the payment to the State of Illinois of tax in an amount equivalent to the state's rate of tax on taxable property in his or her state of residence and shall submit the statement to the appropriate tax collection agency in his or her state of residence. In addition, the retailer must retain a signed copy of the statement in his or her records. Nothing in this item shall be construed to require the removal of the vehicle from this state following the filing of an intent to title the vehicle in the purchaser's state of residence if the purchaser titles the vehicle in his or her state of residence within 30 days after the date of sale. The tax collected under this Act in accordance with this item (25-5) shall be proportionately distributed as if the tax were collected at the 6.25% general rate imposed under this Act.

Section 15. The Automobile Renting Occupation and Use Tax Act is amended by changing Section 2 as follows:

(35 ILCS 155/2) (from Ch. 120, par. 1702)

Sec. 2. Definitions. "Renting" means any transfer of the possession or right to possession of an automobile to a user for a valuable consideration for a period of one year or less.

"Renting" does not include making a charge for the use of an automobile where the rentor, either himself or through an agent, furnishes a service of operating an automobile so that the rentor remains in possession of the automobile, because this does not constitute a transfer of possession or right to possession of the automobile.

"Renting" does not include the making of a charge by an automobile dealer for the use of an automobile as a demonstrator in connection with the dealer's business of

selling, where the charge is merely made to recover the costs of operating the automobile as a demonstrator and is not intended as a rental or leasing charge in the ordinary sense.

"Automobile" means (1) any motor vehicle of the first division, or (2) a motor vehicle of the second division which: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping or travel use, with direct walk through access to the living quarters from the driver's seat; ~~(B) is, or a motor vehicle of the second division which is~~ of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers, as defined in Section 1-146 of the Illinois Vehicle Code; or (C) has a Gross Vehicle Weight Rating, as defined in Section 1-124.5 of the Illinois Vehicle Code, of 8,000 pounds or less.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, conservator or other representative appointed by order of any court.

"Rentor" means any person, firm, corporation or association engaged in the business of renting or leasing automobiles to users. For this purpose, the objective of making a profit is not necessary to make the renting activity a business.

"Rentee" means any user to whom the possession, or the right to possession, of an automobile is transferred for a valuable consideration for a period of one year or less, whether paid for by the "rentee" or by someone else.

"Gross receipts" from the renting of tangible personal property or "rent" means the total rental price or leasing price. In the case of rental transactions in which the consideration is paid to the rentor on an installment basis, the amounts of such payments shall be included by the rentor in gross receipts or rent only as and when payments are received by the rentor.

"Gross receipts" does not include receipts received by an automobile dealer from a manufacturer or service contract provider for the use of an automobile by a person while that person's automobile is being repaired by that automobile dealer and the repair is made pursuant to a manufacturer's warranty or a service contract where a manufacturer or service contract provider reimburses that automobile dealer pursuant to a manufacturer's warranty or a service contract and the reimbursement is merely made to recover the costs of operating the automobile as a loaner vehicle.

"Rental price" means the consideration for renting or leasing an automobile valued in money, whether received in money or otherwise, including cash credits, property and services, and shall be determined without any deduction on account of the cost of the property rented, the cost of

materials used, labor or service cost, or any other expense whatsoever, but does not include charges that are added by a rentor on account of the rentor's tax liability under this Act or on account of the rentor's duty to collect, from the rentee, the tax that is imposed by Section 4 of this Act. The phrase "rental price" does not include compensation paid to a rentor by a rentee in consideration of the waiver by the rentor of any right of action or claim against the rentee for loss or damage to the automobile rented and also does not include a separately stated charge for insurance or recovery of refueling costs or other separately stated charges that are not for the use of tangible personal property.
