Re: Subpoena Duces Tecum dated January 7, 2009 to Friends of Blagojevich
Political Committee (the "FOB Committee")

Dear Ms. Wier:

We represent the FOB Committee. This letter is in response to the Subpoena Duces Tecum dated January 7, 2009 ("Subpoena"), which requests the production of the following: "The names of any and all contributors to [the FOB Committee], including the amount and date of contribution, for the period beginning July 1, 2008 and ending December 31, 2008 in your possession or control."

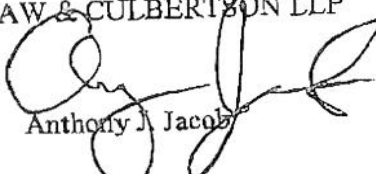

As you know, we received the Subpoena yesterday. Thank for acknowledging that the return date on the Subpoena was unrealistic.

We have attempted to quickly obtain the requested information you requested. As such, the information is still being confirmed. You will find attached a document that contains most of the information you have requested. We are attempting to fully comply with the Subpoena but cannot because there are documents and information requested that are not in our possession or control. The information you request is the type of information that is publicly reported to the Illinois State Board of Elections on a Form D-2. We are working to obtain the documents and information needed to complete the next Form D-2 report that are not in our possession and are still being confirmed.

If you have any questions, please contact myself at (312) 704-3105 or Dan Purdom at (312) 704-3446.

Sincerely,

HINSHAW & CULBERTSON LLP

Anthony J. Jacob

Re: Subpoena Duces Tecum dated January 7, 2009 to Friends of Blagojevich
Political Committee (the "FOB Committee")

Dear Ms. Wier:

We represent the FOB Committee. This letter is in response to the Subpoena Duces Tecum dated January 7, 2009 ("Subpoena"), which requests the production of the following: "The names of any and all contributors to [the FOB Committee], including the amount and date of contribution, for the period beginning July 1, 2008 and ending December 31, 2008 in your possession or control."

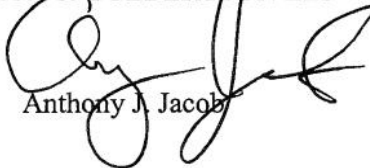

As you know, we received the Subpoena yesterday. Thank for acknowledging that the return date on the Subpoena was unrealistic.

We have attempted to quickly obtain the requested information you requested. As such, the information is still being confirmed. You will find attached a document that contains most of the information you have requested. We are attempting to fully comply with the Subpoena but cannot because there are documents and information requested that are not in our possession or control. The information you request is the type of information that is publicly reported to the Illinois State Board of Elections on a Form D-2.
