Comments:

Upon review, we believe the stop card number submitted may be incorrect. We went back through our records, and added two (2) more this morning from June of 2017 that were overlooked. The accurate record should reflect 7.

Comments:

The Estimated Minority Driving Population (63.88%) is an estimate that has not been validated by a study to determine accuracy. Furthermore, the Village of Park Forest's 2017 estimated minority population is 72.1% and the Village is bordered by the following communities with estimated minority populations (source: US Census Bureau- 2017 Estimates):

Richton Park: 87.9% minority

University Park: 91.9% minority

Matteson: 84.2% minority

Chicago Heights: 63.3% minority

Olympia Fields: 74.7% (2010 data)

The Park Forest Police Department is working to have the Estimated Minority Driving Population estimate revised to reflect a more accurate representation of the actual driving population. Most importantly, the Park Forest Police Department is committed to enforcing the law in a manner that is procedurally just and transparent.

Comments:

The Illinois State Police (ISP) remains committed to serving the general public with integrity and pride. The Illinois State Police will continue to provide its statistical data to the Pedestrian Stop Study.

ISP officers are trained to base their pedestrian stops on key indicators, not assumptions. Based on the study's yearly findings, the Illinois State Police will evaluate the data and adapt its policies and procedures as needed.

The ISP will continue to offer its officers up to date training as it relates to interacting with the public in a fair and impartial manner. All ISP sworn officers receive training in Cultural Diversity, Procedural Justice and Police Legitimacy, and Understanding Perceptions of Biased-Based Policing training.

The Illinois State Police (ISP) is committed to making the roads and highways safe for those travelling within the state. Troopers fulfill their duties on a daily basis, assisting the public and enforcing the rules of the road.

The ISP will continue to provide its data to the traffic stop study, to ensure transparency in its operations, in an effort to maintain the trust of the communities it serves. The agency will evaluate the data from the study's findings on a yearly basis and adapt its policies and procedures as needed.

The ISP will serve as an example to other agencies in offering its officers up to date training as it relates to interacting with the public in a fair and impartial manner. All ISP sworn officers receive training in Cultural Diversity, Procedural Justice and Police Legitimacy, and Understanding Perceptions of Biased Based Policing training.

Comments:

The Northlake Police Department is committed to fair and impartial traffic enforcement. Our officers fully support the purpose of Pedestrian and Traffic Stop Data collection and stand against race profiling. In furtherance of this mission, Northlake has embraced the concept by committing resources to the development of real time stop data reviews by each officer and supervisor. Our officers support the ability to recognize and understand unintended trends well before the release of the state mandated annual report. Northlake has implemented software applications to review all officer traffic and pedestrian stops in real-time.

The true minority make up of Northlake drivers:

The driving population in suburban Chicago is truly a transient one. The City of Northlake shares borders and several major roadways with jurisdictions, some of which have a 90% Estimated Minority Driving Population (EMDP). It should also be noted that according to Illinois Department of Transportation figures, as many as 80,000 vehicles travel through roadways in Northlake on any given day. Because Northlake is a destination for shopping and commerce, many drivers from high EMDP communities commute to or through the City of Northlake.

Driving population considerations:

The Illinois School Report Card is described as the state's official source of information of public schools across Illinois. The latest report for 2016-2017 identifies two high schools serving Northlake as having a minority population of 84% and 97% respectfully. Comparing the official demographics of the state school records to IDOT census assigned EMDP for Northlake, reflects a variance of above 25 points. Northlake has used the inclusion of current and up to date quantified governmental data resources such as the School Report Card, and real-time officer stop data reviews, as a mission wide commitment to fair and impartial traffic enforcement in our city. Assigning Northlake an EMDP score solely on residential census data leaves out important and readily available sources of driving population demographics.

Comments:

Winnebago, Illinois has a population of approximately 3,200 residents.

However, according to Illinois Department of Transportation, "Getting around Illinois" - "Average Daily Traffic Counts," (<http://www.gettingaroundillinois.com/gai.htm?mt=aadt#>) there are over 20,000 vehicles that travel through and past the intersection of US Route 20 and Winnebago Road (Commonly known as "Winnebago Corners") on a daily basis. There are several retail establishments immediately south of this particular intersection, which is within the jurisdiction of Winnebago Police Department.
