

AN ACT concerning transportation.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Illinois Vehicle Code is amended by changing Sections 6-106.1a, 6-205, 6-206, 6-206.1, 6-208.1, 6-517, 11-501.1, 11-501.6, and 11-501.8 as follows:

(625 ILCS 5/6-106.1a)

Sec. 6-106.1a. Cancellation of school bus driver permit;
trace of alcohol.

(a) A person who has been issued a school bus driver permit by the Secretary of State in accordance with Section 6-106.1 of this Code and who drives or is in actual physical control of a school bus or any other vehicle owned or operated by or for a public or private school, or a school operated by a religious institution, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as students in grade 12 or below, in connection with any activity of the entities listed, upon the public highways of this State shall be deemed to have given consent to a chemical test or tests of blood, breath, or urine for the purpose of determining the alcohol content of the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket for any violation of this Code or a similar provision of a local

ordinance, if a police officer has probable cause to believe that the driver has consumed any amount of an alcoholic beverage based upon evidence of the driver's physical condition or other first hand knowledge of the police officer. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered.

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

(1) Chemical analysis of the person's blood, urine, breath, or other substance, to be considered valid under the provisions of this Section, shall have been performed according to standards promulgated by the Department of State Police by an individual possessing a valid permit issued by the Department of State Police for this purpose. The Director of State Police is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of the Department of State Police, and to certify the accuracy of

breath testing equipment. The Department of State Police shall prescribe rules as necessary.

(2) When a person submits to a blood test at the request of a law enforcement officer under the provisions of this Section, only a physician authorized to practice medicine, a licensed physician assistant, a licensed advanced practice nurse, a registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician may withdraw blood for the purpose of determining the alcohol content. This limitation does not apply to the taking of breath or urine specimens.

(3) The person tested may have a physician, qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered at the direction of a law enforcement officer. The test administered at the request of the person may be admissible into evidence at a hearing conducted in accordance with Section 2-118 of this Code. The failure or inability to obtain an additional test by a person shall not preclude the consideration of the previously performed chemical test.

(4) Upon a request of the person who submits to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests

shall be made available to the person or that person's attorney by the requesting law enforcement agency within 72 hours of receipt of the test result.

(5) Alcohol concentration means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(6) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, licensed physician assistant, licensed advanced practice nurse, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon the specific request of a law enforcement officer. However, that testing shall not be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided in this Section shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of more than 0.00, may result in the loss of that person's privilege to possess a school bus driver permit. The loss of the individual's privilege to possess a school bus driver permit shall be imposed in accordance with Section 6-106.1b of

this Code. A person requested to submit to a test under this Section shall also acknowledge, in writing, receipt of the warning required under this subsection (c). If the person refuses to acknowledge receipt of the warning, the law enforcement officer shall make a written notation on the warning that the person refused to sign the warning. A person's refusal to sign the warning shall not be evidence that the person was not read the warning.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of more than 0.00, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of State certifying that the test or tests were requested under subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of more than 0.00. The law enforcement officer shall submit the same sworn report when a person who has been issued a school bus driver permit and who was operating a school bus or any other vehicle owned or operated by or for a public or private school, or a school operated by a religious institution, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as students in grade 12 or below, in connection with any activity of the entities listed, submits to testing under Section 11-501.1 of this Code and the testing discloses an alcohol concentration of more than 0.00 and less than the alcohol

concentration at which driving or being in actual physical control of a motor vehicle is prohibited under paragraph (1) of subsection (a) of Section 11-501.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the school bus driver permit sanction on the individual's driving record and the sanction shall be effective on the 46th day following the date notice of the sanction was given to the person.

The law enforcement officer submitting the sworn report shall serve immediate notice of this school bus driver permit sanction on the person and the sanction shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of more than 0.00 is established by a subsequent analysis of blood or urine, the police officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of that notice in an envelope with postage prepaid and addressed to that person at his or her last known address and the loss of the school bus driver permit shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall also give notice of the school bus driver permit sanction to the driver and the driver's current employer by mailing a notice of the effective date of the sanction to the individual. However, shall the sworn report be defective by not containing sufficient

information or be completed in error, the notice of the school bus driver permit sanction may not be mailed to the person or his current employer or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A driver may contest this school bus driver permit sanction by requesting an administrative hearing with the Secretary of State in accordance with Section 2-118 of this Code. An individual whose blood alcohol concentration is shown to be more than 0.00 is not subject to this Section if he or she consumed alcohol in the performance of a religious service or ceremony. An individual whose blood alcohol concentration is shown to be more than 0.00 shall not be subject to this Section if the individual's blood alcohol concentration resulted only from ingestion of the prescribed or recommended dosage of medicine that contained alcohol. The petition for that hearing shall not stay or delay the effective date of the impending suspension. The scope of this hearing shall be limited to the issues of:

(1) whether the police officer had probable cause to believe that the person was driving or in actual physical control of a school bus or any other vehicle owned or operated by or for a public or private school, or a school operated by a religious institution, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as students in grade 12

or below, in connection with any activity of the entities listed, upon the public highways of the State and the police officer had reason to believe that the person was in violation of any provision of this Code or a similar provision of a local ordinance; and

(2) whether the person was issued a Uniform Traffic Ticket for any violation of this Code or a similar provision of a local ordinance; and

(3) whether the police officer had probable cause to believe that the driver had consumed any amount of an alcoholic beverage based upon the driver's physical actions or other first-hand knowledge of the police officer; and

(4) whether the person, after being advised by the officer that the privilege to possess a school bus driver permit would be canceled if the person refused to submit to and complete the test or tests, did refuse to submit to or complete the test or tests to determine the person's alcohol concentration; and

(5) whether the person, after being advised by the officer that the privileges to possess a school bus driver permit would be canceled if the person submits to a chemical test or tests and the test or tests disclose an alcohol concentration of more than 0.00 and the person did submit to and complete the test or tests that determined an alcohol concentration of more than 0.00; and

(6) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol in the performance of a religious service or ceremony; and

(7) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol through ingestion of the prescribed or recommended dosage of medicine.

The Secretary of State may adopt administrative rules setting forth circumstances under which the holder of a school bus driver permit is not required to appear in person at the hearing.

Provided that the petitioner may subpoena the officer, the hearing may be conducted upon a review of the law enforcement officer's own official reports. Failure of the officer to answer the subpoena shall be grounds for a continuance if, in the hearing officer's discretion, the continuance is appropriate. At the conclusion of the hearing held under Section 2-118 of this Code, the Secretary of State may rescind, continue, or modify the school bus driver permit sanction.

(f) The results of any chemical testing performed in accordance with subsection (a) of this Section are not admissible in any civil or criminal proceeding, except that the results of the testing may be considered at a hearing held under Section 2-118 of this Code. However, the results of the testing may not be used to impose driver's license sanctions

under Section 11-501.1 of this Code. A law enforcement officer may, however, pursue a statutory summary suspension or revocation of driving privileges under Section 11-501.1 of this Code if other physical evidence or first hand knowledge forms the basis of that suspension or revocation.

(g) This Section applies only to drivers who have been issued a school bus driver permit in accordance with Section 6-106.1 of this Code at the time of the issuance of the Uniform Traffic Ticket for a violation of this Code or a similar provision of a local ordinance, and a chemical test request is made under this Section.

(h) The action of the Secretary of State in suspending, revoking, canceling, or denying any license, permit, registration, or certificate of title shall be subject to judicial review in the Circuit Court of Sangamon County or in the Circuit Court of Cook County, and the provisions of the Administrative Review Law and its rules are hereby adopted and shall apply to and govern every action for the judicial review of final acts or decisions of the Secretary of State under this Section.

Sec. 6-205. Mandatory revocation of license or permit; Hardship cases.

(a) Except as provided in this Section, the Secretary of

State shall immediately revoke the license, permit, or driving privileges of any driver upon receiving a report of the driver's conviction of any of the following offenses:

1. Reckless homicide resulting from the operation of a motor vehicle;

2. Violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof;

3. Any felony under the laws of any State or the federal government in the commission of which a motor vehicle was used;

4. Violation of Section 11-401 of this Code relating to the offense of leaving the scene of a traffic accident involving death or personal injury;

5. Perjury or the making of a false affidavit or statement under oath to the Secretary of State under this Code or under any other law relating to the ownership or operation of motor vehicles;

6. Conviction upon 3 charges of violation of Section 11-503 of this Code relating to the offense of reckless driving committed within a period of 12 months;

7. Conviction of any offense defined in Section 4-102 of this Code;

8. Violation of Section 11-504 of this Code relating to the offense of drag racing;

9. Violation of Chapters 8 and 9 of this Code;

10. Violation of Section 12-5 of the Criminal Code of 1961 or the Criminal Code of 2012 arising from the use of a motor vehicle;

11. Violation of Section 11-204.1 of this Code relating to aggravated fleeing or attempting to elude a peace officer;

12. Violation of paragraph (1) of subsection (b) of Section 6-507, or a similar law of any other state, relating to the unlawful operation of a commercial motor vehicle;

13. Violation of paragraph (a) of Section 11-502 of this Code or a similar provision of a local ordinance if the driver has been previously convicted of a violation of that Section or a similar provision of a local ordinance and the driver was less than 21 years of age at the time of the offense;

14. Violation of paragraph (a) of Section 11-506 of this Code or a similar provision of a local ordinance relating to the offense of street racing;

16. Any offense against any provision in this Code, or any local ordinance, regulating the movement of traffic when that offense was the proximate cause of the death of any person. Any person whose driving privileges have been revoked pursuant to this paragraph may seek to have the revocation terminated or to have the length of revocation reduced by requesting an administrative hearing with the Secretary of State prior to the projected driver's license application eligibility date;

17. Violation of subsection (a-2) of Section 11-1301.3 of this Code or a similar provision of a local ordinance;

18. A second or subsequent conviction of illegal possession, while operating or in actual physical control, as a driver, of a motor vehicle, of any controlled substance prohibited under the Illinois Controlled Substances Act, any cannabis prohibited under the Cannabis Control Act, or any methamphetamine prohibited under the Methamphetamine Control and Community Protection Act. A defendant found guilty of this offense while operating a motor vehicle shall have an entry made in the court record by the presiding judge that this offense did occur while the defendant was operating a motor vehicle and order the clerk of the court to report the violation to the Secretary of State.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following

situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit;

3. Of any person adjudicated under the Juvenile Court Act of 1987 based on an offense determined to have been committed in furtherance of the criminal activities of an organized gang as provided in Section 5-710 of that Act, and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The revocation shall remain in effect for the period determined by the court. Upon the direction of the court, the Secretary shall issue the person a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1, except that the court may direct that a JDP issued under this subdivision (b)(3) be effective immediately.

(c)(1) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon

application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary medical care or to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times ~~within a 10 year period~~ due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section

6-203.1;

arising out of separate occurrences; or

(B) a person has been convicted of one violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 ~~Section 6-303~~ of this Code, ~~committed while his or her driver's license, permit, or privilege was revoked because of a violation of~~ Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state;

that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's

employer when used solely for employment purposes.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. ~~The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out of state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out of state offense, or any combination of these offenses, until the expiration of at least one year from the date of the revocation.~~ A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated

driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) (Blank).

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the

offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d) (1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an

element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times ~~within a 10 year period~~ due to any combination of:

(A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(B) a statutory summary suspension or revocation under Section 11-501.1; or

(C) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3.5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d)

of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 for each month that he or she uses the device. The Secretary shall establish

by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is

properly completed, the appropriate fee received, and a permit issued prior to the effective date of the suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit

required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and

from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times ~~within a 10 year period~~ due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is

recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1;

arising out of separate occurrences; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B-5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an

ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. ~~The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation.~~ A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a

condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he

or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

(625 ILCS 5/6-206.1) (from Ch. 95 1/2, par. 6-206.1)

Sec. 6-206.1. Monitoring Device Driving Permit. Declaration of Policy. It is hereby declared a policy of the State of Illinois that the driver who is impaired by alcohol, other drug or drugs, or intoxicating compound or compounds is a

threat to the public safety and welfare. Therefore, to provide a deterrent to such practice, a statutory summary driver's license suspension is appropriate. It is also recognized that driving is a privilege and therefore, that the granting of driving privileges, in a manner consistent with public safety, is warranted during the period of suspension in the form of a monitoring device driving permit. A person who drives and fails to comply with the requirements of the monitoring device driving permit commits a violation of Section 6-303 of this Code.

The following procedures shall apply whenever a first offender, as defined in Section 11-500 of this Code, is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance and is subject to the provisions of Section 11-501.1:

(a) Upon mailing of the notice of suspension of driving privileges as provided in subsection (h) of Section 11-501.1 of this Code, the Secretary shall also send written notice informing the person that he or she will be issued a monitoring device driving permit (MDDP). The notice shall include, at minimum, information summarizing the procedure to be followed for issuance of the MDDP, installation of the breath alcohol ignition installation device (BAIID), as provided in this Section, exemption from BAIID installation requirements, and procedures to be followed by those seeking indigent status, as provided in this Section. The notice shall also include

information summarizing the procedure to be followed if the person wishes to decline issuance of the MDDP. A copy of the notice shall also be sent to the court of venue together with the notice of suspension of driving privileges, as provided in subsection (h) of Section 11-501. However, a MDDP shall not be issued if the Secretary finds that:

(1) the offender's driver's license is otherwise invalid;

(2) death or great bodily harm to another resulted from the arrest for Section 11-501;

(3) the offender has been previously convicted of reckless homicide or aggravated driving under the influence involving death;

(4) the offender is less than 18 years of age; or

(5) the offender is a qualifying patient licensed under the Compassionate Use of Medical Cannabis Pilot Program Act who is in possession of a valid registry card issued under that Act and refused to submit to standardized field sobriety tests as required by subsection (a) of Section 11-501.9 or did submit to testing which disclosed the person was impaired by the use of cannabis.

Any offender participating in the MDDP program must pay the Secretary a MDDP Administration Fee in an amount not to exceed \$30 per month, to be deposited into the Monitoring Device Driving Permit Administration Fee Fund. The Secretary shall establish by rule the amount and the procedures, terms, and

conditions relating to these fees. The offender must have an ignition interlock device installed within 14 days of the date the Secretary issues the MDDP. The ignition interlock device provider must notify the Secretary, in a manner and form prescribed by the Secretary, of the installation. If the Secretary does not receive notice of installation, the Secretary shall cancel the MDDP.

~~A MDDP shall not become effective prior to the 31st day of the original statutory summary suspension.~~

Upon receipt of the notice, as provided in paragraph (a) of this Section, the person may file a petition to decline issuance of the MDDP with the court of venue. The court shall admonish the offender of all consequences of declining issuance of the MDDP including, but not limited to, the enhanced penalties for driving while suspended. After being so admonished, the offender shall be permitted, in writing, to execute a notice declining issuance of the MDDP. This notice shall be filed with the court and forwarded by the clerk of the court to the Secretary. The offender may, at any time thereafter, apply to the Secretary for issuance of a MDDP.

(a-1) A person issued a MDDP may drive for any purpose and at any time, subject to the rules adopted by the Secretary under subsection (g). The person must, at his or her own expense, drive only vehicles equipped with an ignition interlock device as defined in Section 1-129.1, but in no event shall such person drive a commercial motor vehicle.

(a-2) Persons who are issued a MDDP and must drive employer-owned vehicles in the course of their employment duties may seek permission to drive an employer-owned vehicle that does not have an ignition interlock device. The employer shall provide to the Secretary a form, as prescribed by the Secretary, completed by the employer verifying that the employee must drive an employer-owned vehicle in the course of employment. If approved by the Secretary, the form must be in the driver's possession while operating an employer-owner vehicle not equipped with an ignition interlock device. No person may use this exemption to drive a school bus, school vehicle, or a vehicle designed to transport more than 15 passengers. No person may use this exemption to drive an employer-owned motor vehicle that is owned by an entity that is wholly or partially owned by the person holding the MDDP, or by a family member of the person holding the MDDP. No person may use this exemption to drive an employer-owned vehicle that is made available to the employee for personal use. No person may drive the exempted vehicle more than 12 hours per day, 6 days per week.

(a-3) Persons who are issued a MDDP and who must drive a farm tractor to and from a farm, within 50 air miles from the originating farm are exempt from installation of a BAIID on the farm tractor, so long as the farm tractor is being used for the exclusive purpose of conducting farm operations.

(b) (Blank).

(c) (Blank).

(c-1) If the holder of the MDDP is convicted of or receives court supervision for a violation of Section 6-206.2, 6-303, 11-204, 11-204.1, 11-401, 11-501, 11-503, 11-506 or a similar provision of a local ordinance or a similar out-of-state offense or is convicted of or receives court supervision for any offense for which alcohol or drugs is an element of the offense and in which a motor vehicle was involved (for an arrest other than the one for which the MDDP is issued), or de-installs the BAIID without prior authorization from the Secretary, the MDDP shall be cancelled.

(c-5) If the Secretary determines that the person seeking the MDDP is indigent, the Secretary shall provide the person with a written document as evidence of that determination, and the person shall provide that written document to an ignition interlock device provider. The provider shall install an ignition interlock device on that person's vehicle without charge to the person, and seek reimbursement from the Indigent BAIID Fund. If the Secretary has deemed an offender indigent, the BAIID provider shall also provide the normal monthly monitoring services and the de-installation without charge to the offender and seek reimbursement from the Indigent BAIID Fund. Any other monetary charges, such as a lockout fee or reset fee, shall be the responsibility of the MDDP holder. A BAIID provider may not seek a security deposit from the Indigent BAIID Fund.

(d) MDDP information shall be available only to the courts, police officers, and the Secretary, except during the actual period the MDDP is valid, during which time it shall be a public record.

(e) (Blank).

(f) (Blank).

(g) The Secretary shall adopt rules for implementing this Section. The rules adopted shall address issues including, but not limited to: compliance with the requirements of the MDDP; methods for determining compliance with those requirements; the consequences of noncompliance with those requirements; what constitutes a violation of the MDDP; methods for determining indigency; and the duties of a person or entity that supplies the ignition interlock device.

(h) The rules adopted under subsection (g) shall provide, at a minimum, that the person is not in compliance with the requirements of the MDDP if he or she:

(1) tampers or attempts to tamper with or circumvent the proper operation of the ignition interlock device;

(2) provides valid breath samples that register blood alcohol levels in excess of the number of times allowed under the rules;

(3) fails to provide evidence sufficient to satisfy the Secretary that the ignition interlock device has been installed in the designated vehicle or vehicles; or

(4) fails to follow any other applicable rules adopted

by the Secretary.

(i) Any person or entity that supplies an ignition interlock device as provided under this Section shall, in addition to supplying only those devices which fully comply with all the rules adopted under subsection (g), provide the Secretary, within 7 days of inspection, all monitoring reports of each person who has had an ignition interlock device installed. These reports shall be furnished in a manner or form as prescribed by the Secretary.

(j) Upon making a determination that a violation of the requirements of the MDDP has occurred, the Secretary shall extend the summary suspension period for an additional 3 months beyond the originally imposed summary suspension period, during which time the person shall only be allowed to drive vehicles equipped with an ignition interlock device; provided further there are no limitations on the total number of times the summary suspension may be extended. The Secretary may, however, limit the number of extensions imposed for violations occurring during any one monitoring period, as set forth by rule. Any person whose summary suspension is extended pursuant to this Section shall have the right to contest the extension through a hearing with the Secretary, pursuant to Section 2-118 of this Code. If the summary suspension has already terminated prior to the Secretary receiving the monitoring report that shows a violation, the Secretary shall be authorized to suspend the person's driving privileges for 3 months, provided that the

Secretary may, by rule, limit the number of suspensions to be entered pursuant to this paragraph for violations occurring during any one monitoring period. Any person whose license is suspended pursuant to this paragraph, after the summary suspension had already terminated, shall have the right to contest the suspension through a hearing with the Secretary, pursuant to Section 2-118 of this Code. The only permit the person shall be eligible for during this new suspension period is a MDDP.

(k) A person who has had his or her summary suspension extended for the third time, or has any combination of 3 extensions and new suspensions, entered as a result of a violation that occurred while holding the MDDP, so long as the extensions and new suspensions relate to the same summary suspension, shall have his or her vehicle impounded for a period of 30 days, at the person's own expense. A person who has his or her summary suspension extended for the fourth time, or has any combination of 4 extensions and new suspensions, entered as a result of a violation that occurred while holding the MDDP, so long as the extensions and new suspensions relate to the same summary suspension, shall have his or her vehicle subject to seizure and forfeiture. The Secretary shall notify the prosecuting authority of any third or fourth extensions or new suspension entered as a result of a violation that occurred while the person held a MDDP. Upon receipt of the notification, the prosecuting authority shall impound or forfeit the vehicle.

The impoundment or forfeiture of a vehicle shall be conducted pursuant to the procedure specified in Article 36 of the Criminal Code of 2012.

(l) A person whose driving privileges have been suspended under Section 11-501.1 of this Code and who had a MDDP that was cancelled, or would have been cancelled had notification of a violation been received prior to expiration of the MDDP, pursuant to subsection (c-1) of this Section, shall not be eligible for reinstatement when the summary suspension is scheduled to terminate. Instead, the person's driving privileges shall be suspended for a period of not less than twice the original summary suspension period, or for the length of any extensions entered under subsection (j), whichever is longer. During the period of suspension, the person shall be eligible only to apply for a restricted driving permit. If a restricted driving permit is granted, the offender may only operate vehicles equipped with a BAIID in accordance with this Section.

(m) Any person or entity that supplies an ignition interlock device under this Section shall, for each ignition interlock device installed, pay 5% of the total gross revenue received for the device, including monthly monitoring fees, into the Indigent BAIID Fund. This 5% shall be clearly indicated as a separate surcharge on each invoice that is issued. The Secretary shall conduct an annual review of the fund to determine whether the surcharge is sufficient to

provide for indigent users. The Secretary may increase or decrease this surcharge requirement as needed.

(n) Any person or entity that supplies an ignition interlock device under this Section that is requested to provide an ignition interlock device to a person who presents written documentation of indigency from the Secretary, as provided in subsection (c-5) of this Section, shall install the device on the person's vehicle without charge to the person and shall seek reimbursement from the Indigent BAIID Fund.

(o) The Indigent BAIID Fund is created as a special fund in the State treasury. The Secretary shall, subject to appropriation by the General Assembly, use all money in the Indigent BAIID Fund to reimburse ignition interlock device providers who have installed devices in vehicles of indigent persons. The Secretary shall make payments to such providers every 3 months. If the amount of money in the fund at the time payments are made is not sufficient to pay all requests for reimbursement submitted during that 3 month period, the Secretary shall make payments on a pro-rata basis, and those payments shall be considered payment in full for the requests submitted.

(p) The Monitoring Device Driving Permit Administration Fee Fund is created as a special fund in the State treasury. The Secretary shall, subject to appropriation by the General Assembly, use the money paid into this fund to offset its administrative costs for administering MDDPs.

(q) The Secretary is authorized to prescribe such forms as it deems necessary to carry out the provisions of this Section.

Sec. 6-208.1. Period of statutory summary alcohol, other drug, or intoxicating compound related suspension or revocation.

(a) Unless the statutory summary suspension has been rescinded, any person whose privilege to drive a motor vehicle on the public highways has been summarily suspended, pursuant to Section 11-501.1, shall not be eligible for restoration of the privilege until the expiration of:

1. twelve months from the effective date of the statutory summary suspension for a refusal or failure to complete a test or tests to determine the alcohol, other drug, or intoxicating compound concentration under Section 11-501.1, if the person was not involved in a motor vehicle accident that caused personal injury or death to another; or

2. six months from the effective date of the statutory summary suspension imposed following the person's submission to a chemical test which disclosed an alcohol concentration of 0.08 or more, or any amount of a drug,

substance, or intoxicating compound in such person's breath, blood, or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, pursuant to Section 11-501.1; or

4. one year from the effective date of the summary suspension imposed for any person other than a first offender following submission to a chemical test which disclosed an alcohol concentration of 0.08 or more pursuant to Section 11-501.1 or any amount of a drug, substance or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act; or

5. (Blank).

(b) Following a statutory summary suspension of the privilege to drive a motor vehicle under Section 11-501.1, driving privileges shall be restored unless the person is otherwise suspended, revoked, or cancelled by this Code. If the court has reason to believe that the person's driving privilege should not be restored, the court shall notify the Secretary of State prior to the expiration of the statutory summary suspension so appropriate action may be taken pursuant to this Code.

(c) Driving privileges may not be restored until all applicable reinstatement fees, as provided by this Code, have been paid to the Secretary of State and the appropriate entry made to the driver's record.

(d) Where a driving privilege has been summarily suspended or revoked under Section 11-501.1 and the person is subsequently convicted of violating Section 11-501, or a similar provision of a local ordinance, for the same incident, any period served on statutory summary suspension or revocation shall be credited toward the minimum period of revocation of driving privileges imposed pursuant to Section 6-205.

(e) A first offender who refused chemical testing and whose driving privileges were summarily revoked pursuant to Section 11-501.1 shall not be eligible for a monitoring device driving permit, but may make application for reinstatement or for a restricted driving permit after a period of one year has elapsed from the effective date of the revocation.

(f) (Blank).

Sec. 6-517. Commercial driver; implied consent warnings.

(a) Any person driving a commercial motor vehicle who is requested by a police officer, pursuant to Section 6-516, to submit to a chemical test or tests to determine the alcohol concentration or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act in such person's system, must be warned by the police officer requesting the test or tests that a refusal to submit to the test or tests will result in that person being immediately placed out-of-service for a period of 24 hours and being

disqualified from operating a commercial motor vehicle for a period of not less than 12 months; the person shall also be warned that if such person submits to testing which discloses an alcohol concentration of greater than 0.00 but less than 0.04 or any amount of a drug, substance, or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, such person shall be placed immediately out-of-service for a period of 24 hours; if the person submits to testing which discloses an alcohol concentration of 0.04 or more or any amount of a drug, substance, or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, such person shall be placed immediately out-of-service and disqualified from driving a commercial motor vehicle for a period of at least 12 months; also the person shall be warned that if such testing discloses an alcohol concentration of 0.08, or more or any amount of a drug, substance, or compound

in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, in addition to the person being immediately placed out-of-service and disqualified for 12 months as provided in this UCDLA, the results of such testing shall also be admissible in prosecutions for violations of Section 11-501 of this Code, or similar violations of local ordinances, however, such results shall not be used to impose any driving sanctions pursuant to Section 11-501.1 of this Code.

The person shall also be warned that any disqualification imposed pursuant to this Section, shall be for life for any such offense or refusal, or combination thereof; including a conviction for violating Section 11-501 while driving a commercial motor vehicle, or similar provisions of local ordinances, committed a second time involving separate incidents.

A person requested to submit to a test shall also acknowledge, in writing, receipt of the warning required under this Section. If the person refuses to acknowledge receipt of the warning, the police officer shall make a written notation on the warning that the person refused to sign the warning. A person's refusal to sign the warning shall not be evidence that

the person was not read the warning.

(b) If the person refuses or fails to complete testing, or submits to a test which discloses an alcohol concentration of at least 0.04, or any amount of a drug, substance, or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, the law enforcement officer must submit a Sworn Report to the Secretary of State, in a form prescribed by the Secretary, certifying that the test or tests was requested pursuant to paragraph (a); that the person was warned, as provided in paragraph (a) and that such person refused to submit to or failed to complete testing, or submitted to a test which disclosed an alcohol concentration of 0.04 or more, or any amount of a drug, substance, or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act.

(c) The police officer submitting the Sworn Report under this Section shall serve notice of the CDL disqualification on

the person and such CDL disqualification shall be effective as provided in paragraph (d). In cases where the blood alcohol concentration of 0.04 or more, or any amount of a drug, substance, or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, is established by subsequent analysis of blood or urine collected at the time of the request, the police officer shall give notice as provided in this Section or by deposit in the United States mail of such notice as provided in this Section or by deposit in the United States mail of such notice in an envelope with postage prepaid and addressed to such person's domiciliary address as shown on the Sworn Report and the CDL disqualification shall begin as provided in paragraph (d).

(d) The CDL disqualification referred to in this Section shall take effect on the 46th day following the date the Sworn Report was given to the affected person.

(e) Upon receipt of the Sworn Report from the police officer, the Secretary of State shall disqualify the person from driving any commercial motor vehicle and shall confirm the CDL disqualification by mailing the notice of the effective date to the person. However, should the Sworn Report be

(625 ILCS 5/11-501.1)

Sec. 11-501.1. Suspension of drivers license; statutory summary alcohol, other drug or drugs, or intoxicating compound or compounds related suspension or revocation; implied consent.

(a) Any person who drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent, subject to the provisions of Section 11-501.2, to a chemical test or tests of blood, breath, or urine for the purpose of determining the content of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof in the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket, for any offense as defined in Section 11-501 or a similar provision of a local ordinance, or if arrested for violating Section 11-401. If a law enforcement officer has probable cause to believe the person was under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof, the law enforcement officer shall request a chemical

test or tests which shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered. For purposes of this Section, an Illinois law enforcement officer of this State who is investigating the person for any offense defined in Section 11-501 may travel into an adjoining state, where the person has been transported for medical care, to complete an investigation and to request that the person submit to the test or tests set forth in this Section. The requirements of this Section that the person be arrested are inapplicable, but the officer shall issue the person a Uniform Traffic Ticket for an offense as defined in Section 11-501 or a similar provision of a local ordinance prior to requesting that the person submit to the test or tests. The issuance of the Uniform Traffic Ticket shall not constitute an arrest, but shall be for the purpose of notifying the person that he or she is subject to the provisions of this Section and of the officer's belief of the existence of probable cause to arrest. Upon returning to this State, the officer shall file the Uniform Traffic Ticket with the Circuit Clerk of the county where the offense was committed, and shall seek the issuance of an arrest warrant or a summons for the person.

(a-5) (Blank).

(b) Any person who is dead, unconscious, or who is

otherwise in a condition rendering the person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered, subject to the provisions of Section 11-501.2.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test will result in the statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Section 6-208.1 of this Code, and will also result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The person shall also be warned that a refusal to submit to the test, when the person was involved in a motor vehicle accident that caused personal injury or death to another, will result in the statutory summary revocation of the person's privilege to operate a motor vehicle, as provided in Section 6-208.1, and will also result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The person shall also be warned by the law enforcement officer that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is 0.08 or greater, or any amount of a drug, substance, or compound

resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act is detected in the person's blood or urine, a statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Sections 6-208.1 and 11-501.1 of this Code, and a disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder, will be imposed.

A person who is under the age of 21 at the time the person is requested to submit to a test as provided above shall, in addition to the warnings provided for in this Section, be further warned by the law enforcement officer requesting the test that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is greater than 0.00 and less than 0.08, a suspension of the person's privilege to operate a motor vehicle, as provided under Sections 6-208.2 and 11-501.8 of this Code, will be imposed. The results of this test shall be admissible in a civil or criminal action or proceeding arising from an arrest for an offense as defined in Section 11-501 of this Code or a similar provision of a local ordinance

or pursuant to Section 11-501.4 in prosecutions for reckless homicide brought under the Criminal Code of 1961 or the Criminal Code of 2012. These test results, however, shall be admissible only in actions or proceedings directly related to the incident upon which the test request was made.

A person requested to submit to a test shall also acknowledge, in writing, receipt of the warning required under this Section. If the person refuses to acknowledge receipt of the warning, the law enforcement officer shall make a written notation on the warning that the person refused to sign the warning. A person's refusal to sign the warning shall not be evidence that the person was not read the warning.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in the person's breath, blood, or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, the law enforcement officer shall immediately submit a sworn report to the circuit court of venue and the Secretary of State, certifying that the test or tests was or were requested under paragraph (a) and the person refused to submit to a test, or tests, or submitted to testing that disclosed an alcohol

concentration of 0.08 or more.

(e) Upon receipt of the sworn report of a law enforcement officer submitted under paragraph (d), the Secretary of State shall enter the statutory summary suspension or revocation and disqualification for the periods specified in Sections 6-208.1 and 6-514, respectively, and effective as provided in paragraph (g).

If the person is a first offender as defined in Section 11-500 of this Code, and is not convicted of a violation of Section 11-501 of this Code or a similar provision of a local ordinance, then reports received by the Secretary of State under this Section shall, except during the actual time the Statutory Summary Suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities or the Secretary of State, unless the person is a CDL holder, is operating a commercial motor vehicle or vehicle required to be placarded for hazardous materials, in which case the suspension shall not be privileged. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the statutory summary suspension is in effect. A statutory summary revocation shall not be privileged information.

(f) The law enforcement officer submitting the sworn report under paragraph (d) shall serve immediate notice of the

statutory summary suspension or revocation on the person and the suspension or revocation and disqualification shall be effective as provided in paragraph (g).

(1) In cases where the blood alcohol concentration of 0.08 or greater or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of the notice in an envelope with postage prepaid and addressed to the person at his address as shown on the Uniform Traffic Ticket and the statutory summary suspension and disqualification shall begin as provided in paragraph (g). The officer shall confiscate any Illinois driver's license or permit on the person at the time of arrest. If the person has a valid driver's license or permit, the officer shall issue the person a receipt, in a form prescribed by the Secretary of State, that will allow that person to drive during the periods provided for in paragraph (g). The officer shall immediately forward the

driver's license or permit to the circuit court of venue along with the sworn report provided for in paragraph (d).

(2) (Blank).

(g) The statutory summary suspension or revocation and disqualification referred to in this Section shall take effect on the 46th day following the date the notice of the statutory summary suspension or revocation was given to the person.

(h) The following procedure shall apply whenever a person is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance:

Upon receipt of the sworn report from the law enforcement officer, the Secretary of State shall confirm the statutory summary suspension or revocation by mailing a notice of the effective date of the suspension or revocation to the person and the court of venue. The Secretary of State shall also mail notice of the effective date of the disqualification to the person. However, should the sworn report be defective by not containing sufficient information or be completed in error, the confirmation of the statutory summary suspension or revocation shall not be mailed to the person or entered to the record; instead, the sworn report shall be forwarded to the court of venue with a copy returned to the issuing agency identifying any defect.

(i) As used in this Section, "personal injury" includes any Type A injury as indicated on the traffic accident report completed by a law enforcement officer that requires immediate

professional attention in either a doctor's office or a medical facility. A Type A injury includes severely bleeding wounds, distorted extremities, and injuries that require the injured party to be carried from the scene.

(625 ILCS 5/11-501.6) (from Ch. 95 1/2, par. 11-501.6)

Sec. 11-501.6. Driver involvement in personal injury or fatal motor vehicle accident; chemical test.

(a) Any person who drives or is in actual control of a motor vehicle upon the public highways of this State and who has been involved in a personal injury or fatal motor vehicle accident, shall be deemed to have given consent to a breath test using a portable device as approved by the Department of State Police or to a chemical test or tests of blood, breath, or urine for the purpose of determining the content of alcohol, other drug or drugs, or intoxicating compound or compounds of such person's blood if arrested as evidenced by the issuance of a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance, with the exception of equipment violations contained in Chapter 12 of this Code, or similar provisions of local ordinances. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the

officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered. Compliance with this Section does not relieve such person from the requirements of Section 11-501.1 of this Code.

(b) Any person who is dead, unconscious or who is otherwise in a condition rendering such person incapable of refusal shall be deemed not to have withdrawn the consent provided by subsection (a) of this Section. In addition, if a driver of a vehicle is receiving medical treatment as a result of a motor vehicle accident, any physician licensed to practice medicine, licensed physician assistant, licensed advanced practice nurse, registered nurse or a phlebotomist acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol, other drug or drugs, or intoxicating compound or compounds, upon the specific request of a law enforcement officer. However, no such testing shall be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound resulting from the unlawful use or consumption of cannabis, as

covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act as detected in such person's blood or urine, may result in the suspension of such person's privilege to operate a motor vehicle and may result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The length of the suspension shall be the same as outlined in Section 6-208.1 of this Code regarding statutory summary suspensions.

A person requested to submit to a test shall also acknowledge, in writing, receipt of the warning required under this Section. If the person refuses to acknowledge receipt of the warning, the law enforcement officer shall make a written notation on the warning that the person refused to sign the warning. A person's refusal to sign the warning shall not be evidence that the person was not read the warning.

(d) If the person refuses testing or submits to a test which discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled

Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary, certifying that the test or tests were requested pursuant to subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in such person's blood or urine, resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act.

Upon receipt of the sworn report of a law enforcement officer, the Secretary shall enter the suspension and disqualification to the individual's driving record and the suspension and disqualification shall be effective on the 46th day following the date notice of the suspension was given to the person.

The law enforcement officer submitting the sworn report shall serve immediate notice of this suspension on the person and such suspension and disqualification shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound resulting from the unlawful use or consumption of cannabis as listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer shall give notice as provided in this Section or by deposit in the United States mail of such notice in an envelope with postage prepaid and addressed to such person at his address as shown on the Uniform Traffic Ticket and the suspension and disqualification shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary shall also give notice of the suspension and disqualification to the driver by mailing a notice of the effective date of the suspension and disqualification to the individual. However, should the sworn report be defective by not containing sufficient information or be completed in error, the notice of the suspension and disqualification shall not be mailed to the person or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A driver may contest this suspension of his or her driving privileges and disqualification of his or her CDL privileges by requesting an administrative hearing with the Secretary in accordance with Section 2-118 of this Code. At the conclusion of a hearing held under Section 2-118 of this Code, the Secretary may rescind, continue, or modify the orders of suspension and disqualification. If the Secretary does not rescind the orders of suspension and disqualification, a restricted driving permit may be granted by the Secretary upon application being made and good cause shown. A restricted driving permit may be granted to relieve undue hardship to allow driving for employment, educational, and medical purposes as outlined in Section 6-206 of this Code. The provisions of Section 6-206 of this Code shall apply. In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified.

(f) (Blank).

(g) For the purposes of this Section, a personal injury shall include any type A injury as indicated on the traffic accident report completed by a law enforcement officer that requires immediate professional attention in either a doctor's office or a medical facility. A type A injury shall include severely bleeding wounds, distorted extremities, and injuries

that require the injured party to be carried from the scene.

(625 ILCS 5/11-501.8)

Sec. 11-501.8. Suspension of driver's license; persons under age 21.

(a) A person who is less than 21 years of age and who drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent to a chemical test or tests of blood, breath, or urine for the purpose of determining the alcohol content of the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance, if a police officer has probable cause to believe that the driver has consumed any amount of an alcoholic beverage based upon evidence of the driver's physical condition or other first hand knowledge of the police officer. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered.

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal,

shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

(i) Chemical analysis of the person's blood, urine, breath, or other bodily substance, to be considered valid under the provisions of this Section, shall have been performed according to standards promulgated by the Department of State Police by an individual possessing a valid permit issued by that Department for this purpose. The Director of State Police is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of that Department, and to certify the accuracy of breath testing equipment. The Department of State Police shall prescribe regulations as necessary.

(ii) When a person submits to a blood test at the request of a law enforcement officer under the provisions of this Section, only a physician authorized to practice medicine, a licensed physician assistant, a licensed advanced practice nurse, a registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician may withdraw blood for the purpose of determining the alcohol content therein. This limitation does not apply to the taking of breath or

urine specimens.

(iii) The person tested may have a physician, qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the consideration of the previously performed chemical test.

(iv) Upon a request of the person who submits to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to the person or that person's attorney.

(v) Alcohol concentration means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(vi) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, licensed physician assistant, licensed advanced practice nurse, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon the specific request of a law enforcement officer. However, that testing shall not be performed until, in the

opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of more than 0.00, may result in the loss of that person's privilege to operate a motor vehicle and may result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The loss of driving privileges shall be imposed in accordance with Section 6-208.2 of this Code.

A person requested to submit to a test shall also acknowledge, in writing, receipt of the warning required under this Section. If the person refuses to acknowledge receipt of the warning, the law enforcement officer shall make a written notation on the warning that the person refused to sign the warning. A person's refusal to sign the warning shall not be evidence that the person was not read the warning.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of more than 0.00, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of State, certifying that the test or tests were requested under subsection (a) and the person refused to submit to a test or

tests or submitted to testing which disclosed an alcohol concentration of more than 0.00. The law enforcement officer shall submit the same sworn report when a person under the age of 21 submits to testing under Section 11-501.1 of this Code and the testing discloses an alcohol concentration of more than 0.00 and less than 0.08.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the suspension and disqualification on the individual's driving record and the suspension and disqualification shall be effective on the 46th day following the date notice of the suspension was given to the person. If this suspension is the individual's first driver's license suspension under this Section, reports received by the Secretary of State under this Section shall, except during the time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the Secretary of State, or the individual personally, unless the person is a CDL holder, is operating a commercial motor vehicle or vehicle required to be placarded for hazardous materials, in which case the suspension shall not be privileged. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the suspension is in effect.

The law enforcement officer submitting the sworn report shall serve immediate notice of this suspension on the person and the suspension and disqualification shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of more than 0.00 is established by a subsequent analysis of blood or urine, the police officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of that notice in an envelope with postage prepaid and addressed to that person at his last known address and the loss of driving privileges shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall also give notice of the suspension and disqualification to the driver by mailing a notice of the effective date of the suspension and disqualification to the individual. However, should the sworn report be defective by not containing sufficient information or be completed in error, the notice of the suspension and disqualification shall not be mailed to the person or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A driver may contest this suspension and disqualification by requesting an administrative hearing with the Secretary of State in accordance with Section 2-118 of this Code. An individual whose blood alcohol concentration is shown

to be more than 0.00 is not subject to this Section if he or she consumed alcohol in the performance of a religious service or ceremony. An individual whose blood alcohol concentration is shown to be more than 0.00 shall not be subject to this Section if the individual's blood alcohol concentration resulted only from ingestion of the prescribed or recommended dosage of medicine that contained alcohol. The petition for that hearing shall not stay or delay the effective date of the impending suspension. The scope of this hearing shall be limited to the issues of:

(1) whether the police officer had probable cause to believe that the person was driving or in actual physical control of a motor vehicle upon the public highways of the State and the police officer had reason to believe that the person was in violation of any provision of the Illinois Vehicle Code or a similar provision of a local ordinance; and

(2) whether the person was issued a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance; and

(3) whether the police officer had probable cause to believe that the driver had consumed any amount of an alcoholic beverage based upon the driver's physical actions or other first-hand knowledge of the police officer; and

(4) whether the person, after being advised by the

officer that the privilege to operate a motor vehicle would be suspended if the person refused to submit to and complete the test or tests, did refuse to submit to or complete the test or tests to determine the person's alcohol concentration; and

(5) whether the person, after being advised by the officer that the privileges to operate a motor vehicle would be suspended if the person submits to a chemical test or tests and the test or tests disclose an alcohol concentration of more than 0.00, did submit to and complete the test or tests that determined an alcohol concentration of more than 0.00; and

(6) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol in the performance of a religious service or ceremony; and

(7) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol through ingestion of the prescribed or recommended dosage of medicine.

At the conclusion of the hearing held under Section 2-118 of this Code, the Secretary of State may rescind, continue, or modify the suspension and disqualification. If the Secretary of State does not rescind the suspension and disqualification, a restricted driving permit may be granted by the Secretary of State upon application being made and good cause shown. A

restricted driving permit may be granted to relieve undue hardship by allowing driving for employment, educational, and medical purposes as outlined in item (3) of part (c) of Section 6-206 of this Code. The provisions of item (3) of part (c) of Section 6-206 of this Code and of subsection (f) of that Section shall apply. The Secretary of State shall promulgate rules providing for participation in an alcohol education and awareness program or activity, a drug education and awareness program or activity, or both as a condition to the issuance of a restricted driving permit for suspensions imposed under this Section.

(f) The results of any chemical testing performed in accordance with subsection (a) of this Section are not admissible in any civil or criminal proceeding, except that the results of the testing may be considered at a hearing held under Section 2-118 of this Code. However, the results of the testing may not be used to impose driver's license sanctions under Section 11-501.1 of this Code. A law enforcement officer may, however, pursue a statutory summary suspension or revocation of driving privileges under Section 11-501.1 of this Code if other physical evidence or first hand knowledge forms the basis of that suspension or revocation.

(g) This Section applies only to drivers who are under age 21 at the time of the issuance of a Uniform Traffic Ticket for a violation of the Illinois Vehicle Code or a similar provision of a local ordinance, and a chemical test request is made under

this Section.

(h) The action of the Secretary of State in suspending, revoking, cancelling, or disqualifying any license or permit shall be subject to judicial review in the Circuit Court of Sangamon County or in the Circuit Court of Cook County, and the provisions of the Administrative Review Law and its rules are hereby adopted and shall apply to and govern every action for the judicial review of final acts or decisions of the Secretary of State under this Section.
