HB 04149 Rep. David A. Welter

New Act

Creates the Parental Medical Choice Act. Provides that no State or local entity, agency, institution, official, or person shall require a minor to obtain a health care service or take a health-related precaution. Provides that no State or local entity, agency, institution, official, or person shall discriminate against a minor because the child has or has not obtained a health care service or has or has not taken any health-related precaution. Provides that no public institution of higher education shall require any health care service or health-related precaution to be taken as a condition on enrollment or in-person classroom attendance. Makes other requirements concerning the prohibition against compulsory health care service or health-related precautions for children. Provides that any person aggrieved by a violation of the Act shall have a right of action in a State circuit court against an offending State or local entity, agency, institution, official, or person. Provides that a prevailing party may recover liquidated damages in the amount of \$1,000 per day for the duration of a violation of the Act. Provides findings and policy provisions. Defines terms.
