On motion of Senator Hunter, **Senate Bill No. 803** was recalled from the order of third reading to the order of second reading.

Senator Hunter offered the following amendment and moved its adoption:

**AMENDMENT NO. 1 TO SENATE BILL 803**

AMENDMENT NO. 1. Amend Senate Bill 803 by replacing everything after the enacting clause with the following:

"Section 5. The Abused and Neglected Child Reporting Act is amended by changing Section 7.4 as follows:

(325 ILCS 5/7.4) (from Ch. 23, par. 2057.4)

Sec. 7.4. (a) The Department shall be capable of receiving reports of suspected child abuse or neglect 24 hours a day, 7 days a week. Whenever the Department receives a report alleging that a child is a truant as defined in Section 26-2a of The School Code, as now or hereafter amended, the Department shall notify the superintendent of the school district in which the child resides and the appropriate superintendent of the educational service region. The notification to the appropriate officials by the Department shall not be considered an allegation of abuse or neglect under this Act.

(a-5) Beginning January 1, 2010, the Department of Children and Family Services may implement a 5-year demonstration of a "differential response program" in accordance with criteria, standards, and procedures prescribed by rule. The program may provide that, upon receiving a report, the Department shall determine whether to conduct a family assessment or an investigation as appropriate to prevent or provide a remedy for child abuse or neglect.

For purposes of this subsection (a-5), "family assessment" means a comprehensive assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs that is applied to a child maltreatment report that does not allege substantial child endangerment. "Family assessment" does not include a determination as to whether child maltreatment occurred but does determine the need for services to address the safety of family members and the risk of subsequent maltreatment.

For purposes of this subsection (a-5), "investigation" means fact-gathering related to the current safety of a child and the risk of subsequent abuse or neglect that determines whether a report of suspected child abuse or neglect should be indicated or unfounded and whether child protective services are needed.

Under the "differential response program" implemented under this subsection (a-5), the Department:

(1) Shall conduct an investigation on reports involving substantial child abuse or neglect.

(2) Shall begin an immediate investigation if, at any time when it is using a family assessment response, it determines that there is reason to believe that substantial child abuse or neglect or a serious threat to the child's safety exists.

(3) May conduct a family assessment for reports that do not allege substantial child endangerment. In determining that a family assessment is appropriate, the Department may consider issues including, but not limited to, child safety, parental cooperation, and the need for an immediate response.

(4) Shall promulgate criteria, standards, and procedures that shall be applied in making this determination, taking into consideration the Child Endangerment Risk Assessment Protocol of the Department.

(5) May conduct a family assessment on a report that was initially screened and assigned for an investigation.

In determining that a complete investigation is not required, the Department must document the reason for terminating the investigation and notify the local law enforcement agency or the Department of State Police if the local law enforcement agency or Department of State Police is conducting a joint investigation.

Once it is determined that a "family assessment" will be implemented, the case shall not be reported to the central register of abuse and neglect reports.

During a family assessment, the Department shall collect any available and relevant information to determine child safety, risk of subsequent abuse or neglect, and family strengths.

Information collected includes, but is not limited to, when relevant: information with regard to the person reporting the alleged abuse or neglect, including the nature of the reporter's relationship to the child and to the alleged offender, and the basis of the reporter's knowledge for the report; the child allegedly being abused or neglected; the alleged offender; the child's caretaker; and other collateral sources having relevant information related to the alleged abuse or neglect. Information relevant to the assessment must be asked for, and may include:

(A) The child's sex and age, prior reports of abuse or neglect, information relating to developmental functioning, credibility of the child's statement, and whether the information provided under this paragraph (A) is consistent with other information collected during the course of the assessment or investigation.

(B) The alleged offender's age, a record check for prior reports of abuse or neglect, and criminal charges and convictions. The alleged offender may submit supporting documentation relevant to the assessment.

(C) Collateral source information regarding the alleged abuse or neglect and care of the child. Collateral information includes, when relevant: (i) a medical examination of the child; (ii) prior medical records relating to the alleged maltreatment or care of the child maintained by any facility, clinic, or health care professional, and an interview with the treating professionals; and (iii) interviews with the child's caretakers, including the child's parent, guardian, foster parent, child care provider, teachers, counselors, family members, relatives, and other persons who may have knowledge regarding the alleged maltreatment and the care of the child.

(D) Information on the existence of domestic abuse and violence in the home of the child, and substance abuse.

Nothing in this subsection (a-5) precludes the Department from collecting other relevant information necessary to conduct the assessment or investigation. Nothing in this subsection (a-5) shall be construed to allow the name or identity of a reporter to be disclosed in violation of the protections afforded under Section 7.19 of this Act.

After conducting the family assessment, the Department shall determine whether services are needed to address the safety of the child and other family members and the risk of subsequent abuse or neglect.

Upon completion of the family assessment, if the Department concludes that no services shall be offered, then the case shall be closed. If the Department concludes that services shall be offered, the Department shall develop a family preservation plan and offer or refer services to the family.

At any time during a family assessment, if the Department believes there is any reason to stop the assessment and conduct an investigation based on the information discovered, the Department shall do so.

The procedures available to the Department in conducting investigations under this Act shall be followed as appropriate during a family assessment.

The Department shall arrange for an independent evaluation of the "differential response program" authorized and implemented under this subsection (a-5) to determine whether it is meeting the goals in accordance with Section 2 of this Act. The Department may adopt administrative rules necessary for the execution of this Section, in accordance with Section 4 of the Children and Family Services Act.

The demonstration conducted under this subsection (a-5) shall become a permanent program on July 1, 2016 ~~January 1, 2015~~, upon completion of the demonstration project period.

(b) (1) The following procedures shall be followed in the investigation of all reports of suspected abuse or neglect of a child, except as provided in subsection (c) of this Section.

(2) If, during a family assessment authorized by subsection (a-5) or an investigation, it appears that the immediate safety or well-being of a child is endangered, that the family may flee or the child disappear, or that the facts otherwise so warrant, the Child Protective Service Unit shall commence an investigation immediately, regardless of the time of day or night. All other investigations shall be commenced within 24 hours of receipt of the report. Upon receipt of a report, the Child Protective Service Unit shall conduct a family assessment authorized by subsection (a-5) or begin an initial investigation and make an initial determination whether the report is a good faith indication of alleged child abuse or neglect.

(3) Based on an initial investigation, if the Unit determines the report is a good faith indication of alleged child abuse or neglect, then a formal investigation shall commence and, pursuant to Section 7.12 of this Act, may or may not result in an indicated report. The formal investigation shall include: direct contact with the subject or subjects of the report as soon as possible after the report is received; an evaluation of the environment of the child named in the report and any other children in the same environment; a determination of the risk to such children if they continue to remain in the existing environments, as well as a determination of the nature, extent and cause of any condition enumerated in such report; the name, age and condition of other children in the environment; and an evaluation as to whether there would be an immediate and urgent necessity to remove the child from the environment if appropriate family preservation services were provided. After seeing to the safety of the child or children, the Department shall forthwith notify the subjects of the report in writing, of the existence of the report and their rights existing under this Act in regard to amendment or expungement. To fulfill the requirements of this Section, the Child Protective Service Unit shall have the capability of providing or arranging for comprehensive emergency services to children and families at all times of the day or night.

(4) If (i) at the conclusion of the Unit's initial investigation of a report, the Unit determines the report to be a good faith indication of alleged child abuse or neglect that warrants a formal investigation by the Unit, the Department, any law enforcement agency or any other responsible agency and (ii) the person who is alleged to have caused the abuse or neglect is employed or otherwise engaged in an activity resulting in frequent contact with children and the alleged abuse or neglect are in the course of such employment or activity, then the Department shall, except in investigations where the Director determines that such notification would be detrimental to the Department's investigation, inform the appropriate supervisor or administrator of that employment or activity that the Unit has commenced a formal investigation pursuant to this Act, which may or may not result in an indicated report. The Department shall also notify the person being investigated, unless the Director determines that such notification would be detrimental to the Department's investigation.

(c) In an investigation of a report of suspected abuse or neglect of a child by a school employee at a school or on school grounds, the Department shall make reasonable efforts to follow the following procedures:

(1) Investigations involving teachers shall not, to the extent possible, be conducted when the teacher is scheduled to conduct classes. Investigations involving other school employees shall be conducted so as to minimize disruption of the school day. The school employee accused of child abuse or neglect may have his superior, his association or union representative and his attorney present at any interview or meeting at which the teacher or administrator is present. The accused school employee shall be informed by a representative of the Department, at any interview or meeting, of the accused school employee's due process rights and of the steps in the investigation process. The information shall include, but need not necessarily be limited to the right, subject to the approval of the Department, of the school employee to confront the accuser, if the accuser is 14 years of age or older, or the right to review the specific allegations which gave rise to the investigation, and the right to review all materials and evidence that have been submitted to the Department in support of the allegation. These due process rights shall also include the right of the school employee to present countervailing evidence regarding the accusations.

(2) If a report of neglect or abuse of a child by a teacher or administrator does not involve allegations of sexual abuse or extreme physical abuse, the Child Protective Service Unit shall make reasonable efforts to conduct the initial investigation in coordination with the employee's supervisor.

If the Unit determines that the report is a good faith indication of potential child abuse or neglect, it shall then commence a formal investigation under paragraph (3) of subsection (b) of this Section.

(3) If a report of neglect or abuse of a child by a teacher or administrator involves an allegation of sexual abuse or extreme physical abuse, the Child Protective Unit shall commence an investigation under paragraph (2) of subsection (b) of this Section.

(c-5) In any instance in which a report is made or caused to be made by a school district employee involving the conduct of a person employed by the school district, at the time the report was made, as required under Section 4 of this Act, the Child Protective Service Unit shall send a copy of its final finding report to the general superintendent of that school district.

(d) If the Department has contact with an employer, or with a religious institution or religious official having supervisory or hierarchical authority over a member of the clergy accused of the abuse of a child, in the course of its investigation, the Department shall notify the employer or the religious institution or

religious official, in writing, when a report is unfounded so that any record of the investigation can be expunged from the employee's or member of the clergy's personnel or other records. The Department shall also notify the employee or the member of the clergy, in writing, that notification has been sent to the employer or to the appropriate religious institution or religious official informing the employer or religious institution or religious official that the Department's investigation has resulted in an unfounded report.

(e) Upon request by the Department, the Department of State Police and law enforcement agencies are authorized to provide criminal history record information as defined in the Illinois Uniform Conviction Information Act and information maintained in the adjudicatory and dispositional record system as defined in Section 2605-355 of the Department of State Police Law (20 ILCS 2605/2605-355) to properly designated employees of the Department of Children and Family Services if the Department determines the information is necessary to perform its duties under the Abused and Neglected Child Reporting Act, the Child Care Act of 1969, and the Children and Family Services Act. The request shall be in the form and manner required by the Department of State Police. Any information obtained by the Department of Children and Family Services under this Section is confidential and may not be transmitted outside the Department of Children and Family Services other than to a court of competent jurisdiction or unless otherwise authorized by law. Any employee of the Department of Children and Family Services who transmits confidential information in violation of this Section or causes the information to be transmitted in violation of this Section is guilty of a Class A misdemeanor unless the transmittal of the information is authorized by this Section or otherwise authorized by law.

(f) For purposes of this Section "child abuse or neglect" includes abuse or neglect of an adult resident as defined in this Act.

#### AMENDMENT NO. 2 TO SENATE BILL 1740

"Section 5. The Property Tax Code is amended by adding Section 15-174 as follows:

(35 ILCS 200/15-174 new)

Sec. 15-174. Community stabilization assessment freeze pilot program.

(a) Beginning January 1, 2015 and ending June 30, 2029, the chief county assessment officer of any county may reduce the assessed value of improvements to residential real property in accordance with subsection (b) for 10 taxable years after the improvements are put in service, if and only if all of the following factors have been met:

(1) the improvements are residential;

(2) the parcel was purchased or otherwise conveyed to the taxpayer after January 1 of the taxable year and that conveyance was not a tax sale as required under the Property Tax Code;

(3) the parcel is located in a targeted area;

[November 20, 2014]

(4) for single family homes, the taxpayer occupies the improvements on the parcel as his or her primary residence; for residences of one to 6 units that will not be owner-occupied, the taxpayer replaces 2 primary building systems as outlined in this Section;

(5) the transfer from the holder of the prior mortgage to the taxpayer was an arm's length transaction, in that the taxpayer has no legal relationship to the holder of the prior mortgage;

(6) an existing residential dwelling structure of no more than 6 units on the parcel was unoccupied at the time of conveyance for a minimum of 6 months, or the parcel was ordered by a court of competent jurisdiction to be deconverted in accordance with the provisions governing distressed condominiums as provided in the Condominium Property Act;

(7) the parcel is clear of unreleased liens and has no outstanding tax liabilities attached against it; and

To be eligible for the benefit conferred by this Section, residential units must (i) meet local building codes, or if there are no local building codes, Housing Quality Standards, as determined by the U.S. Department of Housing and Urban Development from time to time and (ii) be owner-occupied or in need of substantial rehabilitation. "Substantial rehabilitation" means, at a minimum, compliance with local building codes and the replacement or renovation of at least 2 primary building systems. "Erroneous homestead exemption" means a homestead exemption that was granted for real property in a taxable year if the property was not eligible for that exemption in that taxable year. If the taxpayer receives an erroneous homestead exemption under a single Section of this Code for the same property in multiple years, that exemption is considered a single erroneous homestead exemption for purposes of this Section. However, if the taxpayer receives erroneous homestead exemptions under multiple Sections of this Code for the same property, or if the taxpayer receives erroneous homestead exemptions under the same Section of this Code for multiple properties, then each of those exemptions is considered a separate erroneous homestead exemption for purposes of this Section.

(d) The notice of intent to record a lien described in subsection (c) shall: (1) identify, by property index number, the property against which the lien is being sought; (2) identify each specific homestead exemption that was erroneously granted and the year or years in which each exemption was granted; (3) set forth the erroneous exemption principal amount due and the interest amount and any penalty and administrative costs due; (4) inform the taxpayer that he or she may request a hearing within 30 days after service and may appeal the hearing officer's ruling to the circuit court; ~~and~~ (5) inform the taxpayer that he or she may pay the erroneous exemption principal amount, plus interest and penalties, within 30 days after service ; and (6) inform the taxpayer that, if the lien is recorded against the property, the amount of the lien will be adjusted to include the applicable recording fee and that fees for recording a release of the lien shall be incurred by the taxpayer. A lien shall not be filed pursuant to this Section if the ~~taxpayer property owner~~ taxpayer pays the erroneous exemption principal amount, plus penalties and interest, within 30 days of service of the notice of intent to record a lien.

(e) The notice of intent to record a lien shall also include a form that the ~~taxpayer property owner~~ taxpayer may return to the chief county assessment officer to request a hearing. The ~~taxpayer property owner~~ taxpayer may request a hearing by returning the form within 30 days after service. The hearing shall be held within 90 days after the ~~taxpayer property owner~~ taxpayer is served. The chief county assessment officer shall promulgate rules of service and procedure for the hearing. The chief county assessment officer must generally follow rules of evidence and practices that prevail in the county circuit courts, but, because of the nature of these proceedings, the chief county assessment officer is not bound by those rules in all particulars. The chief county assessment officer shall appoint a hearing officer to oversee the hearing. The ~~taxpayer property owner~~ taxpayer shall be allowed to present evidence to the hearing officer at the hearing. After taking into consideration all the relevant testimony and evidence, the hearing officer shall make an administrative decision on whether the ~~taxpayer property owner~~ taxpayer was erroneously granted a homestead exemption for the taxable assessment year in question. The ~~taxpayer property owner~~ taxpayer may appeal the hearing officer's ruling to the circuit court of the county where the property is located as a final administrative decision under the Administrative Review Law.

(f) A lien against the property imposed under this Section shall be filed with the county recorder of deeds, but may not be filed sooner than 60 days after the notice of intent to record a lien was delivered to the ~~taxpayer property owner~~ taxpayer if the ~~taxpayer property owner~~ taxpayer does not request a hearing, or until the conclusion of the hearing and all appeals if the ~~taxpayer property owner~~ taxpayer does request a hearing. If a lien is filed pursuant to this Section and the ~~taxpayer property owner~~ taxpayer received one or 2 erroneous homestead exemptions during any of the 3 collection assessment years immediately prior to the current collection assessment year in which the notice of discovery intent to record a lien is served, then the erroneous exemption principal amount, plus 10% interest per annum or portion thereof from the date the erroneous exemption principal amount would have become due if properly included in the tax bill, shall be charged against the property by the chief county assessment officer. However, if a lien is filed pursuant to this Section and the ~~taxpayer property owner~~ taxpayer received 3 or more erroneous homestead exemptions during any of the 6 collection assessment years immediately prior to the current collection assessment year in which the notice of discovery intent to record a lien is served, the erroneous exemption principal amount, plus a penalty of 50% of the total amount of the erroneous exemption principal amount for that property and 10% interest per annum or portion thereof from the date the erroneous exemption principal amount would have become due if properly included in the tax bill, shall be charged against the property by the chief county assessment officer. If a lien is filed pursuant to this Section, the taxpayer shall not be liable for interest that accrues between the date the notice of discovery is served and the date the lien is filed. Before recording the lien with the county recorder of deeds, the chief county assessment officer shall adjust the amount of the lien to add administrative costs, including but not limited to the applicable recording fee, to the total lien amount.

(g) If a person received an erroneous homestead exemption under Section 15-170 and: (1) the person was the spouse, child, grandchild, brother, sister, niece, or nephew of the previous ~~taxpayer property owner~~, and (2) the person received the property by bequest or inheritance; then the person is not liable for the penalties imposed under this Section for any year or years during which the chief county assessment officer did not require an annual application for the exemption. However, that person is responsible for any interest owed under subsection (f).

(h) If the erroneous homestead exemption was granted as a result of a clerical error or omission on the part of the chief county assessment officer, and if the ~~taxpayer property owner~~ has paid the tax bills as received for the year in which the error occurred, then the interest and penalties authorized by this Section with respect to that homestead exemption shall not be chargeable to the ~~taxpayer property owner~~. However, nothing in this Section shall prevent the collection of the erroneous exemption principal amount due and owing.

(i) A lien under this Section is not valid as to (1) any bona fide purchaser for value without notice of the erroneous homestead exemption whose rights in and to the underlying parcel arose after the erroneous homestead exemption was granted but before the filing of the notice of lien; or (2) any mortgagee, judgment creditor, or other lienor whose rights in and to the underlying parcel arose before the filing of the notice of lien. A title insurance policy for the property that is issued by a title company licensed to do business in the State showing that the property is free and clear of any liens imposed under this Section shall be prima facie evidence that the ~~taxpayer property owner~~ is without notice of the erroneous homestead exemption. Nothing in this Section shall be deemed to impair the rights of subsequent creditors and subsequent purchasers under Section 30 of the Conveyances Act.

(j) When a lien is filed against the property pursuant to this Section, the chief county assessment officer shall mail a copy of the lien to the person to whom the most recent tax bill was mailed and to the owner of record, and the outstanding liability created by such a lien is due and payable within 30 days after the mailing of the lien by the chief county assessment officer. This liability is deemed delinquent and shall bear interest beginning on the day after the due date at a rate of 1.5% per month or portion thereof. Payment shall be made to the county treasurer. Upon receipt of the full amount due, as determined by the chief county assessment officer, the county treasurer shall distribute the amount paid as provided in subsection (k). Upon presentment by the ~~taxpayer property owner~~ to the chief county assessment officer of proof of payment of the total liability, the chief county assessment officer shall provide in reasonable form a release of the lien. The release of the lien provided shall clearly inform the taxpayer that it is the responsibility of the taxpayer to record the lien release form with the county recorder of deeds and to pay any applicable recording fees. This liability is deemed delinquent and shall bear interest beginning on the day after the due date at a rate of 1.5% per month or portion thereof.

(k) The county treasurer shall pay collected erroneous exemption principal amounts, pro rata, to the taxing districts, or their legal successors, that levied upon the subject property in the taxable assessment year or years for which the erroneous homestead exemptions were granted, except as set forth in this Section. The county treasurer shall pay collected interest to the county where the property is located. The county treasurer shall deposit collected penalties and interest into a special fund established by the county treasurer to offset the costs of administration of the provisions of this ~~Section~~ amendatory Act of the 98th General Assembly by the chief county assessment officer's office, as appropriated by the county board. If the costs of administration of this Section exceed the amount of interest and penalties collected in the special fund, the chief county assessor shall be reimbursed by each taxing district or their legal successors for those costs. Such costs shall be paid out of the funds collected by the county treasurer on behalf of each taxing district pursuant to this Section.

(l) The chief county assessment officer in a county with 3,000,000 or more inhabitants shall establish an amnesty period for all taxpayers owing any tax due to an erroneous homestead exemption granted in a tax year prior to the 2013 tax year. The amnesty period shall begin on the effective date of this amendatory Act of the 98th General Assembly and shall run through December 31, 2013. If, during the amnesty period, the taxpayer pays the entire arrearage of taxes due for tax years prior to 2013, the county clerk shall abate and not seek to collect any interest or penalties that may be applicable and shall not seek civil or criminal prosecution for any taxpayer for tax years prior to 2013. Failure to pay all such taxes due during the amnesty period established under this Section shall invalidate the amnesty period for that taxpayer.

The chief county assessment officer in a county with 3,000,000 or more inhabitants shall (i) mail notice of the amnesty period with the tax bills for the second installment of taxes for the 2012 assessment year and (ii) as soon as possible after the effective date of this amendatory Act of the 98th General Assembly, publish notice of the amnesty period in a newspaper of general circulation in the county. Notices shall include information on the amnesty period, its purpose, and the method by which to make payment.

Taxpayers who are a party to any criminal investigation or to any civil or criminal litigation that is pending in any circuit court or appellate court, or in the Supreme Court of this State, for nonpayment, delinquency, or fraud in relation to any property tax imposed by any taxing district located in the State on the effective date of this amendatory Act of the 98th General Assembly may not take advantage of the amnesty period.

A taxpayer who has claimed 3 or more homestead exemptions in error shall not be eligible for the amnesty period established under this subsection.

#### **AMENDMENT NO. 1 TO SENATE BILL 1842**

AMENDMENT NO. 1. Amend Senate Bill 1842 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Vehicle Code is amended by changing Sections 4-203 and 4-215 and by adding the heading of Article IV to Chapter 4 and Sections 4-400, 4-401, 4-402, and 4-403 as follows:

(625 ILCS 5/4-203) (from Ch. 95 1/2, par. 4-203)

Sec. 4-203. Removal of motor vehicles or other vehicles; Towing or hauling away.

(a) When a vehicle is abandoned, or left unattended, on a toll highway, interstate highway, or expressway for 2 hours or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(b) When a vehicle is abandoned on a highway in an urban district 10 hours or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(c) When a vehicle is abandoned or left unattended on a highway other than a toll highway, interstate highway, or expressway, outside of an urban district for 24 hours or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(d) When an abandoned, unattended, wrecked, burned or partially dismantled vehicle is creating a traffic hazard because of its position in relation to the highway or its physical appearance is causing the impeding of traffic, its immediate removal from the highway or private property adjacent to the highway by a towing service may be authorized by a law enforcement agency having jurisdiction.

(e) Whenever a peace officer reasonably believes that a person under arrest for a violation of Section 11-501 of this Code or a similar provision of a local ordinance is likely, upon release, to commit a subsequent violation of Section 11-501, or a similar provision of a local ordinance, the arresting officer shall have the vehicle which the person was operating at the time of the arrest impounded for a period of not more than 12 hours after the time of arrest. However, such vehicle may be released by the arresting law enforcement agency prior to the end of the impoundment period if:

(1) the vehicle was not owned by the person under arrest, and the lawful owner

requesting such release possesses a valid operator's license, proof of ownership, and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner, or who would otherwise, by operating such motor vehicle, be in violation of this Code;

or

[November 20, 2014]

(2) the vehicle is owned by the person under arrest, and the person under arrest gives permission to another person to operate such vehicle, provided however, that the other person possesses a valid operator's license and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner or who would otherwise, by operating such motor vehicle, be in violation of this Code.

(e-5) Whenever a registered owner of a vehicle is taken into custody for operating the vehicle in violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code, a law enforcement officer may have the vehicle immediately impounded for a period not less than:

- (1) 24 hours for a second violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code or a combination of these offenses; or
- (2) 48 hours for a third violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code or a combination of these offenses.

The vehicle may be released sooner if the vehicle is owned by the person under arrest and the person under arrest gives permission to another person to operate the vehicle and that other person possesses a valid operator's license and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner or would otherwise, by operating the motor vehicle, be in violation of this Code.

(f) Except as provided in Chapter 18a of this Code, the owner or lessor of privately owned real property within this State, or any person authorized by such owner or lessor, or any law enforcement agency in the case of publicly owned real property may cause any motor vehicle abandoned or left unattended upon such property without permission to be removed by a towing service without liability for the costs of removal, transportation or storage or damage caused by such removal, transportation or storage. The towing or removal of any vehicle from private property without the consent of the registered owner or other legally authorized person in control of the vehicle is subject to compliance with the following conditions and restrictions:

1. Any towed or removed vehicle must be stored at the site of the towing service's place of business. The site must be open during business hours, and for the purpose of redemption of vehicles, during the time that the person or firm towing such vehicle is open for towing purposes.

2. The towing service shall within 30 minutes of completion of such towing or removal, notify the law enforcement agency having jurisdiction of such towing or removal, and the make, model, color and license plate number of the vehicle, and shall obtain and record the name of the person at the law enforcement agency to whom such information was reported.

3. If the registered owner or legally authorized person entitled to possession of the vehicle shall arrive at the scene prior to actual removal or towing of the vehicle, the vehicle shall be disconnected from the tow truck and that person shall be allowed to remove the vehicle without interference, upon the payment of a reasonable service fee of not more than one half the posted rate of the towing service as provided in paragraph 6 of this subsection, for which a receipt shall be given.

4. The rebate or payment of money or any other valuable consideration from the towing service or its owners, managers or employees to the owners or operators of the premises from which the vehicles are towed or removed, for the privilege of removing or towing those vehicles, is prohibited. Any individual who violates this paragraph shall be guilty of a Class A misdemeanor.

5. Except for property appurtenant to and obviously a part of a single family residence, and except for instances where notice is personally given to the owner or other legally authorized person in control of the vehicle that the area in which that vehicle is parked is reserved or otherwise unavailable to unauthorized vehicles and they are subject to being removed at the owner or operator's expense, any property owner or lessor, prior to towing or removing any vehicle from private property without the consent of the owner or other legally authorized person in control of that vehicle, must post a notice meeting the following requirements:

- a. Except as otherwise provided in subparagraph a.1 of this subdivision (f)5, the notice must be prominently placed at each driveway access or curb cut allowing vehicular access to the property within 5 feet from the public right-of-way line. If there are no curbs or access barriers, the sign must be posted not less than one sign each 100 feet of lot frontage.

- a.1. In a municipality with a population of less than 250,000, as an alternative to the requirement of subparagraph a of this subdivision (f)5, the notice for a parking lot contained within property used solely for a 2-family, 3-family, or 4-family residence may be prominently placed at the perimeter of the parking lot, in a position where the notice is visible to the occupants of vehicles entering the lot.

- b. The notice must indicate clearly, in not less than 2 inch high light-reflective

letters on a contrasting background, that unauthorized vehicles will be towed away at the owner's expense.

c. The notice must also provide the name and current telephone number of the towing service towing or removing the vehicle.

d. The sign structure containing the required notices must be permanently installed with the bottom of the sign not less than 4 feet above ground level, and must be continuously maintained on the property for not less than 24 hours prior to the towing or removing of any vehicle.

6. Any towing service that tows or removes vehicles and proposes to require the owner, operator, or person in control of the vehicle to pay the costs of towing and storage prior to redemption of the vehicle must file and keep on record with the local law enforcement agency a complete copy of the current rates to be charged for such services, and post at the storage site an identical rate schedule and any written contracts with property owners, lessors, or persons in control of property which authorize them to remove vehicles as provided in this Section. The towing and storage charges, however, shall not exceed the maximum allowed by the Illinois Commerce Commission under Section 18a-200.

7. No person shall engage in the removal of vehicles from private property as described in this Section without filing a notice of intent in each community where he intends to do such removal, and such notice shall be filed at least 7 days before commencing such towing.

8. No removal of a vehicle from private property shall be done except upon express written instructions of the owners or persons in charge of the private property upon which the vehicle is said to be trespassing.

9. Vehicle entry for the purpose of removal shall be allowed with reasonable care on the part of the person or firm towing the vehicle. Such person or firm shall be liable for any damages occasioned to the vehicle if such entry is not in accordance with the standards of reasonable care.

10. When a vehicle has been towed or removed pursuant to this Section, it must be released to its owner or custodian within one half hour after requested, if such request is made during business hours. Any vehicle owner or custodian or agent shall have the right to inspect the vehicle before accepting its return, and no release or waiver of any kind which would release the towing service from liability for damages incurred during the towing and storage may be required from any vehicle owner or other legally authorized person as a condition of release of the vehicle. A detailed, signed receipt showing the legal name of the towing service must be given to the person paying towing or storage charges at the time of payment, whether requested or not.

This Section shall not apply to law enforcement, firefighting, rescue, ambulance, or other emergency vehicles which are marked as such or to property owned by any governmental entity.

When an authorized person improperly causes a motor vehicle to be removed, such person shall be liable to the owner or lessee of the vehicle for the cost or removal, transportation and storage, any damages resulting from the removal, transportation and storage, attorney's fee and court costs.

Any towing or storage charges accrued shall be payable by the use of any major credit card, in addition to being payable in cash.

11. Towing companies shall also provide insurance coverage for areas where vehicles towed under the provisions of this Chapter will be impounded or otherwise stored, and shall adequately cover loss by fire, theft or other risks.

Any person who fails to comply with the conditions and restrictions of this subsection shall be guilty of a Class C misdemeanor and shall be fined not less than \$100 nor more than \$500.

(g)(1) When a vehicle is determined to be a hazardous dilapidated motor vehicle pursuant to Section 11-40-3.1 of the Illinois Municipal Code or Section 5-12002.1 of the Counties Code, its removal and impoundment by a towing service may be authorized by a law enforcement agency with appropriate jurisdiction.

(2) When a vehicle removal from either public or private property is authorized by a law enforcement agency, the owner of the vehicle shall be responsible for all towing and storage charges.

(3) Vehicles removed from public or private property and stored by a commercial vehicle relocater or any other towing service authorized by a law enforcement agency in compliance with this Section and Sections 4-201 and 4-202 of this Code, or at the request of the owner or lessor of privately owned real property, or any person authorized by that owner or lessor, in compliance with subsection (f) of this Section, or at the request of the vehicle owner or operator, shall be subject to a possessor lien for services under Section 4-400 of this Code pursuant to the Labor and Storage Lien (Small Amount) Act. Notice The provisions of Section 1 of that Act relating to notice and implied consent shall be deemed satisfied by compliance with Section 18a-302 and subsection (6) of Section 18a-300. In no event shall such lien be greater than the rate or rates established in accordance with subsection (6) of Section 18a-200 of this Code. In no event shall such lien be increased or altered to reflect any charge for services or materials rendered

in addition to those authorized by this Act. Every such lien shall be payable by use of any major credit card, in addition to being payable in cash.

(4) Any personal property belonging to the vehicle owner in a vehicle subject to a lien under this subsection (g) shall likewise be subject to that lien, excepting only: child restraint systems as defined in Section 4 of the Child Passenger Protection Act and other child booster seats; eyeglasses; food; medicine; perishable property; any operator's licenses; any cash, credit cards, or checks or checkbooks; any wallet, purse, or other property containing any operator's license or other identifying documents or materials, cash, credit cards, checks, or checkbooks; and any personal property belonging to a person other than the vehicle owner if that person provides adequate proof that the personal property belongs to that person. The spouse, child, mother, father, brother, or sister of the vehicle owner may claim personal property excepted under this paragraph (4) if the person claiming the personal property provides the commercial vehicle relocater or towing service with the authorization of the vehicle owner.

(5) This paragraph (5) applies only in the case of a vehicle that is towed as a result of being involved in an accident. In addition to the personal property excepted under paragraph (4), all other personal property in a vehicle subject to a lien under this subsection (g) is exempt from that lien and may be claimed by the vehicle owner if the vehicle owner provides the commercial vehicle relocater or towing service with proof that the vehicle owner has an insurance policy covering towing and storage fees. The spouse, child, mother, father, brother, or sister of the vehicle owner may claim personal property in a vehicle subject to a lien under this subsection (g) if the person claiming the personal property provides the commercial vehicle relocater or towing service with the authorization of the vehicle owner and proof that the vehicle owner has an insurance policy covering towing and storage fees. The regulation of liens on personal property and exceptions to those liens in the case of vehicles towed as a result of being involved in an accident are exclusive powers and functions of the State. A home rule unit may not regulate liens on personal property and exceptions to those liens in the case of vehicles towed as a result of being involved in an accident. This paragraph (5) is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

(6) No lien under this subsection (g) shall: exceed \$2,000 in its total amount; or be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Act.

(h) Whenever a peace officer issues a citation to a driver for a violation of subsection (a) of Section 11-506 of this Code, the arresting officer may have the vehicle which the person was operating at the time of the arrest impounded for a period of 5 days after the time of arrest. An impounding agency shall release a motor vehicle impounded under this subsection (h) to the registered owner of the vehicle under any of the following circumstances:

(1) If the vehicle is a stolen vehicle; or

(2) If the person ticketed for a violation of subsection (a) of Section 11-506 of this Code was not authorized by the registered owner of the vehicle to operate the vehicle at the time of the violation; or

(3) If the registered owner of the vehicle was neither the driver nor a passenger in the vehicle at the time of the violation or was unaware that the driver was using the vehicle to engage in street racing; or

(4) If the legal owner or registered owner of the vehicle is a rental car agency; or

(5) If, prior to the expiration of the impoundment period specified above, the citation is dismissed or the defendant is found not guilty of the offense.

Sec. 4-215. Rebuilt vehicles; clean titles. (625 ILCS 5/Ch. 4 Art. IV heading new)

ARTICLE IV. MECHANIC'S LIENS AGAINST VEHICLES

(625 ILCS 5/4-400 new)

Sec. 4-400. Applicability. This Article applies to any person or entity providing labor, services, material, or storage for any vehicle at the request of the vehicle owner or authorized agent of the owner. For purposes of this Article, "owner" shall include the person who holds legal title to the vehicle, a lessee of the vehicle, or an authorized agent of the person who holds legal title or lessee.

(625 ILCS 5/4-401 new)

Sec. 4-401. Creation of lien. Any person or entity providing labor, services, material, or storage for any vehicle with the consent of the vehicle owner or authorized agent of the vehicle owner shall be entitled to have a lien upon the vehicle for the contracted price of the services provided. Only costs for newspaper advertisements and certified mailings incurred as a result of enforcing a mechanic's lien may be added to the contracted price of the services originally provided to the vehicle owner.

(625 ILCS 5/4-402 new)

Sec. 4-402. Consent of vehicle owner.

(a) Except as provided in subsection (c), to establish a lien under this Article the claimant must provide proof of consent by the vehicle owner for the contracted services. The vehicle owner's consent shall be demonstrated by a signed work order or estimate, or by a record of oral consent made on the work order or estimate. If the vehicle owner's consent is oral the claimant must provide the work order, estimate, or other written record used in the normal course of business that contains the date, time, name of the person authorizing the services, the name of the employee who spoke to the person authorizing the services, and the telephone number of the claimant, if any. If the only service provided is storage of a vehicle the claimant must provide a formal storage agreement, signed by the vehicle owner, setting forth the storage charge. If storage is provided incident to repairs authorized by the vehicle owner, the authorization for the repairs shall constitute authorization for storage.

(b) Any vehicle for which the claimant has possession but cannot provide proof of consent of the vehicle owner for labor, services, material, or storage shall be deemed an abandoned vehicle and disposal of the vehicle shall be governed by 1 Chapter 4, Article II of this Code.

(c) Proof of consent of the vehicle owner for towing and storage charges is not required when the tow and storage are pursuant to authorization by a law enforcement agency or at the request of the owner or lessor of privately owned real property, or any person authorized by the owner or lessor, in compliance with subsection (f) of Section 4-203 of this Code.

(625 ILCS 5/4-403 new)

Sec. 4-403. Foreclosing mechanic's liens.

(a) If a vehicle is not redeemed by the owner within 30 days after completion of the contracted services or 30 days after the date agreed upon by the parties, whichever is later, the claimant may begin to enforce a mechanic's lien.

(b) The sale of the vehicle shall occur only after providing notice to the owner of the time and place of the sale. The claimant shall request the title records of the vehicle from the Secretary of State. If the Secretary of State cannot provide ownership information, the following means shall be used to identify the owner:

(1) using the vehicle identification number to conduct a search through a commercial, nation-wide motor vehicle information service; and

(2) inspecting the vehicle for evidence of the name or address of the owner or state of registration.

If evidence of the state of registration is found, the motor vehicle department of the particular state shall be contacted and requested to perform a record search for the name and address of any owner or lienholder. In lieu of contacting a motor vehicle department, the request for the name and address of any owner or lienholder may be made to any private entity approved by the Secretary of State for this purpose.

(c) The claimant shall send notice by certified mail, or by any other method of mailing authorized by administrative rule, no less than 30 days prior to the sale to the owner of the vehicle and any lienholder. The notice, in addition to being mailed to the addresses provided on the record search, shall also be sent to any secondary address provided to the claimant by the vehicle owner. The notice shall include the name, address, and telephone number of the claimant, the hours of operation, the total amount owed, and the time and place of the sale. The sale must be held at the business location of the claimant.

(d) In addition to the certified notice required under subsection (c) of this Section, the claimant shall publish one notice of the sale in a newspaper of general circulation in the city, village, or township where the claimant provided services for the vehicle. The notice shall be published no less than 14 days prior to the date and time of the sale and shall set forth:

(1) the date, time, and location of the sale;

(2) the name of the vehicle owner, a description of the vehicle including a vehicle identification number, make, model, and year of manufacture;

(3) the amount owed; and

(4) a statement that unless the vehicle is redeemed prior to the date of the sale, it will be sold at sale.

(e) The owner or lienholder of the vehicle may redeem the vehicle any time prior to the date of the sale. If the vehicle is not redeemed prior to the sale, the claimant may sell the vehicle at the time and place specified in the notice to satisfy the lien amount. The proceeds of the sale of the vehicle in excess of the charges of the claimant shall be deposited with the county treasurer where the services of the claimant were provided. If the excess proceeds are not reclaimed by the vehicle owner or lienholder within 6 months, the excess proceeds shall be deposited by the county treasurer in the general revenue fund of the county.

(f) After the sale of the vehicle the entity or individual purchasing the vehicle at sale shall apply for a certificate of title, salvage certificate, or junking certificate for the purchased vehicle as required by law. The entity or individual shall submit a title application along with the following documentation to the Secretary of State:

(1) a detailed, itemized estimate or invoice, including labor and parts, as originally prepared by the repairer, rebuilder, or other entity;

(2) pictures of the vehicle;

(3) a mechanic's lien affirmation, completed by the purchaser and the mechanic;

(4) proof of a title record search;

(5) proof of certified mail notification to the owner and lienholder;

(6) proof of published notice; and

(7) any other information as required by the Secretary of State.

(1) The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, shall establish, by rule, the grade level and subject area endorsements to be added to the Professional Educator License. The general administrative endorsement on the Professional Educator License is available only to individuals who, prior to September 1, 2014, had such an endorsement on the administrative certificate issued pursuant to Section 21-7.1 of this Code or who already have a Professional Educator License and have completed a general administrative program and who do not choose to convert the general administrative endorsement to a principal endorsement pursuant to the options in this Section.

Sec. 21B-45. Professional Educator License renewal.

(a) Individuals holding a Professional Educator License are required to complete the licensure renewal requirements as specified in this Section, unless otherwise provided in this Code.

Individuals holding a Professional Educator License shall meet the renewal requirements set forth in this Section, unless otherwise provided in this Code. If an individual holds a license endorsed in more than one area that has different renewal requirements, that individual shall follow the renewal requirements for the position for which he or she spends the majority of his or her time working.

(b) All Professional Educator Licenses not renewed as provided in this Section shall lapse on September 1 of that year. Lapsed licenses may be immediately reinstated upon (i) payment by the applicant of a \$500 penalty to the State Board of Education or, for individuals holding an Educator License with Stipulations with a paraprofessional educator endorsement only, payment by the applicant of a \$150 penalty to the State Board of Education or (ii) the demonstration of proficiency by completing 9 semester hours of coursework from a regionally accredited institution of higher education in the content area that most aligns with one or more of the educator's endorsement areas. Licenses not registered in accordance with Section 21B-40 of this Code shall lapse after a period of 6 months from the expiration of the last year of registration. An unregistered license is invalid after September 1 for employment and performance of services in an Illinois public or State-operated school or cooperative and in a charter school. Any license or endorsement may be voluntarily surrendered by the license holder. A voluntarily surrendered license, except a substitute teaching license issued under Section 21B-20 of this Code, shall be treated as a revoked license.

(c) From July 1, 2013 through June 30, 2014, in order to satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee with an administrative endorsement who is working in a position requiring such endorsement shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, per fiscal year.

(d) Beginning July 1, 2014, in order to satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee may create a professional development plan each year. The plan shall address one or more of the endorsements that are required of his or her educator position if the licensee is employed and performing services in an Illinois public or State-operated school or cooperative. If the licensee is employed in a charter school, the plan shall address that endorsement or those endorsements most closely related to his or her educator position. Licensees employed and performing services in any other Illinois schools may participate in the renewal requirements by adhering to the same process.

Except as otherwise provided in this Section, the licensee's professional development activities shall align with one or more of the following criteria:

- (1) activities are of a type that engage participants over a sustained period of time allowing for analysis, discovery, and application as they relate to student learning, social or emotional achievement, or well-being;
- (2) professional development aligns to the licensee's performance;
- (3) outcomes for the activities must relate to student growth or district improvement;
- (4) activities align to State-approved standards; and

[November 20, 2014]

(2) Beginning with his or her first full 5-year cycle, any licensee with an administrative endorsement who is not working in a position requiring such endorsement shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, in each 5-year renewal cycle in which the administrative endorsement was held for at least one year. The Illinois Administrators' Academy course may count toward the total of 120 hours per 5-year cycle.

(3) Any licensee with an administrative endorsement who is working in a position requiring such endorsement or an individual with a Teacher Leader endorsement serving in an administrative capacity at least 50% of the day shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, each fiscal year in addition to 100 hours of professional development per 5-year renewal cycle in accordance with this Code.

(4) Any licensee holding a current National Board for Professional Teaching Standards (NBPTS) master teacher designation shall complete a total of 60 hours of professional development per 5-year renewal cycle in order to renew the license.

(6) Licensees who are retired and qualify for benefits from a State retirement system shall notify the State Board of Education using ELIS, and the license shall be maintained in retired status. An individual with a license in retired status shall not be required to complete professional development activities or pay registration fees until returning to a position that requires educator licensure. Upon returning to work in a position that requires the Professional Educator License, the licensee shall immediately pay a registration fee and complete renewal requirements for that year. A license in retired status cannot lapse.

(7) For any renewal cycle in which professional development hours were required, but not fulfilled, the licensee shall complete any missed hours to total the minimum professional development hours required in this Section prior to September 1 of that year. For any fiscal year or renewal cycle in which an Illinois Administrators' Academy course was required but not completed, the licensee shall complete any missed Illinois Administrators' Academy courses prior to September 1 of that year. The licensee may complete all deficient hours and Illinois Administrators' Academy courses while continuing to work in a position that requires that license until September 1 of that year.

(8) Any licensee who has not fulfilled the professional development renewal requirements set forth in this Section at the end of any 5-year renewal cycle is ineligible to register his or her license and may submit an appeal to the State Superintendent of Education for reinstatement of the license.

(9) If professional development opportunities were unavailable to a licensee, proof that opportunities were unavailable and request for an extension of time beyond August 31 to complete the renewal requirements may be submitted from April 1 through June 30 of that year to the State Educator Preparation and Licensure Board. If an extension is approved, the license shall remain valid during the extension period.

(k) Registration fees shall be paid for the next renewal cycle between April 1 and June 30 in the last year of each 5-year renewal cycle using ELIS. (f) If, before midnight on the last day of the third calendar month after the closing date of the remit period, a wireless carrier does not provide the number of subscribers by zip code as required under subsection (c) of this Section, then the report is deemed delinquent and the Illinois Commerce Commission may impose a penalty against the carrier in an amount equal to the greater of:

- (1) \$25 for each month or portion of a month that the report is delinquent; or
- (2) an amount equal to the product of 1/2¢ and the number of subscribers served by the wireless carrier. On and after July 1, 2014, an amount equal to the product of \$0.01 and the number of subscribers served by the wireless carrier.

A penalty imposed in accordance with this subsection (f) for a portion of a month during which the carrier pays the delinquent amount in full shall be prorated for each day of that month that the delinquent amount was paid in full. A penalty imposed and collected in accordance with subsection (e) or this subsection (f) shall be deposited into the Wireless Service Emergency Fund for distribution according to Section 25 of this Act. Any penalty imposed under this subsection (f) is in addition to any other penalty imposed under this Section.

(g) The Illinois Commerce Commission may enforce the collection of any delinquent amount and any penalty due and unpaid under this Section by legal action or in any other manner by which the collection of debts due the State of Illinois may be enforced under the laws of this State. The Executive Director of the Illinois Commerce Commission, or his or her designee, may excuse the payment of any penalty imposed under this Section if the Executive Director, or his or her designee, determines that the enforcement of this penalty is unjust.

(h) Notwithstanding any provision of law to the contrary, nothing shall impair the right of wireless carriers to recover compliance costs for all emergency communications services that are not reimbursed out of the Wireless Carrier Reimbursement Fund directly from their wireless subscribers via line-item charges on the wireless subscriber's bill. Those compliance costs include all costs incurred by wireless carriers in complying with local, State, and federal regulatory or legislative mandates that require the transmission and receipt of emergency communications to and from the general public, including, but not limited to, E-911.

(i) The Auditor General shall conduct, on an annual basis, an audit of the Wireless Service Emergency Fund and the Wireless Carrier Reimbursement Fund for compliance with the requirements of this Act. The audit shall include, but not be limited to, the following determinations:

- (1) Whether the Commission is maintaining detailed records of all receipts and

disbursements from the Wireless Carrier Emergency Fund and the Wireless Carrier Reimbursement Fund.

(2) Whether the Commission's administrative costs charged to the funds are adequately documented and are reasonable.

(3) Whether the Commission's procedures for making grants and providing reimbursements in accordance with the Act are adequate.

(4) The status of the implementation of wireless 9-1-1 and E9-1-1 services in Illinois.

The Commission, the Department of State Police, and any other entity or person that may have information relevant to the audit shall cooperate fully and promptly with the Office of the Auditor General in conducting the audit. The Auditor General shall commence the audit as soon as possible and distribute the report upon completion in accordance with Section 3-14 of the Illinois State Auditing Act.

**AMENDMENT NO. 1 TO SENATE BILL 3509**

[November 20, 2014]

AMENDMENT NO. 1. Amend Senate Bill 3509 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Vehicle Code is amended by changing Sections 6-308 and 6-601 as follows:  
(625 ILCS 5/6-308)

(This Section may contain text from a Public Act with a delayed effective date)

Sec. 6-308. Procedures for traffic violations.

(a) Any person cited for violating this Code or a similar provision of a local ordinance for which a violation is a petty offense as defined by Section 5-1-17 of the Unified Code of Corrections, excluding business offenses as defined by Section 5-1-2 of the Unified Code of Corrections or a violation of Section 15-111 or subsection (d) of Section 3-401 of this Code, shall not be required to post bond to secure bail for his or her release. When required by Illinois Supreme Court Rule, the person shall sign the citation. All other provisions of this Code or similar provisions of local ordinances shall be governed by the bail provisions of the Illinois Supreme Court Rules when it is not practical or feasible to take the person before a judge to have bail set or to avoid undue delay because of the hour or circumstances.

(b) Whenever a person fails to appear in court, the court may continue the case for a minimum of 30 days and the clerk of the court shall send notice of the continued court date to the person's last known address. If the person does not appear in court on or before the continued court date or satisfy the court that the person's appearance in and surrender to the court is impossible for no fault of the person, the court shall enter an order of failure to appear. The clerk of the court shall notify the Secretary of State, on a report prescribed by the Secretary, of the court's order. The Secretary, when notified by the clerk of the court that an order of failure to appear has been entered, shall immediately suspend the person's driver's license, which shall be designated by the Secretary as a Failure to Appear suspension. The Secretary shall not remove the suspension, nor issue any permit or privileges to the person whose license has been suspended, until notified by the ordering court that the person has appeared and resolved the violation. Upon compliance, the clerk of the court shall present the person with a notice of compliance containing the seal of the court, and shall notify the Secretary that the person has appeared and resolved the violation. (Source: P.A. 98-870, eff. 1-1-15.)

(625 ILCS 5/6-601) (from Ch. 95 1/2, par. 6-601)

(Text of Section after amendment by P.A. 98-870)

Sec. 6-601. Penalties.

(a) It is a petty offense for any person to violate any of the provisions of this Chapter unless such violation is by this Code or other law of this State declared to be a misdemeanor or a felony.

(b) General penalties. Unless another penalty is in this Code or other laws of this State, every person convicted of a petty offense for the violation of any provision of this Chapter shall be punished by a fine of not more than \$500.

(c) Unlicensed driving. Except as hereinafter provided a violation of Section 6-101 shall be:

1. A Class A misdemeanor if the person failed to obtain a driver's license or permit after expiration of a period of revocation.

2. A Class B misdemeanor if the person has been issued a driver's license or permit, which has expired, and if the period of expiration is greater than one year; or if the person has never been issued a driver's license or permit, or is not qualified to obtain a driver's license or permit because of his age.

3. A petty offense if the person has been issued a temporary visitor's driver's license or permit and is unable to provide proof of liability insurance as provided in subsection (d-5) of Section 6-105.1.

If a licensee under this Code is convicted of violating Section 6-303 for operating a motor vehicle during a time when such licensee's driver's license was suspended under the provisions of Section 6-306.3 or 6-308, then such act shall be a petty offense (provided the licensee has answered the charge which was the basis of the suspension under Section 6-306.3 or 6-308), and there shall be imposed no additional like period of suspension as provided in paragraph (b) of Section 6-303.

(d) For violations of this Code or a similar provision of a local ordinance for which a violation is a petty offense as defined by Section 5-1-17 of the Unified Code of Corrections, excluding business offenses as defined by Section 5-1-2 of the Unified Code of Corrections or a violation of Section 15-111 or subsection (d) of Section 3-401 of this Code, if the violation may be satisfied without a court appearance, the violator may, pursuant to Supreme Court Rule, satisfy the case with a written plea of guilty and payment of fines, penalties, and costs equal to the bail amount established by the Supreme Court for the offense.

Section 10. The Code of Criminal Procedure of 1963 is amended by changing Section 110-15 as follows:  
(725 ILCS 5/110-15) (from Ch. 38, par. 110-15)

(Text of Section after amendment by P.A. 98-870)

Sec. 110-15. Applicability of provisions for giving and taking bail. The provisions of Sections 110-7 and 110-8 of this Code are exclusive of other provisions of law for the giving, taking, or enforcement of bail. In all cases where a person is admitted to bail the provisions of Sections 110-7 and 110-8 of this Code shall be applicable.

However, the Supreme Court may, by rule or order, prescribe a uniform schedule of amounts of bail in all but felony offenses. The uniform schedule shall not require a person cited for violating the Illinois Vehicle Code or a similar provision of a local ordinance for which a violation is a petty offense as defined by Section 5-1-17 of the Unified Code of Corrections, excluding business offenses as defined by Section 5-1-2 of the Unified Code of Corrections or a violation of Section 15-111 or subsection (d) of Section 3-401 of the Illinois Vehicle Code, to post bond to secure bail for his or her release. No bail amounts shall be required for petty offenses. Such uniform schedule may provide that the cash deposit provisions of Section 110-7 shall not apply to bail amounts established for alleged violations punishable by fine alone, and the schedule may further provide that in specified traffic cases a valid Illinois chauffeur's or operator's license must be deposited, in addition to 10% of the amount of the bail specified in the schedule. (Source: P.A. 98-870, eff. 1-1-15.)

Section 99. Effective date. This Act takes effect January 1, 2015."
