PRESIDING OFFICER: (SENATOR TROTTER)

Senator Cunningham, to explain the bill.

SENATOR CUNNINGHAM:

Thank you -- thank you, Mr. President. I move that the Senate override the Governor's veto of House Bill 1811. We've had the opportunity to discuss this initiative on a couple of different occasions, both here on the Floor and in committee. Just to recap, this is -- bill represents the AT&T modernization, as well as new fees for our 9-1-1 centers. It also includes reestablishment of three new sunset dates - for the Telecom Act, the 9-1-1 Act, and the Cable Video Act. If we don't take affirmative action on this motion today, all three of those laws will sunset and that's going to create some -- a host of problems, the most serious of which it will put the funding of our 9-1-1 centers in jeopardy. So I ask for the Chamber's support and would be happy to answer any questions.

PRESIDING OFFICER: (SENATOR TROTTER)

Is there any discussion? Is there any discussion? Is there any discussion? Seeing none, the question is, shall House Bill 1811 pass, notwithstanding the veto of the Governor. All those in favor will vote Aye. Opposed, Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 43 voting Yea, 1 voting Aye {sic}, 2 voting Present. House Bill 1811, having received the required three-fifths majority, is declared passed, notwithstanding the veto of the Governor. Senator Bush, why do you seek recognition?

SENATOR BUSH:
