(b) Each Legislative District, Representative District, and Congressional District shall, in the following order of priority:

(1) fully comply with the United States Constitution and federal laws, such as the federal Voting Rights Act;

(2) be substantially equal in population;

(3) provide racial minorities and language minorities with the equal opportunity to participate in the political process and elect candidates of their choice;

(7) respect, to the extent practical, geographic integrity of units of local government;

(8) respect, to the extent practical, communities sharing common social or economic interests;

(9) and not discriminate against or in favor of any political party or individual.

(c) No later than August 30 of the year that each federal decennial census occurs, the Chief Justice and the most senior Supreme Court Judge who is not elected from the same political party as the Chief Justice shall select 16 commissioners to form an Independent Redistricting Commission. The commissioners must reflect the ethnic, gender, and racial demographics of Illinois, 14 of the commissioners must represent, in equal number, the two political parties whose gubernatorial candidates received the greatest number of votes in the last gubernatorial election and two of the commissioners must represent neither of those parties. There must be at least two commissioners from each Judicial District.

(d) A person is ineligible to serve on the Commission if within the previous four calendar years the person or his or her spouse or immediate family member was appointed or elected to a position with the State, federal, or local government; is a State employee; is a lobbyist as defined by law; has an ownership interest in an entity with a State or federal contract; or is appointed or elected to serve a political party. A commissioner is ineligible for a period of 10 years to serve in the General Assembly or to be appointed to a position subject to Senate confirmation. Commissioners must file financial disclosure statements and abide by any ethics requirements established by law.

(e) The Commission shall act in public meetings by the affirmative vote of 10 commissioners. The Commission shall elect its chairperson and vice chairperson, who shall not be affiliated with the same political party. Each meeting of the Commission shall be open to the public and there must be public notice at least seven days before a meeting. All records of the Commission, including all communications to or from the Commission regarding the work of the Commission, shall be available for public inspection. Commissioners and staff may not communicate with or receive communications about redistricting matters from anyone outside of a public hearing.

(f) The Commission shall hold at least 20 public hearings throughout the State before adopting a redistricting plan, with a majority occurring before the Commission releases any proposed redistricting plan and at least 10 public hearings must occur throughout the State after the release of any proposed redistricting plan.

The Commission must provide a meaningful opportunity for racial minorities and language minorities to participate in the public hearings, including, but not limited to, issuing notices in multiple languages and ensuring that translation services are available at all hearings at the Commission's expense or through partnership with outside organizations. These public hearings must be open to all members of the public and must be planned to encourage attendance and participation across the State, including the use of technology that allows for real-time, virtual participation and feedback during the hearings. When releasing a proposed redistricting plan, the Commission must also release population data, geographic data, election data, and any other data used to create the plan, when the Commission receives this information. The Commission must also provide terminals for members of the public to access the data and associated software. During the map drawing process, any member of the public may submit maps for consideration to the Commission. Those submissions are public records that are open to comment.

[March 13, 2018]

The Commission may not adopt a redistricting plan until the Commission adopts and publishes a report explaining the plan's compliance with the United States Constitution and Illinois Constitution. Before the adoption of a redistricting plan, the Commission shall release to the public the final plan and its associated compliance report. The meeting to vote on adoption of a redistricting plan shall occur no sooner than 30 days after the release of the final plan and its associated compliance report. All proposed and adopted maps and any data used to develop these maps are public records. The Commission shall maintain a website or other similar electronic platform to disseminate information about the Commission, including records of its meetings and hearings, proposed redistricting plans, assessments and reports on plans, and to allow the public to view its meetings and hearings in both live and archived form. The website or electronic platform must allow the public to submit redistricting plans and comments on redistricting plans to the Commission for its consideration.

(g) The Commission shall adopt and file with the Secretary of State a redistricting plan for the Legislative Districts, Representative Districts, and Congressional Districts by August 1 of the year following the federal decennial census. The Commission may adopt separate redistricting plans for the Legislative Districts, the Representative Districts, and the Congressional Districts.

(h) If the Commission fails to adopt and file a redistricting plan by August 1 of the year following a federal decennial census, the Chief Justice of the Supreme Court and the most senior Supreme Court Judge who is not elected from the same political party as the Chief Justice shall appoint, by August 8, a seventeenth member to the Commission. The seventeenth member of the Commission must not be affiliated with either major political party. The 17-member Commission shall adopt and file with the Secretary of State redistricting plans for the Legislative Districts, Representative Districts, and Congressional Districts by September 1 of the year following the federal decennial census.

(i) Members of the Commission shall be compensated at the rate of \$300 for each day the member is engaged in Commission business. For each succeeding Commission, the rate of compensation shall be adjusted in each year of the federal decennial census by the cumulative change in inflation based on the consumer price index-u or a successor metric. Members of the Commission are eligible for reimbursement of personal expenses incurred in connection with the duties performed pursuant to this act. A member's residence is deemed to be the member's post of duty for purposes of reimbursement of expenses.

(j) In the year before each federal decennial census, the Governor shall include in the budget submitted under Section 2 of Article VIII to the General Assembly amounts of funding for the Commission and the Secretary of State that are sufficient to meet the estimated expenses of each of those officers or entities in implementing the redistricting process required by this Section for a 3-year period, including, but not limited to, adequate funding for a statewide outreach program to solicit broad public participation in the redistricting process. The Governor shall also make adequate office space available for the operation of the Commission. The Legislature shall make the necessary appropriation in a budget implementation Act, and the appropriation shall be available during the entire 3-year appropriation shall be available during the entire three-year period. The appropriation made shall be equal to the greater of \$3,000,000 or the amount expended in accordance with this subsection in the immediately preceding redistricting process, as each amount is adjusted by the cumulative change in inflation based on the consumer price index-u or a successor metric, since the date of the immediately preceding appropriation made in accordance with this subsection. The Legislature may make additional appropriations in any year that it determines that the Commission requires additional funding in order to fulfill its duties. The Commission, with fiscal oversight from the Comptroller or its successor, shall have procurement and contracting authority and may hire staff and consultants, for the purposes of this Section, including legal representation.

(k) A redistricting plan filed with the Secretary of State shall be presumed valid and shall be published promptly by the Secretary of State.

(l) The Supreme Court shall have original and exclusive jurisdiction over actions concerning redistricting the House and Senate, which shall be initiated in the name of the People of the State by the Attorney General. Each person who resides or is domiciled in the State, or whose executive office or principal place of business is located in the State, may bring an action in court of competent jurisdiction to obtain any of the relief available.

(a) Legislative Districts shall be compact, contiguous and substantially equal in population. Representative Districts shall be compact, contiguous, and substantially equal in population.

(b) In the year following each Federal decennial census year, the General Assembly by law shall redistrict the Legislative Districts and the Representative Districts.

If no redistricting plan becomes effective by June 30 of that year, a Legislative Redistricting Commission shall be constituted not later than July 10. The Commission shall consist of eight members, no more than four of whom shall be members of the same political party.

(b) The Agency shall post on its website a list of all registered manufacturers.

(c) Beginning in program year 2019, a manufacturer whose CEDs are sold or offered for sale in this State for the first time on or after April 1 of a program year must register with the Agency within 30 days after the date the CEDs are first sold or offered for sale in the State.

(d) Beginning in program year 2019, manufacturers shall ensure that only recyclers that have registered with the Agency and meet the recycler standards set forth in Section 1-40 are used to transport or recycle residential CEDs collected at any program collection site or one-day collection event.

(g) In accordance with a contract or agreement with a county, municipality, or municipal joint action agency that has elected to participate in a manufacturer e-waste program under this Act, manufacturers may, either individually or through the manufacturer clearinghouse, audit program collection sites and proposed program collection sites for compliance with the terms and conditions of the contract or agreement. Sec. 1-33. Manufacturer clearinghouse.

(a) A manufacturer e-waste program plan submitted by a manufacturer clearinghouse may take into account and incorporate individual plans or operations of one or more manufacturers that are participating in the manufacturer clearinghouse.

(b) If a manufacturer clearinghouse allocates responsibility to manufacturers for manufacturers' transportation and recycling of residential CEDs during a program year as part of a manufacturer e-waste program plan, then the manufacturer clearinghouse shall identify the allocation methodology in its plan submission to the Agency pursuant to Section 1-25 of this Act for review and approval. Any allocation of responsibility among manufacturers for the collection of covered electronic devices shall be in accordance with the allocation methodology established pursuant to Section 1-84.5 of this Act.

(c) A manufacturer clearinghouse shall have no authority to enforce manufacturer compliance with the requirements of this Act, including compliance with the allocation methodology set forth in a manufacturer e-waste program plan, but shall, upon prior notice to the manufacturer, refer any potential non-compliance to the Agency. A manufacturer clearinghouse may develop and implement policies and procedures that exclude from participation in the manufacturer clearinghouse any manufacturers found by the Illinois Pollution Control Board or a court of competent jurisdiction to have failed to comply with this Act.

(415 ILCS 151/1-84.5 new)

Sec. 1-84.5. Manufacturer clearinghouse; allocation of financial responsibility for the transportation and recycling of covered electronic devices.

(a) As used in this Section, unless the context otherwise requires:

"Adjusted total proportional responsibility" means the percentage calculated for each participating manufacturer for a program year under subsection (f) of this Section.

"Market share" means the percentage that results from dividing:

(1) the product of the total weight reported for a CED category by a manufacturer, for the calendar year 2 years before the applicable program year, under paragraph (2) of subsection (a) of Section 1-30 of this Act, multiplied by the population adjustment factor for that year; by

(2) the product of the total weight reported for that CED category by all manufacturers, for the calendar year 2 years before the applicable program year, under paragraph (2) of subsection (a) of Section 1-30 of this Act, multiplied by the population adjustment factor for that year.

"Participating manufacturer" means a manufacturer that a manufacturer clearinghouse has listed, pursuant to subsection (c) of this Section, as a participant in the manufacturer clearinghouse for a program year.

"Population adjustment factor" means the percentage that results when (i) the population of Illinois, as reported in the most recent federal decennial census, is divided by (ii) the population of the United States, as reported in the most recent federal decennial census.

"Return share" means the percentage, by weight, of each CED category that is returned to the program collection sites and one-day collection events operated by or on behalf of either a manufacturer clearinghouse or one or more of its participating manufacturers during the calendar year 2 years before the applicable program year, as reported to the Agency under Section 1-10 of this Act; except that, for program

year 2019 and program year 2020, "return share" means the percentage, by weight, of each CED category that is estimated by the manufacturer clearinghouse to be returned to those sites and events during the applicable program year, as reported to the Agency under subsection (b) of this Section.

"Unadjusted total proportional responsibility" means the percentage calculated for each participating manufacturer under subsection (e) of this Section.

(b) By March 1, 2018, each manufacturer clearinghouse shall provide the Agency with a statement of the return share for each CED category for program year 2019, and by March 1, 2019, each manufacturer clearinghouse shall provide the Agency with a statement of the return share for each CED category for program year 2020.

(c) If a manufacturer clearinghouse submits to the Agency a manufacturer e-waste program plan under Section 1-25 of this Act, then the manufacturer clearinghouse shall include in the plan a list of manufacturers that have agreed to participate in the manufacturer clearinghouse for the upcoming program year.

(d) By November 1, 2018, and each November 1 thereafter, the Agency shall provide each manufacturer clearinghouse with a statement of the unadjusted total proportional responsibility and adjusted total proportional responsibility of each of its participating manufacturers for the upcoming program year.

(e) For each program year, the Agency shall calculate the unadjusted total proportional responsibility of each participating manufacturer as follows:

(1) For each CED category, the Agency shall multiply (i) the participating manufacturer's market share for the CED category by (ii) the return share for the CED category, to arrive at the category-specific proportional responsibility of the participating manufacturer for the CED category.

(2) The Agency shall then, for each participating manufacturer, sum the category-specific proportional responsibilities of the participating manufacturer calculated under paragraph (1), to arrive at the participating manufacturer's unadjusted total proportional responsibility.

(f) If the sum of all unadjusted total proportional responsibilities of a manufacturer clearinghouse's participating manufacturers for a program year accounts for less than 100% of the return share for that year, then the Agency shall divide the unallocated return share among participating manufacturers in proportion to their unadjusted total proportional responsibilities, to arrive at the adjusted total proportional responsibility for each participating manufacturer.

(g) A manufacturer may use retail collection sites to satisfy some or all of the manufacturer's responsibilities, including, but not limited to, the manufacturer's transportation and recycling of collected residential CEDs pursuant to any allocation methodology established under this Act. Nothing in this Act shall prevent a manufacturer from using retail collection sites to satisfy any percentage of the manufacturer's total responsibilities, including, but not limited to, the manufacturer's transportation and recycling of collected residential CEDs pursuant to any allocation methodology established under this Act or by administrative rule.

(415 ILCS 151/1-87 new)

Sec. 1-87. Antitrust. The supervisory activities described in this Act are sufficient to confirm that activities of the manufacturers, manufacturer clearinghouse, and any entity developing, implementing, operating, participating in, or performing any other activities related to a manufacturer e-waste program that is approved pursuant to Section 1-25 are authorized and actively supervised by the State.
