New Act
105 ILCS 5/27A-5
30 ILCS 805/8.43 new

Representative Terri Bryant
HB 01475 (CONTINUED)

Creates the Seizure Smart School Act. Provides for legislative findings and defines terms. Requires the parent or guardian of a student with epilepsy who seeks assistance with epilepsy-related care in a school setting to submit a seizure action plan with the student's school. Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with epilepsy in accordance with the student's seizure action plan. Requires training for school employees and delegated care aides. Requires that an information sheet be provided to any school employee who transports a student with epilepsy to a school-sponsored activity. Provides that a school district may not restrict the assignment of a student with epilepsy to a particular school on the basis that the school does not have a full-time school nurse and a school may not deny a student access to the school or any school-related activity on the basis that the student has epilepsy. Provides for school employee protection against retaliation, immunity, and rights under federal law. Amends the Charter Schools Law of the School Code to make a related change. Amends the State Mandates Act to require implementation without reimbursement.

House Committee Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change to the legislative findings. Changes the definition of "delegated care aide" to mean a school employee or paraprofessional who has agreed to receive training in epilepsy and assist a student in implementing his or her seizure action plan and who has entered into an agreement with a parent or guardian of that student. Limits the definition of "school employee" to include, among other persons, a person who is employed by a school district or school as a principal, administrator, guidance counselor, or teacher. Provides that the training of a delegated care aide shall include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America and training for school employees must be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America (rather than requiring training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment No. 3 with the following changes. Provides that the definition of "school employee" may not be interpreted to require a school district, charter school, or nonpublic school to hire additional personnel for the sole purpose of the personnel to serve as a delegated care aide. Provides that if a student has been managing his or her epilepsy care in a school setting before the effective date of the Act, the student's parent or guardian may (rather than must) sign and submit a seizure action plan with the student's school. Provides that it is the responsibility of a student's parent or guardian to share the health care provider's instructions on the student's epilepsy management during the school day. Removes a provision requiring the seizure action plan to include the treating physician's, advanced practice registered nurse's, or physician assistant's instructions on the student's epilepsy management during the school day. Provides that a student's parent or guardian is responsible for informing the school, in a timely manner, of any changes to the student's seizure action plan and emergency contact information. Provides that the principal of a school shall facilitate the school's compliance with the provisions of a student's seizure action plan (rather than ensure that the school has at least one delegated care aide present and available at the school during all school hours and during school-sponsored activities). Provides that the training for school employees must be fully consistent with the best practice guidelines issued by the Centers for Disease Control and Prevention. Provides that the training of a delegated care aide must be provided by a licensed health care provider with an expertise in epilepsy or an epilepsy educator who has successfully completed the relevant curricula offered by the Centers for Disease Control and Prevention (rather than must include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America). Makes other changes. Effective July 1, 2020.

House Floor Amendment No. 5

Removes a provision requiring training for school employees to be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America.

Provides that before a sentencing order is entered by the court for a minor adjudged delinquent for disorderly conduct by transmitting or causing to be transmitted in any manner a threat of destruction of a school building or school property, or a threat of violence, death, or bodily harm directed against persons at a school, school function, or school event, whether or not school is in session, in which the minor made a threat of violence, death, or bodily harm against a person, school, school function, or school event, the court shall order a mental health evaluation of the minor by a physician, clinical psychologist, or qualified examiner, whether employed by the State, by any public or private mental health facility or part of the facility, or by any public or private medical facility or part of the facility. Provides that a statement made by a minor during the course of a mental health evaluation conducted under the Act is not admissible on the issue of delinquency during the course of an adjudicatory hearing held under the Act. Provides that reimbursement by the defendant for the costs of an emergency response to a school does not apply if the court determines that the defendant is indigent.

House Floor Amendment No. 1

Provides that before a sentencing order is entered by the court for a minor adjudged delinquent for disorderly conduct by transmitting or causing to be transmitted in any manner a threat of destruction of a school building or school property, or a threat of violence, death, or bodily harm directed against persons at a school, school function, or school event, whether or not school is in session, in which the minor made a threat of violence, death, or bodily harm against a person, school, school function, or school event, the court may (in the introduced bill, shall) order a mental health evaluation of the minor by a physician, clinical psychologist, or qualified examiner, whether employed by the State, by any public or private mental health facility or part of the facility, or by any public or private medical facility or part of the facility.

Senate Committee Amendment No. 1

In the amendatory changes to the Criminal Code of 2012, provides that the requirement for reimbursement of the unit of government for an emergency response only applies to false alarm of a threat that a bomb or explosive device has been placed in the school (rather than any emergency response to the school). 735 ILCS 5/17-102	from Ch. 110, par. 17-102

735 ILCS 5/17-106	from Ch. 110, par. 17-106

Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law; service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil Procedure. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not brought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Senate Floor Amendment No. 2

Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out (rather than brought) pursuant to a provision regarding cotenant buyout, a party of the property representing the combined interests of those cotenants as determined by the court.

HB 00465 (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that a contract between a health insurer and a pharmacy benefit manager must: (1) require the pharmacy benefit manager to update maximum allowable cost pricing information and maintain a process that will eliminate drugs from maximum allowable cost lists or modify drug prices to remain consistent with changes in pricing data; (2) prohibit the pharmacy benefit manager from limiting a pharmacist's ability to disclose the availability of a more affordable alternative drug; and (3) prohibit the pharmacy benefit manager from requiring an insured to make a payment for a prescription drug in an amount that exceeds the lesser of the applicable cost-sharing amount or the retail price of the drug. Contains provisions concerning the inclusion of prescription drugs on a maximum allowable cost list, State licensing requirements for pharmacy benefit managers, and other matters. Makes conforming changes to other Acts. Amends the Managed Care Reform and Patient Rights Act. Provides that a health care plan shall apply any third-party payments for prescription drugs. Makes changes to provisions concerning the denial of coverage for emergency services. Amends the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services may enter into a contract with any third party on a fee-for-service reimbursement model for the purpose of administering pharmacy benefits. Requires the Department to ensure coordination of care between the third-party administrator and managed care organizations as a consideration in any contracts established. Amends the Freedom of Information Act to exempt from disclosure certain information pharmacy benefits managers are required to provide under the Illinois Public Aid Code. Contains a severability provision.

House Floor Amendment No. 2

Deletes reference to:

215 ILCS 134/65

Adds reference to:

5 ILCS 140/7

Adds reference to:

215 ILCS 134/10

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following changes: Further amends the Illinois Insurance Code. In a provision concerning contracts between health insurers and pharmacy benefit managers, provides that such contracts must require pharmacy benefit managers to: (1) update maximum allowable cost pricing information at least every 7 calendar days; (2) provide access to its maximum allowable cost list to each pharmacy or pharmacy services administrative organization, as defined, subject to the maximum allowable cost list; (4) provide a process by which a contracted pharmacy can appeal the provider's reimbursement for a drug subject to maximum allowable cost pricing; and other matters. Regarding a drug on the maximum allowable cost list, requires pharmacy benefits managers to ensure that: (i) if a drug is a generically equivalent drug, it is listed as therapeutically equivalent and pharmaceutically equivalent to certain rating standards; (ii) the drug is available for purchase by each pharmacy in the State from national or regional wholesalers operating in Illinois; and (ii) the drug is not obsolete (rather than requiring a drug to have at least 3 or more nationally available, therapeutically equivalent, multiple source generic drugs with a significant cost difference and be available for purchase without limitations by all pharmacies in the State from national or regional wholesalers). Permits the Director of Insurance to examine a pharmacy benefit manager's designee, representative, or other specified persons (rather than any individual) about the business of the pharmacy benefit manager. Contains provisions concerning the denial of a pharmacy benefits manager's registration application or the suspension or revocation of a pharmacy benefits manager's registration. Defines terms. Further amends the Managed Care Reform and Patient Rights Act. Makes changes to the definition of "emergency medical condition". Removes changes made to a provision concerning the denial of coverage and payment for emergency services provided without prior authorization or an approved plan. Further amends the Illinois Public Aid Code. Makes changes to certain reporting requirements imposed on the Director of Healthcare and Family Services. Requires a pharmacy benefit manager to make certain disclosures to the Department of Healthcare and Family Services upon request. Requires a pharmacy benefit manager to make certain written disclosures to a pharmacy provider or pharmacy services administrative organization. Defines "pharmacy services administrative organization." Requires the Department to adopt rules establishing reasonable dispensing fees for fee-for-service payments in accordance with guidance or guidelines from the federal Centers for Medicare and Medicaid Services.

625 ILCS 5/1-144.01 new

625 ILCS 5/11-1412.3 new

Amends the Illinois Vehicle Code. Defines "mobile carrying device". Provides that a mobile carrying device may be operated on a sidewalk or crosswalk so long as it is operated in accordance with local ordinances, a personal property owner is actively monitoring its operation and navigation, and it is equipped with a braking system that enables it to perform a controlled stop. Prohibits a personal property owner operating a mobile carrying device from failing to comply with traffic or pedestrian control devices and signals, unreasonably interfering with pedestrians or traffic, transporting hazardous materials, or operating on a street or highway other than in a crosswalk. Provides that a mobile carrying device has the rights and obligations applicable to a pedestrian in the same circumstances, except that it shall yield the right-of-way to pedestrians on a sidewalk or crosswalk. Effective immediately.

House Committee Amendment No. 1

Adds reference to:

625 ILCS 5/1-144.02 new

Adds reference to:

625 ILCS 5/11-208

from Ch. 95 1/2, par. 11-208

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Defines "mobile carrying device operator". Specifies that a "mobile carrying device" is primarily designed to remain within 10 (instead of 25) feet of the personal property owner. Provides that a local authority may reasonably regulate the operation of mobile carrying devices in its jurisdiction. Provides that an operator of a mobile carrying device (rather than the device itself) has the rights and obligations applicable to a pedestrian in the same circumstances and shall ensure that a mobile carrying device shall yield the right-of-way to pedestrians on a sidewalk or crosswalk. Provides that a personal property owner may not use a mobile carrying device to transport a person. Provides that a mobile carrying device operator who is not a natural person shall register with the Secretary of State. Provides that no contract seeking to exempt a mobile carrying device operator from liability for injury, loss, or death caused by a mobile carrying device shall be valid, and that contractual provisions limiting the choice of venue or forum, shortening the statute of limitations, shifting the risk to the user, limiting the availability of class actions, or obtaining judicial remedies shall be invalid and unenforceable. Effective immediately.

Amends the Care of Students with Diabetes Act. Provides that a school may maintain a supply of glucagon medication in any secure location that is accessible before, during, or after school where a student is most at risk, including, but not limited to, a classroom or the nurse's office; defines "glucagon medication" and "undesignated glucagon medication". Provides that a physician, a physician assistant who has prescriptive authority, or an advanced practice registered nurse who has prescriptive authority may prescribe undesignated glucagon medication in the name of the school to be maintained for use when necessary. Allows a delegated care aide to carry undesignated glucagon medication. Provides that within 24 hours after the administration of undesignated glucagon medication, a school must notify the school nurse and the student's parent or guardian or emergency contact, if known, and health care provider of its use. Effective immediately.

House Committee Amendment No. 1

Removes the definition of "glucagon medication". Changes the definition of "undesignated glucagon medication" to "undesignated glucagon"; makes conforming changes. Removes a provision allowing a delegated care aide to carry undesignated glucagon on his or her person while in school or at a school-sponsored activity. Allows a school to maintain a supply of glucagon in any secure location that is immediately accessible to a school nurse or delegated care aide (rather than in any secure location that is accessible before, during, or after school where a student is most at risk). Provides that a school nurse or delegated care aide may administer undesignated glucagon if he or she is authorized to administer the undesignated glucagon through a student's diabetes care plan and if the student's prescribed glucagon is not available on-site or has expired. Provides that immediately (rather than within 24 hours) after the administration of undesignated glucagon, a school must notify the school nurse (unless the school nurse was the one administering it) and the student's parent or guardian or emergency contact, if known, and health care provider of its use.

Amends the Probate Act of 1975. Defines "administrative separation". Provides that a court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if it finds that the minor has a living parent whose parental rights have not been terminated, unless, among other things, the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit. Provides that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent whose parental rights have not been terminated, unless, among other things, the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit. Makes conforming changes. Effective immediately.

House Floor Amendment No. 1

755 ILCS 5/11-10.1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: (1) changes the definition of "administrative separation"; (2) provides that the court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if the minor has a living parent, adoptive parent, or adjudicated parent, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions, unless the parent or parents, due to an administrative separation, are unable to give consent to the appointment in person or by a notarized, written document as evidenced by a sworn affidavit describing the parent's or parents' inability to receive notice or give consent (rather than the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent); (3) deletes language providing that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent, adoptive parent, or adjudicated parent whose whereabouts are known, and who is willing to carry out day-to-day child care decisions unless the parent or parents in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent; (4) provides that a short-term guardian who was appointed as the result of an administrative separation may renew a short-term guardianship for an additional 365 days from the date the initial appointment expires if the administrative separation is still in effect, unless the written instrument provides for the appointment to terminate upon a different date or event; (5) deletes language providing that the petition for guardian or standby guardian of a minor must state the facts concerning any administrative separation proceeding; (6) provides specific facts that the petition for guardian or standby guardian of a minor must include and that documentation related to an administrative separation shall be attached to the petition as an exhibit; and (7) deletes language providing that failure to give notice to any relative or parent out of the country is not jurisdictional if the petitioner can attest to specific factors. Makes conforming changes. Effective immediately.

Amends the Equal Pay Act of 2003. Provides that it is unlawful for an employer to require an employee to sign a contract or waiver that would prohibit the employee from disclosing or discussing the employee's wage or salary; however, an employer may prohibit a human resources employee, a supervisor, or any other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing such information without prior written consent from the employee whose information is sought or requested. Provides that it is unlawful for an employer to seek the wage or salary history of a prospective employee from the prospective employee or a current or former employer or to require that a prospective employee's prior wage or salary history meet certain criteria, with some exceptions. Provides that an employer against whom an action is brought alleging a violation of the Act's prohibition against gender-based wage differentials and who, within the previous 3 years and prior to the commencement of the action, has completed a self-evaluation of the employer's pay practices in good faith and can demonstrate that reasonable progress has been made toward eliminating wage differentials based on gender for the same or substantially similar work in accordance with that evaluation shall have an affirmative defense to liability. Provides that an employer who cannot demonstrate that the evaluation was reasonable in detail and scope shall not be entitled to an affirmative defense, but shall not be liable for any civil fine in excess of: (1) \$500 per employee affected, if the employer has fewer than 4 employees; or (2) \$2,500 per employee affected, if the employer has 4 or more employees. 605 ILCS 10/11

from Ch. 121, par. 100-11

Amends the Toll Highway Act. Provides that, if the acquisition, construction, relocation, operation, regulation, or maintenance of a toll highway requires the relocation of public utilities due to the elimination of a tollway oasis bridge, the Illinois Highway Authority must conduct an assessment in order to determine the most cost-effective means of providing utility service to associated tollway property that remains. Provides that such an assessment shall include an estimate of the total cost of the required relocation of the utilities, an examination of alternative options for the provision of utilities to the relevant tollway property, and the associated costs of each. Provides that, if the assessment indicates that the most cost-effective means of providing utility service to tollway property is via the adjacent municipality, the Authority shall require that the relevant utilities be provided to the tollway property by the adjacent municipality, which shall be appropriately compensated from the sales tax proceeds generated from the subject tollway property. Provides for an intergovernmental agreement to effectuate adequate compensation for the adjacent municipality. Provides that, when a tollway oasis bridge is eliminated, the Authority must conduct an assessment in order to determine the impacts the modification will have on adjacent municipalities and whether, in the interest of equity, such adjacent municipalities should share in any sales tax revenues. Provides that the analysis shall consider several specific criteria relating to pollution, private nuisance, frequency of usage, and the need for public services. Provides that, if the Authority determines that any municipality adjacent to the tollway property is substantially impacted by activities or businesses conducted on the property, it shall be appropriately compensated. Provides that the Authority, the municipality wherein the tollway property is located, and the impacted adjacent municipality shall enter into an intergovernmental agreement to effectuate the requirements and provide for adequate compensation.

Amends the Workers' Compensation Act. In a provision creating the Illinois Workers' Compensation Commission, provides that each Commissioner appointed on or after the effective date of the amendatory Act shall be required to be authorized to practice law in this State by the Illinois Supreme Court and to maintain this authorization throughout his or her term of employment. Removes a provision that requires Commissioner candidates, other than the Chairman, to: (i) be licensed to practice law in the State of Illinois; (ii) have served as an arbitrator at the Illinois Workers' Compensation Commission for at least 3 years; or (iii) have at least 4 years of professional labor relations experience. Provides that each Commissioner appointed on or after the effective date of the amendatory Act shall receive an annual salary of 70% of a Circuit Court Judge in the Judicial Court constituted by the First Judicial District under the Salaries Act and the Chairman shall receive an annual salary of 5% more than the other Commissioners. Provides that the performance of all arbitrators shall be reviewed by the Chairman every other year, or more at the discretion of the Chairman (rather than the performance of all arbitrators shall be reviewed by the Chairman on an annual basis). Amends the Illinois Public Aid Code. Provides that the medical assistance program shall cover community-based pediatric palliative care from a trained interdisciplinary team. Amends the Pediatric Palliative Care Act. Repeals a provision that made the Act inoperative on and after July 1, 2012. Requires the Department of Healthcare and Family Services to develop a pediatric palliative care program (rather than a pediatric palliative care pilot program) under which a qualifying child may receive community-based pediatric palliative care from a trained interdisciplinary team and may also choose to continue to pursue aggressive curative or disease-directed treatments for a serious (rather than a potentially life-limiting) illness under the benefits available under the Illinois Public Aid Code. Defines a qualifying child to be a person under the age of 19 (rather than 18) who is enrolled in the medical assistance program and suffers from a serious illness (rather than a potentially life-limiting medical condition). Contains provisions concerning a State Plan amendment; prohibited Department rules; pediatric interdisciplinary teams; reimbursable services offered under the pediatric palliative care program; standards for and technical assistance to managed care organizations; reporting requirements; criteria a case manager must meet for demonstrated expertise in pediatric palliative care; and other matters.

Amends the Biometric Information Privacy Act. Changes the term of "written release" to "written consent". Provides that the written policy that is developed by a private entity in possession of biometric identifiers shall be made available to the person from whom biometric information is to be collected or was collected (rather than to the public). Provides that an action brought under the Act shall be commenced within one year after the cause of action accrued if, prior to initiating any action against a private entity, the aggrieved person provides a private entity 30 days' written notice identifying the specific provisions the aggrieved person alleges have been or are being violated. Provides that if within the 30 days the private entity actually cures the noticed violation and provides the aggrieved person an express written statement that the violation has been cured and that no further violations shall occur, no action for individual statutory damages or class-wide statutory damages may be initiated against the private entity. Provides that if a private entity continues to violate the Act in breach of the express written statement, the aggrieved person may initiate an action against the private entity to enforce the written statement and may pursue statutory damages for each breach of the express written statement and any other violation that postdates the written statement. Provides that a prevailing party may recover: against a private entity that negligently violates the Act, actual damages (rather than liquidated damages of \$1,000 or actual damages, whichever is greater); or against a private entity that willfully (rather than intentionally or recklessly) violates the Act, actual damages plus liquidated damages up to the amount of actual damages (rather than liquidated damages of \$5,000 or actual damages, whichever is greater). Provides that the Act does not apply to a private entity if the private entity's employees are covered by a collective bargaining agreement that provides for different policies regarding the retention, collection, disclosure, and destruction of biometric information. Makes other changes.

Urges the State to redouble its efforts to work with the federal government, local governments, the private sector, civil society, schools, students, farmers, ranchers, fishing communities, and sportsmen to conserve the land, rivers, and lakes of Illinois for present and future generations to enjoy, taking into account a wide range of flexible and enduring conservation solutions that will improve access to nature for all people within Illinois, especially for communities that have historically lacked access to natural spaces. Further urges the State to pursue this goal in a way that protects private property rights and traditional land uses and enables landowners to pass down the working land of those landowners to the next generation.
