

AN ACT concerning education.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The School Code is amended by changing Section 21B-25 as follows:

(105 ILCS 5/21B-25)

Sec. 21B-25. Endorsement on licenses. All licenses issued under paragraph (1) of Section 21B-20 of this Code shall be specifically endorsed by the State Board of Education for each content area, school support area, and administrative area for which the holder of the license is qualified. Recognized institutions approved to offer educator preparation programs shall be trained to add endorsements to licenses issued to applicants who meet all of the requirements for the endorsement or endorsements, including passing any required tests. The State Superintendent of Education shall randomly audit institutions to ensure that all rules and standards are being followed for entitlement or when endorsements are being recommended.

(1) The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, shall establish, by rule, the grade level and subject area endorsements to be added to the Professional Educator

License. These rules shall outline the requirements for obtaining each endorsement.

(2) In addition to any and all grade level and content area endorsements developed by rule, the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, shall develop the requirements for the following endorsements:

(A) General administrative endorsement. A general administrative endorsement shall be added to a Professional Educator License, provided that an approved program has been completed. An individual holding a general administrative endorsement may work only as a principal or assistant principal or in a related or similar position, as determined by the State Superintendent of Education, in consultation with the State Educator Preparation and Licensure Board.

Beginning on September 1, 2014, the general administrative endorsement shall no longer be issued. Individuals who hold a valid and registered administrative certificate with a general administrative endorsement issued under Section 21-7.1 of this Code or a Professional Educator License with a general administrative endorsement issued prior to September 1, 2014 and who have served for at least one full year during the 5 years prior in a position requiring a general administrative endorsement shall,

upon request to the State Board of Education and through July 1, 2015, have their respective general administrative endorsement converted to a principal endorsement on the Professional Educator License. Candidates shall not be admitted to an approved general administrative preparation program after September 1, 2012.

All other individuals holding a valid and registered administrative certificate with a general administrative endorsement issued pursuant to Section 21-7.1 of this Code or a general administrative endorsement on a Professional Educator License issued prior to September 1, 2014 shall have the general administrative endorsement converted to a principal endorsement on a Professional Educator License upon request to the State Board of Education and by completing one of the following pathways:

(i) Passage of the State principal assessment developed by the State Board of Education.

(ii) Through July 1, 2019, completion of an Illinois Educators' Academy course designated by the State Superintendent of Education.

(iii) Completion of a principal preparation program established and approved pursuant to Section 21B-60 of this Code and applicable rules.

Individuals who do not choose to convert the

general administrative endorsement on the administrative certificate issued pursuant to Section 21-7.1 of this Code or on the Professional Educator License shall continue to be able to serve in any position previously allowed under paragraph (2) of subsection (e) of Section 21-7.1 of this Code.

The general administrative endorsement on the Professional Educator License is available only to individuals who, prior to September 1, 2014, had such an endorsement on the administrative certificate issued pursuant to Section 21-7.1 of this Code or who already have a Professional Educator License and have completed a general administrative program and who do not choose to convert the general administrative endorsement to a principal endorsement pursuant to the options in this Section.

(B) Principal endorsement. A principal endorsement shall be affixed to a Professional Educator License of any holder who qualifies by having all of the following:

(i) Successful completion of a principal preparation program approved in accordance with Section 21B-60 of this Code and any applicable rules.

(ii) Four years of teaching in a public school or nonpublic school recognized by the State Board

of Education; however, the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, shall allow, by rules, for fewer than 4 years of experience based on meeting standards set forth in such rules, including without limitation a review of performance evaluations or other evidence of demonstrated qualifications.

(iii) A master's degree or higher from a regionally accredited college or university.

(C) Chief school business official endorsement. A chief school business official endorsement shall be affixed to the Professional Educator License of any holder who qualifies by having a master's degree or higher, 2 years of full-time administrative experience in school business management or 2 years of university-approved practical experience, and a minimum of 24 semester hours of graduate credit in a program approved by the State Board of Education for the preparation of school business administrators and by passage of the applicable State tests. The chief school business official endorsement may also be affixed to the Professional Educator License of any holder who qualifies by having a master's degree in business administration, finance, or accounting and who completes an additional 6 semester hours of

internship in school business management from a regionally accredited institution of higher education and passes the applicable State tests. This endorsement shall be required for any individual employed as a chief school business official.

(D) Superintendent endorsement. A superintendent endorsement shall be affixed to the Professional Educator License of any holder who has completed a program approved by the State Board of Education for the preparation of superintendents of schools, has had at least 2 years of experience employed full-time in a general administrative position or as a full-time principal, director of special education, or chief school business official in the public schools or in a State-recognized nonpublic school in which the chief administrator is required to have the licensure necessary to be a principal in a public school in this State and where a majority of the teachers are required to have the licensure necessary to be instructors in a public school in this State, and has passed the required State tests; or of any holder who has completed a program from out-of-state that has a program with recognition standards comparable to those approved by the State Superintendent of Education and holds the general administrative, principal, or chief school business official endorsement and who has had 2

years of experience as a principal, director of special education, or chief school business official while holding a valid educator license or certificate comparable in validity and educational and experience requirements and has passed the appropriate State tests, as provided in Section 21B-30 of this Code. The superintendent endorsement shall allow individuals to serve only as a superintendent or assistant superintendent.

(E) Teacher leader endorsement. It shall be the policy of this State to improve the quality of instructional leaders by providing a career pathway for teachers interested in serving in leadership roles, but not as principals. The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may issue a teacher leader endorsement under this subdivision (E). Persons who meet and successfully complete the requirements of the endorsement shall be issued a teacher leader endorsement on the Professional Educator License for serving in schools in this State. Teacher leaders may qualify to serve in such positions as department chairs, coaches, mentors, curriculum and instruction leaders, or other leadership positions as defined by the district. The endorsement shall be available to those teachers who (i) hold a Professional Educator

License, (ii) hold a master's degree or higher from a regionally accredited institution, (iii) have completed a program of study that has been approved by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, and (iv) have taken coursework in all of the following areas:

(I) Leadership.

(II) Designing professional development to meet teaching and learning needs.

(III) Building school culture that focuses on student learning.

(IV) Using assessments to improve student learning and foster school improvement.

(V) Building collaboration with teachers and stakeholders.

A teacher who meets the requirements set forth in this Section and holds a teacher leader endorsement may evaluate teachers pursuant to Section 24A-5 of this Code, provided that the individual has completed the evaluation component required by Section 24A-3 of this Code and a teacher leader is allowed to evaluate personnel under the respective school district's collective bargaining agreement.

The State Board of Education, in consultation with the State Educator Preparation and Licensure Board,

may adopt such rules as may be necessary to establish and implement the teacher leader endorsement program and to specify the positions for which this endorsement shall be required.

(F) Special education endorsement. A special education endorsement in one or more areas shall be affixed to a Professional Educator License for any individual that meets those requirements established by the State Board of Education in rules. Special education endorsement areas shall include without limitation the following:

- (i) Learning Behavior Specialist I;
- (ii) Learning Behavior Specialist II;
- (iii) Speech Language Pathologist;
- (iv) Blind or Visually Impaired;
- (v) Deaf-Hard of Hearing; and
- (vi) Early Childhood Special Education.

Notwithstanding anything in this Code to the contrary, the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may add additional areas of special education by rule.

(G) School support personnel endorsement. School support personnel endorsement areas shall include, but are not limited to, school counselor, marriage and family therapist, school psychologist, school speech and language pathologist, school nurse, and school

social worker. This endorsement is for individuals who are not teachers or administrators, but still require licensure to work in an instructional support position in a public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control or a charter school operating in compliance with the Charter Schools Law. The school support personnel endorsement shall be affixed to the Professional Educator License and shall meet all of the requirements established in any rules adopted to implement this subdivision (G). The holder of such an endorsement is entitled to all of the rights and privileges granted holders of any other Professional Educator License, including teacher benefits, compensation, and working conditions.

Beginning on January 1, 2014 and ending on April 30, 2014, a person holding a Professional Educator License with a school speech and language pathologist (teaching) endorsement may exchange his or her school speech and language pathologist (teaching) endorsement for a school speech and language pathologist (non-teaching) endorsement through application to the State Board of Education. There shall be no cost for this exchange.
