Section 10. The Capital Crimes Litigation Act is amended by changing Sections 10 and 15 as follows:

(725 ILCS 124/10)

Sec. 10. Court appointed trial counsel; compensation and expenses.

(a) This Section applies only to compensation and expenses of trial counsel appointed by the court as set forth in Section 5, other than public defenders, for the period after arraignment and so long as the State's Attorney has not, at any time, filed a certificate indicating he or she will not seek the death penalty or stated on the record in open court that the death penalty will not be sought.

(a-5) Litigation budget.

(1) In a case in which the State has filed a statement of intent to seek the death penalty, the court shall require appointed counsel, including those appointed in Cook County, after counsel has had adequate time to review the case and prior to engaging trial assistance, to submit a proposed estimated litigation budget for court approval, that will be subject to modification in light of facts and developments that emerge as the case proceeds. Case budgets should be submitted ex parte and filed and maintained under seal in order to protect the defendant's right to effective

assistance of counsel, right not to incriminate him or herself and all applicable privileges. Case budgets shall be reviewed and approved by the judge assigned to try the case. As provided under subsection (c) of this Section, petitions for compensation shall be reviewed by both the trial judge and the presiding judge or the presiding judge's designee.

(2) The litigation budget shall serve purposes comparable to those of private retainer agreements by confirming both the court's and the attorney's expectations regarding fees and expenses. Consideration should be given to employing an ex parte pretrial conference in order to facilitate reaching agreement on a litigation budget at the earliest opportunity.

(3) The budget shall be incorporated into a sealed initial pretrial order that reflects the understandings of the court and counsel regarding all matters affecting counsel compensation and reimbursement and payments for investigative, expert and other services, including but not limited to the following matters:

(A) The hourly rate at which counsel will be compensated;

(B) The hourly rate at which private investigators, other than investigators employed by the Office of the State Appellate Defender, will be compensated; and

(C) The best preliminary estimate that can be made of the cost of all services, including, but not limited to, counsel, expert, and investigative services, that are likely to be needed through the guilt and penalty phases of the trial. The court shall have discretion to require that budgets be prepared for shorter intervals of time.

(4) Appointed counsel may obtain, subject to later review, investigative, expert or other services without prior authorization if necessary for an adequate defense.

If such services are obtained, the presiding judge or the presiding judge's designee shall consider in an ex parte proceeding that timely procurement of necessary services could not await prior authorization. If an ex parte hearing is requested by defense counsel or deemed necessary by the trial judge prior to modifying a budget, the ex parte hearing shall be before the presiding judge or the presiding judge's designee. The judge may then authorize such services nunc pro tunc. If the presiding judge or the presiding judge's designee finds that the services were not reasonable, payment may be denied.

(5) An approved budget shall guide counsel's use of time and resources by indicating the services for which compensation is authorized. The case budget shall be re-evaluated when justified by changed or unexpected circumstances and shall be modified by the court when reasonable and necessary for an adequate defense. If an ex parte hearing is requested by defense counsel or deemed necessary by the trial judge prior to modifying a budget, the ex parte hearing shall be before the presiding judge or the presiding judge's designee.

(b) Appointed trial counsel shall be compensated upon presentment and certification by the circuit court of a claim for services detailing the date, activity, and time duration for which compensation is sought. Compensation for appointed trial counsel may be paid at a reasonable rate not to exceed \$125 per hour. The court shall not authorize payment of bills that are not properly itemized. A request for payment shall be presented under seal and reviewed ex parte with a court reporter present.

Beginning in 2001, every January 20, the statutory rate prescribed in this subsection shall be automatically increased or decreased, as applicable, by a percentage equal to the percentage change in the consumer price index-u during the preceding 12-month calendar year. "Consumer price index-u" means the index published by the Bureau of Labor Statistics of

the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84=100. The new rate resulting from each annual adjustment shall be determined by the State Treasurer and made available to the chief judge of each judicial circuit.

(c) Appointed trial counsel may also petition the court for certification of expenses for reasonable and necessary capital litigation expenses including, but not limited to, investigatory and other assistance, expert, forensic, and other witnesses, and mitigation specialists. Counsel may not petition for certification of expenses that may have been provided or compensated by the State Appellate Defender under item (c) (5) of Section 10 of the State Appellate Defender Act. The petitions shall be filed under seal and considered ex parte but with a court reporter present for all ex parte conferences. If the requests are submitted after services have been rendered, the requests shall be supported by an invoice describing the services rendered, the dates the services were performed and the amount of time spent. These petitions shall be reviewed by both the trial judge and the presiding judge of the circuit court or the presiding judge's designee. The petitions and orders shall be kept under seal and shall be exempt from Freedom of Information requests until the conclusion of the trial, even if the prosecution chooses not to pursue the death penalty prior to trial or sentencing. If an ex parte hearing is requested by defense counsel or deemed necessary by the trial judge, the hearing shall be before the presiding judge or the presiding judge's designee.

(d) Appointed trial counsel shall petition the court for certification of compensation and expenses under this Section periodically during the course of counsel's representation. The petitions shall be supported by itemized bills showing the date, the amount of time spent, the work done and the total being charged for each entry. The court shall not authorize payment of bills that are not properly itemized. The petitions

shall be filed under seal and considered ex parte but with a court reporter present for all ex parte conferences. The petitions shall be reviewed by both the trial judge and the presiding judge of the circuit court or the presiding judge's designee. If an ex parte hearing is requested by defense counsel or deemed necessary by the trial judge, the ex parte hearing shall be before the presiding judge or the presiding judge's designee. If the court determines that the compensation and expenses should be paid from the Capital Litigation Trust Fund, the court shall certify, on a form created by the State Treasurer, that all or a designated portion of the amount requested is reasonable, necessary, and appropriate for payment from the Trust Fund. Certification of compensation and expenses by a court in any county other than Cook County shall be delivered by the court to the State Treasurer and paid by the State Treasurer directly from the Capital Litigation Trust Fund if there are sufficient moneys in the Trust Fund to pay the compensation and expenses. The petitions and orders shall be kept under seal and shall be exempt from Freedom of Information requests until the conclusion of the trial and appeal of the case, even if the prosecution chooses not to pursue the death penalty prior to trial or sentencing. Certification of compensation and expenses by a court in Cook County shall be delivered by the court to the county treasurer and paid by the county treasurer from moneys granted to the county from the Capital Litigation Trust Fund.
