) of Section 24-1 of the Criminal Code of 1961 while in school, regardless of the time of day or the time of year, or on the real property comprising any school, regardless of the time of day or the time of year. School is defined, for purposes of this Section as any public or private elementary or secondary school, community college, college, or university. These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (3) the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (3) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (3), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this

subsection (3), that finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(4) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of an offense was at least 13 years of age and who is charged with first degree murder committed during the course of either aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping. However, this subsection (4) does not include a minor charged with first degree murder based exclusively upon the accountability provisions of the Criminal

Code of 1961.

(b) (i) If before trial or plea an information or indictment is filed that does not charge first degree murder committed during the course of aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping, the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes first degree murder committed during the course of aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping, and additional charges that are not specified in paragraph (a) of this subsection, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of first degree murder committed during the course of aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If the minor was not yet 15 years of age at the time of the offense, and if after trial or plea the court finds that the minor committed an offense other than first degree murder committed during the course of either aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping, the finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must

file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine whether the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous delinquent history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the best interest of the minor and the security of the public require sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(5) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who is charged with a violation of subsection (a) of Section 31-6 or Section 32-10 of the Criminal Code of 1961 when the minor is subject to prosecution under the criminal laws of this State as a result of the application of the provisions of Section 5-125, or subsection (1) or (2) of this Section. These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (5), the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The

State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (5) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (5), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (5), the conviction shall not invalidate the verdict or the prosecution of the minor under the criminal laws of this State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if whether the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous delinquent history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the

minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(6) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who, pursuant to subsection (1), (2), or (3) or Section 5-805, or 5-810, has previously been placed under the jurisdiction of the criminal court and has been convicted of a crime under an adult criminal or penal statute. Such a minor shall be subject to prosecution under the criminal laws of this State.

(7) The procedures set out in this Article for the investigation, arrest and prosecution of juvenile offenders shall not apply to minors who are excluded from jurisdiction of the Juvenile Court, except that minors under 17 years of age shall be kept separate from confined adults.

(8) Nothing in this Act prohibits or limits the prosecution of any minor for an offense committed on or after his or her 17th birthday even though he or she is at the time of the offense a ward of the court.

(9) If an original petition for adjudication of wardship alleges the commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of this State, the minor, with the consent of his or her counsel, may, at any time before commencement of the adjudicatory hearing, file with the court a motion that criminal prosecution be ordered and that the petition be dismissed insofar as the act or acts involved in the criminal proceedings are concerned. If such a motion is filed as herein provided, the court shall enter its order accordingly.

(10) If a minor is subject to the provisions of subsection

(2) of this Section, other than a minor charged with a Class X felony violation of the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act, any party including the minor or the court sua sponte may, before trial, move for a hearing for the purpose of trying and sentencing the minor as a delinquent minor. To request a hearing, the party must file a motion prior to trial. Reasonable notice of the motion shall be given to all parties. On its own motion or upon the filing of a motion by one of the parties including the minor, the court shall conduct a hearing to determine whether the minor should be tried and sentenced as a delinquent minor under this Article. In making its determination, the court shall consider among other matters:

- (a) The age of the minor;
- (b) Any previous delinquent or criminal history of the minor;
- (c) Any previous abuse or neglect history of the minor;
- (d) Any mental health or educational history of the minor, or both; and
- (e) Whether there is probable cause to support the charge, whether the minor is charged through accountability, and whether there is evidence the minor possessed a deadly weapon or caused serious bodily harm during the offense.

Any material that is relevant and reliable shall be admissible at the hearing. In all cases, the judge shall enter an order permitting prosecution under the criminal laws of Illinois unless the judge makes a finding based on a preponderance of the evidence that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the factors listed in this subsection (10).

Sec. 5-601. Trial.

(1) When a petition has been filed alleging that the minor is a delinquent, a trial must be held within 120 days of a written demand for such hearing made by any party, except that when the State, without success, has exercised due diligence to obtain evidence material to the case and there are reasonable grounds to believe that the evidence may be obtained at a later date, the court may, upon motion by the State, continue the trial for not more than 30 additional days.

(2) If a minor respondent has multiple delinquency petitions pending against him or her in the same county and simultaneously demands a trial upon more than one delinquency petition pending against him or her in the same county, he or she shall receive a trial or have a finding, after waiver of trial, upon at least one such petition before expiration relative to any of the pending petitions of the period described by this Section. All remaining petitions thus pending against the minor respondent shall be adjudicated within 160 days from the date on which a finding relative to the first petition prosecuted is rendered under Section 5-620 of this Article, or, if the trial upon the first petition is terminated without a finding and there is no subsequent trial, or adjudication after waiver of trial, on the first petition within a reasonable time, the minor shall receive a trial upon all of the remaining petitions within 160 days from the date on which the trial, or finding after waiver of trial, on the first petition is concluded. If either such period of 160 days expires without the commencement of trial, or adjudication after waiver of trial, of any of the remaining pending petitions, the petition or petitions shall be dismissed and barred for want of prosecution unless the delay is occasioned by any of the reasons described in this Section.

(3) When no such trial is held within the time required by subsections (1) and (2) of this Section, the court shall, upon motion by any party, dismiss the petition with prejudice.

(4) Without affecting the applicability of the tolling and multiple prosecution provisions of subsections (8) and (2) of

this Section when a petition has been filed alleging that the minor is a delinquent and the minor is in detention or shelter care, the trial shall be held within 30 calendar days after the date of the order directing detention or shelter care, or the earliest possible date in compliance with the provisions of Section 5-525 as to the custodial parent, guardian or legal custodian, but no later than 45 calendar days from the date of the order of the court directing detention or shelter care. When the petition alleges the minor has committed an offense involving a controlled substance as defined in the Illinois Controlled Substances Act or methamphetamine as defined in the Methamphetamine Control and Community Protection Act, the court may, upon motion of the State, continue the trial for receipt of a confirmatory laboratory report for up to 45 days after the date of the order directing detention or shelter care. When the petition alleges the minor committed an offense that involves the death of, great bodily harm to or sexual assault or aggravated criminal sexual abuse on a victim, the court may, upon motion of the State, continue the trial for not more than 70 calendar days after the date of the order directing detention or shelter care.

Any failure to comply with the time limits of this Section shall require the immediate release of the minor from detention, and the time limits set forth in subsections (1) and (2) shall apply.

(5) If the court determines that the State, without success, has exercised due diligence to obtain the results of DNA testing that is material to the case, and that there are reasonable grounds to believe that the results may be obtained at a later date, the court may continue the cause on application of the State for not more than 120 additional days. The court may also extend the period of detention of the minor for not more than 120 additional days.

(6) If the State's Attorney makes a written request that a proceeding be designated an extended juvenile jurisdiction prosecution, and the minor is in detention, the period the

minor can be held in detention pursuant to subsection (4), shall be extended an additional 30 days after the court determines whether the proceeding will be designated an extended juvenile jurisdiction prosecution or the State's Attorney withdraws the request for extended juvenile jurisdiction prosecution.

(7) When the State's Attorney files a motion for waiver of jurisdiction pursuant to Section 5-805, and the minor is in detention, the period the minor can be held in detention pursuant to subsection (4), shall be extended an additional 30 days if the court denies motion for waiver of jurisdiction or the State's Attorney withdraws the motion for waiver of jurisdiction.

(8) The period in which a trial shall be held as prescribed by subsections (1), (2), (3), (4), (5), (6), or (7) of this Section is tolled by: (i) delay occasioned by the minor; (ii) a continuance allowed pursuant to Section 114-4 of the Code of Criminal Procedure of 1963 after the court's determination of the minor's incapacity for trial; (iii) an interlocutory appeal; (iv) an examination of fitness ordered pursuant to Section 104-13 of the Code of Criminal Procedure of 1963; (v) a fitness hearing; or (vi) an adjudication of unfitness for trial. Any such delay shall temporarily suspend, for the time of the delay, the period within which a trial must be held as prescribed by subsections (1), (2), (4), (5), and (6) of this Section. On the day of expiration of the delays the period shall continue at the point at which the time was suspended.

(9) Nothing in this Section prevents the minor or the minor's parents, guardian or legal custodian from exercising their respective rights to waive the time limits set forth in this Section.

(705 ILCS 405/5-615)

Sec. 5-615. Continuance under supervision.

(1) The court may enter an order of continuance under

supervision for an offense other than first degree murder, a Class X felony or a forcible felony (a) upon an admission or stipulation by the appropriate respondent or minor respondent of the facts supporting the petition and before proceeding to adjudication, or after hearing the evidence at the trial, and (b) in the absence of objection made in open court by the minor, his or her parent, guardian, or legal custodian, the minor's attorney or the State's Attorney.

(2) If the minor, his or her parent, guardian, or legal custodian, the minor's attorney or State's Attorney objects in open court to any continuance and insists upon proceeding to findings and adjudication, the court shall so proceed.

(3) Nothing in this Section limits the power of the court to order a continuance of the hearing for the production of additional evidence or for any other proper reason.

(4) When a hearing where a minor is alleged to be a delinquent is continued pursuant to this Section, the period of continuance under supervision may not exceed 24 months. The court may terminate a continuance under supervision at any time if warranted by the conduct of the minor and the ends of justice.

(5) When a hearing where a minor is alleged to be delinquent is continued pursuant to this Section, the court may, as conditions of the continuance under supervision, require the minor to do any of the following:

(a) not violate any criminal statute of any jurisdiction;

(b) make a report to and appear in person before any person or agency as directed by the court;

(c) work or pursue a course of study or vocational training;

(d) undergo medical or psychotherapeutic treatment rendered by a therapist licensed under the provisions of the Medical Practice Act of 1987, the Clinical Psychologist Licensing Act, or the Clinical Social Work and Social Work Practice Act, or an entity licensed by the Department of

Human Services as a successor to the Department of Alcoholism and Substance Abuse, for the provision of drug addiction and alcoholism treatment;

(e) attend or reside in a facility established for the instruction or residence of persons on probation;

(f) support his or her dependents, if any;

(g) pay costs;

(h) refrain from possessing a firearm or other dangerous weapon, or an automobile;

(i) permit the probation officer to visit him or her at his or her home or elsewhere;

(j) reside with his or her parents or in a foster home;

(k) attend school;

(k-5) with the consent of the superintendent of the facility, attend an educational program at a facility other than the school in which the offense was committed if he or she committed a crime of violence as defined in Section 2 of the Crime Victims Compensation Act in a school, on the real property comprising a school, or within 1,000 feet of the real property comprising a school;

(l) attend a non-residential program for youth;

(m) contribute to his or her own support at home or in a foster home;

(n) perform some reasonable public or community service;

(o) make restitution to the victim, in the same manner and under the same conditions as provided in subsection (4) of Section 5-710, except that the "sentencing hearing" referred to in that Section shall be the adjudicatory hearing for purposes of this Section;

(p) comply with curfew requirements as designated by the court;

(q) refrain from entering into a designated geographic area except upon terms as the court finds appropriate. The terms may include consideration of the purpose of the entry, the time of day, other persons accompanying the

minor, and advance approval by a probation officer;

(r) refrain from having any contact, directly or indirectly, with certain specified persons or particular types of persons, including but not limited to members of street gangs and drug users or dealers;

(r-5) undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body;

(s) refrain from having in his or her body the presence of any illicit drug prohibited by the Cannabis Control Act, ~~or~~ the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act, unless prescribed by a physician, and submit samples of his or her blood or urine or both for tests to determine the presence of any illicit drug; or

(t) comply with any other conditions as may be ordered by the court.

(6) A minor whose case is continued under supervision under subsection (5) shall be given a certificate setting forth the conditions imposed by the court. Those conditions may be reduced, enlarged, or modified by the court on motion of the probation officer or on its own motion, or that of the State's Attorney, or, at the request of the minor after notice and hearing.

(7) If a petition is filed charging a violation of a condition of the continuance under supervision, the court shall conduct a hearing. If the court finds that a condition of supervision has not been fulfilled, the court may proceed to findings and adjudication and disposition. The filing of a petition for violation of a condition of the continuance under supervision shall toll the period of continuance under supervision until the final determination of the charge, and the term of the continuance under supervision shall not run until the hearing and disposition of the petition for violation; provided where the petition alleges conduct that does not constitute a criminal offense, the hearing must be

held within 30 days of the filing of the petition unless a delay shall continue the tolling of the period of continuance under supervision for the period of the delay.

(8) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the minor to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the alleged violation or similar damage to property located in the municipality or county in which the alleged violation occurred. The condition may be in addition to any other condition.

(8.5) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the minor to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The condition may be in addition to any other condition.

(9) When a hearing in which a minor is alleged to be a delinquent is continued under this Section, the court, before continuing the case, shall make a finding whether the offense alleged to have been committed either: (i) was related to or in furtherance of the activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (ii) is a violation of paragraph (13) of subsection (a) of Section 12-2 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the unlawful use of a firearm. If the court determines the question in the

affirmative the court shall, as a condition of the continuance under supervision and as part of or in addition to any other condition of the supervision, require the minor to perform community service for not less than 30 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by an alleged violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the alleged violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(10) The court shall impose upon a minor placed on supervision, as a condition of the supervision, a fee of \$25 for each month of supervision ordered by the court, unless after determining the inability of the minor placed on supervision to pay the fee, the court assesses a lesser amount. The court may not impose the fee on a minor who is made a ward of the State under this Act while the minor is in placement. The fee shall be imposed only upon a minor who is actively supervised by the probation and court services department. A court may order the parent, guardian, or legal custodian of the minor to pay some or all of the fee on the minor's behalf.

Sec. 5-710. Kinds of sentencing orders.

(1) The following kinds of sentencing orders may be made in respect of wards of the court:

(a) Except as provided in Sections 5-805, 5-810, 5-815,

a minor who is found guilty under Section 5-620 may be:

(i) put on probation or conditional discharge and released to his or her parents, guardian or legal custodian, provided, however, that any such minor who is not committed to the Department of Corrections, Juvenile Division under this subsection and who is found to be a delinquent for an offense which is first degree murder, a Class X felony, or a forcible felony shall be placed on probation;

(ii) placed in accordance with Section 5-740, with or without also being put on probation or conditional discharge;

(iii) required to undergo a substance abuse assessment conducted by a licensed provider and participate in the indicated clinical level of care;

(iv) placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 13 years of age;

(v) placed in detention for a period not to exceed 30 days, either as the exclusive order of disposition or, where appropriate, in conjunction with any other order of disposition issued under this paragraph, provided that any such detention shall be in a juvenile detention home and the minor so detained shall be 10 years of age or older. However, the 30-day limitation may be extended by further order of the court for a minor under age 13 committed to the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention entered under a violation of probation or violation of conditional discharge under

Section 5-720 of this Article for time spent in detention before the filing of the petition alleging the violation. A minor shall not be deprived of credit for time spent in detention before the filing of a violation of probation or conditional discharge alleging the same or related act or acts;

(vi) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of ~~Mature~~ Minors Act;

(vii) subject to having his or her driver's license or driving privileges suspended for such time as determined by the court but only until he or she attains 18 years of age;

(viii) put on probation or conditional discharge and placed in detention under Section 3-6039 of the Counties Code for a period not to exceed the period of incarceration permitted by law for adults found guilty of the same offense or offenses for which the minor was adjudicated delinquent, and in any event no longer than upon attainment of age 21; this subdivision (viii) notwithstanding any contrary provision of the law; or

(ix) ordered to undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body.

(b) A minor found to be guilty may be committed to the Department of Corrections, Juvenile Division, under Section 5-750 if the minor is 13 years of age or older, provided that the commitment to the Department of Corrections, Juvenile Division, shall be made only if a term of incarceration is permitted by law for adults found guilty of the offense for which the minor was adjudicated delinquent. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall be considered as time spent in detention.

(c) When a minor is found to be guilty for an offense

which is a violation of the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Corrections, Juvenile Division, may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Corrections, Juvenile Division for a period of time in excess of that period for which an adult could be committed for the same act.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of

acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to

the Department of Corrections, Juvenile Division, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Corrections, Juvenile Division. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

The juvenile court may terminate probation or conditional discharge and discharge the minor at any time if warranted by the conduct of the minor and the ends of justice; provided, however, that the period of probation for a minor who is found to be guilty for an offense which is first degree murder, a Class X felony, or a forcible felony shall be at least 5 years.

(i) remain within the interior premises of the place designated for his or her confinement during the hours designated by the court;

(ii) admit any person or agent designated by the court into the minor's place of confinement at any time for purposes of verifying the minor's compliance with the conditions of his or her confinement; and

(iii) use an approved electronic monitoring device if ordered by the court subject to Article 8A of Chapter V of the Unified Code of Corrections;

(r) refrain from entering into a designated geographic area except upon terms as the court finds appropriate. (u) comply with other conditions as may be ordered by the court.

(3) The court may as a condition of probation or of conditional discharge require that a minor found guilty on any alcohol, cannabis, methamphetamine, or controlled substance violation, refrain from acquiring a driver's license during the period of probation or conditional discharge. If the minor is in possession of a permit or license, the court may require that the minor refrain from driving or operating any motor vehicle during the period of probation or conditional discharge, except as may be necessary in the course of the minor's lawful employment.

(3.5) The court shall, as a condition of probation or of conditional discharge, require that a minor found to be guilty and placed on probation for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The treatment shall be at the expense of the person evaluated based upon that person's ability to pay for the treatment.

(4) A minor on probation or conditional discharge shall be given a certificate setting forth the conditions upon which he or she is being released.

(5) The court shall impose upon a minor placed on probation or conditional discharge, as a condition of the probation or conditional discharge, a fee of \$25 for each month of probation or conditional discharge supervision ordered by the court, unless after determining the inability of the minor placed on probation or conditional discharge to pay the fee, the court assesses a lesser amount. The court may not impose the fee on a minor who is made a ward of the State under this Act while the minor is in placement. The court shall provide as a condition of a disposition of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-720 of this Act.

(705 ILCS 405/5-805)

Sec. 5-805. Transfer of jurisdiction.

(1) Mandatory transfers.

(a) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes a forcible

felony under the laws of this State, and if a motion by the State's Attorney to prosecute the minor under the criminal laws of Illinois for the alleged forcible felony alleges that (i) the minor has previously been adjudicated delinquent or found guilty for commission of an act that constitutes a felony under the laws of this State or any other state and (ii) the act that constitutes the offense was committed in furtherance of criminal activity by an organized gang, the Juvenile Judge assigned to hear and determine those motions shall, upon determining that there is probable cause that both allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

(b) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes a felony under the laws of this State, and if a motion by a State's Attorney to prosecute the minor under the criminal laws of Illinois for the alleged felony alleges that (i) the minor has previously been adjudicated delinquent or found guilty for commission of an act that constitutes a forcible felony under the laws of this State or any other state and (ii) the act that constitutes the offense was committed in furtherance of criminal activities by an organized gang, the Juvenile Judge assigned to hear and determine those motions shall, upon determining that there is probable cause that both allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

(c) If a petition alleges commission by a minor 15 years of age or older of: (i) an act that constitutes an offense enumerated in the presumptive transfer provisions of subsection (2); and (ii) the minor has previously been adjudicated delinquent or found guilty of a forcible felony, the Juvenile Judge designated to hear and determine those motions shall, upon determining that there is probable cause that both allegations are true, enter an

order permitting prosecution under the criminal laws of Illinois.

(d) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes the offense of aggravated discharge of a firearm committed in a school, on the real property comprising a school, within 1,000 feet of the real property comprising a school, at a school related activity, or on, boarding, or departing from any conveyance owned, leased, or contracted by a school or school district to transport students to or from school or a school related activity, regardless of the time of day or the time of year, the juvenile judge designated to hear and determine those motions shall, upon determining that there is probable cause that the allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

For purposes of this paragraph (d) of subsection (1):

"School" means a public or private elementary or secondary school, community college, college, or university.

"School related activity" means any sporting, social, academic, or other activity for which students' attendance or participation is sponsored, organized, or funded in whole or in part by a school or school district.

(2) Presumptive transfer.

(a) If the State's Attorney files a petition, at any time prior to commencement of the minor's trial, to permit prosecution under the criminal laws and the petition alleges the commission by a minor 15 years of age or older of: (i) a Class X felony other than armed violence; (ii) aggravated discharge of a firearm; (iii) armed violence with a firearm when the predicate offense is a Class 1 or Class 2 felony and the State's Attorney's motion to transfer the case alleges that the offense committed is in furtherance of the criminal activities of an organized gang; (iv) armed violence with a firearm when the predicate

offense is a violation of the Illinois Controlled Substances Act, ~~or~~ a violation of the Cannabis Control Act, or a violation of the Methamphetamine Control and Community Protection Act; (v) armed violence when the weapon involved was a machine gun or other weapon described in subsection (a)(7) of Section 24-1 of the Criminal Code of 1961, and, if the juvenile judge assigned to hear and determine motions to transfer a case for prosecution in the criminal court determines that there is probable cause to believe that the allegations in the petition and motion are true, there is a rebuttable presumption that the minor is not a fit and proper subject to be dealt with under the Juvenile Justice Reform Provisions of 1998 (Public Act 90-590), and that, except as provided in paragraph (b), the case should be transferred to the criminal court.

(b) The judge shall enter an order permitting prosecution under the criminal laws of Illinois unless the judge makes a finding based on clear and convincing evidence that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the following:

- (i) The seriousness of the alleged offense;
- (ii) The minor's history of delinquency;
- (iii) The age of the minor;
- (iv) The culpability of the minor in committing the alleged offense;
- (v) Whether the offense was committed in an aggressive or premeditated manner;
- (vi) Whether the minor used or possessed a deadly weapon when committing the alleged offense;
- (vii) The minor's history of services, including the minor's willingness to participate meaningfully in available services;
- (viii) Whether there is a reasonable likelihood that the minor can be rehabilitated before the expiration of the

juvenile court's jurisdiction;

(ix) The adequacy of the punishment or services available in the juvenile justice system.

In considering these factors, the court shall give greater weight to the seriousness of the alleged offense and the minor's prior record of delinquency than to the other factors listed in this subsection.

(3) Discretionary transfer.

(a) If a petition alleges commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of this State and, on motion of the State's Attorney to permit prosecution of the minor under the criminal laws, a Juvenile Judge assigned by the Chief Judge of the Circuit to hear and determine those motions, after hearing but before commencement of the trial, finds that there is probable cause to believe that the allegations in the motion are true and that it is not in the best interests of the public to proceed under this Act, the court may enter an order permitting prosecution under the criminal laws.

(b) In making its determination on the motion to permit prosecution under the criminal laws, the court shall consider among other matters:

(i) The seriousness of the alleged offense;

(ii) The minor's history of delinquency;

(iii) The age of the minor;

(iv) The culpability of the minor in committing the alleged offense;

(v) Whether the offense was committed in an aggressive or premeditated manner;

(vi) Whether the minor used or possessed a deadly weapon when committing the alleged offense;

(vii) The minor's history of services, including the minor's willingness to participate meaningfully in available services;

(viii) The adequacy of the punishment or services

available in the juvenile justice system.

In considering these factors, the court shall give greater weight to the seriousness of the alleged offense and the minor's prior record of delinquency than to the other factors listed in this subsection.

(4) The rules of evidence for this hearing shall be the same as under Section 5-705 of this Act. A minor must be represented in court by counsel before the hearing may be commenced.

(5) If criminal proceedings are instituted, the petition for adjudication of wardship shall be dismissed insofar as the act or acts involved in the criminal proceedings. Taking of evidence in a trial on petition for adjudication of wardship is a bar to criminal proceedings based upon the conduct alleged in the petition.

(iii) The Secretary of State to whom the Clerk of the Court shall report the disposition of all cases, as required in Section 6-204 or Section 6-205.1 of the Illinois Vehicle Code. However, information reported relative to these offenses shall be privileged and available only to the Secretary of State, courts, and police officers;

(iv) The administrator of a bonafide substance abuse student assistance program with the permission of the presiding judge of the juvenile court;

(v) Any individual, or any public or private agency or institution, having custody of the juvenile under court order or providing educational, medical or mental health services to the juvenile or a court-approved advocate for the juvenile or any placement provider or potential placement provider as determined by the court.

(3) A minor who is the victim or alleged victim in a juvenile proceeding shall be provided the same confidentiality

regarding disclosure of identity as the minor who is the subject of record. Information identifying victims and alleged victims of sex offenses, shall not be disclosed or open to public inspection under any circumstances. Nothing in this Section shall prohibit the victim or alleged victim of any sex offense from voluntarily disclosing his or her identity.

(5) Except as otherwise provided in this subsection (5), juvenile court records shall not be made available to the general public but may be inspected by representatives of agencies, associations and news media or other properly interested persons by general or special order of the court. (720 ILCS 5/44-3) (from Ch. 38, par. 44-3)

Sec. 44-3. (a) Seizure. Any telecommunications device possessed by a person on the real property of any elementary or secondary school without the authority of the school principal, or used in the commission of an offense prohibited by this Code, the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act or which constitutes evidence of the commission of such offenses may be seized and delivered forthwith to the investigating law enforcement agency. student of the particular elementary or secondary school, who is on school property as an invitee of the school, and who has possession of a telecommunication device for lawful and legitimate purposes, shall not need to obtain authority from the school principal to possess the telecommunication device on school property. Such telecommunication device shall not be seized unless it was used in the commission of an offense specified above, or constitutes evidence of such an offense. Within 15 days after such delivery the investigating law enforcement agency shall give notice of seizure to any known owners, lienholders and secured parties of such property. Within that 15 day period the investigating law enforcement agency shall also notify the State's Attorney of the county of seizure about the seizure.

(b) Rights of lienholders and secured parties.

The State's Attorney shall promptly release a telecommunications device seized under the provisions of this Article to any lienholder or secured party if such lienholder or secured party shows to the State's Attorney that his lien or security interest is bona fide and was created without actual knowledge that such telecommunications device was or possessed in violation of this Section or used or to be used in the commission of the offense charged.

(c) Action for forfeiture. (1) The State's Attorney in the county in which such seizure occurs if he finds that such forfeiture was incurred without willful negligence or without any intention on the part of the owner of the telecommunications device or a lienholder or secured party to violate the law, or finds the existence of such mitigating circumstances as to justify remission of the forfeiture, may cause the investigating law enforcement agency to remit the same upon such terms and conditions as the State's Attorney deems reasonable and just. The State's Attorney shall exercise his discretion under the foregoing provision of this Section promptly after notice is given in accordance with subsection (a). If the State's Attorney does not cause the forfeiture to

be remitted he shall forthwith bring an action for forfeiture in the circuit court within whose jurisdiction the seizure and confiscation has taken place. The State's Attorney shall give notice of the forfeiture proceeding by mailing a copy of the complaint in the forfeiture proceeding to the persons and in the manner set forth in subsection (a). The owner of the device or any person with any right, title, or interest in the device may within 20 days after the mailing of such notice file a verified answer to the complaint and may appear at the hearing on the action for forfeiture. The State shall show at such hearing by a preponderance of the evidence that the device was used in the commission of an offense described in subsection (a). The owner of the device or any person with any right, title, or interest in the device may show by a preponderance of the evidence that he did not know, and did not have reason to know, that the device was possessed in violation of this Section or to be used in the commission of such an offense or that any of the exceptions set forth in subsection (d) are applicable. Unless the State shall make such showing, the Court shall order the device released to the owner. Where the State has made such showing, the Court may order the device destroyed; may upon the request of the investigating law enforcement agency, order it delivered to any local, municipal or county law enforcement agency, or the Department of State Police or the Department of Revenue of the State of Illinois; or may order it sold at public auction.

(2) A copy of the order shall be filed with the investigating law enforcement agency of the county in which the seizure occurs. Such order, when filed, confers ownership of the device to the department or agency to whom it is delivered or any purchaser thereof. The investigating law enforcement agency shall comply promptly with instructions to remit received from the State's Attorney or Attorney General in accordance with paragraph (1) of this subsection or subsection (d).

(3) The proceeds of any sale at public auction pursuant to

this subsection, after payment of all liens and deduction of the reasonable charges and expenses incurred by the investigating law enforcement agency in storing and selling the device, shall be paid into the general fund of the level of government responsible for the operation of the investigating law enforcement agency.

(d) Exceptions to forfeiture. (b) No device shall be forfeited under the provisions of subsection (c) by reason of any act or omission established by the owner thereof to have been committed or omitted by any person other than the owner while the device was unlawfully in the possession of a person who acquired possession thereof in violation of the criminal laws of the United States, or of any state.

(e) Remission by Attorney General. Whenever any owner of, or other person interested in, a device seized under the provisions of this Section files with the Attorney General before the sale or destruction of the device a petition for the remission of such forfeiture the Attorney General if he finds that such forfeiture was incurred without willful negligence or without any intention on the part of the owner or any person with any right, title or interest in the device to violate the law, or finds the existence of such mitigating circumstances as to justify the remission of forfeiture, may cause the same to be remitted upon such terms and conditions as he deems reasonable and just, or order discontinuance of any forfeiture proceeding relating thereto.

Sec. 110-5. Determining the amount of bail and conditions of release.

(a) In determining the amount of monetary bail or conditions of release, if any, which will reasonably assure the appearance of a defendant as required or the safety of any other person or the community and the likelihood of compliance by the defendant with all the conditions of bail, the court shall, on the basis of available information, take into account such matters as the nature and circumstances of the offense charged, whether the evidence shows that as part of the offense there was a use of violence or threatened use of violence, whether the offense involved corruption of public officials or employees, whether there was physical harm or threats of physical harm to any public official, public employee, judge, prosecutor, juror or witness, senior citizen, child or handicapped person, whether evidence shows that during the offense or during the arrest the defendant possessed or used a firearm, machine gun, explosive or metal piercing ammunition or explosive bomb device or any military or paramilitary armament, whether the evidence shows that the offense committed was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership

in or allegiance to an organized gang, the condition of the victim, any written statement submitted by the victim or proffer or representation by the State regarding the impact which the alleged criminal conduct has had on the victim and the victim's concern, if any, with further contact with the defendant if released on bail, whether the offense was based on racial, religious, sexual orientation or ethnic hatred, the likelihood of the filing of a greater charge, the likelihood of conviction, the sentence applicable upon conviction, the weight of the evidence against such defendant, whether there exists motivation or ability to flee, whether there is any verification as to prior residence, education, or family ties in the local jurisdiction, in another county, state or foreign country, the defendant's employment, financial resources, character and mental condition, past conduct, prior use of alias names or dates of birth, and length of residence in the community, the consent of the defendant to periodic drug testing in accordance with Section 110-6.5, whether a foreign national defendant is lawfully admitted in the United States of America, whether the government of the foreign national maintains an extradition treaty with the United States by which the foreign government will extradite to the United States its national for a trial for a crime allegedly committed in the United States, whether the defendant is currently subject to deportation or exclusion under the immigration laws of the United States, whether the defendant, although a United States citizen, is considered under the law of any foreign state a national of that state for the purposes of extradition or non-extradition to the United States, the amount of unrecovered proceeds lost as a result of the alleged offense, the source of bail funds tendered or sought to be tendered for bail, whether from the totality of the court's consideration, the loss of funds posted or sought to be posted for bail will not deter the defendant from flight, whether the evidence shows that the defendant is engaged in significant possession, manufacture, or delivery of a controlled substance or cannabis, either

individually or in consort with others, whether at the time of the offense charged he was on bond or pre-trial release pending trial, probation, periodic imprisonment or conditional discharge pursuant to this Code or the comparable Code of any other state or federal jurisdiction, whether the defendant is on bond or pre-trial release pending the imposition or execution of sentence or appeal of sentence for any offense under the laws of Illinois or any other state or federal jurisdiction, whether the defendant is under parole or mandatory supervised release or work release from the Illinois Department of Corrections or any penal institution or corrections department of any state or federal jurisdiction, the defendant's record of convictions, whether the defendant has been convicted of a misdemeanor or ordinance offense in Illinois or similar offense in other state or federal jurisdiction within the 10 years preceding the current charge or convicted of a felony in Illinois, whether the defendant was convicted of an offense in another state or federal jurisdiction that would be a felony if committed in Illinois within the 20 years preceding the current charge or has been convicted of such felony and released from the penitentiary within 20 years preceding the current charge if a penitentiary sentence was imposed in Illinois or other state or federal jurisdiction, the defendant's records of juvenile adjudication of delinquency in any jurisdiction, any record of appearance or failure to appear by the defendant at court proceedings, whether there was flight to avoid arrest or prosecution, whether the defendant escaped or attempted to escape to avoid arrest, whether the defendant refused to identify himself, or whether there was a refusal by the defendant to be fingerprinted as required by law. Information used by the court in its findings or stated in or offered in connection with this Section may be by way of proffer based upon reliable information offered by the State or defendant. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence

applicable at criminal trials. If the State presents evidence that the offense committed by the defendant was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, and if the court determines that the evidence may be substantiated, the court shall prohibit the defendant from associating with other members of the organized gang as a condition of bail or release. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(b) The amount of bail shall be:

(1) Sufficient to assure compliance with the conditions set forth in the bail bond, which shall include the defendant's current address with a written admonishment to the defendant that he or she must comply with the provisions of Section 110-12 regarding any change in his or her address. The defendant's address shall at all times remain a matter of public record with the clerk of the court.

(2) Not oppressive.

(3) Considerate of the financial ability of the accused.

(4) When a person is charged with a drug related offense involving possession or delivery of cannabis or possession or delivery of a controlled substance as defined in the Cannabis Control Act, ~~as amended,~~ or the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act as amended, the full street value of the drugs seized shall be considered. "Street value" shall be determined by the court on the basis of a proffer by the State based upon reliable information of a law enforcement official contained in a written report as to the amount seized and such proffer may be used by the court as to the current street value of the smallest unit of the drug seized.

(b-5) Upon the filing of a written request demonstrating reasonable cause, the State's Attorney may request a source of bail hearing either before or after the posting of any funds. If the hearing is granted, before the posting of any bail, the accused must file a written notice requesting that the court conduct a source of bail hearing. The notice must be accompanied by justifying affidavits stating the legitimate and lawful source of funds for bail. At the hearing, the court shall inquire into any matters stated in any justifying affidavits, and may also inquire into matters appropriate to the determination which shall include, but are not limited to, the following:

(1) the background, character, reputation, and relationship to the accused of any surety; and

(2) the source of any money or property deposited by any surety, and whether any such money or property constitutes the fruits of criminal or unlawful conduct; and

(3) the source of any money posted as cash bail, and whether any such money constitutes the fruits of criminal or unlawful conduct; and

(4) the background, character, reputation, and relationship to the accused of the person posting cash bail.

Upon setting the hearing, the court shall examine, under oath, any persons who may possess material information.

The State's Attorney has a right to attend the hearing, to call witnesses and to examine any witness in the proceeding. The court shall, upon request of the State's Attorney, continue the proceedings for a reasonable period to allow the State's Attorney to investigate the matter raised in any testimony or affidavit. If the hearing is granted after the accused has posted bail, the court shall conduct a hearing consistent with this subsection (b-5). At the conclusion of the hearing, the court must issue an order either approving or disapproving the bail.

(c) When a person is charged with an offense punishable by

fine only the amount of the bail shall not exceed double the amount of the maximum penalty.

(d) When a person has been convicted of an offense and only a fine has been imposed the amount of the bail shall not exceed double the amount of the fine.

(e) The State may appeal any order granting bail or setting a given amount for bail.

(725 ILCS 5/110-6) (from Ch. 38, par. 110-6)

Sec. 110-6. (a) Upon verified application by the State or the defendant or on its own motion the court before which the proceeding is pending may increase or reduce the amount of bail or may alter the conditions of the bail bond or grant bail where it has been previously revoked or denied. If bail has been previously revoked pursuant to subsection (f) of this Section or if bail has been denied to the defendant pursuant to subsection (e) of Section 110-6.1 or subsection (e) of Section 110-6.3, the defendant shall be required to present a verified application setting forth in detail any new facts not known or obtainable at the time of the previous revocation or denial of bail proceedings. If the court grants bail where it has been previously revoked or denied, the court shall state on the record of the proceedings the findings of facts and conclusion of law upon which such order is based.

(b) Violation of the conditions of Section 110-10 of this Code or any special conditions of bail as ordered by the court shall constitute grounds for the court to increase the amount of bail, or otherwise alter the conditions of bail, or, where the alleged offense committed on bail is a forcible felony in Illinois or a Class 2 or greater offense under the Illinois Controlled Substances Act, the ~~or~~ Cannabis Control Act, or the Methamphetamine Control and Community Protection Act, revoke bail pursuant to the appropriate provisions of subsection (e) of this Section.

(c) Reasonable notice of such application by the defendant

shall be given to the State.

(d) Reasonable notice of such application by the State shall be given to the defendant, except as provided in subsection (e).

(e) Upon verified application by the State stating facts or circumstances constituting a violation or a threatened violation of any of the conditions of the bail bond the court may issue a warrant commanding any peace officer to bring the defendant without unnecessary delay before the court for a hearing on the matters set forth in the application. If the actual court before which the proceeding is pending is absent or otherwise unavailable another court may issue a warrant pursuant to this Section. When the defendant is charged with a felony offense and while free on bail is charged with a subsequent felony offense and is the subject of a proceeding set forth in Section 109-1 or 109-3 of this Code, upon the filing of a verified petition by the State alleging a violation of Section 110-10 (a) (4) of this Code, the court shall without prior notice to the defendant, grant leave to file such application and shall order the transfer of the defendant and the application without unnecessary delay to the court before which the previous felony matter is pending for a hearing as provided in subsection (b) or this subsection of this Section. The defendant shall be held without bond pending transfer to and a hearing before such court. At the conclusion of the hearing based on a violation of the conditions of Section 110-10 of this Code or any special conditions of bail as ordered by the court the court may enter an order increasing the amount of bail or alter the conditions of bail as deemed appropriate.

(f) Where the alleged violation consists of the violation of one or more felony statutes of any jurisdiction which would be a forcible felony in Illinois or a Class 2 or greater offense under the Illinois Controlled Substances Act, the ~~or~~ Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and the defendant is on bail for the

alleged commission of a felony, or where the defendant is on bail for a felony domestic battery (enhanced pursuant to subsection (b) of Section 12-3.2 of the Criminal Code of 1961), aggravated domestic battery, aggravated battery, unlawful restraint, aggravated unlawful restraint or domestic battery in violation of item (1) of subsection (a) of Section 12-3.2 of the Criminal Code of 1961 against a family or household member as defined in Section 112A-3 of this Code and the violation is an offense of domestic battery against the same victim the court shall, on the motion of the State or its own motion, revoke bail in accordance with the following provisions:

(1) The court shall hold the defendant without bail pending the hearing on the alleged breach; however, if the defendant is not admitted to bail the hearing shall be commenced within 10 days from the date the defendant is taken into custody or the defendant may not be held any longer without bail, unless delay is occasioned by the defendant. Where defendant occasions the delay, the running of the 10 day period is temporarily suspended and resumes at the termination of the period of delay. Where defendant occasions the delay with 5 or fewer days remaining in the 10 day period, the court may grant a period of up to 5 additional days to the State for good cause shown. The State, however, shall retain the right to proceed to hearing on the alleged violation at any time, upon reasonable notice to the defendant and the court.

(2) At a hearing on the alleged violation the State has the burden of going forward and proving the violation by clear and convincing evidence. The evidence shall be presented in open court with the opportunity to testify, to present witnesses in his behalf, and to cross-examine witnesses if any are called by the State, and representation by counsel and if the defendant is indigent to have counsel appointed for him. The rules of evidence applicable in criminal trials in this State shall not govern the admissibility of evidence at such hearing.

Information used by the court in its findings or stated in or offered in connection with hearings for increase or revocation of bail may be by way of proffer based upon reliable information offered by the State or defendant. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at criminal trials. A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained at such a hearing. Evidence that proof may have been obtained as a result of an unlawful search and seizure or through improper interrogation is not relevant to this hearing.

(3) Upon a finding by the court that the State has established by clear and convincing evidence that the defendant has committed a forcible felony or a Class 2 or greater offense under the Illinois Controlled Substances Act, the ~~or~~ Cannabis Control Act, or the Methamphetamine Control and Community Protection Act while admitted to bail, or where the defendant is on bail for a felony domestic battery (enhanced pursuant to subsection (b) of Section 12-3.2 of the Criminal Code of 1961), aggravated domestic battery, aggravated battery, unlawful restraint, aggravated unlawful restraint or domestic battery in violation of item (1) of subsection (a) of Section 12-3.2 of the Criminal Code of 1961 against a family or household member as defined in Section 112A-3 of this Code and the violation is an offense of domestic battery, against the same victim, the court shall revoke the bail of the defendant and hold the defendant for trial without bail. Neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115-10.1 of this Code or in a perjury proceeding.

(4) If the bail of any defendant is revoked pursuant to paragraph (f) (3) of this Section, the defendant may demand

and shall be entitled to be brought to trial on the offense with respect to which he was formerly released on bail within 90 days after the date on which his bail was revoked. If the defendant is not brought to trial within the 90 day period required by the preceding sentence, he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant.

(5) If the defendant either is arrested on a warrant issued pursuant to this Code or is arrested for an unrelated offense and it is subsequently discovered that the defendant is a subject of another warrant or warrants issued pursuant to this Code, the defendant shall be transferred promptly to the court which issued such warrant. If, however, the defendant appears initially before a court other than the court which issued such warrant, the non-issuing court shall not alter the amount of bail heretofore set on such warrant unless the court sets forth on the record of proceedings the conclusions of law and facts which are the basis for such altering of another court's bond. The non-issuing court shall not alter another courts bail set on a warrant unless the interests of justice and public safety are served by such action.

(g) The State may appeal any order where the court has increased or reduced the amount of bail or altered the conditions of the bail bond or granted bail where it has previously been revoked.

(725 ILCS 5/110-6.1) (from Ch. 38, par. 110-6.1)

Sec. 110-6.1. Denial of bail in non-probationable felony offenses.

(a) Upon verified petition by the State, the court shall hold a hearing to determine whether bail should be denied to a defendant who is charged with a felony offense for which a

sentence of imprisonment, without probation, periodic imprisonment or conditional discharge, is required by law upon conviction, when it is alleged that the defendant's admission to bail poses a real and present threat to the physical safety of any person or persons.

(1) A petition may be filed without prior notice to the defendant at the first appearance before a judge, or within the 21 calendar days, except as provided in Section 110-6, after arrest and release of the defendant upon reasonable notice to defendant; provided that while such petition is pending before the court, the defendant if previously released shall not be detained.

(2) The hearing shall be held immediately upon the defendant's appearance before the court, unless for good cause shown the defendant or the State seeks a continuance. A continuance on motion of the defendant may not exceed 5 calendar days, and a continuance on the motion of the State may not exceed 3 calendar days. The defendant may be held in custody during such continuance.

(b) The court may deny bail to the defendant where, after the hearing, it is determined that:

(1) the proof is evident or the presumption great that the defendant has committed an offense for which a sentence of imprisonment, without probation, periodic imprisonment or conditional discharge, must be imposed by law as a consequence of conviction, and

(2) the defendant poses a real and present threat to the physical safety of any person or persons, by conduct which may include, but is not limited to, a forcible felony, the obstruction of justice, intimidation, injury, physical harm, ~~or~~ an offense under the Illinois Controlled Substances Act which is a Class X felony, or an offense under the Methamphetamine Control and Community Protection Act which is a Class X felony, and

(3) the court finds that no condition or combination of conditions set forth in subsection (b) of Section 110-10 of

this Article, can reasonably assure the physical safety of any other person or persons.

(c) Conduct of the hearings.

(1) The hearing on the defendant's culpability and dangerousness shall be conducted in accordance with the following provisions:

(A) Information used by the court in its findings or stated in or offered at such hearing may be by way of proffer based upon reliable information offered by the State or by defendant. Defendant has the right to be represented by counsel, and if he is indigent, to have counsel appointed for him. Defendant shall have the opportunity to testify, to present witnesses in his own behalf, and to cross-examine witnesses if any are called by the State. The defendant has the right to present witnesses in his favor. When the ends of justice so require, the court may exercise its discretion and compel the appearance of a complaining witness. The court shall state on the record reasons for granting a defense request to compel the presence of a complaining witness. Cross-examination of a complaining witness at the pretrial detention hearing for the purpose of impeaching the witness' credibility is insufficient reason to compel the presence of the witness. In deciding whether to compel the appearance of a complaining witness, the court shall be considerate of the emotional and physical well-being of the witness. The pre-trial detention hearing is not to be used for purposes of discovery, and the post arraignment rules of discovery do not apply. The State shall tender to the defendant, prior to the hearing, copies of defendant's criminal history, if any, if available, and any written or recorded statements and the substance of any oral statements made by any person, if relied upon by the State in its petition. The rules concerning the admissibility of evidence in

criminal trials do not apply to the presentation and consideration of information at the hearing. At the trial concerning the offense for which the hearing was conducted neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115-10.1 of this Code, or in a perjury proceeding.

(B) A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained. Evidence that proof may have been obtained as the result of an unlawful search and seizure or through improper interrogation is not relevant to this state of the prosecution.

(2) The facts relied upon by the court to support a finding that the defendant poses a real and present threat to the physical safety of any person or persons shall be supported by clear and convincing evidence presented by the State.

(d) Factors to be considered in making a determination of dangerousness. The court may, in determining whether the defendant poses a real and present threat to the physical safety of any person or persons, consider but shall not be limited to evidence or testimony concerning:

(1) The nature and circumstances of any offense charged, including whether the offense is a crime of violence, involving a weapon.

(2) The history and characteristics of the defendant including:

(A) Any evidence of the defendant's prior criminal history indicative of violent, abusive or assaultive behavior, or lack of such behavior. Such evidence may include testimony or documents received in juvenile proceedings, criminal, quasi-criminal, civil commitment, domestic relations or other proceedings.

(B) Any evidence of the defendant's psychological,

psychiatric or other similar social history which tends to indicate a violent, abusive, or assaultive nature, or lack of any such history.

(3) The identity of any person or persons to whose safety the defendant is believed to pose a threat, and the nature of the threat;

(4) Any statements made by, or attributed to the defendant, together with the circumstances surrounding them;

(5) The age and physical condition of any person assaulted by the defendant;

(6) Whether the defendant is known to possess or have access to any weapon or weapons;

(7) Whether, at the time of the current offense or any other offense or arrest, the defendant was on probation, parole, mandatory supervised release or other release from custody pending trial, sentencing, appeal or completion of sentence for an offense under federal or state law;

(8) Any other factors, including those listed in Section 110-5 of this Article deemed by the court to have a reasonable bearing upon the defendant's propensity or reputation for violent, abusive or assaultive behavior, or lack of such behavior.

(e) Detention order. The court shall, in any order for detention:

(1) briefly summarize the evidence of the defendant's culpability and its reasons for concluding that the defendant should be held without bail;

(2) direct that the defendant be committed to the custody of the sheriff for confinement in the county jail pending trial;

(3) direct that the defendant be given a reasonable opportunity for private consultation with counsel, and for communication with others of his choice by visitation, mail and telephone; and

(4) direct that the sheriff deliver the defendant as

required for appearances in connection with court proceedings.

(f) If the court enters an order for the detention of the defendant pursuant to subsection (e) of this Section, the defendant shall be brought to trial on the offense for which he is detained within 90 days after the date on which the order for detention was entered. If the defendant is not brought to trial within the 90 day period required by the preceding sentence, he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant.

(g) Rights of the defendant. Any person shall be entitled to appeal any order entered under this Section denying bail to the defendant.

(h) The State may appeal any order entered under this Section denying any motion for denial of bail.

(i) Nothing in this Section shall be construed as modifying or limiting in any way the defendant's presumption of innocence in further criminal proceedings.

(725 ILCS 5/110-7) (from Ch. 38, par. 110-7)

Sec. 110-7. Deposit of Bail Security.

(a) The person for whom bail has been set shall execute the bail bond and deposit with the clerk of the court before which the proceeding is pending a sum of money equal to 10% of the bail, but in no event shall such deposit be less than \$25. The clerk of the court shall provide a space on each form for a person other than the accused who has provided the money for the posting of bail to so indicate and a space signed by an accused who has executed the bail bond indicating whether a person other than the accused has provided the money for the posting of bail. The form shall also include a written notice to such person who has provided the defendant with the money for the posting of bail indicating that the bail may be used to

pay costs, attorney's fees, fines, or other purposes authorized by the court and if the defendant fails to comply with the conditions of the bail bond, the court shall enter an order declaring the bail to be forfeited. The written notice must be: (1) distinguishable from the surrounding text; (2) in bold type or underscored; and (3) in a type size at least 2 points larger than the surrounding type. When a person for whom bail has been set is charged with an offense under the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act which is a Class X felony, the court may require the defendant to deposit a sum equal to 100% of the bail. Where any person is charged with a forcible felony while free on bail and is the subject of proceedings under Section 109-3 of this Code the judge conducting the preliminary examination may also conduct a hearing upon the application of the State pursuant to the provisions of Section 110-6 of this Code to increase or revoke the bail for that person's prior alleged offense.

(b) Upon depositing this sum and any bond fee authorized by law, the person shall be released from custody subject to the conditions of the bail bond.

(c) Once bail has been given and a charge is pending or is thereafter filed in or transferred to a court of competent jurisdiction the latter court shall continue the original bail in that court subject to the provisions of Section 110-6 of this Code.

(d) After conviction the court may order that the original bail stand as bail pending appeal or deny, increase or reduce bail subject to the provisions of Section 110-6.2.

(e) After the entry of an order by the trial court allowing or denying bail pending appeal either party may apply to the reviewing court having jurisdiction or to a justice thereof sitting in vacation for an order increasing or decreasing the amount of bail or allowing or denying bail pending appeal subject to the provisions of Section 110-6.2.

(f) When the conditions of the bail bond have been

performed and the accused has been discharged from all obligations in the cause the clerk of the court shall return to the accused or to the defendant's designee by an assignment executed at the time the bail amount is deposited, unless the court orders otherwise, 90% of the sum which had been deposited and shall retain as bail bond costs 10% of the amount deposited. However, in no event shall the amount retained by the clerk as bail bond costs be less than \$5. Bail bond deposited by or on behalf of a defendant in one case may be used, in the court's discretion, to satisfy financial obligations of that same defendant incurred in a different case due to a fine, court costs, restitution or fees of the defendant's attorney of record. In counties with a population of 3,000,000 or more, the court shall not order bail bond deposited by or on behalf of a defendant in one case to be used to satisfy financial obligations of that same defendant in a different case until the bail bond is first used to satisfy court costs and attorney's fees in the case in which the bail bond has been deposited and any other unpaid child support obligations are satisfied. In counties with a population of less than 3,000,000, the court shall not order bail bond deposited by or on behalf of a defendant in one case to be used to satisfy financial obligations of that same defendant in a different case until the bail bond is first used to satisfy court costs in the case in which the bail bond has been deposited.

At the request of the defendant the court may order such 90% of defendant's bail deposit, or whatever amount is repayable to defendant from such deposit, to be paid to defendant's attorney of record.

(g) If the accused does not comply with the conditions of the bail bond the court having jurisdiction shall enter an order declaring the bail to be forfeited. Notice of such order of forfeiture shall be mailed forthwith to the accused at his last known address. If the accused does not appear and surrender to the court having jurisdiction within 30 days from

the date of the forfeiture or within such period satisfy the court that appearance and surrender by the accused is impossible and without his fault the court shall enter judgment for the State if the charge for which the bond was given was a felony or misdemeanor, or if the charge was quasi-criminal or traffic, judgment for the political subdivision of the State which prosecuted the case, against the accused for the amount of the bail and costs of the court proceedings; however, in counties with a population of less than 3,000,000, instead of the court entering a judgment for the full amount of the bond the court may, in its discretion, enter judgment for the cash deposit on the bond, less costs, retain the deposit for further disposition or, if a cash bond was posted for failure to appear in a matter involving enforcement of child support or maintenance, the amount of the cash deposit on the bond, less outstanding costs, may be awarded to the person or entity to whom the child support or maintenance is due. The deposit made in accordance with paragraph (a) shall be applied to the payment of costs. If judgment is entered and any amount of such deposit remains after the payment of costs it shall be applied to payment of the judgment and transferred to the treasury of the municipal corporation wherein the bond was taken if the offense was a violation of any penal ordinance of a political subdivision of this State, or to the treasury of the county wherein the bond was taken if the offense was a violation of any penal statute of this State. The balance of the judgment may be enforced and collected in the same manner as a judgment entered in a civil action.

(h) After a judgment for a fine and court costs or either is entered in the prosecution of a cause in which a deposit had been made in accordance with paragraph (a) the balance of such deposit, after deduction of bail bond costs, shall be applied to the payment of the judgment.

(725 ILCS 5/110-10) (from Ch. 38, par. 110-10)

Sec. 110-10. Conditions of bail bond.

(a) If a person is released prior to conviction, either upon payment of bail security or on his or her own recognizance, the conditions of the bail bond shall be that he or she will:

(1) Appear to answer the charge in the court having jurisdiction on a day certain and thereafter as ordered by the court until discharged or final order of the court;

(2) Submit himself or herself to the orders and process of the court;

(3) Not depart this State without leave of the court;

(4) Not violate any criminal statute of any jurisdiction;

(5) At a time and place designated by the court, surrender all firearms in his or her possession to a law enforcement officer designated by the court to take custody of and impound the firearms and physically surrender his or her Firearm Owner's Identification Card to the clerk of the circuit court when the offense the person has been charged with is a forcible felony, stalking, aggravated stalking, domestic battery, any violation of ~~either~~ the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act that is classified as a Class 2 or greater felony, or any felony violation of Article 24 of the Criminal Code of 1961; the court may, however, forgo the imposition of this condition when the circumstances of the case clearly do not warrant it or when its imposition would be impractical; all legally possessed firearms shall be returned to the person upon that person completing a sentence for a conviction on a misdemeanor domestic battery, upon the charges being dismissed, or if the person is found not guilty, unless the finding of not guilty is by reason of insanity; and

(6) At a time and place designated by the court, submit to a psychological evaluation when the person has been

charged with a violation of item (4) of subsection (a) of Section 24-1 of the Criminal Code of 1961 and that violation occurred in a school or in any conveyance owned, leased, or contracted by a school to transport students to or from school or a school-related activity, or on any public way within 1,000 feet of real property comprising any school.

Psychological evaluations ordered pursuant to this Section shall be completed promptly and made available to the State, the defendant, and the court. As a further condition of bail under these circumstances, the court shall order the defendant to refrain from entering upon the property of the school, including any conveyance owned, leased, or contracted by a school to transport students to or from school or a school-related activity, or on any public way within 1,000 feet of real property comprising any school. Upon receipt of the psychological evaluation, either the State or the defendant may request a change in the conditions of bail, pursuant to Section 110-6 of this Code. The court may change the conditions of bail to include a requirement that the defendant follow the recommendations of the psychological evaluation, including undergoing psychiatric treatment. The conclusions of the psychological evaluation and any statements elicited from the defendant during its administration are not admissible as evidence of guilt during the course of any trial on the charged offense, unless the defendant places his or her mental competency in issue.

(b) The court may impose other conditions, such as the following, if the court finds that such conditions are reasonably necessary to assure the defendant's appearance in court, protect the public from the defendant, or prevent the defendant's unlawful interference with the orderly administration of justice:

- (1) Report to or appear in person before such person or agency as the court may direct;
- (2) Refrain from possessing a firearm or other

dangerous weapon;

(3) Refrain from approaching or communicating with particular persons or classes of persons;

(4) Refrain from going to certain described geographical areas or premises;

Section 1085. The Drug Asset Forfeiture Procedure Act is amended by changing Sections 2, 3, 5, 6, 7, and 9 as follows:

(725 ILCS 150/2) (from Ch. 56 1/2, par. 1672)

Sec. 2. Legislative Declaration. The General Assembly finds that the civil forfeiture of property which is used or intended to be used in, is attributable to or facilitates the manufacture, sale, transportation, distribution, possession or use of substances in certain violations of the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act will have a significant beneficial effect in deterring the rising incidence of the abuse and trafficking of such substances within this State. While forfeiture may secure for State and local units of government some resources for deterring drug abuse and drug trafficking, forfeiture is not intended to be an alternative means of funding the administration of criminal justice. The General Assembly further finds that the federal narcotics civil forfeiture statute upon which this Act is based has been very successful in deterring the use and distribution of controlled substances within this State and throughout the country. It is therefore the intent of the General Assembly that the forfeiture provisions of this Act be construed in light of the federal forfeiture provisions contained in 21 U.S.C. 881 as interpreted by the federal courts, except to the extent that the provisions of this Act expressly differ therefrom.

The law enforcement agency seizing property for forfeiture under the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act shall, within 52 days of seizure, notify the State's Attorney for the county in which an act or omission giving rise to the forfeiture occurred or in which the property was seized of the seizure of the property and the facts and circumstances giving rise to the seizure and shall provide the State's Attorney with the inventory of the property and its estimated value. When the property seized for forfeiture is a vehicle, the law enforcement agency seizing the property shall immediately notify the Secretary of State that forfeiture proceedings are pending regarding such vehicle.

(725 ILCS 150/6) (from Ch. 56 1/2, par. 1676)

Sec. 6. Non-Judicial Forfeiture. If non-real property that exceeds \$20,000 in value excluding the value of any conveyance, or if real property is seized under the provisions of the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act, the State's Attorney shall institute judicial in rem forfeiture proceedings as described in Section 9 of this Act within 45 days from receipt of notice of seizure from the seizing agency under Section 5 of this Act. However, if non-real property that does not exceed \$20,000 in value excluding the value of any conveyance is seized, the following procedure shall be used:

(A) If, after review of the facts surrounding the seizure, the State's Attorney is of the opinion that the seized property is subject to forfeiture, then within 45 days of the receipt of notice of seizure from the seizing agency, the State's Attorney shall cause notice of pending forfeiture to be given to the owner of the property and all known interest holders of the property in accordance with Section 4 of this Act.

(B) The notice of pending forfeiture must include a description of the property, the estimated value of the property, the date and place of seizure, the conduct giving rise to forfeiture or the violation of law alleged, and a summary of procedures and procedural rights applicable to the forfeiture action.

(C) (1) Any person claiming an interest in property which is the subject of notice under subsection (A) of Section 6 of this Act, may, within 45 days after the effective date of notice as described in Section 4 of this Act, file a verified claim with the State's Attorney expressing his or her interest in the property. The claim must set forth:

(i) the caption of the proceedings as set forth on the notice of pending forfeiture and the name of the claimant;

(ii) the address at which the claimant will accept mail;

(iii) the nature and extent of the claimant's interest in the property;

(iv) the date, identity of the transferor, and circumstances of the claimant's acquisition of the interest in the property;

(v) the name and address of all other persons known to have an interest in the property;

(vi) the specific provision of law relied on in asserting the property is not subject to forfeiture;

(vii) all essential facts supporting each assertion; and

(viii) the relief sought.

(2) If a claimant files the claim and deposits with the State's Attorney a cost bond, in the form of a cashier's check payable to the clerk of the court, in the sum of 10 percent of the reasonable value of the property as alleged by the State's Attorney or the sum of \$100, whichever is greater, upon condition that, in the case of forfeiture, the claimant must pay all costs and expenses of forfeiture proceedings, then the State's Attorney shall institute judicial in rem forfeiture proceedings and deposit the cost bond with the clerk of the court as described in Section 9 of this Act within 45 days after receipt of the claim and cost bond. In lieu of a cost bond, a person claiming interest in the seized property may file, under penalty of perjury, an indigency affidavit.

(3) If none of the seized property is forfeited in the judicial in rem proceeding, the clerk of the court shall return to the claimant, unless the court orders otherwise, 90% of the sum which has been deposited and shall retain as costs 10% of the money deposited. If any of the seized property is forfeited under the judicial forfeiture proceeding, the clerk of the court shall transfer 90% of the sum which has been deposited to the State's Attorney prosecuting the civil forfeiture to be applied to the costs of prosecution and the clerk shall retain as costs 10% of the sum deposited.

(D) If no claim is filed or bond given within the 45 day period as described in subsection (C) of Section 6 of this Act, the State's Attorney shall declare the property forfeited and shall promptly notify the owner and all known interest holders of the property and the Director of the Illinois Department of State Police of the declaration of forfeiture and the Director shall dispose of the property in accordance with law.

(725 ILCS 150/7) (from Ch. 56 1/2, par. 1677)

Sec. 7. Presumptions. The following situations shall give

rise to a presumption that the property described therein was furnished or intended to be furnished in exchange for a substance in violation of the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act, or is the proceeds of such an exchange, and therefore forfeitable under this Act, such presumptions being rebuttable by a preponderance of the evidence:

(1) All moneys, coin, or currency found in close proximity to forfeitable substances, to forfeitable drug manufacturing or distributing paraphernalia, or to forfeitable records of the importation, manufacture or distribution of substances;

(2) All property acquired or caused to be acquired by a person either between the dates of occurrence of two or more acts in felony violation of the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act, or an act committed in another state, territory or country which would be punishable as a felony under ~~either~~ the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act, committed by that person within 5 years of each other, or all property acquired by such person within a reasonable amount of time after the commission of such acts if:

(a) At least one of the above acts was committed after the effective date of this Act; and

(b) At least one of the acts is or was punishable as a Class X, Class 1, or Class 2 felony; and

(c) There was no likely source for such property other than a violation of the above Acts.

(Source: P.A. 86-1382.)

(725 ILCS 150/9) (from Ch. 56 1/2, par. 1679)

Sec. 9. Judicial in rem procedures. If property seized under the provisions of the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and

Community Protection Act is non-real property that exceeds \$20,000 in value excluding the value of any conveyance, or is real property, or a claimant has filed a claim and a cost bond under subsection (C) of Section 6 of this Act, the following judicial in rem procedures shall apply:

(A) If, after a review of the facts surrounding the seizure, the State's Attorney is of the opinion that the seized property is subject to forfeiture, then within 45 days of the receipt of notice of seizure by the seizing agency or the filing of the claim and cost bond, whichever is later, the State's Attorney shall institute judicial forfeiture proceedings by filing a verified complaint for forfeiture and, if the claimant has filed a claim and cost bond, by depositing the cost bond with the clerk of the court. When authorized by law, a forfeiture must be ordered by a court on an action in rem brought by a State's Attorney under a verified complaint for forfeiture.

(B) During the probable cause portion of the judicial in rem proceeding wherein the State presents its case-in-chief, the court must receive and consider, among other things, all relevant hearsay evidence and information. The laws of evidence relating to civil actions shall apply to all other portions of the judicial in rem proceeding.

(C) Only an owner of or interest holder in the property may file an answer asserting a claim against the property in the action in rem. For purposes of this Section, the owner or interest holder shall be referred to as claimant.

(D) The answer must be signed by the owner or interest holder under penalty of perjury and must set forth:

(i) the caption of the proceedings as set forth on the notice of pending forfeiture and the name of the claimant;

(ii) the address at which the claimant will accept mail;

(iii) the nature and extent of the claimant's interest in the property;

(iv) the date, identity of transferor, and

circumstances of the claimant's acquisition of the interest in the property;

(v) the name and address of all other persons known to have an interest in the property;

(vi) the specific provisions of Section 8 of this Act relied on in asserting it is not subject to forfeiture;

(vii) all essential facts supporting each assertion; and

(viii) the precise relief sought.

(E) The answer must be filed with the court within 45 days after service of the civil in rem complaint.

(F) The hearing must be held within 60 days after filing of the answer unless continued for good cause.

(G) The State shall show the existence of probable cause for forfeiture of the property. If the State shows probable cause, the claimant has the burden of showing by a preponderance of the evidence that the claimant's interest in the property is not subject to forfeiture.

(H) If the State does not show existence of probable cause or a claimant has established by a preponderance of evidence that the claimant has an interest that is exempt under Section 8 of this Act, the court shall order the interest in the property returned or conveyed to the claimant and shall order all other property forfeited to the State. If the State does show existence of probable cause and the claimant does not establish by a preponderance of evidence that the claimant has an interest that is exempt under Section 8 of this Act, the court shall order all property forfeited to the State.

(I) A defendant convicted in any criminal proceeding is precluded from later denying the essential allegations of the criminal offense of which the defendant was convicted in any proceeding under this Act regardless of the pendency of an appeal from that conviction. However, evidence of the pendency of an appeal is admissible.

(J) An acquittal or dismissal in a criminal proceeding shall not preclude civil proceedings under this Act; however,

for good cause shown, on a motion by the State's Attorney, the court may stay civil forfeiture proceedings during the criminal trial for a related criminal indictment or information alleging a violation of the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act. Such a stay shall not be available pending an appeal. Property subject to forfeiture under the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act shall not be subject to return or release by a court exercising jurisdiction over a criminal case involving the seizure of such property unless such return or release is consented to by the State's Attorney.

(K) All property declared forfeited under this Act vests in this State on the commission of the conduct giving rise to forfeiture together with the proceeds of the property after that time. Any such property or proceeds subsequently transferred to any person remain subject to forfeiture and thereafter shall be ordered forfeited unless the transferee claims and establishes in a hearing under the provisions of this Act that the transferee's interest is exempt under Section 8 of this Act.

(L) A civil action under this Act must be commenced within 5 years after the last conduct giving rise to forfeiture became known or should have become known or 5 years after the forfeitable property is discovered, whichever is later, excluding any time during which either the property or claimant is out of the State or in confinement or during which criminal proceedings relating to the same conduct are in progress.

(d) "Enterprise" includes any individual, partnership, corporation, association, or other entity, or group of individuals associated in fact, although not a legal entity.

Section 1095. The Sexually Violent Persons Commitment Act is amended by changing Section 40 as follows:

(725 ILCS 207/40)

Sec. 40. Commitment.

(a) If a court or jury determines that the person who is the subject of a petition under Section 15 of this Act is a sexually violent person, the court shall order the person to be committed to the custody of the Department for control, care and treatment until such time as the person is no longer a sexually violent person.

(b) (1) The court shall enter an initial commitment order under this Section pursuant to a hearing held as soon as practicable after the judgment is entered that the person

who is the subject of a petition under Section 15 is a sexually violent person. If the court lacks sufficient information to make the determination required by paragraph (b)(2) of this Section immediately after trial, it may adjourn the hearing and order the Department to conduct a predisposition investigation or a supplementary mental examination, or both, to assist the court in framing the commitment order. A supplementary mental examination under this Section shall be conducted in accordance with Section 3-804 of the Mental Health and Developmental Disabilities Code.

(2) An order for commitment under this Section shall specify either institutional care in a secure facility, as provided under Section 50 of this Act, or conditional release. In determining whether commitment shall be for institutional care in a secure facility or for conditional release, the court shall consider the nature and circumstances of the behavior that was the basis of the allegation in the petition under paragraph (b)(1) of Section 15, the person's mental history and present mental condition, where the person will live, how the person will support himself or herself, and what arrangements are available to ensure that the person has access to and will participate in necessary treatment. All treatment, whether in institutional care, in a secure facility, or while on conditional release, shall be conducted in conformance with the standards developed under the Sex Offender Management Board Act and conducted by a treatment provider approved by the Board. The Department shall arrange for control, care and treatment of the person in the least restrictive manner consistent with the requirements of the person and in accordance with the court's commitment order.

(3) If the court finds that the person is appropriate for conditional release, the court shall notify the Department. The Department shall prepare a plan that identifies the treatment and services, if any, that the

person will receive in the community. The plan shall address the person's need, if any, for supervision, counseling, medication, community support services, residential services, vocational services, and alcohol or other drug abuse treatment. The Department may contract with a county health department, with another public agency or with a private agency to provide the treatment and services identified in the plan. The plan shall specify who will be responsible for providing the treatment and services identified in the plan. The plan shall be presented to the court for its approval within 60 days after the court finding that the person is appropriate for conditional release, unless the Department and the person to be released request additional time to develop the plan. The conditional release program operated under this Section is not subject to the provisions of the Mental Health and Developmental Disabilities Confidentiality Act.

(4) An order for conditional release places the person in the custody and control of the Department. A person on conditional release is subject to the conditions set by the court and to the rules of the Department. Before a person is placed on conditional release by the court under this Section, the court shall so notify the municipal police department and county sheriff for the municipality and county in which the person will be residing. The notification requirement under this Section does not apply if a municipal police department or county sheriff submits to the court a written statement waiving the right to be notified. If the Department alleges that a released person has violated any condition or rule, or that the safety of others requires that conditional release be revoked, he or she may be taken into custody under the rules of the Department.

At any time during which the person is on conditional release, if the Department determines that the person has violated any condition or rule, or that the safety of

others requires that conditional release be revoked, the Department may request the Attorney General or State's Attorney to request the court to issue an emergency ex parte order directing any law enforcement officer to take the person into custody and transport the person to the county jail. The Department may request, or the Attorney General or State's Attorney may request independently of the Department, that a petition to revoke conditional release be filed. When a petition is filed, the court may order the Department to issue a notice to the person to be present at the Department or other agency designated by the court, order a summons to the person to be present, or order a body attachment for all law enforcement officers to take the person into custody and transport him or her to the county jail, hospital, or treatment facility. The Department shall submit a statement showing probable cause of the detention and a petition to revoke the order for conditional release to the committing court within 48 hours after the detention. The court shall hear the petition within 30 days, unless the hearing or time deadline is waived by the detained person. Pending the revocation hearing, the Department may detain the person in a jail, in a hospital or treatment facility. The State has the burden of proving by clear and convincing evidence that any rule or condition of release has been violated, or that the safety of others requires that the conditional release be revoked. If the court determines after hearing that any rule or condition of release has been violated, or that the safety of others requires that conditional release be revoked, it may revoke the order for conditional release and order that the released person be placed in an appropriate institution until the person is discharged from the commitment under Section 65 of this Act or until again placed on conditional release under Section 60 of this Act.

(5) An order for conditional release places the person

in the custody, care, and control of the Department. The court shall order the person be subject to the following rules of conditional release, in addition to any other conditions ordered, and the person shall be given a certificate setting forth the conditions of conditional release. These conditions shall be that the person:

(A) not violate any criminal statute of any jurisdiction;

(B) report to or appear in person before such person or agency as directed by the court and the Department;

(C) refrain from possession of a firearm or other dangerous weapon;

(D) not leave the State without the consent of the court or, in circumstances in which the reason for the absence is of such an emergency nature, that prior consent by the court is not possible without the prior notification and approval of the Department;

(730 ILCS 5/5-4-1) (from Ch. 38, par. 1005-4-1)

Sec. 5-4-1. Sentencing Hearing.

(a) Except when the death penalty is sought under hearing procedures otherwise specified, after a determination of guilt, a hearing shall be held to impose the sentence. However, prior to the imposition of sentence on an individual being sentenced for an offense based upon a charge for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, the individual must undergo a professional evaluation to determine if an alcohol or other drug abuse problem exists and the extent of such a problem. Programs conducting these evaluations shall be licensed by the Department of Human Services. However, if the individual is not a resident of Illinois, the court may, in its discretion, accept an evaluation from a program in the state of such individual's residence. The court may in its sentencing order approve an eligible defendant for placement in a Department of Corrections impact incarceration program as provided in Section 5-8-1.1 or 5-8-1.3. At the hearing the court shall:

(1) consider the evidence, if any, received upon the trial;

(2) consider any presentence reports;

(3) consider the financial impact of incarceration based on the financial impact statement filed with the clerk of the court by the Department of Corrections;

(4) consider evidence and information offered by the parties in aggravation and mitigation;

(5) hear arguments as to sentencing alternatives;

(6) afford the defendant the opportunity to make a statement in his own behalf;

(7) afford the victim of a violent crime or a violation of Section 11-501 of the Illinois Vehicle Code, or a similar provision of a local ordinance, or a qualified individual affected by: (i) a violation of Section 405, 405.1, 405.2, or 407 of the Illinois Controlled Substances Act or a violation of Section 55 or Section 65 of the

Methamphetamine Control and Community Protection Act, or

(ii) a Class 4 felony violation of Section 11-14, 11-15, 11-17, 11-18, 11-18.1, or 11-19 of the Criminal Code of 1961, committed by the defendant the opportunity to make a statement concerning the impact on the victim and to offer evidence in aggravation or mitigation; provided that the statement and evidence offered in aggravation or mitigation must first be prepared in writing in conjunction with the State's Attorney before it may be presented orally at the hearing. Any sworn testimony offered by the victim is subject to the defendant's right to cross-examine. All statements and evidence offered under this paragraph (7) shall become part of the record of the court. For the purpose of this paragraph (7), "qualified individual" means any person who (i) lived or worked within the territorial jurisdiction where the offense took place when the offense took place; and (ii) is familiar with various public places within the territorial jurisdiction where the offense took place when the offense took place. For the purposes of this paragraph (7), "qualified individual" includes any peace officer, or any member of any duly organized State, county, or municipal peace unit assigned to the territorial jurisdiction where the offense took place when the offense took place;

(8) in cases of reckless homicide afford the victim's spouse, guardians, parents or other immediate family members an opportunity to make oral statements; and

(9) in cases involving a felony sex offense as defined under the Sex Offender Management Board Act, consider the results of the sex offender evaluation conducted pursuant to Section 5-3-2 of this Act.

(b) All sentences shall be imposed by the judge based upon his independent assessment of the elements specified above and any agreement as to sentence reached by the parties. The judge who presided at the trial or the judge who accepted the plea of guilty shall impose the sentence unless he is no longer sitting

as a judge in that court. Where the judge does not impose sentence at the same time on all defendants who are convicted as a result of being involved in the same offense, the defendant or the State's Attorney may advise the sentencing court of the disposition of any other defendants who have been sentenced.

(c) In imposing a sentence for a violent crime or for an offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug or any combination thereof, or a similar provision of a local ordinance, when such offense resulted in the personal injury to someone other than the defendant, the trial judge shall specify on the record the particular evidence, information, factors in mitigation and aggravation or other reasons that led to his sentencing determination. The full verbatim record of the sentencing hearing shall be filed with the clerk of the court and shall be a public record.

(c-1) In imposing a sentence for the offense of aggravated kidnapping for ransom, home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, the trial judge shall make a finding as to whether the conduct leading to conviction for the offense resulted in great bodily harm to a victim, and shall enter that finding and the basis for that finding in the record.

(c-2) If the defendant is sentenced to prison, other than when a sentence of natural life imprisonment or a sentence of death is imposed, at the time the sentence is imposed the judge shall state on the record in open court the approximate period of time the defendant will serve in custody according to the then current statutory rules and regulations for early release found in Section 3-6-3 and other related provisions of this Code. This statement is intended solely to inform the public, has no legal effect on the defendant's actual release, and may not be relied on by the defendant on appeal.

The judge's statement, to be given after pronouncing the

sentence, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 180 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3 committed on or after June 19, 1998, and other than when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and other than when the sentence is imposed for aggravated arson if the offense was committed on or after July 27, 2001 (the effective date of Public Act 92-176) ~~this amendatory Act of the 92nd-93rd General Assembly~~, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of

prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 90 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than first degree murder, and the offense was committed on or after June 19, 1998, and when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, and when the sentence is imposed for aggravated arson if the offense was committed on or after July 27, 2001 (the effective date of Public Act 92-176) ~~this amendatory Act of the 92nd 93rd General Assembly~~, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this

case, the defendant is entitled to no more than 4 1/2 days of good conduct credit for each month of his or her sentence of imprisonment. Therefore, this defendant will serve at least 85% of his or her sentence. Assuming the defendant receives 4 1/2 days credit for each month of his or her sentence, the period of estimated actual custody is ... years and ... months. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations receives lesser credit, the actual time served in prison will be longer."

When a sentence of imprisonment is imposed for first degree murder and the offense was committed on or after June 19, 1998, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is not entitled to good conduct credit. Therefore, this defendant will serve 100% of his or her sentence."

When the sentence is imposed for any offense that results in incarceration in a Department of Corrections facility committed as a result of the use of, abuse of, or addiction to alcohol or a controlled substance and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354) ~~this amendatory Act of the 93rd General Assembly~~, the judge's statement, in addition to any other judge's statement required under this Section, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of

Corrections and the Illinois Prisoner Review Board. In this case, the defendant shall receive no good conduct credit until he or she participates in and completes a substance abuse treatment program."

(d) When the defendant is committed to the Department of Corrections, the State's Attorney shall and counsel for the defendant may file a statement with the clerk of the court to be transmitted to the department, agency or institution to which the defendant is committed to furnish such department, agency or institution with the facts and circumstances of the offense for which the person was committed together with all other factual information accessible to them in regard to the person prior to his commitment relative to his habits, associates, disposition and reputation and any other facts and circumstances which may aid such department, agency or institution during its custody of such person. The clerk shall within 10 days after receiving any such statements transmit a copy to such department, agency or institution and a copy to the other party, provided, however, that this shall not be cause for delay in conveying the person to the department, agency or institution to which he has been committed.

(e) The clerk of the court shall transmit to the department, agency or institution, if any, to which the defendant is committed, the following:

- (1) the sentence imposed;
- (2) any statement by the court of the basis for imposing the sentence;

(9) all additional matters which the court directs the clerk to transmit.

(8) When a defendant, over the age of 21 years, is convicted of a Class 1 or Class 2 felony, after having twice been convicted in any state or federal court of an offense that contains the same elements as an offense now classified in Illinois as a Class 2 or greater Class felony and such charges are separately brought and tried and arise out of different series of acts, such defendant shall be sentenced as a Class X offender. This paragraph shall not apply unless (1) the first felony was committed after the effective date of this amendatory Act of 1977; and (2) the second felony was committed after conviction on the first; and (3) the third felony was committed after conviction on the second. The trial court shall hold a hearing under Section 5-4-1 of the Unified Code of Corrections which may include evidence of the defendant's life, moral character and occupation during the time since the original sentence was passed. The trial court shall then impose sentence upon the defendant. The trial court may impose any sentence which could have been imposed at the original trial subject to Section 5-5-4 of the Unified Code of Corrections. If a sentence is vacated on appeal or on collateral attack due to the failure of the trier of fact at trial to determine beyond a reasonable doubt the existence of a fact (other than a prior conviction) necessary to increase the punishment for the offense beyond the statutory maximum otherwise applicable, either the defendant may be re-sentenced to a term within the range otherwise provided or, if the State files notice of its intention to again seek the extended sentence, the defendant shall be afforded a new trial.

(e) In cases where prosecution for aggravated criminal sexual abuse under Section 12-16 of the Criminal Code of 1961 results in conviction of a defendant who was a family member of the victim at the time of the commission of the offense, the court shall consider the safety and welfare of the victim and may impose a sentence of probation only where:

Probation may be revoked or modified pursuant to Section 5-6-4; except where the court determines at the hearing that the defendant violated a condition of his or her probation restricting contact with the victim or other family members or commits another offense with the victim or other family members, the court shall revoke the defendant's probation and impose a term of imprisonment.

For the purposes of this Section, "family member" and "victim" shall have the meanings ascribed to them in Section 12-12 of the Criminal Code of 1961.

Any such medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the defendant's person. Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of the test results. The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or legal guardian of the test results. The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. (h) Whenever a defendant is convicted of an offense under Section 1 or 2 of the Hypodermic Syringes and Needles Act, the defendant shall undergo medical testing to determine whether the defendant has been exposed to human immunodeficiency virus (HIV) or any other identified causative agent of acquired immunodeficiency syndrome (AIDS). Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

When a defendant is so employed, the court shall order the Clerk of the Court to send a copy of the judgment of conviction or order of supervision or probation to the defendant's employer by certified mail. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. This subsection (j-5) does not apply to a defendant who is determined by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program.

(B) If the defendant has already been sentenced for a felony or misdemeanor offense, or has been placed on probation under Section 10 of the Cannabis Control Act, ~~or~~ Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act, the court may, upon motion of the State's Attorney to suspend the sentence imposed, commit the defendant to the custody of the Attorney General of the United States or his or her designated agent when:

(1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and

(2) the deportation of the defendant would not deprecate the seriousness of the defendant's conduct and would not be inconsistent with the ends of justice.

(C) This subsection (1) does not apply to offenders who are subject to the provisions of paragraph (2) of subsection (a) of Section 3-6-3.

(D) Upon motion of the State's Attorney, if a defendant sentenced under this Section returns to the jurisdiction of the United States, the defendant shall be recommitted to the custody of the county from which he or she was sentenced. Thereafter, the defendant shall be brought before the sentencing court, which may impose any sentence that was available under Section 5-5-3 at the time of initial sentencing. (11) comply with the terms and conditions of an order of protection issued by the court pursuant to the Illinois Domestic Violence Act of 1986 or an order of protection issued by the court of another state, tribe, or United States territory. employer that is not equipped with an ignition interlock
device in the course and scope of the defendant's
employment.

(d) The court shall defer entering any judgment on the
charges until the conclusion of the supervision.

(e) At the conclusion of the period of supervision, if the
court determines that the defendant has successfully complied
with all of the conditions of supervision, the court shall
discharge the defendant and enter a judgment dismissing the
charges.

(f) Discharge and dismissal upon a successful conclusion of
a disposition of supervision shall be deemed without
adjudication of guilt and shall not be termed a conviction for

The clerk of the circuit court shall pay all moneys collected from these fees to the county treasurer who shall use the moneys collected to defray the costs of drug testing, alcohol testing, and electronic monitoring. The county treasurer shall deposit the fees collected in the county working cash fund under Section 6-27001 or Section 6-29002 of the Counties Code, as the case may be.

(h) A disposition of supervision is a final order for the purposes of appeal.

(i) The court shall impose upon a defendant placed on supervision after January 1, 1992 or to community service under the supervision of a probation or court services department after January 1, 2004, as a condition of supervision or supervised community service, a fee of \$50 for each month of supervision or supervised community service ordered by the court, unless after determining the inability of the person

Of the amount collected as a probation fee, not to exceed \$5 of that fee collected per month may be used to provide services to crime victims and their families.

(j) All fines and costs imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(k) A defendant at least 17 years of age who is placed on supervision for a misdemeanor in a county of 3,000,000 or more inhabitants and who has not been previously convicted of a misdemeanor or felony may as a condition of his or her supervision be required by the court to attend educational courses designed to prepare the defendant for a high school

diploma and to work toward a high school diploma or to work toward passing the high school level Test of General Educational Development (GED) or to work toward completing a vocational training program approved by the court. The defendant placed on supervision must attend a public institution of education to obtain the educational or vocational training required by this subsection (k). The defendant placed on supervision shall be required to pay for the cost of the educational courses or GED test, if a fee is charged for those courses or test. The court shall revoke the supervision of a person who wilfully fails to comply with this subsection (k). The court shall resentence the defendant upon revocation of supervision as provided in Section 5-6-4. This subsection (k) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. This subsection (k) does not apply to a defendant who is determined by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program.

(l) The court shall require a defendant placed on supervision for possession of a substance prohibited by the Cannabis Control Act, the ~~or~~ Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act after a previous conviction or disposition of supervision for possession of a substance prohibited by the Cannabis Control Act, the ~~or~~ Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act or a sentence of probation under Section 10 of the Cannabis Control Act or Section 410 of the Illinois Controlled Substances Act and after a finding by the court that the person is addicted, to undergo treatment at a substance abuse program approved by the court.

The defendant must

apply to the circuit court within 30 days after the defendant's sentence imposed by the other state or district of the United States is finalized. The court shall impose consecutive sentences if:

(i) one of the offenses for which defendant was convicted was first degree murder or a Class X or Class 1 felony and the defendant inflicted severe bodily injury, or

(ii) the defendant was convicted of a violation of Section 12-13, 12-14, or 12-14.1 of the Criminal Code of 1961, or

(iii) the defendant was convicted of armed violence based upon the predicate offense of solicitation of murder, solicitation of murder for hire, heinous battery, aggravated battery of a senior citizen, criminal sexual assault, a violation of subsection (g) of Section 5 of the Cannabis Control Act, cannabis trafficking, a violation of subsection (a) of Section 401 of the Illinois Controlled Substances Act, controlled substance trafficking involving a Class X felony amount of controlled substance under Section 401 of the Illinois Controlled Substances Act, a violation of the Methamphetamine Control and Community Protection Act, calculated criminal drug conspiracy, or streetgang criminal drug conspiracy, or

(iv) the defendant was convicted of the offense of leaving the scene of a motor vehicle accident involving death or personal injuries under Section 11-401 and either: (A) aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof under Section 11-501 of the Illinois Vehicle Code, or (B) reckless homicide under Section 9-3 of the Criminal Code of 1961, or both an offense described in subdivision (A) and an offense described in subdivision (B), or

(v) the defendant was convicted of a violation of Section 9-3.1 (concealment of homicidal death) or Section 12-20.5 (dismembering a human body) of the Criminal Code of

1961,
in which event the court shall enter sentences to run consecutively. Sentences shall run concurrently unless otherwise specified by the court.

(b) Except in cases where consecutive sentences are mandated, the court shall impose concurrent sentences unless, having regard to the nature and circumstances of the offense and the history and character of the defendant, it is of the opinion that consecutive sentences are required to protect the public from further criminal conduct by the defendant, the basis for which the court shall set forth in the record.

(c) (1) For sentences imposed under law in effect prior to February 1, 1978 the aggregate maximum of consecutive sentences shall not exceed the maximum term authorized under Section 5-8-1 for the 2 most serious felonies involved. The aggregate minimum period of consecutive sentences shall not exceed the highest minimum term authorized under Section 5-8-1 for the 2 most serious felonies involved. When sentenced only for misdemeanors, a defendant shall not be consecutively sentenced to more than the maximum for one Class A misdemeanor.

(2) For sentences imposed under the law in effect on or after February 1, 1978, the aggregate of consecutive sentences for offenses that were committed as part of a single course of conduct during which there was no substantial change in the nature of the criminal objective shall not exceed the sum of the maximum terms authorized under Section 5-8-2 for the 2 most serious felonies involved, but no such limitation shall apply for offenses that were not committed as part of a single course of conduct during which there was no substantial change in the nature of the criminal objective. When sentenced only for misdemeanors, a defendant shall not be consecutively sentenced to more than the maximum for one Class A misdemeanor.

(d) An offender serving a sentence for a misdemeanor who is

convicted of a felony and sentenced to imprisonment shall be transferred to the Department of Corrections, and the misdemeanor sentence shall be merged in and run concurrently with the felony sentence.

(e) In determining the manner in which consecutive sentences of imprisonment, one or more of which is for a felony, will be served, the Department of Corrections shall treat the offender as though he had been committed for a single term with the following incidents:

(1) the maximum period of a term of imprisonment shall consist of the aggregate of the maximums of the imposed indeterminate terms, if any, plus the aggregate of the imposed determinate sentences for felonies plus the aggregate of the imposed determinate sentences for misdemeanors subject to paragraph (c) of this Section;

(2) the parole or mandatory supervised release term shall be as provided in paragraph (e) of Section 5-8-1 of this Code for the most serious of the offenses involved;

(3) the minimum period of imprisonment shall be the aggregate of the minimum and determinate periods of imprisonment imposed by the court, subject to paragraph (c) of this Section; and

(4) the offender shall be awarded credit against the aggregate maximum term and the aggregate minimum term of imprisonment for all time served in an institution since the commission of the offense or offenses and as a consequence thereof at the rate specified in Section 3-6-3 of this Code.

(f) A sentence of an offender committed to the Department of Corrections at the time of the commission of the offense shall be served consecutive to the sentence under which he is held by the Department of Corrections. However, in case such offender shall be sentenced to punishment by death, the sentence shall be executed at such time as the court may fix without regard to the sentence under which such offender may be held by the Department.

(g) A sentence under Section 3-6-4 for escape or attempted escape shall be served consecutive to the terms under which the offender is held by the Department of Corrections.

(h) If a person charged with a felony commits a separate felony while on pre-trial release or in pretrial detention in a county jail facility or county detention facility, the sentences imposed upon conviction of these felonies shall be served consecutively regardless of the order in which the judgments of conviction are entered.

(i) If a person admitted to bail following conviction of a felony commits a separate felony while free on bond or if a person detained in a county jail facility or county detention facility following conviction of a felony commits a separate felony while in detention, any sentence following conviction of the separate felony shall be consecutive to that of the original sentence for which the defendant was on bond or detained.

Sec. 5-9-1. Authorized fines.

(a) An offender may be sentenced to pay a fine which shall not exceed for each offense:

(1) for a felony, \$25,000 or the amount specified in the offense, whichever is greater, or where the offender is a corporation, \$50,000 or the amount specified in the offense, whichever is greater;

(2) for a Class A misdemeanor, \$2,500 or the amount specified in the offense, whichever is greater;

(3) for a Class B or Class C misdemeanor, \$1,500;

(4) for a petty offense, \$1,000 or the amount specified in the offense, whichever is less;

(5) for a business offense, the amount specified in the statute defining that offense.

(b) A fine may be imposed in addition to a sentence of

conditional discharge, probation, periodic imprisonment, or imprisonment.

(c) There shall be added to every fine imposed in sentencing for a criminal or traffic offense, except an offense relating to parking or registration, or offense by a pedestrian, an additional penalty of \$5 for each \$40, or fraction thereof, of fine imposed. The additional penalty of \$5 for each \$40, or fraction thereof, of fine imposed, if not otherwise assessed, shall also be added to every fine imposed upon a plea of guilty, stipulation of facts or findings of guilty, resulting in a judgment of conviction, or order of supervision in criminal, traffic, local ordinance, county ordinance, and conservation cases (except parking, registration, or pedestrian violations), or upon a sentence of probation without entry of judgment under Section 10 of the Cannabis Control Act, ~~or~~ Section 410 of the Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act.

Such additional amounts shall be assessed by the court imposing the fine and shall be collected by the Circuit Clerk in addition to the fine and costs in the case. Each such additional penalty shall be remitted by the Circuit Clerk within one month after receipt to the State Treasurer. The State Treasurer shall deposit \$1 for each \$40, or fraction thereof, of fine imposed into the LEADS Maintenance Fund. The remaining surcharge amount shall be deposited into the Traffic and Criminal Conviction Surcharge Fund, unless the fine, costs or additional amounts are subject to disbursement by the circuit clerk under Section 27.5 of the Clerks of Courts Act. Such additional penalty shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing. Not later than March 1 of each year the Circuit Clerk shall submit a report of the amount of funds remitted to the State Treasurer under this subsection (c) during the preceding calendar year. Except as otherwise provided by Supreme Court Rules, if a court in imposing a fine

against an offender levies a gross amount for fine, costs, fees and penalties, the amount of the additional penalty provided for herein shall be computed on the amount remaining after deducting from the gross amount levied all fees of the Circuit Clerk, the State's Attorney and the Sheriff. After deducting from the gross amount levied the fees and additional penalty provided for herein, less any other additional penalties provided by law, the clerk shall remit the net balance remaining to the entity authorized by law to receive the fine imposed in the case. For purposes of this Section "fees of the Circuit Clerk" shall include, if applicable, the fee provided for under Section 27.3a of the Clerks of Courts Act and the fee, if applicable, payable to the county in which the violation occurred pursuant to Section 5-1101 of the Counties Code.

(c-5) In addition to the fines imposed by subsection (c), any person convicted or receiving an order of supervision for driving under the influence of alcohol or drugs shall pay an additional \$100 fee to the clerk. This additional fee, less 2 1/2% that shall be used to defray administrative costs incurred by the clerk, shall be remitted by the clerk to the Treasurer within 60 days after receipt for deposit into the Trauma Center Fund. This additional fee of \$100 shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing. Not later than March 1 of each year the Circuit Clerk shall submit a report of the amount of funds remitted to the State Treasurer under this subsection (c-5) during the preceding calendar year.

The Circuit Clerk may accept payment of fines and costs by credit card from an offender who has been convicted of a traffic offense, petty offense or misdemeanor and may charge the service fee permitted where fines and costs are paid by credit card provided for in Section 27.3b of the Clerks of Courts Act.

(c-7) In addition to the fines imposed by subsection (c), any person convicted or receiving an order of supervision for

driving under the influence of alcohol or drugs shall pay an additional \$5 fee to the clerk. This additional fee, less 2 1/2% that shall be used to defray administrative costs incurred by the clerk, shall be remitted by the clerk to the Treasurer within 60 days after receipt for deposit into the Spinal Cord Injury Paralysis Cure Research Trust Fund. This additional fee of \$5 shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing. Not later than March 1 of each year the Circuit Clerk shall submit a report of the amount of funds remitted to the State Treasurer under this subsection (c-7) during the preceding calendar year.

(c-9) There shall be added to every fine imposed in sentencing for a criminal or traffic offense, except an offense relating to parking or registration, or offense by a pedestrian, an additional penalty of \$4 imposed. The additional penalty of \$4 shall also be added to every fine imposed upon a plea of guilty, stipulation of facts or findings of guilty, resulting in a judgment of conviction, or order of supervision in criminal, traffic, local ordinance, county ordinance, or conservation cases (except parking, registration, or pedestrian violations), or upon a sentence of probation without entry of judgment under Section 10 of the Cannabis Control Act, ~~or~~ Section 410 of the Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act. Such additional penalty of \$4 shall be assessed by the court imposing the fine and shall be collected by the circuit clerk in addition to any other fine, costs, fees, and penalties in the case. Each such additional penalty of \$4 shall be remitted to the State Treasurer by the circuit clerk within one month after receipt. The State Treasurer shall deposit the additional penalty of \$4 into the Traffic and Criminal Conviction Surcharge Fund. The additional penalty of \$4 shall be in addition to any other fine, costs, fees, and penalties and shall not reduce or affect the distribution of any other fine, costs, fees, and penalties.

(d) In determining the amount and method of payment of a fine, except for those fines established for violations of Chapter 15 of the Illinois Vehicle Code, the court shall consider:

(1) the financial resources and future ability of the offender to pay the fine; and

(2) whether the fine will prevent the offender from making court ordered restitution or reparation to the victim of the offense; and

(3) in a case where the accused is a dissolved corporation and the court has appointed counsel to represent the corporation, the costs incurred either by the county or the State for such representation.

(e) The court may order the fine to be paid forthwith or within a specified period of time or in installments.

(f) All fines, costs and additional amounts imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(a) When a person has been adjudged guilty of a drug related offense involving possession or delivery of cannabis or possession or delivery of a controlled substance as defined in the Cannabis Control Act, ~~as amended, or~~ the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act as amended, in addition to any other penalty imposed, a fine shall be levied by the court at not less than the full street value of the cannabis or controlled substances seized.

"Street value" shall be determined by the court on the

basis of testimony of law enforcement personnel and the defendant as to the amount seized and such testimony as may be required by the court as to the current street value of the cannabis or controlled substance seized.

(b) In addition to any penalty imposed under subsection (a) of this Section, a fine of \$100 shall be levied by the court, the proceeds of which shall be collected by the Circuit Clerk and remitted to the State Treasurer under Section 27.6 of the Clerks of Courts Act for deposit into the Trauma Center Fund for distribution as provided under Section 3.225 of the Emergency Medical Services (EMS) Systems Act.

(c) In addition to any penalty imposed under subsection (a) of this Section, a fee of \$5 shall be assessed by the court, the proceeds of which shall be collected by the Circuit Clerk and remitted to the State Treasurer under Section 27.6 of the Clerks of Courts Act for deposit into the Spinal Cord Injury Paralysis Cure Research Trust Fund. (730 ILCS 5/5-9-1.2) (from Ch. 38, par. 1005-9-1.2)

Sec. 5-9-1.2. (a) Twelve and one-half percent of all amounts collected as fines pursuant to Section 5-9-1.1 shall be paid into the Youth Drug Abuse Prevention Fund, which is hereby created in the State treasury, to be used by the Department of Human Services for the funding of programs and services for drug-abuse treatment, and prevention and education services, for juveniles.

(b) Eighty-seven and one-half percent of the proceeds of all fines received pursuant to Section 5-9-1.1 shall be transmitted to and deposited in the treasurer's office at the level of government as follows:

(1) If such seizure was made by a combination of law enforcement personnel representing differing units of

local government, the court levying the fine shall equitably allocate 50% of the fine among these units of local government and shall allocate 37 1/2% to the county general corporate fund. In the event that the seizure was made by law enforcement personnel representing a unit of local government from a municipality where the number of inhabitants exceeds 2 million in population, the court levying the fine shall allocate 87 1/2% of the fine to that unit of local government. If the seizure was made by a combination of law enforcement personnel representing differing units of local government, and at least one of those units represents a municipality where the number of inhabitants exceeds 2 million in population, the court shall equitably allocate 87 1/2% of the proceeds of the fines received among the differing units of local government.

(2) If such seizure was made by State law enforcement personnel, then the court shall allocate 37 1/2% to the State treasury and 50% to the county general corporate fund.

(3) If a State law enforcement agency in combination with a law enforcement agency or agencies of a unit or units of local government conducted the seizure, the court shall equitably allocate 37 1/2% of the fines to or among the law enforcement agency or agencies of the unit or units of local government which conducted the seizure and shall allocate 50% to the county general corporate fund.

The proceeds of fines awarded to the State treasury shall be deposited in a special fund known as the Drug Traffic Prevention Fund. Monies from this fund may be used by the Department of State Police for use in the enforcement of laws

regulating controlled substances and cannabis; to satisfy funding provisions of the Intergovernmental Drug Laws Enforcement Act; and to defray costs and expenses associated with returning violators of the Cannabis Control Act, ~~and~~ the Illinois Controlled Substances Act, and the Methamphetamine Control and Community Protection Act only, as provided in those Acts, when punishment of the crime shall be confinement of the criminal in the penitentiary. Moneys in the Drug Traffic Prevention Fund deposited from fines awarded as a direct result of enforcement efforts of the Illinois Conservation Police may be used by the Department of Natural Resources Office of Law Enforcement for use in enforcing laws regulating controlled substances and cannabis on Department of Natural Resources regulated lands and waterways. All other monies shall be paid into the general revenue fund in the State treasury.

(730 ILCS 5/5-9-1.4) (from Ch. 38, par. 1005-9-1.4)

Sec. 5-9-1.4. (a) "Crime laboratory" means any not-for-profit laboratory registered with the Drug Enforcement Administration of the United States Department of Justice, substantially funded by a unit or combination of units of local government or the State of Illinois, which regularly employs at least one person engaged in the analysis of controlled substances, cannabis, methamphetamine, or steroids for criminal justice agencies in criminal matters and provides testimony with respect to such examinations.

(b) When a person has been adjudged guilty of an offense in violation of the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Steroid Control Act, in addition to any other disposition, penalty or fine imposed, a criminal laboratory analysis fee of \$100 for each offense for which he was convicted shall be levied by the court. Any person placed on probation pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act,

Section 70 of the Methamphetamine Control and Community Protection Act, or Section 10 of the Steroid Control Act or placed on supervision for a violation of the Cannabis Control Act, the Illinois Controlled Substances Act or the Steroid Control Act shall be assessed a criminal laboratory analysis fee of \$100 for each offense for which he was charged. Upon verified petition of the person, the court may suspend payment of all or part of the fee if it finds that the person does not have the ability to pay the fee.

(c) In addition to any other disposition made pursuant to the provisions of the Juvenile Court Act of 1987, any minor adjudicated delinquent for an offense which if committed by an adult would constitute a violation of the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Steroid Control Act shall be assessed a criminal laboratory analysis fee of \$100 for each adjudication. Upon verified petition of the minor, the court may suspend payment of all or part of the fee if it finds that the minor does not have the ability to pay the fee. The parent, guardian or legal custodian of the minor may pay some or all of such fee on the minor's behalf.

(d) All criminal laboratory analysis fees provided for by this Section shall be collected by the clerk of the court and forwarded to the appropriate crime laboratory fund as provided in subsection (f).

(e) Crime laboratory funds shall be established as follows:

(1) Any unit of local government which maintains a crime laboratory may establish a crime laboratory fund within the office of the county or municipal treasurer.

(2) Any combination of units of local government which maintains a crime laboratory may establish a crime laboratory fund within the office of the treasurer of the county where the crime laboratory is situated.

(3) The State Crime Laboratory Fund is hereby created as a special fund in the State Treasury.

(f) The analysis fee provided for in subsections (b) and

(c) of this Section shall be forwarded to the office of the treasurer of the unit of local government that performed the analysis if that unit of local government has established a crime laboratory fund, or to the State Crime Laboratory Fund if the analysis was performed by a laboratory operated by the Illinois State Police. If the analysis was performed by a crime laboratory funded by a combination of units of local government, the analysis fee shall be forwarded to the treasurer of the county where the crime laboratory is situated if a crime laboratory fund has been established in that county. If the unit of local government or combination of units of local government has not established a crime laboratory fund, then the analysis fee shall be forwarded to the State Crime Laboratory Fund. The clerk of the circuit court may retain the amount of \$10 from each collected analysis fee to offset administrative costs incurred in carrying out the clerk's responsibilities under this Section.

(g) Fees deposited into a crime laboratory fund created pursuant to paragraphs (1) or (2) of subsection (e) of this Section shall be in addition to any allocations made pursuant to existing law and shall be designated for the exclusive use of the crime laboratory. These uses may include, but are not limited to, the following:

(1) costs incurred in providing analysis for controlled substances in connection with criminal investigations conducted within this State;

(2) purchase and maintenance of equipment for use in performing analyses; and

(3) continuing education, training and professional development of forensic scientists regularly employed by these laboratories.

(h) Fees deposited in the State Crime Laboratory Fund created pursuant to paragraph (3) of subsection (d) of this Section shall be used by State crime laboratories as designated by the Director of State Police. These funds shall be in addition to any allocations made pursuant to existing law and

shall be designated for the exclusive use of State crime laboratories. These uses may include those enumerated in subsection (g) of this Section.

Section 1115. The Code of Civil Procedure is amended by changing Sections 9-118 and 12-903.5 as follows:

(735 ILCS 5/9-118) (from Ch. 110, par. 9-118)

Sec. 9-118. Emergency housing eviction proceedings.

(a) As used in this Section:

"Cannabis" has the meaning ascribed to that term in the Cannabis Control Act.

"Narcotics" and "controlled substance" have the meanings ascribed to those terms in the Illinois Controlled Substances Act.

(b) This Section applies only if all of the following conditions are met:

(1) The complaint seeks possession of premises that are owned or managed by a housing authority established under the Housing Authorities Act or privately owned and managed.

(2) The verified complaint alleges that there is direct evidence of any of the following:

(A) unlawful possessing, serving, storing, manufacturing, cultivating, delivering, using, selling, giving away, or trafficking in cannabis, methamphetamine, narcotics, or controlled substances within or upon the premises by or with the knowledge and consent of, or in concert with the person or persons named in the complaint; or

(B) the possession, use, sale, or delivery of a firearm which is otherwise prohibited by State law within or upon the premises by or with the knowledge and consent of, or in concert with, the person or persons named in the complaint; or

(C) murder, attempted murder, kidnapping,

attempted kidnapping, arson, attempted arson, aggravated battery, criminal sexual assault, attempted criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, or criminal sexual abuse within or upon the premises by or with the knowledge and consent of, or in concert with, the person or persons named in the complaint.

(3) Notice by verified complaint setting forth the relevant facts, and a demand for possession of the type specified in Section 9-104 is served on the tenant or occupant of the premises at least 14 days before a hearing on the complaint is held, and proof of service of the complaint is submitted by the plaintiff to the court.

(b-5) In all actions brought under this Section 9-118, no predicate notice of termination or demand for possession shall be required to initiate an eviction action.

(c) When a complaint has been filed under this Section, a hearing on the complaint shall be scheduled on any day after the expiration of 14 days following the filing of the complaint. The summons shall advise the defendant that a hearing on the complaint shall be held at the specified date and time, and that the defendant should be prepared to present any evidence on his or her behalf at that time.

If a plaintiff which is a public housing authority accepts rent from the defendant after an action is initiated under this Section, the acceptance of rent shall not be a cause for dismissal of the complaint.

(d) If the defendant does not appear at the hearing, judgment for possession of the premises in favor of the plaintiff shall be entered by default. If the defendant appears, a trial shall be held immediately as is prescribed in other proceedings for possession. The matter shall not be continued beyond 7 days from the date set for the first hearing on the complaint except by agreement of both the plaintiff and the defendant. After a trial, if the court finds, by a preponderance of the evidence, that the allegations in the

complaint have been proven, the court shall enter judgment for possession of the premises in favor of the plaintiff and the court shall order that the plaintiff shall be entitled to re-enter the premises immediately.

(d-5) If cannabis, methamphetamine, narcotics, or controlled substances are found or used anywhere in the premises, there is a rebuttable presumption either (1) that the cannabis, methamphetamine, narcotics, or controlled substances were used or possessed by a tenant or occupant or (2) that a tenant or occupant permitted the premises to be used for that use or possession, and knew or should have reasonably known that the substance was used or possessed.

(e) A judgment for possession entered under this Section may not be stayed for any period in excess of 7 days by the court. Thereafter the plaintiff shall be entitled to re-enter the premises immediately. The sheriff or other lawfully deputized officers shall give priority to service and execution of orders entered under this Section over other possession orders.

(f) This Section shall not be construed to prohibit the use or possession of cannabis, methamphetamine, narcotics, or a controlled substance that has been legally obtained in accordance with a valid prescription for the personal use of a lawful occupant of a dwelling unit.

Section 1120. The Cannabis and Controlled Substances Tort Claims Act is amended by changing Sections 2, 4, and 6 as follows:

(740 ILCS 20/2) (from Ch. 70, par. 902)

Sec. 2. Findings and intent.

(a) The General Assembly finds that the abuse of cannabis and controlled substances:

(1) greatly increases incidents involving crimes of violence and threats of crimes of violence;

(2) causes death or severe and often irreversible injuries to newborn children;

(3) accounts for the commission of the majority of property crimes committed within this State;

(4) causes motor vehicle, job related, and numerous other types of accidents that frequently result in death or permanent injuries;

(5) contributes to the disintegration of the family;

(6) interferes with the duty of parents and legal guardians to provide for the physical, mental, and emotional well-being of their unemancipated children and with the rights of parents and legal guardians to raise the children free from the physical, mental, and emotional trauma that is caused by the abuse of cannabis and controlled substances;

(7) encourages and fosters the growth of urban gangs engaged in violent and nonviolent crime;

(8) furthers the interests of elements of organized criminals;

(9) increases the dropout, truancy, and failure rates of children attending schools within this State;

(10) stifles educational opportunities for both drug users and nonusers;

(11) contributes to the unemployment rate within this State;

(12) reduces the productivity of employees, retards competitiveness within the established business community, and hinders the formation and growth of new businesses;

(13) reduces the value of real property;

(14) costs the citizens of this State billions of dollars in federal, State, and local taxes for increased costs for law enforcement, welfare, and education;

(15) costs the citizens of this State billions of dollars in increased costs for consumer goods and services, insurance premiums, and medical treatment;

(16) hinders citizens from freely using public parks, streets, schools, forest preserves, playgrounds, and other public areas; and

(17) contributes to a lower quality of life and standard of living for the citizens of this State.

(b) The General Assembly finds that, in light of the findings made in subsection (a), any violation of the Cannabis Control Act, the Methamphetamine Control and Community Protection Act, or the Illinois Controlled Substances Act that involves the nonconsensual use of the real or personal property of another person, whether that person is an individual or a governmental or private entity representing a collection of individuals, is so injurious to the property interests and the well-being of that person that the violation gives rise to a cause of action sounding in tort. The General Assembly also finds that the delivery of a controlled substance or cannabis in violation of the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act to an unemancipated minor under the age of 18 is so injurious to the rights and duties of parents and legal guardians relating to the physical, mental, and emotional well-being of that minor that the violation also gives rise to a cause of action sounding in tort. The General Assembly further finds that although the damage a person suffers through

the nonconsensual use of his property to facilitate such a violation or the damage a parent or legal guardian suffers as the result of the delivery to the minor of cannabis or a substance in violation of the Cannabis Control Act, the Methamphetamine Control and Community Protection Act, or the Illinois Controlled Substances Act is often subtle and incapable of precise articulation, that damage is nonetheless real and substantial. It is therefore the intent of the General Assembly to create a cause of action with statutorily prescribed damages for the conduct described in this Act.

(740 ILCS 20/4) (from Ch. 70, par. 904)

Sec. 4. Civil liability.

(a) A person who uses or causes to be used any property without the consent of the owner of that property to facilitate in any manner a violation of the Cannabis Control Act, ~~or~~ the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act or any inchoate offense under either of those Acts is liable to the owner for civil damages as set forth in this Act.

(b) A person who delivers or causes to be delivered in violation of the Illinois Controlled Substances Act, ~~or~~ the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act a controlled substance, ~~or~~ cannabis, or methamphetamine to an unemancipated minor under the age of 18 is liable to the parent or legal guardian of that minor as set forth in this Act.

(c) A person who knowingly delivers or causes to be delivered cannabis, ~~or~~ a controlled or counterfeit substance, or methamphetamine that is later involved in a transaction or activity that gives rise to a cause of action under subsection (a) or (b) of this Section is liable under subsection (a) or (b), as the case may be, in the same manner and amount as the person or persons whose conduct gives immediate rise to the cause of action.
