New Act

740 ILCS 110/4 from Ch. 91 1/2, par. 804

Creates the Suicide Prevention Act. Provides that for a person 18 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist shall identify a family member or other person who shall consult with the therapist every 30 days following a suicide attempt for the period of one year. Provides that the period may be extended by the therapist based on need. Provides that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health. Provides that except as otherwise prohibited by the federal Health Insurance Portability and Accountability Act of 1996, a therapist is not criminally or civilly liable for disclosing the recipient's therapy or for discussing the progress of the recipient toward mental health to a person designated under the Act. Defines various terms. Amends the Mental Health and Developmental Disabilities Confidentiality Act to make conforming changes.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, except provides that for a person 12 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist may share mental health information with family members, friends, or others involved in the recipient's care, if the recipient agrees or does not object, and the information is relevant to the family member, friend, or caregiver's involvement with the recipient's healthcare or the payment for that care (rather than for a person 18 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist shall identify a family member or other person who shall consult with the therapist every 30 days following a suicide attempt for the period of one year that may be extended by the therapist based on need and that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health). Provides that the therapist must: (1) ask the recipient's permission to share relevant information with family members, friends, or other caregivers; (2) tell the recipient he or she plans to discuss the information, (3) give the recipient an opportunity to agree or object; or may infer from the circumstances, using professional judgment, that the recipient does not object, and (4) determine that the sharing of relevant information is in the recipient's best interest. Provides that the family, friends, or caregivers may consult with the therapist every 30 days following a suicide attempt for the period of one year. Provides that the period may be extended by the therapist based on need. Provides that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health. In the amendatory provisions of the Mental Health and Developmental Disabilities Confidentiality Act, provides that the person designated by a therapist under the Suicide Prevention Act to be consulted on the progress of a recipient of mental health services who has attempted suicide may be consulted only to the extent the information is necessary for the family member, friend, or caregiver's involvement with the recipient's health care or the payment for that care and consistent with the therapist's professional judgment that the consultation is in the recipient's best interest.

Fiscal Note, House Committee Amendment No. 1 (Office of the Attorney General)

The proposed legislation, HB 1633 (H-AM 1) would not have a significant fiscal impact on our Office as the new offenses established by this bill would primarily be handled by local county State's Attorney Offices. Fiscal impact: Minimal

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (Illinois State Police)

If House Bill 1633 (H-AM 1) were to become law, there would be no additional fiscal impact to the Illinois State Police.

(Sen. Christopher Belt, Paul Schimpf, Rachelle Crowe-Neil Anderson and Cristina Castro)

20 ILCS 5/5-715

Amends the Departments of State Government Law. Provides that expedited temporary occupational or professional licenses issued to service members and the spouses of service members meeting specified requirements shall be valid for 3 years (currently, valid 6 months) after the date of issuance or until a license is granted or a notice to deny a license is issued in accordance with rules adopted by the department issuing the license, whichever occurs first. Provides that the required fee paid in the application process for an expedited temporary occupational or professional license issued to service members and the spouses of service members shall be refundable (currently, not refundable).

House Committee Amendment No. 2

Representative Tony McCombie
HB 01652 (CONTINUED)

Replaces everything after the enacting clause. Amends the Departments of State Government Law of the Civil Administrative Code of Illinois. Provides that the Department of Financial and Professional Regulation shall within 180 days after the effective date of this amendatory Act designate one staff member as the military liaison within the Department of Financial and Professional Regulation to ensure proper enactment of specified requirements. Specifies additional responsibilities of the military liaison. Provides that beginning in 2020, and at the end of each calendar year thereafter, the military liaison shall provide an annual report documenting the expedited licensure program for service members and spouses, and shall deliver that report to the Secretary of Financial and Professional Regulation and the Lieutenant Governor. Provides that an application for a temporary occupational or professional license, presented with military orders from a service member or his or her spouse (or an equivalent memorandum from the service member's commander) which provides evidence that the service member will reside in this State within 6 months after the date of application for temporary occupational or professional licensure, shall be expedited within 60 days after the date on which the applicant provides all necessary documentation required for licensure. Provides that an expedited temporary occupational or professional license shall be issued to any service member or his or her spouse meeting the application requirements, regardless of whether the service member or his or her spouse currently resides in this State. Provides that if a service member or his or her spouse relocates from this State, he or she shall be provided an opportunity to place his or her license in inactive status through coordination with the military liaison. Provides that if the service member or his or her spouse returns to this State, he or she may reactivate the license by completing a license renewal application. Provides that the license renewal shall be expedited and completed within 30 days after receipt of a completed application for renewal. Provides that a license renewal is only applicable when the valid license for which the first issuance of a license was predicated is still valid and in good standing. Makes changes concerning specified proof to be provided in an application for expedited licensure. Modifies the term "service member" to include members of the Coast Guard. Makes other changes.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with changes. Modifies the additional responsibilities of the military liaison to include virtual, phone, or in-person periodic meetings with each military installation military and family support center. Provides for expedited occupational or professional licenses (rather than temporary occupational or professional licenses). Removes provisions requiring a service member or his or her spouse to present military orders as evidence of residence in order to receive a temporary expedited license. Restores provisions requiring a service member or his or her spouse to include proof of an application for full licensure as a part of his or her expedited license application. Strikes a provision concerning the duration of a temporary expedited license issued to a service member or his or her spouse. Modifies provisions concerning the reactivation (rather than renewal) of a license by a service member or his or her spouse. Makes other changes.

House Floor Amendment No. 4

Provides that the review and determination (currently, review only) of an application for a license issued by a department shall be expedited by the department within 60 days after the date on which the applicant provides the department with all necessary documentation required for licensure. Removes a requirement specifying that an application to reactivate a license must include proof that the service member is assigned to a duty station in this State, is deployed overseas, or has orders (or a letter from his or her commander) designating that the service member shall be assigned within 180 days to a duty station in this State, or has established legal residence in this State. Makes conforming changes.

Senate Committee Amendment No. 1

Restores provisions specifying that fees paid by applicants for expedited occupational or professional licenses issued to service members and spouses of service members shall not be refundable.

815 ILCS 530/1

Amends the Personal Information Protection Act. Makes a technical change in a Section concerning the short title.

House Committee Amendment No. 2

Deletes reference to:

815 ILCS 530/1

Adds reference to:

New Act

Replaces everything after the enacting clause. Creates the Data Transparency and Privacy Act. Finds that individuals have a right to privacy in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Provides for enforcement by the Attorney General. Effective April 1, 2020.

Fiscal Note, House Committee Amendment No. 2 (Office of the Attorney General)

The proposed legislation, HB 3358 (H-AM 2) may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be \$86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total \$77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from \$164,078, for one attorney, up to \$494,234 for three attorneys.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Creates a Data Transparency and Privacy Act different than that contained in House Amendment No. 2. Finds that individuals have a right to privacy and a personal property interest in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Exempts from the protections information collected while a natural person is acting in an employment context. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Creates exemptions for certain retail transactions, credit arrangements, and government program utilization. Provides for enforcement by the Attorney General. Provides that there is no private right of action to enforce the Act. Effective April 1, 2020.

New Act

735 ILCS 5/17-101 from Ch. 110, par. 17-101
735 ILCS 5/17-102 from Ch. 110, par. 17-102

735 ILCS 5/17-106 from Ch. 110, par. 17-106

Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law; service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil Procedure. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not brought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Senate Floor Amendment No. 2

Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out (rather than brought) pursuant to a provision regarding cotenant buyout, a party of the property representing the combined interests of those cotenants as determined by the court.

HB 03888 (CONTINUED)

Amends the Environmental Protection Act. Provides requirements for the prohibition of the conduct of ethylene oxide sterilization operations or other activities that emit ethylene oxide (and, for ethylene oxide sterilization sources, propylene oxide). Requires entities to submit a plan to the Environmental Protection Agency describing how they will continuously collect emissions information. Provides requirements for emissions monitoring and testing. Requires specified hospitals to submit a plan to the Agency describing how the hospital will phase out the emissions of ethylene oxide by an established deadline. Provides that when issuing permits to ethylene oxide sterilization sources, hospitals, and ethylene oxide emissions sources, the Agency shall include limitations on the amount of ethylene oxide that may be stored on-site to protect public health, public safety, and the environment. Requires storage of ethylene oxide in excess of 100 pounds to be underground. Provides that the unit of local government in which an ethylene oxide sterilization source, hospital, or ethylene oxide emissions source is located may regulate the storage and location of ethylene oxide in a manner that is more restrictive or matches the standards established by the Agency. Requires the Agency to set annual emissions limitations on ethylene oxide for all ethylene oxide emissions sources. Provides that, on and after January 1, 2022, the maximum cumulative emissions from any sum of ethylene oxide emissions sources located within 3 and one half miles of each other shall not exceed 35 pounds annually. Requires the Agency to conduct a comprehensive review of ethylene oxide use and emissions within the State and to submit its findings in a report to the General Assembly. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines and refers to the term "densely populated location" rather than "densely populated region". Provides that the terms "ethylene oxide emissions source" and "ethylene oxide sterilization source" are limited to stationary sources. Provides that on and after January 1, 2021, no ethylene oxide sterilization source in a remote location shall emit more than 30 pounds of ethylene oxide or 30 pounds of propylene oxide annually. Removes language allowing units of local government to create more restrictive standards for ethylene oxide storage. Provides that, prior to issuing specified permits, the Environmental Protection Agency shall require submission of documentation demonstrating that the permit applicant is in compliance with laws governing the storage of ethylene oxide. Requires all permits issued by the Agency to grant the Agency the authority to modify them to change storage limitations, modify storage practices or equipment requirements, and grant the Agency the right to conduct unannounced inspections. Requires the Agency to conduct at least one unannounced inspection annually of the ethylene oxide storage system for each permit holder. Provides that owners or operators of ethylene oxide sterilization sources or ethylene oxide emissions sources shall provide the Agency with specified materials within 10 (currently, 3) business days after receiving the Agency's conditional acceptance or denials of their plans. Removes provisions regarding the emission of more than 30 pounds of ethylene oxide or propylene oxide by an ethylene oxide emissions source meeting specified location requirements. Removes provisions that only permit the storage of ethylene oxide in excess of 100 pounds if it is underground. Provides that on and after January 1, 2023 (currently, January 1, 2025) critical access hospitals shall not conduct ethylene oxide sterilization operations in a densely populated location. Requires entities conducting ethylene oxide sterilization operations to submit a letter (currently, a plan) to the Agency. Removes provisions regarding a hospital's requirements concerning the plan. Provides that, on and after January 1, 2021, no ethylene oxide emissions source in a remote location shall conduct operations or other activities that emit ethylene oxide in excess of 30 pounds annually and 3 pounds monthly (currently, only 30 pounds annually). Prohibits ethylene oxide emissions sources from conducting operations or other activities that emit ethylene oxide in excess of 150 pounds annually. Requires the submission or resubmission of a risk management plan to the Agency by specified dates. Removes language requiring the Agency to conduct its comprehensive review within 180 days of the amendatory Act's effective and instead requires the Agency to submit and make publicly available its report on or before June 30, 2021. Provides that if multiple applicants request to emit ethylene oxide in a collective sum that is greater than the annual collective maximum regional emissions, the Agency shall prioritize applicants seeking to provide medical services. Makes other changes. Effective immediately.

New Act

Creates the Student Athlete Endorsement Act. Prohibits (i) an institution of higher learning from upholding any rule, requirement, standard, or other limitation that prevents a student athlete of that institution from earning compensation as a result of the use of the student's name, image, or likeness and earning compensation from the use of a student athlete's name, image, or likeness from affecting the student's scholarship eligibility; (ii) an athletic association, conference, or other group or organization with authority over intercollegiate athletics from preventing a student athlete of an institution from earning compensation as a result of the use of the student's name, image, or likeness; (iii) an athletic association, conference, or other group or organization with authority over intercollegiate athletics from preventing an institution from participating in intercollegiate athletics as a result of the compensation of a student athlete for the use of the student's name, image, or likeness; and (iv) an institution, athletic association, conference, or other group or organization with authority over intercollegiate athletics from providing a prospective student athlete with compensation in relation to the athlete's name, image, or likeness. Sets forth provisions concerning professional representation and contracts. Effective January 1, 2023.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill with the following changes. Changes the definition of "institution" to mean a publicly or privately operated college or university located in this State that offers baccalaureate degrees (rather than providing that "institution" has the meaning given to that term under the Higher Education Student Assistance Act). Provides that professional representation provided by an athlete agent to a student athlete shall be by a person licensed pursuant to the Illinois Athlete Agents Act. Effective January 1, 2023.

from Ch. 91 1/2, par. 804

Creates the Suicide Prevention Act. Provides that for a person 18 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist shall identify a family member or other person who shall consult with the therapist every 30 days following a suicide attempt for the period of one year. Provides that the period may be extended by the therapist based on need. Provides that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health. Provides that except as otherwise prohibited by the federal Health Insurance Portability and Accountability Act of 1996, a therapist is not criminally or civilly liable for disclosing the recipient's therapy or for discussing the progress of the recipient toward mental health to a person designated under the Act. Defines various terms. Amends the Mental Health and Developmental Disabilities Confidentiality Act to make conforming changes.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, except provides that for a person 12 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist may share mental health information with family members, friends, or others involved in the recipient's care, if the recipient agrees or does not object, and the information is relevant to the family member, friend, or caregiver's involvement with the recipient's healthcare or the payment for that care (rather than for a person 18 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist shall identify a family member or other person who shall consult with the therapist every 30 days following a suicide attempt for the period of one year that may be extended by the therapist based on need and that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health). Provides that the therapist must: (1) ask the recipient's permission to share relevant information with family members, friends, or other caregivers; (2) tell the recipient he or she plans to discuss the information, (3) give the recipient an opportunity to agree or object; or may infer from the circumstances, using professional judgment, that the recipient does not object, and (4) determine that the sharing of relevant information is in the recipient's best interest. Provides that the family, friends, or caregivers may consult with the therapist every 30 days following a suicide attempt for the period of one year. Provides that the period may be extended by the therapist based on need. Provides that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health. In the amendatory provisions of the Mental Health and Developmental Disabilities Confidentiality Act, provides that the person designated by a therapist under the Suicide Prevention Act to be consulted on the progress of a recipient of mental health services who has attempted suicide may be consulted only to the extent the information is necessary for the family member, friend, or caregiver's involvement with the recipient's health care or the payment for that care and consistent with the therapist's professional judgment that the consultation is in the recipient's best interest.

Makes the provisions removing the requirement of passage of a test of basic skills applicable until June 30, 2025. Provides that, on or before July 1, 2025, the State Board of Education must reevaluate the method it uses to score a content area knowledge test and may adopt rules to make any changes to those methods. Removes the provision requiring a candidate in a teacher preparation program to receive a letter grade of at least a "C", or its equivalent, in his or her student teaching program to obtain the license. Makes conforming changes. Adds an immediate effective date (rather than a July 1, 2020 effective date).

Amends the Equal Pay Act of 2003. Provides that it is unlawful for an employer to require an employee to sign a contract or waiver that would prohibit the employee from disclosing or discussing the employee's wage or salary; however, an employer may prohibit a human resources employee, a supervisor, or any other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing such information without prior written consent from the employee whose information is sought or requested. Provides that it is unlawful for an employer to seek the wage or salary history of a prospective employee from the prospective employee or a current or former employer or to require that a prospective employee's prior wage or salary history meet certain criteria, with some exceptions. Provides that an employer against whom an action is brought alleging a violation of the Act's prohibition against gender-based wage differentials and who, within the previous 3 years and prior to the commencement of the action, has completed a self-evaluation of the employer's pay practices in good faith and can demonstrate that reasonable progress has been made toward eliminating wage differentials based on gender for the same or substantially similar work in accordance with that evaluation shall have an affirmative defense to liability. Provides that an employer who cannot demonstrate that the evaluation was reasonable in detail and scope shall not be entitled to an affirmative defense, but shall not be liable for any civil fine in excess of: (1) \$500 per employee affected, if the employer has fewer than 4 employees; or (2) \$2,500 per employee affected, if the employer has 4 or more employees. Provides that if an employee recovers unpaid wages under the Act and also files a complaint or brings a sex discrimination action under the federal Fair Labor Standards Act of 1938 that results in additional recovery under federal law for the same violation, the employee shall return to the employer the amounts recovered under State law or the amounts recovered under federal law, whichever is less.

105 ILCS 5/21B-30

Amends the Educator Licensure Article of the School Code. With regard to applicants seeking a Professional Educator License or an Educator License with Stipulations provides that all applicants completing Illinois-approved, teacher education or school service personnel preparation programs shall be required to pass the State Board of Education's recognized test of basic skills (rather than requiring passage of the test prior to starting their student teaching or starting the final semester of their internship). Provides that if an applicant completing a teacher education or school service personal preparation program fails the test of basic skills the first time he or she takes the test, the applicant may complete a full school year of student teaching or of an internship instead of being required to pass the test. Provides that an institution of higher learning may not require an applicant to complete the test of basic skills prior to completing a semester of student teaching or of an internship (rather than prior to the semester before student teaching or prior to the semester before starting the final semester of an internship). Provides that an individual who completes a full school year of student teaching or of an internship is not required to pass the test of basic skills again for subsequent endorsements or other educator licenses. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following change: Restores current law prohibiting an institution of higher learning from requiring an applicant to complete the test of basic skills prior to the semester before student teaching or prior to the semester before starting the final semester of an internship (rather than prior to completing a semester of student teaching or of an internship). Effective immediately.

New Act
105 ILCS 5/27A-5
30 ILCS 805/8.43 new

Representative Dave Severin
HB 01475 (CONTINUED)

Creates the Seizure Smart School Act. Provides for legislative findings and defines terms. Requires the parent or guardian of a student with epilepsy who seeks assistance with epilepsy-related care in a school setting to submit a seizure action plan with the student's school. Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with epilepsy in accordance with the student's seizure action plan. Requires training for school employees and delegated care aides. Requires that an information sheet be provided to any school employee who transports a student with epilepsy to a school-sponsored activity. Provides that a school district may not restrict the assignment of a student with epilepsy to a particular school on the basis that the school does not have a full-time school nurse and a school may not deny a student access to the school or any school-related activity on the basis that the student has epilepsy. Provides for school employee protection against retaliation, immunity, and rights under federal law. Amends the Charter Schools Law of the School Code to make a related change. Amends the State Mandates Act to require implementation without reimbursement.

House Committee Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change to the legislative findings. Changes the definition of "delegated care aide" to mean a school employee or paraprofessional who has agreed to receive training in epilepsy and assist a student in implementing his or her seizure action plan and who has entered into an agreement with a parent or guardian of that student. Limits the definition of "school employee" to include, among other persons, a person who is employed by a school district or school as a principal, administrator, guidance counselor, or teacher. Provides that the training of a delegated care aide shall include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America and training for school employees must be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America (rather than requiring training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment No. 3 with the following changes. Provides that the definition of "school employee" may not be interpreted to require a school district, charter school, or nonpublic school to hire additional personnel for the sole purpose of the personnel to serve as a delegated care aide. Provides that if a student has been managing his or her epilepsy care in a school setting before the effective date of the Act, the student's parent or guardian may (rather than must) sign and submit a seizure action plan with the student's school. Provides that it is the responsibility of a student's parent or guardian to share the health care provider's instructions on the student's epilepsy management during the school day. Removes a provision requiring the seizure action plan to include the treating physician's, advanced practice registered nurse's, or physician assistant's instructions on the student's epilepsy management during the school day. Provides that a student's parent or guardian is responsible for informing the school, in a timely manner, of any changes to the student's seizure action plan and emergency contact information. Provides that the principal of a school shall facilitate the school's compliance with the provisions of a student's seizure action plan (rather than ensure that the school has at least one delegated care aide present and available at the school during all school hours and during school-sponsored activities). Provides that the training for school employees must be fully consistent with the best practice guidelines issued by the Centers for Disease Control and Prevention. Provides that the training of a delegated care aide must be provided by a licensed health care provider with an expertise in epilepsy or an epilepsy educator who has successfully completed the relevant curricula offered by the Centers for Disease Control and Prevention (rather than must include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America). Makes other changes. Effective July 1, 2020.

House Floor Amendment No. 5

Removes a provision requiring training for school employees to be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America.

Amends the School Code. With regard to criminal history records checks and checks of the Statewide Sex Offender Database and Statewide Murderer and Violent Offender Against Youth Database, provides that if a criminal history records check or check of the Statewide Sex Offender Database or Statewide Murderer and Violent Offender Against Youth Database is performed by a regional superintendent for an applicant seeking employment as a substitute teacher with a school district, the regional superintendent may disclose to the State Board of Education whether the applicant has been issued a certificate based on those checks. Replaces everything after the enacting clause. Amends the Children and Family Services Act. Provides that whenever a child is placed in the custody or guardianship of the Department of Children and Family Services or a child is returned to the custody of a parent or guardian and the court retains jurisdiction of the case, the Department must ensure that the child is up to date on his or her well-child visits, including age-appropriate immunizations, or that there is a documented religious or medical reason the child did not receive the immunizations. Provides that whenever a child has been placed in foster or substitute care by court order and the court later determines that the child can return to the custody of his or her parent or guardian, the Department must complete, prior to the child's discharge from foster or substitute care, a home safety checklist to ensure that the conditions of the child's home are sufficient to ensure the child's safety and well-being, as defined in Department rules and procedures. Provides that at a minimum, the home safety checklist shall be completed within 24 hours prior to the child's return home and completed again or recertified in the absence of any environmental barriers or hazards within 5 working days after a child is returned home and every month thereafter until the child's case is closed pursuant to the Juvenile Court Act of 1987. Provides that when a court determines that a child should return to the custody or guardianship of a parent or guardian, any aftercare services provided to the child and the child's family by the Department or a purchase of service agency shall commence on the date upon which the child is returned to the custody or guardianship of his or her parent or guardian. If multiple children are returned at different times to the custody or guardianship of the parent or guardian, requires aftercare services to commence on the date upon which the last child returns home. Amends the Abused and Neglected Child Reporting Act. Provides that when a report is made by a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior indicated report of abuse or neglect and a prior open service case involving any member of the household, the Department must, at a minimum, accept the report as a child welfare services referral. Requires a child protective services investigation if the family refuses to cooperate or refuses access to the home or children and if the facts otherwise meet the criteria to accept a report. Provides that beginning one year after the effective date of the amendatory Act, and every 2 years thereafter, the Auditor General shall conduct a performance and compliance audit of the Department of Children and Family Services to determine whether the Department is meeting the requirements under the amendatory Act. Provides that upon completion of each audit, the Auditor General shall report its findings to the General Assembly. Requires the Auditor General's report to include any issues or deficiencies and recommendations.

House Floor Amendment No. 2

Requires the Auditor General to commence a performance audit (rather than conduct a performance and compliance audit) of the Department of Children and Family Services one year after the effective date of the amendatory Act (rather than one year after the effective date of the amendatory Act and every 2 years thereafter) to determine whether the Department is meeting the requirements set forth in the amendatory Act. Provides that within 2 years after the audit's release, the Auditor General shall commence a follow-up performance audit to determine whether the Department has implemented the recommendations contained in the initial performance audit. Provides that upon completion of each audit, the Auditor General shall report its findings to the General Assembly and the Auditor General's reports shall include any issues or deficiencies and recommendations.

Senate Committee Amendment No. 1

Further amends the Children and Family Services Act. Provides that if children are returned to the custody of a parent at different times, the Department of Children and Family Services or the purchase of service agency shall provide a minimum of 6 months of aftercare services to each child commencing on the date each individual child is returned home (rather than if multiple children are returned at different times to the custody or guardianship of the parent or guardian, aftercare services shall commence on the date upon which the last child returns home). Further amends the Abused and Neglected Child Reporting Act. Provides that when a report is made by a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior indicated report of abuse or neglect, or there is a prior open service case involving any member of the household (rather than there is a prior indicated report of abuse or neglect and a prior open service case involving any member of the household), the Department of Children and Family Services must, at a minimum, accept the report as a child welfare services referral.

New Act

Creates the Vocational Academy Opportunity Act. Creates 2 vocational academies, one located in Cook County and the other in a downstate county, which shall be residential institutions. Provides that each academy shall be a State agency, funded by State appropriations, private contributions, and endowments. Provides that the academies shall be governed by a single Board of Trustees for the collective operation and oversight of the academies. Provides for the membership of the Board. Specifies the duties and powers of the Board. Provides that each academy shall be empowered to lease or purchase real and personal property on commercially reasonable terms for the use by the academy.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

House Bill 27 (H-AM 1) would increase the Evidence-Based Funding (EBF) gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly \$10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be \$7.2 million for each vocational school to be funded at 90% adequacy for a total of \$14.4 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 1).

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

House Bill 27 (H-AM 2) creates the Vocational Academy Opportunity Act and four public vocational academies which shall also be residential institutions. The bill provides that each academy shall be its own school district and funded as a laboratory school from the Evidence-Based Funding (EBF) formula. The local capacity percentage for these new vocational academies in the EBF formula would be set at 10% in the absence of local tax resources. House Bill 27 (H-AM 2) would increase the EBF gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly \$10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19. EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be \$7.2 million for each vocational school to be funded at 90% adequacy for a total of \$28.8 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 2).

Amends the Illinois Governmental Ethics Act. Modifies the definition of "representation case" to include matters before units of local government. Provides that no legislator or employee of a governmental entity may accept or participate in any way in any representation case if the State or unit of local government is an adverse party or if the result is an adverse effect on State or local revenue, State or local finances, or the health, safety, welfare, or relative tax burden of any State resident. Prohibits (rather than allows) participation in a representation case by a person with whom the legislator maintains a close economic association. Provides that no legislator or employee of a governmental entity may derive any income, compensation, or other tangible benefit from providing opinion evidence as an expert against the interests of the State or a unit of local government in any judicial or quasi-judicial proceeding before any administrative agency or court. Provides that a legislator shall officially recuse himself or herself, including a written explanation of the recusal, from any legislative matter in which the legislator or his or her spouse or immediate family member has a financial interest. States the belief that O'Hare International Airport's noise monitoring technology should be coupled with artificial-intelligence software to match the noises perceived by each station at each time to specific individual flight operations and the operations of individual airlines and to gauge the compliance of each individual airline firm with the guidelines set down in the Fly Quiet Program. Calls for a measurable improvement in Fly Quiet compliance no later than January 1, 2021, with further improvements to follow. Urges the Aviation Department of the City of Chicago to select a trusted third party that represents the interests of O'Hare International Airport's noise neighbors and to share the information enumerated in this resolution with this third party. Urges the Aviation Department and the trusted third party to collaborate to develop a rank-ordered chart of each airline firm's compliance with Fly Quiet Program guidelines. Urges the Aviation Department and the trusted third party to give the charts explicit and formal consideration as elements in any decisions made, subsequent to the start of the generation of this data and these charts, on the reallocation of departure gates and support facilities at O'Hare International Airport.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes that include the following. Specifies the number of hours of education required in certain advanced areas specific to public health dentistry and requires that the training program for a public health dental hygienist include a minimum of 29 hours of didactic study in those areas (instead of a minimum of 26 hours of didactic study). Provides that the education in advanced areas specific to public health dentistry may be provided by a statewide dental hygiene association that meets certain requirements. Provides that the didactic study may be taken in compliance with specified continued learning education requirements. Provides that the training program for a public health dental hygienist must require completion of 5 hours of didactic courses in the topic areas of special needs dentistry, teledentistry, nutritional needs of geriatric and low income patients, communication techniques with non-English speaking patients, cultural competency, and professional ethics. Provides that the training program must require completion of an 8 hour in-person classroom review (instead of classroom experience) that includes a comprehension exam on specified topics (instead of an outcome assessment examination) and submit certification of successful completion to the supervising dentist. Removes a requirement that the training program require the hygienist to complete an 8-hour, on-site mentoring experience monitored by the dentist who will have a public health supervision agreement with the hygienist. Makes grammatical and other changes.

House Floor Amendment No. 2

Adds reference to:

225 ILCS 25/13.10 new

Removes a provision requiring training programs for public health dental hygienists to operate in a public health setting pursuant to a written public health supervision agreement with a dentist who is working in or has contracted with a local or State government agency or institution or who is providing services as part of a certified school-based program or school-based oral health program. Further amends the Illinois Dental Practice Act. Provides that after completion of a training program for a public health dental hygienist, a public health dental hygienist may operate in a public health setting that meets specified requirements with a dentist who is working in or has contracted with a local or State government agency or institution or who is providing services as part of a certified school-based program or school-based oral health program.

Provides that a business, corporation, or organization may be liable for conspiracy to commit criminal damage to a critical infrastructure facility, criminal trespass to a critical infrastructure facility, or aggravated criminal trespass to a critical infrastructure facility if the business, corporation, or organization sponsors, funds, or pays for an individual who causes substantial harm through the commission of any of those offenses. Provides that criminal damage to a critical infrastructure facility is a Class 3 felony (rather than a Class 1 felony). Provides exemptions. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (Office of the Attorney General)

Correctional Note, House Committee Amendment No. 1 (Dept of Corrections)

The total impact of House Bill 1633, as amended, would result in an increase of 1 offender, with additional marginal costs of \$96,200 over the first ten years after enactment. Amends the Equal Pay Act of 2003. Provides that it is unlawful for an employer to require an employee to sign a contract or waiver that would prohibit the employee from disclosing or discussing the employee's wage or salary; however, an employer may prohibit a human resources employee, a supervisor, or any other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing such information without prior written consent from the employee whose information is sought or requested. Provides that it is unlawful for an employer to seek the wage or salary history of a prospective employee from the prospective employee or a current or former employer or to require that a prospective employee's prior wage or salary history meet certain criteria, with some exceptions. Provides that an employer against whom an action is brought alleging a violation of the Act's prohibition against gender-based wage differentials and who, within the previous 3 years and prior to the commencement of the action, has completed a self-evaluation of the employer's pay practices in good faith and can demonstrate that reasonable progress has been made toward eliminating wage differentials based on gender for the same or substantially similar work in accordance with that evaluation shall have an affirmative defense to liability. Provides that an employer who cannot demonstrate that the evaluation was reasonable in detail and scope shall not be entitled to an affirmative defense, but shall not be liable for any civil fine in excess of: (1) \$500 per employee affected, if the employer has fewer than 4 employees; or (2) \$2,500 per employee affected, if the employer has 4 or more employees. Amends the School Code to make conforming changes and to provide that if a school district having a population of less than 500,000 inhabitants determines that it is necessary for school security purposes and the related protection and safety of pupils and school staff to hire a school resource officer or that personnel costs for school counselors, mental health experts, or school resource officers are necessary, the district may levy a tax or issue bonds as provided under a provision in the Code authorizing a school board to levy a tax or to borrow money and issue bonds for fire prevention, safety, energy conservation, accessibility, school security, and specified repair purposes if funds are not needed for those other purposes. Creates the Water Heater Safety Valve Act. Provides that a manufacturer or supplier of a hot water heater for use in a residential home or facility must supply or attach a temperature mixing valve or other safety valve to the hot water heater or tank that prevents water with a temperature above 130 degrees Fahrenheit from coming from any faucet or other source of water into direct contact with a person. Amends the Illinois Plumbing License Law to provide that a person engaged in plumbing who installs a hot water heater for use in a residential home or facility must supply or attach a temperature mixing valve or other safety valve to the hot water heater or tank that prevents water with a temperature above 130 degrees Fahrenheit from coming from any bathtub faucet, shower faucet, sink faucet, or any other source of water into direct contact with a person.

House Committee Amendment No. 1

Representative Grant Wehrli
HB 03427 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Replaces "hot water heater or tank" with "water heater or tank". Provides that a manufacturer or supplier of a water heater or tank for use in a residence or residential facility located in Illinois (rather than a residential home or facility) must supply or attach a temperature mixing valve or other safety valve that prevents water with a temperature above 120 degrees Fahrenheit (rather than 130 degrees Fahrenheit) from coming into direct contact with a person. Provides that the Department of Public Health shall administer and enforce the provisions of the Act. Provides that any person or entity who violates the Act's provisions shall be liable for a civil penalty of \$500 for the first violation and \$1,000 for each subsequent violation.

Provides that if a firefighter who has more than 10 years of creditable service in a fund enters active service with a different municipality, he or she may elect to participate in the defined contribution plan in lieu of the defined benefit plan. Provides that if a fire chief to whom a specified provision of the Illinois Municipal Code applies (i) first becomes a member on or after January 1, 2020, (ii) is receiving pension payments, and (iii) reenters active service with any municipality that has established a pension fund under the Article, that fire chief may continue to receive pension payments while he or she is in active service, but shall only participate in a defined contribution plan and may not establish creditable service in the pension fund established by that municipality or have his or her pension recomputed. 820 ILCS 112/30

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief.

Senate Committee Amendment No. 1

Representative David A. Welter
HB 00834 (CONTINUED)

Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specified provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.

Senate Floor Amendment No. 2

Provides that a wage differential factor that is not based on sex or a factor that would constitute unlawful discrimination under the Illinois Human Rights Act must account for the differential (instead of "the entire differential").

Modifies the terms "lobby" and "lobbying" to include communications with units of local government for the ultimate purpose of influencing any executive, legislative, or administrative action, and further specifies such actions. Modifies the term "lobbyist" to mean a natural person who, on behalf of any person other than himself or herself, or as any part of his or her duties as an employee of another, undertakes to influence or lobby for any executive, legislative, or administrative action for State government or a unit of local government. Amends the Illinois Governmental Ethics Act to provide that no legislator may engage in lobbying as that term is defined under the Lobbyist Registration Act (currently, as defined under the Illinois Governmental Ethics Act) for compensation.
