(q) (1) With prior request to and verbal approval of the State's Attorney of the county in which the conversation is anticipated to occur, recording or listening with the aid of an eavesdropping device to a conversation in which a law enforcement officer, or any person acting at the direction of a law enforcement officer, is a party to the conversation and has consented to the conversation being intercepted or recorded in the course of an investigation of a drug offense. The State's Attorney may grant this verbal approval only after determining that reasonable cause exists to believe that a drug offense will be committed by a specified individual or individuals within a designated period of time.

(2) Request for approval. To invoke the exception contained in this subsection (q), a law enforcement officer shall make a written or verbal request for approval to the appropriate State's Attorney. This request for approval shall include

whatever information is deemed necessary by the State's Attorney but shall include, at a minimum, the following information about each specified individual whom the law enforcement officer believes will commit a drug offense:

(A) his or her full or partial name, nickname or alias;

(B) a physical description; or

(C) failing either (A) or (B) of this paragraph (2), any other supporting information known to the law enforcement officer at the time of the request that gives rise to reasonable cause to believe the individual will commit a drug offense.

(3) Limitations on verbal approval. Each verbal approval by the State's Attorney under this subsection (q) shall be limited to:

(A) a recording or interception conducted by a specified law enforcement officer or person acting at the direction of a law enforcement officer;

(B) recording or intercepting conversations with the individuals specified in the request for approval, provided that the verbal approval shall be deemed to include the recording or intercepting of conversations with other individuals, unknown to the law enforcement officer at the time of the request for approval, who are acting in conjunction with or as co-conspirators with the individuals specified in the request for approval in the commission of a drug offense;

(C) a reasonable period of time but in no event longer than 24 consecutive hours.

(4) Admissibility of evidence. No part of the contents of any wire, electronic, or oral communication that has been recorded or intercepted as a result of this exception may be received in evidence in any trial, hearing, or other proceeding in or before any court, grand jury, department, officer, agency, regulatory body, legislative committee, or other authority of this State, or a political subdivision of the State, other than in a prosecution of:

(A) a drug offense;

(B) a forcible felony committed directly in the course of the investigation of a drug offense for which verbal approval was given to record or intercept a conversation under this subsection (q); or

(C) any other forcible felony committed while the recording or interception was approved in accordance with this Section (q), but for this specific category of prosecutions, only if the law enforcement officer or person acting at the direction of a law enforcement officer who has consented to the conversation being intercepted or recorded suffers great bodily injury or is killed during the commission of the charged forcible felony.

(5) Compliance with the provisions of this subsection is a prerequisite to the admissibility in evidence of any part of the contents of any wire, electronic or oral communication that

has been intercepted as a result of this exception, but nothing in this subsection shall be deemed to prevent a court from otherwise excluding the evidence on any other ground, nor shall anything in this subsection be deemed to prevent a court from independently reviewing the admissibility of the evidence for compliance with the Fourth Amendment to the U.S. Constitution or with Article I, Section 6 of the Illinois Constitution.

(6) Use of recordings or intercepts unrelated to drug offenses. Whenever any wire, electronic, or oral communication has been recorded or intercepted as a result of this exception that is not related to a drug offense or a forcible felony committed in the course of a drug offense, no part of the contents of the communication and evidence derived from the communication may be received in evidence in any trial, hearing, or other proceeding in or before any court, grand jury, department, officer, agency, regulatory body, legislative committee, or other authority of this State, or a political subdivision of the State, nor may it be publicly disclosed in any way.

(7) Definitions. For the purposes of this subsection (q) only:

"Drug offense" includes and is limited to a felony violation of one of the following: (A) the Illinois Controlled Substances Act, (B) the Cannabis Control Act, and (C) the Methamphetamine Control and Community Protection Act.

"Forcible felony" includes and is limited to those offenses contained in Section 2-8 of the Criminal Code of 1961 as of the effective date of this amendatory Act of the 97th General Assembly, and only as those offenses have been defined by law or judicial interpretation as of that date.

"State's Attorney" includes and is limited to the State's Attorney or an assistant State's Attorney designated by the State's Attorney to provide verbal approval to record or intercept conversations under this subsection (q).

(8) Sunset. This subsection (q) is inoperative on and after January 1, 2015. No conversations intercepted pursuant to this subsection (q), while operative, shall be inadmissible in a court of law by virtue of the inoperability of this subsection (q) on January 1, 2015.
