(110 ILCS 805/3-7) (from Ch. 122, par. 103-7)

Sec. 3-7. (a) The election of the members of the board of trustees shall be nonpartisan and shall be held at the time and in the manner provided in the general election law.

(b) Unless otherwise provided in this Act, members shall be elected to serve 6 year terms. The term of members elected in 1985 and thereafter shall be from the date the member is officially determined to be elected to the board by a canvass conducted pursuant to the Election Code, to the date that the winner of the seat is officially determined by the canvass conducted pursuant to the Election Code the next time the seat on the board is to be filled by election.

(c) ~~(e)~~ Each member must on the date of his election be a

citizen of the United States, of the age of 18 years or over, and a resident of the State and the territory which on the date of the election is included in the community college district for at least one year immediately preceding his election. In Community College District No. 526, each member elected at the consolidated election in 2005 or thereafter must also be a resident of the trustee district he or she represents for at least one year immediately preceding his or her election, except that in the first consolidated election for each trustee district following reapportionment ~~by the General Assembly~~, a candidate for the board may be elected from any trustee district that contains a part of the trustee district in which he or she resided at the time of the reapportionment and may be reelected if a resident of the new trustee district he or she represents for one year prior to reelection. In the event a person who is a member of a common school board is elected or appointed to a board of trustees of a community college district, that person shall be permitted to serve the remainder of his or her term of office as a member of the common school board. Upon the expiration of the common school board term, that person shall not be eligible for election or appointment to a common school board during the term of office with the community college district board of trustees.

(d) ~~(f)~~ Whenever a vacancy occurs, the remaining members shall fill the vacancy, and the person so appointed shall serve until a successor is elected at the next regular election for

board members and is certified in accordance with Sections 22-17 and 22-18 of the Election Code. If the remaining members fail so to act within 60 days after the vacancy occurs, the chairman of the State Board shall fill that vacancy, and the person so appointed shall serve until a successor is elected at the next regular election for board members and is certified in accordance with Sections 22-17 and 22-18 of the Election Code. The person appointed to fill the vacancy shall have the same residential qualifications as his predecessor in office was required to have. In either instance, if the vacancy occurs with less than 4 months remaining before the next scheduled consolidated election, and the term of office of the board member vacating the position is not scheduled to expire at that election, then the term of the person so appointed shall extend through that election and until the succeeding consolidated election. If the term of office of the board member vacating the position is scheduled to expire at the upcoming consolidated election, the appointed member shall serve only until a successor is elected and qualified at that election.

(e) ~~(g)~~ Members of the board shall serve without compensation but shall be reimbursed for their reasonable expenses incurred in connection with their service as members. Compensation, for purposes of this Section, means any salary or other benefits not expressly authorized by this Act to be provided or paid to, for or on behalf of members of the board. The board of each community college district may adopt a policy

providing for the issuance of bank credit cards, for use by any board member who requests the same in writing and agrees to use the card only for the reasonable expenses which he or she incurs in connection with his or her service as a board member. Expenses charged to such credit cards shall be accounted for separately and shall be submitted to the chief financial officer of the district for review prior to being reported to the board at its next regular meeting.

(f) ~~(h)~~ Except in an election of the initial board for a new community college district created pursuant to Section 6-6.1, the ballot for the election of members of the board for a community college district shall indicate the length of term for each office to be filled. In the election of a board for any community college district, the ballot shall not contain any political party designation.

(110 ILCS 805/3-7a new) (was 110 ILCS 805/3-7, subsec. (c))

Sec. 3-7a. Trustee districts; Community College District No. 522. ~~(e)~~ A board of trustees of a community college district which is contiguous or has been contiguous to an experimental community college district as authorized and defined by Article IV of this Act may, on its own motion, or shall, upon the petition of the lesser of 1/10 or 2,000 of the voters registered in the district, order submitted to the voters of the district at the next general election the

proposition for the election of board members by trustee district rather than at large, and such proposition shall thereupon be certified by the secretary of the board to the proper election authority in accordance with the general election law for submission.

If the proposition is approved by a majority of those voting on the proposition, the State Board of Elections, in 1991, shall reapportion the trustee districts to reflect the results of the last decennial census, and shall divide the community college district into 7 trustee districts, each of which shall be compact, contiguous and substantially equal in population to each other district. In 2001, and in the year following each decennial census thereafter, the board of trustees of community college District #522 shall reapportion the trustee districts to reflect the results of the census, and shall divide the community college district into 7 trustee districts, each of which shall be compact, contiguous, and substantially equal in population to each other district. The division of the community college district into trustee districts shall be completed and formally approved by a majority of the members of the board of trustees of community college District #522 in 2001 and in the year following each decennial census. At the same meeting of the board of trustees, the board shall, publicly by lot, divide the trustee districts as equally as possible into 2 groups. Beginning in 2003 and every 10 years thereafter, trustees or their successors from

one group shall be elected for successive terms of 4 years and 6 years; and members or their successors from the second group shall be elected for successive terms of 6 years and 4 years. One member shall be elected from each such trustee district. Each member elected in 2001 shall be elected at the 2001 consolidated election from the trustee districts established in 1991. The term of each member elected in 2001 shall end on the date that the trustees elected in 2003 are officially determined by a canvass conducted pursuant to the Election Code.

All counties, townships, census tracts, block groups, blocks, annexations, and natural boundaries are those that appear on maps published by the United States Bureau of the Census for the 2000 census and maps produced by the Department of Revenue. The term "tract" means census tract. Trustee districts created by this subsection (b) ~~(d)~~ for the purpose of electing board members shall not be altered by operation of any other statute, ordinance, or resolution. Any part of the community college district that has not been described as included in one of the trustee districts described in this subsection (b) ~~(d)~~ is included within the trustee district that (i) is contiguous to the part and (ii) contains the least population of all trustee districts contiguous to the part according to the 2000 decennial census of Illinois. If any part of the community college district is described in this subsection (b) ~~(d)~~ as being in more than one trustee district, the part is included within the trustee district that (i) is one of the trustee districts in which that part is listed in this subsection (b) ~~(d)~~, (ii) is contiguous to that part, and (iii) contains the least population according to the 2000 decennial census of

Illinois. If any part of the community college district (i) is described in this subsection (b) ~~(d)~~ as being in one trustee district and (ii) is entirely surrounded by another trustee district, then the part shall be incorporated into the trustee district that surrounds the part. If any part of the community college district (i) is described in this subsection (b) ~~(d)~~ as being in one trustee district and (ii) is not contiguous to another part of that trustee district, then the part is included within the contiguous trustee district that contains the least population according to the 2000 decennial census of Illinois. The Speaker of the House, the Minority Leader of the House, the President of the Senate, and the Minority Leader of the Senate shall by joint letter of transmittal present to the Secretary of State for deposit into the State Archives an official set of United States Bureau of the Census maps and descriptions used for conducting the 2000 census, and those maps shall serve as the official record of all counties, townships, census tracts, block groups, and blocks referred to in this subsection (b) ~~(d)~~. The State Board of Elections shall prepare and make available to the public a metes and bounds description of the trustee districts created under this subsection (b) ~~(d)~~. The State Board of Elections shall adjust census tract boundaries, municipal and township annexations, and natural boundaries to make compact and contiguous districts.

(c) For each at-large seat on the board that is to be

filled by election in 2005 or 2007, the seat shall be filled by a trustee elected from a trustee district. The State Board shall determine which trustee district seat is to replace which at-large seat by lot.
