(l) Whenever an individual is sentenced for an offense based upon an arrest for a violation of subsection (a) or a similar provision of a local ordinance, and the professional evaluation recommends remedial or rehabilitative treatment or education, neither the treatment nor the education shall be the sole disposition and either or both may be imposed only in conjunction with another disposition. The court shall monitor compliance with any remedial education or treatment recommendations contained in the professional evaluation. Programs conducting alcohol or other drug evaluation or remedial education must be licensed by the Department of Human Services. If the individual is not a resident of Illinois, however, the court may accept an alcohol or other drug evaluation or remedial education program in the individual's state of residence. Programs providing treatment must be licensed under existing applicable alcoholism and drug treatment licensure standards.

(m) In addition to any other fine or penalty required by law, an individual convicted of a violation of subsection (a), Section 5-7 of the Snowmobile Registration and Safety Act, Section 5-16 of the Boat Registration and Safety Act, or a

similar provision, whose operation of a motor vehicle, snowmobile, or watercraft while in violation of subsection (a), Section 5-7 of the Snowmobile Registration and Safety Act, Section 5-16 of the Boat Registration and Safety Act, or a similar provision proximately caused an incident resulting in an appropriate emergency response, shall be required to make restitution to a public agency for the costs of that emergency response. The restitution may not exceed \$1,000 per public agency for each emergency response. As used in this subsection (m), "emergency response" means any incident requiring a response by a police officer, a firefighter carried on the rolls of a regularly constituted fire department, or an ambulance.

3. Every person convicted of violating this Section shall be guilty of a Class A misdemeanor, except as otherwise provided in this Section.

4. Every person convicted of violating this Section shall be guilty of a Class 4 felony if:

(a) He has a previous conviction under this Section;

5. Every person convicted of violating this Section shall be guilty of a Class 2 felony if the offense results in the death of a person. A person guilty of a Class 2 felony under this paragraph 5, if sentenced to a term of imprisonment, shall be sentenced to a term of not less than 3 years and not more than 14 years.

5.1. A person convicted of violating this Section or a similar provision of a local ordinance who had a child under the age of 16 aboard the watercraft at the time of offense is subject to a mandatory minimum fine of \$500 and to a mandatory minimum of 5 days of community service in a program benefiting children. The assignment under this paragraph 5.1 is not subject to suspension and the person is not eligible for probation in order to reduce the assignment.

5.2. A person found guilty of violating this Section, if his or her operation of a watercraft while in violation of this Section proximately caused any incident resulting

in an appropriate emergency response, is liable for the expense of an emergency response as provided in subsection (m) of Section 11-501 of the Illinois Vehicle Code ~~under Section 5-5-3 of the Unified Code of Corrections.~~

5.3. In addition to any other penalties and liabilities, a person who is found guilty of violating this Section, including any person placed on court supervision, shall be fined \$100, payable to the circuit clerk, who shall distribute the money to the law enforcement agency that made the arrest. In the event that more than one agency is responsible for the arrest, the \$100 shall be shared equally. Any moneys received by a law enforcement agency under this paragraph 5.3 shall be used to purchase law enforcement equipment or to provide law enforcement training that will assist in the prevention of alcohol related criminal violence throughout the State. Law enforcement equipment shall include, but is not limited to, in-car video cameras, radar and laser speed detection devices, and alcohol breath testers.

6. (a) In addition to any criminal penalties imposed, the Department of Natural Resources shall suspend the watercraft operation privileges of any person convicted or found guilty of a misdemeanor under this Section, a similar provision of a local ordinance, or Title 46 of the U.S. Code of Federal Regulations for a period of one year, except that a first time offender

is exempt from this mandatory one year suspension.

As used in this subdivision (A)6(a), "first time offender" means any person who has not had a previous conviction or been assigned supervision for violating this Section, a similar provision of a local ordinance or, Title 46 of the U.S. Code of Federal Regulations, or any person who has not had a suspension imposed under subdivision (B)3.1 of Section 5-16.

(b) In addition to any criminal penalties imposed, the Department of Natural Resources shall suspend the watercraft operation privileges of any person convicted of a felony under this Section, a similar provision of a local ordinance, or Title 46 of the U.S. Code of Federal Regulations for a period of 3 years.

(B) 1. Any person who operates or is in actual physical control of any watercraft upon the waters of this State shall be deemed to have given consent to a chemical test or tests of blood, breath or urine for the purpose of determining the content of alcohol, other drug or drugs, intoxicating compound or compounds, or combination thereof in the person's blood if arrested for any offense of subsection (A) above. The chemical test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the tests shall be administered. A urine test may be administered even after a blood or breath test

or both has been administered.

1.1. For the purposes of this Section, an Illinois Law Enforcement officer of this State who is investigating the person for any offense defined in Section 5-16 may travel into an adjoining state, where the person has been transported for medical care to complete an investigation, and may request that the person submit to the test or tests set forth in this Section. The requirements of this Section that the person be arrested are inapplicable, but the officer shall issue the person a uniform citation for an offense as defined in Section 5-16 or a similar provision of a local ordinance prior to requesting that the person submit to the test or tests. The issuance of the uniform citation shall not constitute an arrest, but shall be for the purpose of notifying the person that he or she is subject to the provisions of this Section and of the officer's belief in the existence of probable cause to arrest. Upon returning to this State, the officer shall file the uniform citation with the circuit clerk of the county where the offense was committed and shall seek the issuance of an arrest warrant or a summons for the person.

1.2. Notwithstanding any ability to refuse under this Act to submit to these tests or any ability to revoke the implied consent to these tests, if a law enforcement officer has probable cause to believe that a watercraft operated by or under actual physical control of a person

under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination of them has caused the death of or personal injury to another, that person shall submit, upon the request of a law enforcement officer, to a chemical test or tests of his or her blood, breath, or urine for the purpose of determining the alcohol content or the presence of any other drug, intoxicating compound, or combination of them. For the purposes of this Section, a personal injury includes severe bleeding wounds, distorted extremities, and injuries that require the injured party to be carried from the scene for immediate professional attention in either a doctor's office or a medical facility.

2. Any person who is dead, unconscious or who is otherwise in a condition rendering such person incapable of refusal, shall be deemed not to have withdrawn the consent provided above, and the test may be administered.

3. A person requested to submit to a chemical test as provided above shall be verbally advised by the law enforcement officer requesting the test that a refusal to submit to the test will result in suspension of such person's privilege to operate a watercraft for a minimum of 2 years. Following this warning, if a person under arrest refuses upon the request of a law enforcement officer to submit to a test designated by the officer, no test shall be given, but the law enforcement officer shall file with

the clerk of the circuit court for the county in which the arrest was made, and with the Department of Natural Resources, a sworn statement naming the person refusing to take and complete the chemical test or tests requested under the provisions of this Section. Such sworn statement shall identify the arrested person, such person's current residence address and shall specify that a refusal by such person to take the chemical test or tests was made. Such sworn statement shall include a statement that the arresting officer had reasonable cause to believe the person was operating or was in actual physical control of the watercraft within this State while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or combination thereof and that such chemical test or tests were made as an incident to and following the lawful arrest for an offense as defined in this Section or a similar provision of a local ordinance, and that the person after being arrested for an offense arising out of acts alleged to have been committed while so operating a watercraft refused to submit to and complete a chemical test or tests as requested by the law enforcement officer.

3.1. The law enforcement officer submitting the sworn statement as provided in paragraph 3 of this subsection (B) shall serve immediate written notice upon the person refusing the chemical test or tests that the person's privilege to operate a watercraft within this State will be

suspended for a period of 2 years unless, within 28 days from the date of the notice, the person requests in writing a hearing on the suspension.

If the person desires a hearing, such person shall file a complaint in the circuit court for and in the county in which such person was arrested for such hearing. Such hearing shall proceed in the court in the same manner as other civil proceedings, shall cover only the issues of whether the person was placed under arrest for an offense as defined in this Section or a similar provision of a local ordinance as evidenced by the issuance of a uniform citation; whether the arresting officer had reasonable grounds to believe that such person was operating a watercraft while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or combination thereof; and whether such person refused to submit and complete the chemical test or tests upon the request of the law enforcement officer. Whether the person was informed that such person's privilege to operate a watercraft would be suspended if such person refused to submit to the chemical test or tests shall not be an issue.

If the person fails to request in writing a hearing within 28 days from the date of notice, or if a hearing is held and the court finds against the person on the issues before the court, the clerk shall immediately notify the Department of Natural Resources, and the Department shall

suspend the watercraft operation privileges of the person for at least 2 years.

3.2. If the person submits to a test that discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance or intoxicating compound in the person's breath, blood, or urine resulting from the unlawful use of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, or an intoxicating compound listed in the Use of Intoxicating Compounds Act, the law enforcement officer shall immediately submit a sworn report to the circuit clerk of venue and the Department of Natural Resources, certifying that the test or tests were requested under paragraph 1 of this subsection (B) and the person submitted to testing that disclosed an alcohol concentration of 0.08 or more.

In cases where the blood alcohol concentration of 0.08 or greater or any amount of drug, substance or compound resulting from the unlawful use of cannabis, a controlled substance or an intoxicating compound is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer or arresting agency shall immediately submit a sworn report to the circuit clerk of venue and the Department of Natural Resources upon receipt of the test results.

4. A person must submit to each chemical test offered

by the law enforcement officer in order to comply with the implied consent provisions of this Section.

5. The provisions of Section 11-501.2 of the Illinois Vehicle Code, as amended, concerning the certification and use of chemical tests apply to the use of such tests under this Section.

(C) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while operating a watercraft while under the influence of alcohol, the concentration of alcohol in the person's blood or breath at the time alleged as shown by analysis of a person's blood, urine, breath, or other bodily substance shall give rise to the presumptions specified in subdivisions 1, 2, and 3 of subsection (b) of Section 11-501.2 of the Illinois Vehicle Code. The foregoing provisions of this subsection (C) shall not be construed as limiting the introduction of any other relevant evidence bearing upon the question whether the person was under the influence of alcohol.

(D) If a person under arrest refuses to submit to a chemical test under the provisions of this Section, evidence of refusal shall be admissible in any civil or criminal action or proceeding arising out of acts alleged to have been committed while the person under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or combination of them was operating a watercraft.

(E) The owner of any watercraft or any person given

supervisory authority over a watercraft, may not knowingly permit a watercraft to be operated by any person under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or combination thereof.

(F) Whenever any person is convicted or found guilty of a violation of this Section, including any person placed on court supervision, the court shall notify the Office of Law Enforcement of the Department of Natural Resources, to provide the Department with the records essential for the performance of the Department's duties to monitor and enforce any order of suspension or revocation concerning the privilege to operate a watercraft.

(G) No person who has been arrested and charged for violating paragraph 1 of subsection (A) of this Section shall operate any watercraft within this State for a period of 24 hours after such arrest.
