represented in the General Assembly:**

Section 5. The School Code is amended by changing Section 1A-4 and adding Section 22-45 as follows:

(105 ILCS 5/1A-4) (from Ch. 122, par. 1A-4)

Sec. 1A-4. Powers and duties of the Board.

B. The Board shall determine the qualifications of and appoint a chief education officer, to be known as the State Superintendent of Education, who may be proposed by the Governor and who shall serve at the pleasure of the Board and pursuant to a performance-based contract linked to statewide student performance and academic improvement within Illinois schools. Upon expiration or buyout of the contract of the State Superintendent of Education in office on the effective date of this amendatory Act of the 93rd General Assembly, a State Superintendent of Education shall be appointed by a State Board of Education that includes the 7 new Board members who were appointed to fill seats of members whose terms were terminated on the effective date of this amendatory Act of the 93rd General Assembly. Thereafter, a State Superintendent of Education must, at a minimum, be appointed at the beginning of

each term of a Governor after that Governor has made appointments to the Board. A performance-based contract issued for the employment of a State Superintendent of Education entered into on or after the effective date of this amendatory Act of the 93rd General Assembly must expire no later than February 1, 2007, and subsequent contracts must expire no later than February 1 each 4 years thereafter. No contract shall be extended or renewed beyond February 1, 2007 and February 1 each 4 years thereafter, but a State Superintendent of Education shall serve until his or her successor is appointed. Each contract entered into on or before January 8, 2007 with a State Superintendent of Education must provide that the State Board of Education may terminate the contract for cause, and the State Board of Education shall not thereafter be liable for further payments under the contract. With regard to this amendatory Act of the 93rd General Assembly, it is the intent of the General Assembly that, beginning with the Governor who takes office on the second Monday of January, 2007, a State Superintendent of Education be appointed at the beginning of each term of a Governor after that Governor has made appointments to the Board. The State Superintendent of Education shall not serve as a member of the State Board of Education. The Board shall set the compensation of the State Superintendent of Education who shall serve as the Board's chief executive officer. The Board shall also establish the duties, powers and responsibilities of the State

Superintendent, which shall be included in the State Superintendent's performance-based contract along with the goals and indicators of student performance and academic improvement used to measure the performance and effectiveness of the State Superintendent. The State Board of Education may delegate to the State Superintendent of Education the authority to act on the Board's behalf, provided such delegation is made pursuant to adopted board policy or the powers delegated are ministerial in nature. The State Board may not delegate authority under this Section to the State Superintendent to (1) nonrecognize school districts, (2) withhold State payments as a penalty, or (3) make final decisions under the contested case provisions of the Illinois Administrative Procedure Act unless otherwise provided by law.

C. The powers and duties of the State Board of Education shall encompass all duties delegated to the Office of Superintendent of Public Instruction on January 12, 1975, except as the law providing for such powers and duties is thereafter amended, and such other powers and duties as the General Assembly shall designate. The Board shall be responsible for the educational policies and guidelines for public schools, pre-school through grade 12 and Vocational Education in the State of Illinois. The Board shall analyze the present and future aims, needs, and requirements of education in the State of Illinois and recommend to the General Assembly the powers which should be exercised by the Board. The Board

shall recommend the passage and the legislation necessary to determine the appropriate relationship between the Board and local boards of education and the various State agencies and shall recommend desirable modifications in the laws which affect schools.

D. Two members of the Board shall be appointed by the chairperson to serve on a standing joint Education Committee, 2 others shall be appointed from the Board of Higher Education, 2 others shall be appointed by the chairperson of the Illinois Community College Board, and 2 others shall be appointed by the chairperson of the Human Resource Investment Council. The Committee shall be responsible for making recommendations concerning the submission of any workforce development plan or workforce training program required by federal law or under any block grant authority. The Committee will be responsible for developing policy on matters of mutual concern to elementary, secondary and higher education such as Occupational and Career Education, Teacher Preparation and Certification, Educational Finance, Articulation between Elementary, Secondary and Higher Education and Research and Planning. The joint Education Committee shall meet at least quarterly and submit an annual report of its findings, conclusions, and recommendations to the State Board of Education, the Board of Higher Education, the Illinois Community College Board, the Human Resource Investment Council, the Governor, and the General Assembly. All meetings of this Committee shall be official meetings for

reimbursement under this Act. On the effective date of this amendatory Act of the 95th General Assembly, the Joint Education Committee is abolished.

E. Five members of the Board shall constitute a quorum. A majority vote of the members appointed, confirmed and serving on the Board is required to approve any action, except that the 7 new Board members who were appointed to fill seats of members whose terms were terminated on the effective date of this amendatory act of the 93rd General Assembly may vote to approve actions when appointed and serving.

The Board shall prepare and submit to the General Assembly and the Governor on or before January 14, 1976 and annually thereafter a report or reports of its findings and recommendations. Such annual report shall contain a separate section which provides a critique and analysis of the status of education in Illinois and which identifies its specific problems and recommends express solutions therefor. Such annual report also shall contain the following information for the preceding year ending on June 30: each act or omission of a school district of which the State Board of Education has knowledge as a consequence of scheduled, approved visits and which constituted a failure by the district to comply with applicable State or federal laws or regulations relating to public education, the name of such district, the date or dates on which the State Board of Education notified the school district of such act or omission, and what action, if any, the

school district took with respect thereto after being notified thereof by the State Board of Education. The report shall also include the statewide high school dropout rate by grade level, sex and race and the annual student dropout rate of and the number of students who graduate from, transfer from or otherwise leave bilingual programs. The Auditor General shall annually perform a compliance audit of the State Board of Education's performance of the reporting duty imposed by this amendatory Act of 1986. A regular system of communication with other directly related State agencies shall be implemented.

The requirement for reporting to the General Assembly shall be satisfied by filing copies of the report with the Speaker, the Minority Leader and the Clerk of the House of Representatives and the President, the Minority Leader and the Secretary of the Senate and the Legislative Council, as required by Section 3.1 of the General Assembly Organization Act, and filing such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act.

F. Upon appointment of the 7 new Board members who were appointed to fill seats of members whose terms were terminated on the effective date of this amendatory Act of the 93rd General Assembly, the Board shall review all of its current rules in an effort to streamline procedures, improve efficiency, and eliminate unnecessary forms and paperwork.
