~~(8) (h) an offense described in subsection (e) of Section 6-101 of the Illinois Vehicle Code; may be seized and delivered forthwith to the sheriff of the county of seizure.~~

Within 15 days after such delivery the sheriff shall give notice of seizure to each person according to the following method: Upon each such person whose right, title or interest is of record in the office of the Secretary of State, the Secretary of Transportation, the Administrator of the Federal Aviation Agency, or any other Department of this State, or any other state of the United States if such vessel, vehicle or aircraft is required to be so registered, as the case may be, by mailing a copy of the notice by certified mail to the address as given upon the records of the Secretary of State, the Department of Aeronautics, Department of Public Works and Buildings or any other Department of this State or the United States if such vessel, vehicle or aircraft is required to be so registered. Within that 15 day period the sheriff shall also notify the State's Attorney of the county of seizure about the seizure.

(b) In addition, any mobile or portable equipment used in the commission of an act which is in violation of Section 7g of the Metropolitan Water Reclamation District Act shall be subject to seizure and forfeiture under the same procedures provided in this Article for the seizure and forfeiture of vessels, vehicles, and aircraft, and any such equipment shall be deemed a vessel, vehicle, or aircraft for purposes of this Article.

(c) In addition, when a person discharges a firearm at another individual from a vehicle with the knowledge and consent of the owner of the vehicle and with the intent to cause death or great bodily harm to that individual and as a result causes death or great bodily harm to that individual, the vehicle shall be subject to seizure and forfeiture under the same procedures provided in this Article for the seizure and forfeiture of vehicles used in violations of clauses (1), (2), (3), or (4) of subsection (a) ~~(a), (b), (c), or (d)~~ of this Section.

If the owner of the vehicle seized owns more than one vehicle, the procedure set out in this paragraph may be used for only one vehicle.

Sec. 36-1.5. Preliminary Review.

(a) Within 14 days of the seizure, the State's Attorney in the county in which the seizure occurred ~~State~~ shall seek a preliminary determination from the circuit court as to whether there is probable cause that the property may be subject to forfeiture.

(b) The rules of evidence shall not apply to any proceeding conducted under this Section.

(c) The court may conduct the review under subsection (a) simultaneously with a proceeding pursuant to Section 109-1 of the Code of Criminal Procedure of 1963 for a related criminal offense if a prosecution is commenced by information or complaint.

(d) The court may accept a finding of probable cause at a preliminary hearing following the filing of an information or complaint charging a related criminal offense or following the return of indictment by a grand jury charging the related offense as sufficient evidence of probable cause as required under subsection (a).

(e) Upon making a finding of probable cause as required under this Section, the circuit court shall order the property subject to the provisions of the applicable forfeiture Act held until the conclusion of any forfeiture proceeding.

For seizures of conveyances, within 7 days of a finding of probable cause under subsection (a), the registered owner or other claimant may file a motion in writing supported by sworn affidavits claiming that denial of the use of the conveyance during the pendency of the forfeiture proceedings creates a substantial hardship. The court shall consider the following factors in determining whether a substantial hardship has been proven:

- (1) the nature of the claimed hardship;
- (2) the availability of public transportation or other available means of transportation; and
- (3) any available alternatives to alleviate the hardship other than the return of the seized conveyance.

If the court determines that a substantial hardship has been proven, the court shall then balance the nature of the hardship against the State's interest in safeguarding the conveyance. If the court determines that the hardship outweighs the State's interest in safeguarding the conveyance, the court may temporarily release the conveyance to the registered owner or the registered owner's authorized designee, or both, until the conclusion of the forfeiture proceedings or for such shorter period as ordered by the court provided that the person to whom the conveyance is released provides proof of insurance and a valid driver's license and all State and local registrations for operation of the conveyance are current. The court shall place conditions on the conveyance limiting its use to the stated hardship and restricting the conveyance's use to only those individuals authorized to use the conveyance by the registered owner. The court shall revoke the order releasing the conveyance and order that the conveyance be resealed by law enforcement if the conditions of release are violated or if the conveyance is used in the commission of any offense identified in subsection (a) of Section 6-205 of the Illinois Vehicle Code.

If the court orders the release of the conveyance during the pendency of the forfeiture proceedings, the registered owner or his or her authorized designee shall post a cash security with the Clerk of the Court as ordered by the court. The court shall consider the following factors in determining the amount of the cash security:

- (A) the full market value of the conveyance;
- (B) the nature of the hardship;
- (C) the extent and length of the usage of the conveyance; and
- (D) such other conditions as the court deems necessary to safeguard the conveyance.

If the conveyance is released, the court shall order that the registered owner or his or her designee safeguard the conveyance, not remove the conveyance from the jurisdiction, not conceal, destroy, or otherwise dispose of the conveyance, not encumber the conveyance, and not diminish the value of the conveyance in any way. The court shall also make a determination of the full market value of the conveyance prior to it being released based on a source or sources defined in 50 Ill. Adm. Code 919.80(c)(2)(A) or 919.80(c)(2)(B).

If the conveyance subject to forfeiture is released under this Section and is subsequently forfeited, the person to whom the conveyance was released shall return the conveyance to the law enforcement agency

that seized the conveyance within 7 days from the date of the declaration of forfeiture or order of forfeiture. If the conveyance is not returned within 7 days, the cash security shall be forfeited in the same manner as the conveyance subject to forfeiture. If the cash security was less than the full market value, a judgment shall be entered against the parties to whom the conveyance was released and the registered owner, jointly and severally, for the difference between the full market value and the amount of the cash security. If the conveyance is returned in a condition other than the condition in which it was released, the cash security shall be returned to the surety who posted the security minus the amount of the diminished value, and that amount shall be forfeited in the same manner as the conveyance subject to forfeiture. Additionally, the court may enter an order allowing any law enforcement agency in the State of Illinois to seize the conveyance wherever it may be found in the State to satisfy the judgment if the cash security was less than the full market value of the conveyance.

(720 ILCS 5/36-2) (from Ch. 38, par. 36-2)

Sec. 36-2. Action for forfeiture.

(a) The State's Attorney in the county in which such seizure occurs if he or she finds that the ~~such~~ forfeiture was incurred without willful negligence or without any intention on the part of the owner of the vessel, vehicle or aircraft or any person whose right, title or interest is of record as described in Section 36-1, to violate the law, or finds the existence of such mitigating circumstances as to justify remission of the forfeiture, may cause the law enforcement agency sheriff to remit the same upon such terms and conditions as the State's Attorney deems reasonable and just. The State's Attorney shall exercise his or her discretion under the foregoing provision of this Section 36-2(a) prior to or promptly after the preliminary review under Section 36-1.5 notice is given in accordance with Section 36-1.

(b) If the State's Attorney does not cause the forfeiture to be remitted he or she shall forthwith bring an action for forfeiture in the Circuit Court within whose jurisdiction the seizure and confiscation has taken place. The State's Attorney shall give notice of seizure and the forfeiture proceeding to each person according to the following method: Upon each person whose right, title, or interest is of record in the office of the Secretary of State, the Secretary of Transportation, the Administrator of the Federal Aviation Agency, or any other Department of this State, or any other state of the United States if the vessel, vehicle, or aircraft is required to be so registered, as the case may be, by delivering the notice and complaint in open court or by certified mail to the address as given upon the records of the Secretary of State, the Division of Aeronautics of the Department of Transportation, the Capital Development Board, or any other Department of this State or the United States if the vessel, vehicle, or aircraft is required to be so registered the forfeiture proceeding by mailing a copy of the Complaint in the forfeiture proceeding to the persons, and upon the manner, set forth in Section 36-1.

(c) The owner of the seized vessel, vehicle, or aircraft or any person whose right, title, or interest is of record as described in Section 36-1, may within 20 days after delivery in open court or the mailing of such notice file a verified answer to the Complaint and may appear at the hearing on the action for forfeiture.

(d) The State shall show at such hearing by a preponderance of the evidence, that such vessel, vehicle, or aircraft was used in the commission of an offense described in Section 36-1.

(e) The owner of such vessel, vehicle, or aircraft or any person whose right, title, or interest is of record as described in Section 36-1, may show by a preponderance of the evidence that he did not know, and did not have reason to know, that the vessel, vehicle, or aircraft was to be used in the commission of such an offense or that any of the exceptions set forth in Section 36-3 are applicable.

(f) Unless the State shall make such showing, the Court shall order such vessel, vehicle, or aircraft released to the owner. Where the State has made such showing, the Court may order the vessel, vehicle, or aircraft destroyed or may order it forfeited delivered to any local, municipal or county law enforcement agency, or the Department of State Police or the Department of Revenue of the State of Illinois; ~~or may order it sold at public auction.~~

(g) ~~(b)~~ A copy of the order shall be filed with the law enforcement agency, sheriff of the county in which the seizure occurs and with each Federal or State office or agency with which such vessel, vehicle, or aircraft is to be registered. Such order, when filed, constitutes authority for the issuance of clear title to such vessel, vehicle, or aircraft, or boat to the department or agency to whom it is delivered or any purchaser thereof. The law enforcement agency sheriff shall comply promptly with instructions to remit received from the State's Attorney or Attorney General in accordance with Sections 36-2(a) or 36-3.

(h) ~~(e)~~ The proceeds of any sale at public auction pursuant to Section 36-2 of this Act, after payment of all liens and deduction of the reasonable charges and expenses incurred by the State's Attorney's Office ~~sheriff in storing and selling such vehicle,~~ shall be paid to into the law enforcement agency having seized the vehicle for forfeiture general fund of the county of seizure.
