#### HOUSE JOINT RESOLUTION NO. 28

WHEREAS, The State of Illinois recognizes certain dates of the year for honoring specific patriotic, civic, cultural, and historical persons, activities, or events; and

WHEREAS, March 31 is the birthday of Cesar E. Chavez, (1927-1993); and

WHEREAS, Cesar Chavez steadfastly believed that ordinary people can make extraordinary social change when they are individually guided by, and bound together by, universal values and a common vision for a better world; the values he strove for include: service to others, sacrifice, a preference to help the most needy, determination, non-violence, tolerance, respect for life, celebrating community, knowledge and innovation; and

WHEREAS, Cesar Chavez began his labor career in the early 1950s as an organizer for the Community Service Organization (CSO); his work for the CSO included coordinating voter registration drives, battling racial and economic discrimination against Chicano residents, and organizing new

chapters of the CSO in California and Arizona; he went on to serve as national director of the CSO in the late 1950s and early 1960s; and

WHEREAS, After failing to convince the CSO to help migrant farm workers in their union organizing efforts, he quit his job with the CSO and founded the National Farm Workers Association (NFWA); in 1965, the NFWA, with 1,200 member families, joined an AFL-CIO-sponsored union in a strike against Delano growers; in 1966, the two unions merged to form the United Farm Workers (UFW); in 1968, he conducted a 25-day fast to reaffirm the UFW's commitment to non-violence; the NFW's boycott against grape growers persuaded the growers to sign contracts with the UFW in 1970; however, after contract renegotiations in 1973, the growers signed contracts with the Teamsters; the farm workers objected to the Teamster contract, and more than 10,000 of them walked off their jobs; and

WHEREAS, Cesar Chavez then called for a world-wide boycott of grapes; by 1975, a poll showed that 17 million Americans supported the boycott; the boycott persuaded growers to support the 1975 California Agricultural Labor Relations Act; and

WHEREAS, In 1982, Republican George Deukmajian was elected Governor of California; under Governor Deukmajian's leadership, the California Agricultural Labor Relations Board ceased to enforce the Agricultural Labor Relations Act; in 1988, Cesar Chavez conducted a 36-day "Fast for Life" to protest the pesticide poisoning of farm workers; and

WHEREAS, Cesar Chavez died in 1993; in 1994, President Clinton posthumously awarded him the Presidential Medal of Freedom; he became the second Mexican-American to receive this award; and

WHEREAS, In 1994, the family of Cesar Chavez and the officers of the United Farm Workers created the Cesar E. Chavez Foundation to "inspire current and future generations by promoting the ideals of Cesar Chavez's life"; and

WHEREAS, Cesar Chavez spent 31 years forging a legacy of service, conviction and principled leadership that served as a beacon for Americans; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we recognize March 31 as Cesar Chavez Day in Illinois and encourage public and private entities throughout the State to celebrate the birthday of this great man.

#### PARLIAMENTARY INQUIRY

Senator Roskam requested a Parliamentary Ruling on the constitutionality of combining all the bills on the Order of Senate Bills Third Reading – Non-Substantive on one roll call. He further requested that the question be divided and was joined in the request by Senator Watson and other Republican members.

[March 27, 2003]

The Chair ruled that there was precedent within the Senate for multiple bills on one roll call and a single roll call is in order. The Chair further stated that all items on that order of business were totally non-substantive and expressed that the significant number was to assure single subject legislation.

"Cost of providing services" means a hospital's published charges at the time of billing of an uninsured patient, multiplied by the hospital's most recent relationship of costs to charges as taken from the Medicaid cost report.

"Hospital" means a health care facility licensed under the Hospital Licensing Act. "Hospital" does not include health care facilities whose most recent relationship of costs to charges as taken from the Medicaid cost report is one or greater.

"Medically needy patient" means any person or household with total medical bills for medically necessary medical services that were not covered by any medical or health coverage that exceed 20% of their income in the previous year and who (A) have previously applied and been denied eligibility for any medical or health care coverage provided under the general assistance program or the Medicaid program due to failure to satisfy income or other eligibility requirements, and (B) are not eligible for coverage for hospital services under the Medicare or under any Medicaid or health insurance program of any other nation, state, territory, or commonwealth, or under any other governmental or privately sponsored health or accident insurance or benefit program including, but not limited to, workers' compensation and awards, settlements, or judgments arising from claims, suits, or proceedings involving motor vehicle accidents or alleged negligence.

"Uninsured patient" means a person whose income is at or below 300% of the poverty income guidelines who (A) has previously applied and been denied eligibility for any medical or health care coverage provided under the general assistance program or the Medicaid program due to failure to satisfy income or other eligibility requirements, and (B) is not eligible for coverage for hospital services under the Medicare or under any Medicaid or health insurance program of any other nation, state, territory, or commonwealth, or under any other governmental or privately sponsored health or accident insurance or benefit program including, but not limited to, workers' compensation and awards, settlements, or judgments arising from claims, suits, or proceedings involving motor vehicle accidents or alleged negligence.

"Medically necessary service" means a service that is reasonably expected to prevent, diagnose, prevent the worsening of, alleviate, correct, or cure conditions that endanger life, cause suffering or pain, cause physical deformity or malfunction, threaten to cause or to aggravate a handicap, or result in illness or infirmity. "Medically necessary service" shall include inpatient and outpatient services as mandated under Title XIX of the Federal Social Security Act. "Medically necessary service" shall not include non-medical services, such as social, educational, and vocational services, or cosmetic surgery.

Section 10. Uninsured or medically needy patients. No hospital that has provided health care services to an uninsured patient or medically needy patient may collect from the uninsured or medically needy patient more than the cost of providing services.

Section 15. Debt collection activities prohibited. No hospital may initiate debt collection activities against a patient until a determination has been made as to whether the patient qualifies as an uninsured

or medically needy patient.

Section 20. Compliance. The Department of Public Health must develop appropriate reporting mechanisms to enforce the provisions of this Act.

Section 25. Penalties. A determination that a hospital has violated the provisions of this Act may result in the termination of licensure under the Hospital Licensing Act.

(210 ILCS 85/7) (from Ch. 111 1/2, par. 148)

Sec. 7. (a) The Director after notice and opportunity for hearing to the applicant or licensee may deny, suspend, or revoke a permit to establish a hospital or deny, suspend, or revoke a license to open, conduct, operate, and maintain a hospital in any case in which he finds that there has been a substantial failure to comply with the provisions of this Act or the standards, rules, and regulations established by virtue thereof or the Discriminatory Pricing Act or the rules established by virtue thereof.

(b) Such notice shall be effected by registered mail or by personal service setting forth the particular reasons for the proposed action and fixing a date, not less than 15 days from the date of such mailing or service, at which time the applicant or licensee shall be given an opportunity for a hearing. Such hearing shall be conducted by the Director or by an employee of the Department designated in writing by the Director as Hearing Officer to conduct the hearing. On the basis of any such hearing, or upon default of the applicant or licensee, the Director shall make a determination specifying his findings and conclusions. In case of a denial to an applicant of a permit to establish a hospital, such determination shall specify the subsection of Section 6 under which the permit was denied and shall contain findings of fact forming the basis of such denial. A copy of such determination shall be sent by registered mail or served personally upon the applicant or licensee. The decision denying, suspending, or revoking a permit or a license shall become final 35 days after it is so mailed or served, unless the applicant or licensee, within such 35 day period, petitions for review pursuant to Section 13.

(c) The procedure governing hearings authorized by this Section shall be in accordance with rules promulgated by the Department and approved by the Hospital Licensing Board. A full and complete record shall be kept of all proceedings, including the notice of hearing, complaint, and all other documents in the nature of pleadings, written motions filed in the proceedings, and the report and orders of the Director and Hearing Officer. All testimony shall be reported but need not be transcribed unless the decision is appealed pursuant to Section 13. A copy or copies of the transcript may be obtained by any interested party on payment of the cost of preparing such copy or copies.

(d) The Director or Hearing Officer shall upon his own motion, or on the written request of any party to the proceeding, issue subpoenas requiring the attendance and the giving of testimony by witnesses, and subpoenas duces tecum requiring the production of books, papers, records, or memoranda. All subpoenas and subpoenas duces tecum issued under the terms of this Act may be served by any person of full age. The fees of witnesses for attendance and travel shall be the same as the fees of witnesses before the Circuit Court of this State, such fees to be paid when the witness is excused from further attendance. When the witness is subpoenaed at the instance of the Director, or Hearing Officer, such fees shall be paid in the same manner as other expenses of the Department, and when the witness is subpoenaed at the instance of any other party to any such proceeding the Department may require that the cost of service of the subpoena or subpoena duces tecum and the fee of the witness be borne by the party at whose instance the witness is summoned. In such case, the Department in its discretion, may require a deposit to cover the cost of such service and witness fees. A subpoena or subpoena duces tecum issued as aforesaid shall be served in the same manner as a subpoena issued out of a court.

(e) Any Circuit Court of this State upon the application of the Director, or upon the application of any other party to the proceeding, may, in its discretion, compel the attendance of witnesses, the production of books, papers, records, or memoranda and the giving of testimony before the Director or Hearing Officer conducting an investigation or holding a hearing authorized by this Act, by an attachment for contempt, or otherwise, in the same manner as production of evidence may be compelled before the court.

(f) The Director or Hearing Officer, or any party in an investigation or hearing before the Department, may cause the depositions of witnesses within the State to be taken in the manner prescribed by law for like depositions in civil actions in courts of this State, and to that end compel the attendance of witnesses and the production of books, papers, records, or memoranda.
