

AN ACT concerning State government.

**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 5. The Illinois Identification Card Act is amended by changing Sections 4 and 5 as follows:

(15 ILCS 335/4) (from Ch. 124, par. 24)

Sec. 4. Identification Card.

(a) The Secretary of State shall issue a standard Illinois Identification Card to any natural person who is a resident of the State of Illinois who applies for such card, or renewal thereof, or who applies for a standard Illinois Identification Card upon release as a committed person on parole, mandatory supervised release, final discharge, or pardon from the Department of Corrections by submitting an identification card issued by the Department of Corrections under Section 3-14-1 of the Unified Code of Corrections, together with the prescribed fees. No identification card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The card shall be prepared and supplied by the Secretary of State and shall include a photograph and signature or mark of the applicant. However, the Secretary of State may

provide by rule for the issuance of Illinois Identification Cards without photographs if the applicant has a bona fide religious objection to being photographed or to the display of his or her photograph. The Illinois Identification Card may be used for identification purposes in any lawful situation only by the person to whom it was issued. As used in this Act, "photograph" means any color photograph or digitally produced and captured image of an applicant for an identification card. As used in this Act, "signature" means the name of a person as written by that person and captured in a manner acceptable to the Secretary of State.

(a-5) If an applicant for an identification card has a current driver's license or instruction permit issued by the Secretary of State, the Secretary may require the applicant to utilize the same residence address and name on the identification card, driver's license, and instruction permit records maintained by the Secretary. The Secretary may promulgate rules to implement this provision.

(a-10) If the applicant is a judicial officer as defined in Section 1-10 of the Judicial Privacy Act or a peace officer, the applicant may elect to have his or her office or work address listed on the card instead of the applicant's residence or mailing address. The Secretary may promulgate rules to implement this provision. For the purposes of this subsection (a-10), "peace officer" means any person who by virtue of his or her office or public employment is vested by law with a duty

to maintain public order or to make arrests for a violation of any penal statute of this State, whether that duty extends to all violations or is limited to specific violations.

(b) The Secretary of State shall issue a special Illinois Identification Card, which shall be known as an Illinois Person with a Disability Identification Card, to any natural person who is a resident of the State of Illinois, who is a person with a disability as defined in Section 4A of this Act, who applies for such card, or renewal thereof. No Illinois Person with a Disability Identification Card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The Secretary of State shall charge no fee to issue such card. The card shall be prepared and supplied by the Secretary of State, and shall include a photograph and signature or mark of the applicant, a designation indicating that the card is an Illinois Person with a Disability Identification Card, and shall include a comprehensible designation of the type and classification of the applicant's disability as set out in Section 4A of this Act. If the applicant so requests, the card

shall include a description of the applicant's disability and any information about the applicant's disability or medical history which the Secretary determines would be helpful to the applicant in securing emergency medical care. If a mark is used in lieu of a signature, such mark shall be affixed to the card in the presence of two witnesses who attest to the authenticity of the mark. The Illinois Person with a Disability Identification Card may be used for identification purposes in any lawful situation by the person to whom it was issued.

The Illinois Person with a Disability Identification Card may be used as adequate documentation of disability in lieu of a physician's determination of disability, a determination of disability from a physician assistant who has been delegated the authority to make this determination by his or her supervising physician, a determination of disability from an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to make this determination, or any other documentation of disability whenever any State law requires that a disabled person provide such documentation of disability, however an Illinois Person with a Disability Identification Card shall not qualify the cardholder to participate in any program or to receive any benefit which is not available to all persons with like disabilities. Notwithstanding any other provisions of law, an Illinois Person with a Disability Identification Card, or evidence that the

Secretary of State has issued an Illinois Person with a Disability Identification Card, shall not be used by any person other than the person named on such card to prove that the person named on such card is a disabled person or for any other purpose unless the card is used for the benefit of the person named on such card, and the person named on such card consents to such use at the time the card is so used.

An optometrist's determination of a visual disability under Section 4A of this Act is acceptable as documentation for the purpose of issuing an Illinois Person with a Disability Identification Card.

When medical information is contained on an Illinois Person with a Disability Identification Card, the Office of the Secretary of State shall not be liable for any actions taken based upon that medical information.

(c) The Secretary of State shall provide that each original or renewal Illinois Identification Card or Illinois Person with a Disability Identification Card issued to a person under the age of 21~~7~~ shall be of a distinct nature from those Illinois Identification Cards or Illinois Person with a Disability Identification Cards issued to individuals 21 years of age or older. (c-3) The General Assembly recognizes the need to identify military veterans living in this State for the purpose of ensuring that they receive all of the services and benefits to which they are legally entitled, including healthcare, education assistance, and job placement. To assist the State in identifying these veterans and delivering these vital services and benefits, the Secretary of State is authorized to issue Illinois Identification Cards and Illinois ~~Disabled~~ Person with a Disability Identification Cards with the word "veteran" appearing on the face of the cards. This authorization is predicated on the unique status of veterans. The Secretary may not issue any other identification card which identifies an occupation, status, affiliation, hobby, or other unique characteristics of the identification card holder which is unrelated to the purpose of the identification card.

(c-5) Beginning on or before July 1, 2015, the Secretary of State shall designate a space on each original or renewal identification card where, at the request of the applicant, the word "veteran" shall be placed. The applicant, upon receipt of such card and prior to its use for any purpose, shall have affixed thereon in the space provided therefor his signature or mark.

This authorization is predicated on the unique status of veterans. The Secretary may not issue any other driver's license which identifies an occupation, status, affiliation, hobby, or other unique characteristics of the license holder which is unrelated to the purpose of the driver's license.

(e-5) Beginning on or before July 1, 2015, the Secretary of State shall designate a space on each original or renewal driver's license where, at the request of the applicant, the word "veteran" shall be placed.
