(765 ILCS 605/18.4) (from Ch. 30, par. 318.4)

Sec. 18.4. Powers and Duties of Board of Managers. The board of managers shall exercise for the association all powers, duties and authority vested in the association by law or the condominium instruments except for such powers, duties

and authority reserved by law to the members of the association. The powers and duties of the board of managers shall include, but shall not be limited to, the following:

(a) To provide for the operation, care, upkeep, maintenance, replacement and improvement of the common elements. Nothing in this subsection (a) shall be deemed to invalidate any provision in a condominium instrument placing limits on expenditures for the common elements, provided, that such limits shall not be applicable to expenditures for repair, replacement, or restoration of existing portions of the common elements. The term "repair, replacement or restoration" means expenditures to deteriorated or damaged portions of the property related to the existing decorating, facilities, or structural or mechanical components, interior or exterior surfaces, or energy systems and equipment with the functional equivalent of the original portions of such areas. Replacement of the common elements may result in an improvement over the original quality of such elements or facilities; provided that, unless the improvement is mandated by law or is an emergency as defined in item (iv) of subparagraph (8) of paragraph (a) of Section 18, if the improvement results in a proposed expenditure exceeding 5% of the annual budget, the board of managers, upon written petition by unit owners with 20% of the votes of the association delivered to the board within 14 days of the

board action to approve the expenditure, shall call a meeting of the unit owners within 30 days of the date of delivery of the petition to consider the expenditure. Unless a majority of the total votes of the unit owners are cast at the meeting to reject the expenditure, it is ratified.

(b) To prepare, adopt and distribute the annual budget for the property.

(c) To levy and expend assessments.

(d) To collect assessments from unit owners.

(e) To provide for the employment and dismissal of the personnel necessary or advisable for the maintenance and operation of the common elements.

(f) To obtain adequate and appropriate kinds of insurance.

(g) To own, convey, encumber, lease, and otherwise deal with units conveyed to or purchased by it.

(h) To adopt and amend rules and regulations covering the details of the operation and use of the property, after a meeting of the unit owners called for the specific purpose of discussing the proposed rules and regulations. Notice of the meeting shall contain the full text of the proposed rules and regulations, and the meeting shall conform to the requirements of Section 18(b) of this Act, except that no quorum is required at the meeting of the unit owners unless the declaration, bylaws or other

condominium instrument expressly provides to the contrary. However, no rule or regulation may impair any rights guaranteed by the First Amendment to the Constitution of the United States or Section 4 of Article I of the Illinois Constitution including, but not limited to, the free exercise of religion, nor may any rules or regulations conflict with the provisions of this Act or the condominium instruments. No rule or regulation shall prohibit any reasonable accommodation for religious practices, including the attachment of religiously mandated objects to the front-door area of a condominium unit.

(i) To keep detailed, accurate records of the receipts and expenditures affecting the use and operation of the property.

(j) To have access to each unit from time to time as may be necessary for the maintenance, repair or replacement of any common elements or for making emergency repairs necessary to prevent damage to the common elements or to other units.

(k) To pay real property taxes, special assessments, and any other special taxes or charges of the State of Illinois or of any political subdivision thereof, or other lawful taxing or assessing body, which are authorized by law to be assessed and levied upon the real property of the condominium.

(l) To impose charges for late payment of a unit

owner's proportionate share of the common expenses, or any other expenses lawfully agreed upon, and after notice and an opportunity to be heard, to levy reasonable fines for violation of the declaration, by-laws, and rules and regulations of the association.

(m) Unless the condominium instruments expressly provide to the contrary, by a majority vote of the entire board of managers, to assign the right of the association to future income from common expenses or other sources, and to mortgage or pledge substantially all of the remaining assets of the association.

(n) To record the dedication of a portion of the common elements to a public body for use as, or in connection with, a street or utility where authorized by the unit owners under the provisions of Section 14.2.

(o) To record the granting of an easement for the laying of cable television or high speed Internet cable where authorized by the unit owners under the provisions of Section 14.3; to obtain, if available and determined by the board to be in the best interests of the association, cable television or bulk high speed Internet service for all of the units of the condominium on a bulk identical service and equal cost per unit basis; and to assess and recover the expense as a common expense and, if so determined by the board, to assess each and every unit on the same equal cost per unit basis.

(p) To seek relief on behalf of all unit owners when authorized pursuant to subsection (c) of Section 10 from or in connection with the assessment or levying of real property taxes, special assessments, and any other special taxes or charges of the State of Illinois or of any political subdivision thereof or of any lawful taxing or assessing body.

(q) To reasonably accommodate the needs of a handicapped unit owner as required by the federal Civil Rights Act of 1968, the Human Rights Act and any applicable local ordinances in the exercise of its powers with respect to the use of common elements or approval of modifications in an individual unit.

(r) To accept service of a notice of claim for purposes of the Mechanics Lien Act on behalf of each respective member of the Unit Owners' Association with respect to improvements performed pursuant to any contract entered into by the Board of Managers or any contract entered into prior to the recording of the condominium declaration pursuant to this Act, for a property containing more than 8 units, and to distribute the notice to the unit owners within 7 days of the acceptance of the service by the Board of Managers. The service shall be effective as if each individual unit owner had been served individually with notice.

In the performance of their duties, the officers and

members of the board, whether appointed by the developer or elected by the unit owners, shall exercise the care required of a fiduciary of the unit owners.

The collection of assessments from unit owners by an association, board of managers or their duly authorized agents shall not be considered acts constituting a collection agency for purposes of the Collection Agency Act.

The provisions of this Section are applicable to all condominium instruments recorded under this Act. Any portion of a condominium instrument which contains provisions contrary to these provisions shall be void as against public policy and ineffective. Any such instrument that fails to contain the provisions required by this Section shall be deemed to incorporate such provisions by operation of law.
