(235 ILCS 5/6-4) (from Ch. 43, par. 121)

Sec. 6-4. (a) No person licensed by any licensing authority as a distiller, or a wine manufacturer, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of such person shall be issued an importing distributor's or distributor's license, nor shall any person licensed by any licensing authority as an importing distributor, distributor or retailer, or any

subsidiary or affiliate thereof, or any officer or associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of such person be issued a distiller's license or a wine manufacturer's license; and no person or persons licensed as a distiller by any licensing authority shall have any interest, directly or indirectly, with such distributor or importing distributor.

However, an importing distributor or distributor, which on January 1, 1985 is owned by a brewer, or any subsidiary or affiliate thereof or any officer, associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of the importing distributor or distributor referred to in this paragraph, may own or acquire an ownership interest of more than 5% of the outstanding shares of a wine manufacturer and be issued a wine manufacturer's license by any licensing authority.

(b) The foregoing provisions shall not apply to any person licensed by any licensing authority as a distiller or wine manufacturer, or to any subsidiary or affiliate of any distiller or wine manufacturer who shall have been heretofore licensed by the State Commission as either an importing distributor or distributor during the annual licensing period expiring June 30, 1947, and shall actually have made sales regularly to retailers.

(c) Provided, however, that in such instances where a

distributor's or importing distributor's license has been issued to any distiller or wine manufacturer or to any subsidiary or affiliate of any distiller or wine manufacturer who has, during the licensing period ending June 30, 1947, sold or distributed as such licensed distributor or importing distributor alcoholic liquors and wines to retailers, such distiller or wine manufacturer or any subsidiary or affiliate of any distiller or wine manufacturer holding such distributor's or importing distributor's license may continue to sell or distribute to retailers such alcoholic liquors and wines which are manufactured, distilled, processed or marketed by distillers and wine manufacturers whose products it sold or distributed to retailers during the whole or any part of its licensing periods; and such additional brands and additional products may be added to the line of such distributor or importing distributor, provided, that such brands and such products were not sold or distributed by any distributor or importing distributor licensed by the State Commission during the licensing period ending June 30, 1947, but can not sell or distribute to retailers any other alcoholic liquors or wines.

(d) It shall be unlawful for any distiller licensed anywhere to have any stock ownership or interest in any distributor's or importing distributor's license wherein any other person has an interest therein who is not a distiller and does not own more than 5% of any stock in any distillery. Nothing herein contained shall apply to such distillers or

their subsidiaries or affiliates, who had a distributor's or importing distributor's license during the licensing period ending June 30, 1947, which license was owned in whole by such distiller, or subsidiaries or affiliates of such distiller.

(e) Any person having been licensed as a manufacturer shall be permitted to receive one retailer's license for the premises in which he or she actually conducts such business, permitting only the retail sale of beer manufactured at such premises and only on such premises, but no such person shall be entitled to more than one retailer's license in any event, and, other than a manufacturer of beer as stated above, no manufacturer or distributor or importing distributor, excluding airplane licensees exercising powers provided in paragraph (i) of Section 5-1 of this Act, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative, employee or agent, or shareholder shall be issued a retailer's license, nor shall any person having a retailer's license, excluding airplane licensees exercising powers provided in paragraph (i) of Section 5-1 of this Act, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative or agent, or shareholder be issued a manufacturer's license or importing distributor's license.

A person licensed as a craft distiller not affiliated with any other person manufacturing spirits may be authorized by the Commission to sell up to 2,500 gallons of spirits produced by

~~the person to non-licensees for on or off-premises consumption permitted to receive one retailer's license~~ for the premises in which he or she actually conducts business permitting only the retail sale of spirits manufactured at such premises. Such sales shall be limited to on-premises, in-person sales only, for lawful consumption on or off premises, and such authorization shall be considered a privilege granted by the craft distiller license. A craft distiller licensed for retail sale shall secure liquor liability insurance coverage in an amount at least equal to the maximum liability amounts set forth in subsection (a) of Section 6-21 of this Act.

(f) However, the foregoing prohibitions against any person licensed as a distiller or wine manufacturer being issued a retailer's license shall not apply:

(i) to any hotel, motel or restaurant whose principal business is not the sale of alcoholic liquors if said retailer's sales of any alcoholic liquors manufactured, sold, distributed or controlled, directly or indirectly, by any affiliate, subsidiary, officer, associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of such person does not exceed 10% of the total alcoholic liquor sales of said retail licensee; and

(ii) where the Commission determines, having considered the public welfare, the economic impact upon the State and the entirety of the facts and circumstances

involved, that the purpose and intent of this Section would not be violated by granting an exemption.

(g) Notwithstanding any of the foregoing prohibitions, a limited wine manufacturer may sell at retail at its manufacturing site for on or off premises consumption and may sell to distributors. A limited wine manufacturer licensee shall secure liquor liability insurance coverage in an amount at least equal to the maximum liability amounts set forth in subsection (a) of Section 6-21 of this Act.

(235 ILCS 5/6-11)

Sec. 6-11. Sale near churches, schools, and hospitals.

(a) No license shall be issued for the sale at retail of any alcoholic liquor within 100 feet of any church, school other than an institution of higher learning, hospital, home for aged or indigent persons or for veterans, their spouses or children or any military or naval station, provided, that this prohibition shall not apply to hotels offering restaurant service, regularly organized clubs, or to restaurants, food shops or other places where sale of alcoholic liquors is not the principal business carried on if the place of business so exempted is not located in a municipality of more than 500,000 persons, unless required by local ordinance; nor to the renewal of a license for the sale at retail of alcoholic liquor on premises within 100 feet of any church or school where the

church or school has been established within such 100 feet since the issuance of the original license. In the case of a church, the distance of 100 feet shall be measured to the nearest part of any building used for worship services or educational programs and not to property boundaries.

(b) Nothing in this Section shall prohibit the issuance of a retail license authorizing the sale of alcoholic liquor to a restaurant, the primary business of which is the sale of goods baked on the premises if (i) the restaurant is newly constructed and located on a lot of not less than 10,000 square feet, (ii) the restaurant costs at least \$1,000,000 to construct, (iii) the licensee is the titleholder to the premises and resides on the premises, and (iv) the construction of the restaurant is completed within 18 months of the effective date of this amendatory Act of 1998.

(c) Nothing in this Section shall prohibit the issuance of a retail license authorizing the sale of alcoholic liquor incidental to a restaurant if (1) the primary business of the restaurant consists of the sale of food where the sale of liquor is incidental to the sale of food and the applicant is a completely new owner of the restaurant, (2) the immediately prior owner or operator of the premises where the restaurant is located operated the premises as a restaurant and held a valid retail license authorizing the sale of alcoholic liquor at the restaurant for at least part of the 24 months before the change of ownership, and (3) the restaurant is located 75 or more feet

from a school.

(d) In the interest of further developing Illinois' economy in the area of commerce, tourism, convention, and banquet business, nothing in this Section shall prohibit issuance of a retail license authorizing the sale of alcoholic beverages to a restaurant, banquet facility, grocery store, or hotel having not fewer than 150 guest room accommodations located in a municipality of more than 500,000 persons, notwithstanding the proximity of such hotel, restaurant, banquet facility, or grocery store to any church or school, if the licensed premises described on the license are located within an enclosed mall or building of a height of at least 6 stories, or 60 feet in the case of a building that has been registered as a national landmark, or in a grocery store having a minimum of 56,010 square feet of floor space in a single story building in an open mall of at least 3.96 acres that is adjacent to a public school that opened as a boys technical high school in 1934, or in a grocery store having a minimum of 31,000 square feet of floor space in a single story building located a distance of more than 90 feet but less than 100 feet from a high school that opened in 1928 as a junior high school and became a senior high school in 1933, and in each of these cases if the sale of alcoholic liquors is not the principal business carried on by the licensee.

For purposes of this Section, a "banquet facility" is any part of a building that caters to private parties and where the

sale of alcoholic liquors is not the principal business.

(e) Nothing in this Section shall prohibit the issuance of a license to a church or private school to sell at retail alcoholic liquor if any such sales are limited to periods when groups are assembled on the premises solely for the promotion of some common object other than the sale or consumption of alcoholic liquors.

(f) Nothing in this Section shall prohibit a church or church affiliated school located in a home rule municipality or in a municipality with 75,000 or more inhabitants from locating within 100 feet of a property for which there is a preexisting license to sell alcoholic liquor at retail. In these instances, the local zoning authority may, by ordinance adopted simultaneously with the granting of an initial special use zoning permit for the church or church affiliated school, provide that the 100-foot restriction in this Section shall not apply to that church or church affiliated school and future retail liquor licenses.
