SENATE JOINT RESOLUTION NO. 20

WHEREAS, In Illinois, over 200,000 children under the age of 18 are living with and being cared for by more than 100,000 grandparents; and

WHEREAS, Grandparent caregivers, the majority of whom are single women ranging in age from 30 to 90 with an average annual income of \$15,000 to \$25,000, typically raise one to two grandchildren and have been doing so for five years or longer; and

WHEREAS, Factors contributing to the growing number of grandparents raising grandchildren include, but are not limited to, alcohol and drug abuse, neglect, abuse, abandonment, death of a parent, HIV/AIDS, divorce, unemployment, poverty, parental incarceration, teen pregnancy, and welfare reform; and

WHEREAS, Due to their assumed caregiving responsibilities, many grandparents deplete their savings and retirement income and face severe financial risk and economic strains while struggling to pay for expenses related to caring for the grandchildren such as, but not limited to, food, diapers, clothing, child care, medical treatment, legal assistance, and housing needs; and

WHEREAS, Many grandparents take custody of and raise their grandchildren after a harmful incident has been suffered by their grandchildren that has caused the Department of Children and Family Services to designate them to be "at risk"; and

WHEREAS, Many other grandparents take preventative measures by choosing to take custody of and raise their grandchildren prior to their grandchildren suffering a harmful incident when they recognize that their grandchildren's health, safety, and welfare are at risk; and

WHEREAS, Grandparents who take custody of their grandchildren prior to the grandchildren's suffering of a harmful incident are ineligible for foster care funding and assistance from the Department of Children and Family Services; and

WHEREAS, The only financial assistance option for this group of grandparents is "child only" grants from the Department of Human Services' Temporary Assistance to Needy Families (TANF) program; and

[February 23, 2005]

WHEREAS, The Department of Children and Family Services' foster care program provides monthly financial assistance that is three to four times greater than the TANF "child only" grants, and it also provides counseling and child care support; and

WHEREAS, Grandparents raising grandchildren who are not in the foster care program are as valuable to the grandchildren and to the State as those who are in the foster care program; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that the Department on Aging, in collaboration with the Departments of Children and Family Services, Public Aid, and Human Services and any other relevant agencies, is directed to complete an assessment of existing State and federal assistance programs that includes the following:

(b) a review of support provided to grandparents through the Department of Human Services' TANF program and other relevant programs;

(c) a review of all other means of grandparent-related support provided by State-funded and federally funded programs; and

(d) the estimated cost to the State if grandparents were not willing to or refused to take custody of and raise their grandchildren; and be it further

RESOLVED, That the Department on Aging, in collaboration with the Departments of Children and Family Services, Public Aid, and Human Services and any other relevant agencies, shall explore new or alternative grandparent assistance methods including, but not limited to:

(a) reviewing the effects to the State of creating a program that would provide monthly supplementary grants, in addition to TANF "child only" grants, to grandparents that would close the funding gap between the foster care program and the TANF "child only" grant program;

(b) assessing the feasibility of funding the monthly supplementary grant program described in the preceding item (a) through a Medicaid waiver;

(c) reviewing the effects to the State of allowing grandparents who voluntarily accept responsibility for their grandchildren prior to the children's entrance into the foster care system to be permitted to enter the foster care program; and

(d) conducting public hearings across the State to gather testimony from grandparents, relatives, and others regarding what assistance they feel they need or would like to have in Illinois; and be it further

RESOLVED, That the Department on Aging shall issue a report highlighting the findings of this Resolution's requirements and recommendations for improving Illinois' assistance to grandparents raising grandchildren to the Governor and the General Assembly no later than January 1, 2007; and be it further

**SENATE JOINT RESOLUTION NO. 21
CONSTITUTIONAL AMENDMENT**

RESOLVED, BY THE SENATE OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that there shall be submitted to the electors of the State for adoption or rejection at the general election next occurring at least 6 months after the adoption of this resolution a proposition to amend Section 1 of Article X of the Illinois Constitution as follows:

SECTION 1. GOAL - FREE SCHOOLS

(a) A fundamental goal of the People of the State is the educational development of all persons to the limits of their capacities.

The State shall provide for an efficient system of high quality public educational institutions and

[February 23, 2005]

services. Education in public schools through the secondary level shall be free. There may be such other free education as the General Assembly provides by law.

The State has the primary responsibility for financing the system of public education.

(b) The People of the State of Illinois recognize that excessive reliance on real property taxation for financing the system of public education has impeded the fundamental goal of education. The official policy of the State shall be to reduce taxes on owner-occupied residential real property and to improve education by establishing the Education and Permanent Property Tax Relief Trust Fund in this Article.

Beginning on January 1 of the year following adoption of this Constitutional Amendment by the People, a surtax on or measured by income at a rate of 3% shall be levied annually on that portion of the income of individuals that exceeds \$250,000. All receipts shall be deposited into the Education and Permanent Property Tax Relief Trust Fund. The corporate rate limitation ratio set forth in subsection (a) of Section 3 of Article IX shall remain in effect and be measured by the non-graduated rate authorized in Section 3 of Article IX. Interest earned on the Education and Permanent Property Tax Relief Trust Fund shall be allocated to the Trust Fund.

On July 1 of each year, 50% of the public funds in the Education and Permanent Property Tax Relief Trust Fund shall be distributed in equal amounts to every taxpayer who is an owner-occupier of residential real property in the State and the other 50% of the public funds in the Trust Fund shall be distributed equally on a per student basis to improve education in public schools through the secondary level.

The General Assembly shall provide by law for the implementation of the public policy set forth in this subsection (b). Every distribution from the Education and Permanent Property Tax Relief Trust Fund shall include the name of each elected officer of the Executive Branch and the following statement: "Adopted by constitutional amendment by the People of the State of Illinois."

(Source: Illinois Constitution.)
