

## 2022 Body Worn Camera Report

### O'Fallon Police Department

1. The O'Fallon Police Department consists of 49 sworn officers. Body cameras are issued to every officer except for two officers deployed to external task forces. Administration is also issued a BWC. Our program started on 10-16-20.
2. We currently possess and use 47 Axon Body 3 cameras.
3. We have experienced one minor technical issue which was rectified by a warranty return with Axon. (February = Clip Broke)
4. Supervisors conduct one random review of each patrol officer each month to ensure adherence to state law and policy. Other videos are reviewed in accordance with the law.
5. See attached excel spreadsheet.
