7. even with you, Wooten. We're now going to proceed to the order

8. of Senate bills on third reading. Senator Partee.

9. SENATOR PARTEE:

10. I'm going to ask that the bell be rung because a lot of our

11. members are around and some of your fellows are away and - this

12. lets them know.

13. PRESIDING OFFICER (SENATOR GRAHAM):

14. We will allow a reasonable amount of time, Senator Partee.

15. Senator Rock wants to introduce someone, I presume. Senator

16. Rock.

17. SENATOR ROCK:

18. Thank you, Mr. President. I wonder, before we get to that

19. order of business, if we could address ourselves to the Calen-

20. dar? There are House ... there is a House bill on third read-

21. ing and some House bills on first reading. I note with some

22. interest that the House went to great pains to clean up their

23. Calendar and re-referred all the bills to the Rules Committee.

24. I wonder if such a motion on my part might be appropriate at this

25. time?

26. PRESIDING OFFICER (SENATOR GRAHAM):

27. I don't think we need a decision on that. I read you loud

28. and clear. Would you withhold that motion temporarily?

29. SENATOR ROCK:

30. Most certainly.

31. PRESIDING OFFICER (SENATOR GRAHAM):

32. Senator Nimrod.

33. SENATOR NIMROD:

1. ..Mr. President, on Senate Bill 1451, I would move that we dis-  
2. charge Committee on Appropriations and move it to second read-  
3. ing. I have already checked with the Chairman and the Senator  
4. Hynes and it is a transfer of funds internally and I would ask  
5. for the discharge of this bill.

6. PRESIDING OFFICER (SENATOR GRAHAM):

7. Was it just read this morning?

8. SENATOR NIMROD:

9. Yes, Sir. It was assigned to Appropriations.

10. PRESIDING OFFICER (SENATOR GRAHAM):

11. Did you check with the Chairman of Appropriations?

12. SENATOR NIMROD:

13. Yes, Sir, I did.

14. PRESIDING OFFICER (SENATOR GRAHAM):

15. Then, if we have a little order. We have a little order?  
16. The Senator from Skokie would like to make a motion, and I would  
17. like for you to understand what his motion is. So, if you will  
18. hold your motion for a moment, Senator. Senator. Gentlemen,  
19. please. Some of us would like to go home today, I think, but  
20. we're not going to if we don't have some order. Senator Nimrod.

21. SENATOR NIMROD:

22. Yes, Mr. President. This time I would like to move they  
23. discharge the Senate Bill 1451 from the Committee on Appropria-  
24. tions and place on second reading.

25. PRESIDING OFFICER (SENATOR GRAHAM):

26. There has been a motion by Senator Nimrod that Senate Bill  
27. 1451 be discharged from the Committee on Appropriations to which  
28. it was just assigned this morning and be placed on the order of  
29. second reading. And what does Senate Bill 1451 do, Senator?

30. SENATOR NIMROD:

31. Mr. President, 1451, is a transfer of funds within the At-  
32. torn... Office of the Attorney General.

33. PRESIDING OFFICER (SENATOR GRAHAM):

1. You have heard the motion? All in favor will signify by saying  
2. aye. Opposed. The ayes have it and Senate Bill 1451 will now  
3. appear on the Calendar on the order of second reading. Senator  
4. Rock.

5. SENATOR ROCK:

6. Thank you, Mr. President. I know Senator Moore has another  
7. similar motion and then we will proceed to the order of third  
8. reading. I wonder, Mr. President, if you would invoke the rule  
9. to clear the Floor of all persons not authorized to be on it.

10. PRESIDING OFFICER (SENATOR GRAHAM):

11. I am ready to do that, and I welcome your support in that  
12. effort. Will the Sergeant at Arms please invoke Rule No. 2 and  
13. do it without reservation. And that those that are in the Senate,  
14. please be in their seats. I would ..Senator Weaver, for what  
15. purpose do you arise?

16. SENATOR WEAVER:

17. Mr. President, on a point of personal privilege, I would like  
18. to ask the group from Urbana High School Civics Class, led by Mr.  
19. Leamons and Mr. Burgess, to stand and be received by the Senate.

20. PRESIDING OFFICER (SENATOR GRAHAM):

21. Senator Don Moore.

22. SENATOR DON MOORE:

23. Thank you, Mr. President. Mr. President and Members of the  
24. Senate, I would like to move to discharge the Committee on Appro-  
25. priations from further consideration on Senate Bills 1422 and  
26. 1423. These bills were assigned to the Appropriations Committee  
27. yesterday. I have talked to Senator McBroom. They are Line Item  
28. transfer bills within the budget of the Department of Public Aid.  
29. And, I would so move, Mr. President.

30. PRESIDING OFFICER (SENATOR GRAHAM):

31. There has been a motion by Senator Don Moore that the Com-  
32. mittee on Appropriations be discharged of any further considera-  
33. tion from Senate Bills 1422 and 1423 and that they be placed upon

1. the Calendar on the order of second reading. All in favor of that  
2. motion will signify by saying aye. Opposed. The ayes have it and  
3. the bills will appear next Monday on the Calendar second reading.  
4. Would you ring the bell again, Senator? Sergeant at Arms,  
5. Sweeney. We're on the order of third reading. Senator Rock.  
6. SENATOR ROCK:

7. Well, I don't mean to be obstreperous, Mr. President, but I  
8. still have not seen that the provisions of that particular rule  
9. have been adequately invoked and I will renew said motion.

10. PRESIDING OFFICER (SENATOR GRAHAM):

11. Senator Rock, your point is well taken, and the Presiding  
12. Officer certainly appreciates your effort. Senator Rock is re-  
13. newing his request, that the Floor be cleared of all people not  
14. entitled to the Floor and suggesting that the Senators stay in  
15. their seats so we can say Good Morning to them. Senator Clarke  
16. can't go to his seat, because he has someone sitting in it. As  
17. we go to the order of third reading we have allowed sufficient  
18. time, I think, for our Senators to come on the Floor from their  
19. offices. Reminding you again, the provisions of our new Elec-  
20. tronic Voting Device. After the roll has been taken, if you  
21. have not been recorded, you will not be recorded. First bill  
22. will be Senate Bill 1258. For what purpose Senator Hall arise?  
23. SENATOR HALL:

24. Mr. President, a personal... a point of personal privilege.  
25. I would just like to know if the bell could not be sounded before  
26. you declare that the machine is now open for voting?

27. PRESIDING OFFICER (SENATOR GRAHAM):

28. I think this.. I think that if we have the kind of order  
29. that we hope we have, when the Presiding Officer says the voting  
30. is open that we will all know it-there's a reason to do that  
31. I don't think we need the Fire Department to let us know. Sena-  
32. tor Partee.

33. SENATOR PARTEE:

1. No, sometimes I think the... there are machines that, when  
2. activated, commence to ring by way of an alert to the members  
3. and inasmuch as this machine does not ring, I think until we get  
4. into the structure of how we are going to do it and when we are going  
5. to be doing it, I would suggest that we do ring the bells, because  
6. those who are in the telephone booth or otherwise could know and  
7. come in to vote. That's the only problem.

8. PRESIDING OFFICER (SENATOR GRAHAM):

9. If that is the will of the Senate, I have no objections. As  
10. at least to a temporary trial on that method. We can have the  
11. Sergeant at Arms ring the bell. ...Senator ParTEE, if we go into  
12. a bell-ringing episode, pretty soon I have a feeling that the bell  
13. will be disregarded. Do we ring it one time, do we ring it three  
14. times? We ring ...We ring it sufficiently in advance that we are  
15. now in the order of third reading and it seems to me like that  
16. should be ...let's try it that way.

17. SENATOR PARTEE:

18. When we get to the third .....

19. PRESIDING OFFICER (SENATOR GRAHAM):

20. And when the voting is open ring the bell once and that's ..  
21. shall we? We're now on the order of third reading and the first  
22. bill to be considered is Senate Bill 1258. Senator Bradley Glass.

23. SECRETARY:

24. An Act making appropriate... Senate Bill 1258 - (Secretary  
25. reads the bill.) Third reading of the bill.

26. PRESIDING OFFICER (SENATOR GRAHAM):

27. Senator Glass.

28. SENATOR GLASS:

29. Thank you, Mr. President. This bill appropriates \$1,006,225.00  
30. for the ordinary and contingent expenses of the Legislative Re-  
31. ference Bureau. I've ...has the Retirement Amendment on it. I'd  
32. be happy to answer any questions. If there are none, move, Mr.  
33. President, for a favorable Roll Call.

1. PRESIDING OFFICER (SENATOR WEAVER):

2. Is there any discussion? The question is, shall Senate Bill  
3. 1258 pass? Upon that question? No. All those in favor will vote  
4. aye. Opposed nay. The voting is open. Have all voted who wish?  
5. Sec... Have all voted who wish? Secretary will take the record.  
6. On that question the ayes are 51, the nays are none. Senate Bill  
7. 1258, having received the Constitutional Majority, is declared  
8. Passed. Senator Clarke, 1259.

9. SECRETARY:

10. Senate Bill 125... Senate Bill 1259 - (Secretary reads the  
11. bill.) Third reading of the bill.

12. SENATOR CLARKE:

13. Mr. President. Mr. President....

14. PRESIDING OFFICER (SENATOR WEAVER):

15. Senator Clarke.

16. SENATOR CLARKE:

17. ...This bill is the same as Appropriation for the Legislative  
18. Audit Commission. There is an increase of about \$10,000.00 due to  
19. the changed structure of the Commission. We have two new members  
20. and additional duties. The members, of course, the biggest in-  
21. crease is in the Travel Allowance. Due to that fact. But we still  
22. have the same number of employees we have had for many years. Three  
23. employees. And it's a very modestly run Commission. I would  
24. solicit your vote.

25. PRESIDING OFFICER (SENATOR WEAVER):

26. Is there any discussion? Question is, shall Senate Bill 1259  
27. pass? Those in favor vote aye, those opposed vote nay. The voting  
28. is open. Secretary will take the record. On that question the  
29. ayes are 46, and the nays are none. SB 1259 having received the  
30. constitutional majority is declared passed. 1260, Senator Partee.

8. SENATOR NUDELMAN:

9. Mr. President, as a point of personal privilege the Law Firm  
10. of which I am a member, Nudelman and Nudelman, is presently  
11. engaged in litigation where I represent a plaintiff against the  
12. Metropolitan Fair and Exhibition Authority. I therefore will

17. SENATOR NUDELMAN:

18. No, Mr. President, I do not...I do not propose to vote

21. PRESIDING OFFICER (SENATOR WEAVER):

33. Senator Buzbee...Senator Buzbee.

1. SENATOR BUZBEE:

2. Thank you, Mr. President. This bill makes an appropriation to  
3. the Teachers' Retirement System, in the amount of 1,645,100 dollars.  
4. The reason for this is the 1961 General Assembly provided  
5. supplementary benefits to certain teachers in retirement at that  
6. time. Approximately 550 annuitants were affected by that 61  
7. Legislation. Of the original group, approximately 2500 are still  
8. eligible for the supplementary benefits. And, I would ask for a  
9. favorable roll call.

10. PRESIDING OFFICER (SENATOR WEAVER):

11. Is there any discussion? The question is, shall SB 1271  
12. pass? Those in favor vote aye, opposed vote nay. Voting is  
13. open. Have all voted who wish? Take the record. On that question,

21. Senator Carroll.

22. SENATOR CARROLL:

23. Thank you, Mr. President and members of the Senate. This is a  
24. bill for the ordinary and contingent appropriation to the Court of  
25. Claims to make its awards of under a thousand dollars, and it's  
26. necessary incidental expenses, As Amended by the committee, I  
27. would ask for a favorable roll call.

28. PRESIDING OFFICER (SENATOR WEAVER):

29. Senator Knuppel.

30. SENATOR KNUPPEL:

31. I'd like to ask the sponsor of the bill what the Court of  
32. Claims does under the present court system of the new  
33. Constitution that...that is worthwhile and why couldn't it be  
abolished?

1. PRESIDING OFFICER (SENATOR WEAVER):

2. Senator Carroll.

3. SENATOR CARROLL:

4. Senator Knuppel, it is still acting as the hearing agency  
5. to handle the claims against the State. This particular appropriation  
6. is to handle and pay immediately those claims of under a  
7. thousand dollars and to handle the new compensation for the Victims  
8. of Crimes Act. Uh, it was felt that even with the new  
9. Constitution, this was still the proper form to...in one clear  
10. place have all claims brought against the state so that we can  
11. have the expertise necessary for that type of action.

12. PRESIDING OFFICER (SENATOR WEAVER):

13. Senator Knuppel.

14. SENATOR KNUPPEL:

15. Don't...don't you really think though...I do and I hope  
16. that others in this room feel as I do, that we spend a great deal  
17. of time in 1962 to get an integrated court, to get rid of things  
18. like JP Courts, and all of those types of courts, and to get one  
19. court, and then the new Constitution, state immunity has been  
20. abolished and the only way I can see to get rid of the Court of  
21. Claims is to refuse to finance it. These claims can...can and  
22. should be brought by Legislature, they should be brought  
23. in the regular Circuit Court where the people get a fair shake  
24. like they do anywhere else. And, therefore, I'll have to vote  
25. against the appropriation, because I feel that the Court of Claims by  
26. everything that's holy, is as useless as teats on a bull.  
27. And, I'm going to vote no.

28. PRESIDING OFFICER (SENATOR WEAVER):

29. Is there further discussion? Senator Carroll may close debate.

30. SENATOR CARROLL:

31. Merely request a favorable roll call.

32. PRESIDING OFFICER (SENATOR WEAVER):

33. The question is, shall SB 1274 pass? Those is favor vote

1. aye, those opposed vote nay. The voting is open. Have all voted  
2. who wish? Take the record. On that question, the ayes are 42 and

12. ...Mr. President and members of the Senate, this is the  
13. annual appropriation for the ordinary and contingent Expenses of  
14. the Medical Center Commission and it's for 2,311,000 dollars. But  
15. 2,100,000 is a reappropriation from the last session, which was  
16. not used. I would ask for a fav...favorable roll call.

17. PRESIDING OFFICER (SENATOR WEAVER):

18. Is there any discussion? Senator Bell.

19. SENATOR BELL:

20. Well, Senator Romano, not having been here at the last session,  
21. I'm not...you know I'm not aware why 2,100,000 was...was specifically  
22. appropriated, nor am I aware at this time why...why it hasn't been  
23. spent before, but can you enlighten me a little bit as to why  
24. 2,311,000 dollars is necessary for a Medical Commission?

25. PRESIDING OFFICER (SENATOR WEAVER):

26. Senator Romano.

27. SENATOR ROMANO:

28. I really didn't mean the last session, I meant last year.  
29. This was for the acquisition of a square block of land in Chicago,  
30. I think Alden's Mail Order House occupies it and the Medical  
31. Center District is taken this over, in order that Presbyterian  
32. St. Luke and Rush Medical School could be built on this site.  
33. We appropriated it in 1973 but the Governor did not release the

1. the funds then and they asked...and they put it back in now.

2. PRESIDING OFFICER (SENATOR WEAVER):

3. Senator Bell.

4. SENATOR BELL:

5. Well, Sen...Senator Romano, seeing as how the Governor from  
6. the same side of the aisle that you represent, can you tell...

7. explain to me and the members of this side of the aisle why the

8. Governor saw fit not to spend that money?

9. SENATOR ROMANO:

10. You'd have to ask the Governor that question.

11. PRESIDING OFFICER (SENATOR WEAVER):

12. Any further discussion? The question is, shall SB 1276

14. SENATOR SAPERSTEIN:

15. What's the number of this bill?

6. PRESIDING OFFICER (SENATOR WEAVER):

7. Senator Rock.

8. SENATOR ROCK:

9. Thank you, Mr. President, ladies and gentlemen of the Senate,  
10. this is the annual appropriation for the Illinois Legislative  
11. Investigating Commission. It represents an increase of about  
12. 100,000 dollars over last year. The reason for the increase was  
13. the number of demands put upon the commission in forms of both  
14. Senate and House resolution calling for investigations. I would  
15. invite any questions and seek favorable roll call.

16. PRESIDING OFFICER (SENATOR WEAVER):

17. Senator Graham.

18. SENATOR GRAHAM:

19. No question, but it pertains to the roll call. I think I  
20. have observed and my seat mate has observed that some of the  
21. Senators take a quick pass at their voting button and they feel  
22. at that time perhaps that they have been recorded. I think I have  
23. noticed a couple of Senators this morning who thought they voted  
24. and didn't bother to check the board. I think it'd be well, until  
25. we get accustomed to it, if they checked the board, if you want to  
26. be on the roll call.

27. PRESIDING OFFICER (SENATOR WEAVER):

28. I think also the button on your desk should light up, in  
29. order to be recorded. Any discussion on SB 1317? The question  
30. is, shall SB 1317 pass? Those in favor vote aye, those opposed  
31. vote nay. The voting is open. Have all voted who wish? Take  
32. the record. On that question, the ayes are 47, the nays are 1.  
33. SB 1317 having received a constitutional majority is declared

1. passed. Senator Savickas.

2. SENATOR SAVICKAS:

3. ...Mr. President and members of the Senate, I would request  
4. permission to be recorded as voting aye on 1317. I had just got  
5. to my seat and the machine was locked.

6. PRESIDING OFFICER (SENATOR WEAVER):

7. Too bad, Senator Savickas. Senator Vadalabene.

8. SENATOR VADALABENE:

9. Thank you, Mr. President. On SB 1281, I know it's too bad,  
10. but I want the record to show that I was in the telephone booth  
11. and came out just the minute I saw that the switch was closed.  
12. Now, that's a Teachers' Retirement Pension, but I want the record  
13. to show that I was here and I know it's too bad but...

14. PRESIDING OFFICER (SENATOR WEAVER):

15. The tapes will show that now.

16. SENATOR VADALABENE:

17. That's what I mean.

18. PRESIDING OFFICER (SENATOR WEAVER):

19. Thank you, Senator Vadalabene. Senator Graham.

20. SENATOR GRAHAM:

21. I think we're into a new era in the Illinois Senate, using this  
22. voting tabulating device. I think we have to recognize that it adds  
23. some silence to the Chamber. I think we have to recognize that  
24. perhaps it's a little difficult to install the voting buttons in  
25. the phone booth. It's going to be a little bit difficult for us  
26. to remember that the lesson that Atlanta learned, they said,  
27. Gentlemen, there's two things this will do. It will keep them  
28. in their seats, and it will get them on the roll call and your  
29. business will be transacted in order. I think the first lesson  
30. we have to learn that the voting buttons are on our desk and if  
31. we're in our seat we can see where they are.

6. Senator Ozinga.

7. SENATOR OZINGA:

8. Mr. President and members of the Senate, this bill appropriates  
9. 35,625 dollars to the Council for the expense of moving to and the  
10. furnishing of the new offices to become effective immediately  
11. on becoming law, and I would appreciate a favorable roll call.

12. PRESIDING OFFICER (SENATOR WEAVER):

13. Is there any discussion? The question is, shall SB 1376 pass?  
14. Those in favor vote aye, those opposed vote nay. Voting is open.  
15. Have all voted who wish? Take the record. On that question, the  
16. ayes are 53, and the nays are none. SB 1376 having received a  
17. constitutional majority is declared passed. Senator Vadalabene.

18. SENATOR VADALABENE:

19. Yes, on...on a point of personal privilege, Sir.

20. PRESIDING OFFICER (SENATOR WEAVER):

21. State your point.

22. SENATOR VADALABENE:

23. I was wondering in line with what Senator Graham had just  
24. said, I was wondering if the leadership would consider a rule  
25. change that when a Senator is on the Floor on 3rd reading that  
26. the switchboards be closed, so that no Senator would be contacted  
27. to go back to the phone. It's hard to tell your constituent,  
28. I'm too busy to get your message when he has made a long distance  
29. call to you. So in lieu of that and so that us Senators can  
30. stay on the Floor if the switchboard operators wouldn't call us off  
31. of the Floor, or have the Pages come and get us. I wonder if that  
32. rule could be considered?

33. PRESIDING OFFICER (SENATOR WEAVER):

1. Senator, I think that there's probably going to be some  
2. problems of being at your desk and being called off the Floor...  
3. but I think in essence during 3rd reading we certainly should be at  
4. our seats and take messages rather than...and call back...rather  
5. than to leave the Floor, when you need to be here voting. Senator  
6. Merritt...Senator Merritt.

7. SENATOR MERRITT:

8. ...Mr. President and members of the Senate, along that same  
9. line I think as this session progresses this situation, is going  
10. to become successively worse. I just would like to offer the  
11. suggestion for whatever it might be worth, that the doorkeepers  
12. be informed that when constituents are constantly calling us out  
13. as many times...sometimes as 20 times, that they be informed that  
14. it's an impossibility to call a Senator off the Floor during roll  
15. call votes.

16. PRESIDING OFFICER (SENATOR WEAVER):

17. Senator Partee.

18. SENATOR PARTEE:

19. I, as a member of the Rules Committee, would appreciate any  
20. input any member would like to make on this problem, because it  
21. is a problem, but there's a difference sometimes between the nature  
22. of, and importance of a phone call. Now, if the lady at the desk  
23. is asked by anyone calling if it's important, they'll say yes,  
24. because it's important to them. Now, you could get a call from  
25. somebody telling you that the sow had pigs and the dog had puppies  
26. and it might not be important at that moment. You might also get  
27. a call, that your house is on fire or someone had a heart attack  
28. in your family. That is important and that is in my view a  
29. justifiable kind of interruption of a person on the Floor. So,  
30. this is not an easy kind of decision and I think everybody who's  
31. spoken to it has some legitimate concerns about it. I would hope  
32. that the Rules Committee could address itself to this problem,  
33. because we'd like to restrict the phones if possible not in any way

1. to upset or frustrate anyone, but many of the members would like  
2. some insulation against a...calls...that are...calls that can  
3. wait or calls that can be made at a different hour. And, I...I  
4. for one would appreciate any member who has any suggestions as to  
5. what the ground rules ought to be with reference to that situation.

6. PRESIDING OFFICER (SENATOR WEAVER):

7. Thank you, Senator. Senator Chew.

8. SENATOR CHEW:

9. It seems to me a simple matter for the Senate to make the  
10. necessary appropriations immediately and attach phones to these  
11. desks, like they have over in the House and that'd solve the  
12. problem.

13. PRESIDING OFFICER (SENATOR WEAVER):

14. Senator Chew as Senator Partee suggests you communicate your  
15. wishes to the Rules Committee and we'll certainly consider them.

16. SENATOR CHEW:

17. Well, I'm communicating my thoughts now to the entire Senate,  
18. and I'm certain the Chairman of the Rules Committee is here, if he  
19. isn't some members are here and you have on this speaker's box a  
20. button for a phone, so, it would be a simple matter to just make  
21. the appropriations immediately as an emergency appropriation, and  
22. get the phone company in here and install them like they got  
23. them in the House. And, that...that'll eliminate the whole problem.

24. PRESIDING OFFICER (SENATOR WEAVER):

25. Senator Johns...Senator Johns.

26. SENATOR JOHNS:

27. Just one word, I think that...that the people who operate  
28. for us in here should also just take into cognizance the fact that  
29. when we're so...given a note that someone wants to see us on the  
30. outside, that they should tell them that we are not able to leave  
31. our seats, that we're voting. Ok?

9. supplemental appropri...appropriation of 200,000 dollars to the  
10. State Controller for reimbursing counties as provided in the  
11. Juvenile Court Act. Supposed to be effective immediately. I  
12. seek a favorable roll call.

13. PRESIDING OFFICER (SENATOR WEAVER):

14. Is there any discussion? The question is, shall SB 1378  
15. pass? Those in favor vote aye, those opposed vote nay. Voting  
16. is open. Have all voted who wish? Take the record. On that  
17. question, the ayes are forty-six, the nays are none. SB 1378

7. PRESIDING OFFICER (SENATOR WEAVER):

8. Is there any discussion? Senator Knuppel.

9. SENATOR KNUPPEL:

10. You're saying it's a supplemental appropriation. I'd like to  
11. know what it's for. I mean, how come we have to make a supplemental  
12. appropriation, what the purpose of it is. That doesn't really tell  
13. me anything.

14. PRESIDING OFFICER (SENATOR WEAVER):

15. Senator Swinarski.

16. SENATOR SWINARSKI:

17. This was from a...another fund and a transfer of funds within

20. PRESIDING OFFICER (SENATOR WEAVER):

21. Senator Knuppel.

22. SENATOR KNUPPEL:

23. In other words, it's not a supplemental appropriation, it's  
24. a transfer of funds and if it's a transfer of funds, which  
25. Department of the Law Enforcement is it transferred to and from?  
26. You see, so that you may understand why I'm asking the question,  
27. I have a little bit of a penchant about some of the money that's  
28. been spent by the IBI to hire informers, infiltraters, and some  
29. of the publicity stunts they've pulled and I...if this is to  
30. transfer money from one division to another, to the IBI, I'd  
31. have to vote no. If it's just a simple transfer of other funds  
32. and it doesn't benefit the Illinois Bureau of Investigation, then  
33. I would vote for it.

1. PRESIDING OFFICER (SENATOR WEAVER):

2. Senator Partee.

3. SENATOR PARTEE:

4. Well, I don't want to get involved in this, except to say  
5. that, as I read the bill, I think all of what the bill does has  
6. not been stated and some things that it does, have been stated.  
7. The fact of the matter is, it's a very short bill, it's a...it's  
8. not a reappropriation as I read it. It is an appropriation of  
9. \$25,000 to this department for expenses for the apprehension of  
10. fugitives. And that money is coming from the Road Fund to the  
11. Department of Law Enforcement. That's what the bill says unless  
12. there's an amendment. Is there an amendment here? Well, the  
13. bill says it's an appropriation of \$25,000 from the Road Fund to  
14. the Department of Law Enforcement for the purpose of expenses for  
15. the apprehension of fugitives. Now, that's what the facts are  
16. and you can vote accordingly.

17. PRESIDING OFFICER (SENATOR WEAVER):

18. Senator Knuppel.

19. SENATOR KNUPPEL:

20. Well, you say from the Road Fund? And, what would it have  
21. been used for in that fund? What was it originally appropriated  
22. for?

23. PRESIDING OFFICER (SENATOR WEAVER):

24. Senator Partee, this is a new appropriation isn't it? It's  
25. not a transfer. This is not a transfer, Senator, it's a new appro-  
26. priation. Senator Swinarski.

27. SENATOR SWINARSKI:

28. Each year, we have the same bill, last year, that took place.  
29. In that...in the Road Fund, that there is money to be able to use  
30. when the Department of Law Enforcement finds it necessary to go  
31. into another state to pick up a fugitive and the expense that is  
32. involved in that...in that transfer of the person coming back into  
33. the state. It's been allocated in the past and this is not a new

1. precedent, you've got to remember this bill. Exactly last year  
2. at the present time, the same precedent was established to take  
3. this money from the Road Fund into the Department of Law En-  
4. forcement.

5. PRESIDING OFFICER (SENATOR WEAVER):

6. Any further discussion? The question is shall SB 1379 pass.  
7. Those in favor vote aye. Those opposed vote nay. The voting is  
8. open. Have all voted who wish? Take the record. On that question,  
9. the ayes are thirty-four, the nays are two, seven present. SB 1379  
10. having received a constitutional majority is declared passed.  
11. SB 1400.

12. SECRETARY:

13. SB 1400

14. (Secretary reads title of bill)

15. 3rd reading of the bill.

16. PRESIDING OFFICER (SENATOR WEAVER):

17. Senator Shapiro.

18. SENATOR SHAPIRO:

19. Mr. President, ladies and gentlemen of the Senate, SB 1400  
20. is a supplemental appropriation in the amount of 12.7 million.  
21. In order to pay the claims against the Distributive Fund, this  
22. money is appropriated to the Superintendent of Public Instruc-  
23. tion. I do want to point out to you that it has bipartisan  
24. sponsorship, in that Senator Saperstein, Senator Hynes, and  
25. Senator Fawell join me in the sponsorship of this bill. I  
26. would appreciate a favorable roll call.

27. PRESIDING OFFICER (SENATOR WEAVER):

28. Is there any discussion? Senator Hynes.

29. SENATOR HYNES:

30. Mr. President, members of the Senate, by way of supplementing  
31. Senator Shapiro's comments, this bill is an important piece of  
32. legislation and is a forerunner to...an appropriation bill that  
33. will be before us shortly dealing with a school aid formula. It

1. involves the concept of full funding of the school aid formula.  
2. This is the amount necessary to fully fund the school aid formula  
3. for the current year ending this June 30th. Last year we appro-  
4. priated \$945,000,000 for the school aid formula. It was reduced  
5. by gubernatorial veto to \$900,000,000. When the actual cost  
6. figures were available after we had adjourned the Session, the  
7. costs were determined to be \$912,000,000. This is the additional  
8. \$12,000,000 to fully fund the school aid formula. Within the  
9. next two weeks, probably, we will be seeing the full funding  
10. appropriation bill for the formula for Fiscal '75, the upcoming  
11. fiscal year. Many of us have gone on support...gone on record  
12. in support of this appropriation bill and the subsequent one for  
13. the coming fiscal year. The bill was unanimously endorsed by  
14. both the School Problems Commission and the Senate Education  
15. Committee and I would urge favorable support of it.

16. PRESIDING OFFICER (SENATOR WEAVER):

17. Is there any further discussion? Senator Rock.

18. SENATOR ROCK:

19. Thank you, Mr. President. I have a question if the sponsor  
20. will yield.

21. PRESIDING OFFICER (SENATOR WEAVER):

22. He indicates that he will.

23. SENATOR ROCK:

24. What, in fact Senator, would the status of these types of  
25. claims be if, in fact, the money was not appropriated? Is this  
26. money already spent? Or...

27. PRESIDING OFFICER (SENATOR WEAVER):

28. Senator Shapiro.

29. SENATOR SHAPIRO:

30. Senator Rock, the Superintendent of Public Instruction has  
31. already anticipated that we are going to need 912.7 million  
32. dollars to meet the claims against the Distributive Fund. There  
33. was only nine hundred million appropriated due to a reduction veto

1. of the Governor's last summer. So, this amount is necessary to  
2. raise the appropriation level so that those claims can be met  
3. when they come in in June.

4. PRESIDING OFFICER (SENATOR WEAVER):

5. Senator Rock.

6. SENATOR ROCK:

7. Well, the point...the point I'm trying to get at, Senator  
8. is whether or not one agrees or disagrees with regard to the fund-  
9. ing of the formula enacted last year in HB 1484 as pertains to  
10. FY '75. The question is, this relates to FY '74. Has the money  
11. already been spent or when is the last payout to the school dis-  
12. tricts?

13. SENATOR SHAPIRO:

14. The payout will be due in June when the twelfth payment, in  
15. this fiscal year, is made. The money will be necessary in June.

16. PRESIDING OFFICER (SENATOR WEAVER):

17. Senator Rock.

18. SENATOR ROCK:

19. So, the point, the point that I think is a valid one that  
20. whatever one's stand will be, on the question of fully funding the  
21. education formula as signed into law last year, this money is  
22. necessary for this year because it's already been...in effect,  
23. virtually, it's been spent.

24. PRESIDING OFFICER (SENATOR WEAVER):

25. Is there further discussion? Senator Fawell.

26. SENATOR FAWELL:

27. I merely want to mention one point. We discussed this at  
28. the School Problems Commission this morning. I don't think it's  
29. been mentioned that actually we're talking about new money of only  
30. around four million, that twelve million actually will come from  
31. lapsed funds, otherwise, in the categorical aid programs which will  
32. be transferred over and there are bills in the House which will  
33. take care of that. So, we are talking about new money of only  
around four million.

1. PRESIDENT:

2. Is there further discussion? Senator Shapiro may close the  
3. debate. Senator Shapiro requests a unanimous...a favorable roll  
4. call. The question is shall SB 1400 pass. Those in favor vote  
5. aye. Those opposed vote no. The voting is open. Senator Davidson.  
6. SENATOR DAVIDSON:

7. Mr. President, on a point of personal privilege, while the  
8. vote is being cast...

9. PRESIDENT:

10. Senator, I would prefer to proceed. I will recognize you  
11. on the completion of this roll call. Have all voted who wish?  
12. Take the record. Senator Davidson.

13. SENATOR DAVIDSON:

14. Mr. President and members of the Senate, on a point of per-  
15. sonal privilege, I'd like to introduce to you the Bic Myer Grade  
16. School from Hillsboro, Illinois, part of the 50th District from  
17. Montgomery County. Would you please rise so the Senate can  
18. acknowledge you.

19. PRESIDENT:

20. On that question, the ayes are fifty-two, the nays are none.  
21. SB 1400 having received a constitutional majority is declared  
22. passed. Senator Mitchler.

23. SENATOR MITCHLER:

24. Mr. President, members of the Senate, I rise on a point of  
25. personal privilege also, to introduce in the President's Gallery,  
26. the women from the Kendall County Farm Bureau, who are down visiting  
27. Springfield as an annual program of these fine ladies. Mrs. Rachael  
28. Anderson had written me earlier that they would be here and I  
29. would like them to rise and be recognized by the Senate.

30. PRESIDENT:

31. Senator Partee.

32. SENATOR PARTEE:

33. I made a...I made a mistake yesterday which I have discovered

1. today, that on SR 406, I did not seek unanimous consent for the  
2. addition of all Senators names to the congratulatory resolution  
3. from a gentleman who's retiring from the City News Bureau in  
4. Chicago and I'd like to get unanimous consent for this purpose.

5. PRESIDENT:

6. Is there leave? Leave is granted. Senator Rock.

7. SENATOR ROCK:

8. Thank you, Mr. President, if it's appropriate at this point,  
9. I would like to renew my earlier motion and that motion was that  
10. our calendar being virtually cleaned up and indicate that the  
11. House Bills on third reading and those House Bills on first read-  
12. ing, which are carry-over bills, be rereferred to the Committee  
13. on Rules.

14. PRESIDENT:

15. Senator Rock has moved that the House Bill on third reading  
16. and all House Bills on first reading be referred to the Committee  
17. on Rules. I believe, maybe, the motion in our rules would be to  
18. commit to the Committee on Rules. Is there discussion? All in  
19. favor of Senator Rock's motion to commit the House Bill on third  
20. reading and all House Bills on first reading to the Committee on  
21. Rules signify by saying aye. Contrary no. The motion carries.  
22. So ordered. Senator Netsch.

23. SENATOR NETSCH:

24. Mr. President, with the consent of the original sponsor,  
25. could I have unanimous leave to be added on as a co-sponsor to  
26. SB 1412?

27. PRESIDENT:

28. Is there leave. Leave is granted. Senator Knuepfer.

29. SENATOR KNUEPFER:

30. I take it we're on the order of announcements at this point?  
31. ...that would be appropriate.

32. PRESIDENT:

33. We...if you take it, you have it.

1. SENATOR KNUEFFER:

2.           Ok. I want to announce that the Senate Public Health,  
3. Welfare, and Corrections meeting which was scheduled for tomorrow  
4. will not be held tomorrow since we will not be in Session. We  
5. are trying to find another day next week. We have 2 bills, we're  
6. trying to find another day except...with the exception of Thurs-  
7. day because Thursday seems to be a very bad day when we go  
8. home. So, we will announce, as soon as we're able to find out  
9. when those bills will be scheduled but there will be no meeting  
10. tomorrow.

11. PRESIDENT:

12.           Senator Glass has some activity here. Senator Glass.

13. SENATOR GLASS:

14.           Thank you, Mr. President and Senators, I would now move that  
15. the Executive Committee be discharged from further consideration  
16. of HJR Constitutional Amendment No. 33, and that that Constitu-  
17. tional Amendment be read a first time today.

18. PRESIDENT:

19.           Senator Glass moves to discharge the Senate Committee on  
20. Executive from further consideration of HJR 33. Yes. Senator  
21. Glass, the inquiry has been made. What is the thrust of HJR  
22. CA 33, Senator Glass?

23. SENATOR GLASS:

24.           Thank you, Mr. President. As...I think most of the Senators  
25. are aware there is, right now, being circulated, petitions through-  
26. out the State, to initiate and place upon the ballot in November,  
27. a constitutional amendment which would call for single member  
28. districts in the House and would reduce the size of the House  
29. from 177 down to 118 members. Now, this amendment that has passed  
30. the House would amend our Constitution to provide that...should  
31. that...should that redistricting be necessary or should any Con-  
32. stitutional Amendment pass which calls for a reapportionment or  
33. change in the General Assembly membership, at any time, that it

1. would have to be considered and accomplished after the next de-  
2. cennial reapportionment. In other words, it would have the effect  
3. of deferring a redistricting and reapportionment of the House  
4. until after 1980. So, that...that is the effect of that amendment.

5. PRESIDENT:

6. Senator Knuppel.

7. SENATOR KNUPPEL:

8. I'd like to address a question to the sponsor of this. Have  
9. you a legal opinion with respect to whether or not such legisla-  
10. tion would be valid, can, in fact, we, the General Assembly, in  
11. some way pass limiting legislation on a Constitutional Amendment  
12. initiated by...by public petition.

13. SENATOR GLASS:

14. I would say, Senator Knuppel, that probably the answer to that  
15. would be no and I'm glad you asked the question because I should  
16. clarify the amendment. The amendment that we're considering now,  
17. is not addressed to the specific petitions and the amendment that  
18. is...they would seek. But, it is an amendment to the Illinois  
19. Constitution itself, that would say that any proposition brought  
20. up by the initiative of the people would have to go into effect  
21. after the next decennial reapportionment.

22. PRESIDENT:

23. Senator Knuppel.

24. SENATOR KNUPPEL:

25. I, as a practicing attorney, feel that you have probably  
26. evaded the question. I ask, do you have a legal opinion or an  
27. Attorney General's opinion that says regardless of whether it's  
28. this resolution or any other resolution initiated by public  
29. initiative, do we have the right to place a limitation on it's  
30. effective date? Do you have such a legal opinion?

31. SENATOR GLASS:

32. No, and I thought that I made my answer clear before and un-  
33. evasive and that I...I agreed with you...I said my opinions would

1. be that if...if this amendment was directed specifically at the  
2. petitions that are being circulated now that it probably wouldn't  
3. be valid. And I don't have a legal opinion in answer to your  
4. question on this.

5. PRESIDENT:

6. Senator Knuppel.

7. SENATOR KNUPPEL:

8. In view of the intricate legal nature and the interplay  
9. between the Illinois Constitution and having sat on the Legis-  
10. lative Committee and listened to the debates, and with the know-  
11. ledge that the convention did not feel that the General Assembly  
12. would effectively change any of the procedures, so in...which  
13. it was so entrenched that they left the public this opportunity.  
14. I feel to pass such a resolution at this time would be inappro-  
15. priate of us, it would be an attempt by us to protect something  
16. we believe in, after the people had spoken by put...having it  
17. put on the ballot. I think it would create all kinds of legal  
18. problems. I don't think it would be effective, I think it  
19. would be nugatory because because I don't see how the General  
20. Assembly can limit the effective date or place effective dates  
21. on Constitutional Amendments. And, I think that...that absent  
22. a legal opinion, and we could get such legal opinion and we could  
23. have our staffs work on this as a thing with the usual route. At  
24. this late date, I think it's an attempt by some member of the  
25. House by introducing this bill, or members of the House, to  
26. protect themselves. To protect themselves against the very  
27. things that the people in the Constitutional Convention felt  
28. that the people ought to have an opportunity to speak on. We  
29. wouldn't have any effective answer to this, maybe for years. I  
30. think we let the thing...if they get the signatures and they're  
31. valid, let it go on the ballot. Let the people vote, and let  
32. the courts decide the effective date, rather than us to try to  
33. defend the House and that it...at...put in at this late date

1. just to muddy the water.

2. PRESIDENT:

3. Senator Clarke.

4. SENATOR CLARKE:

5. Well, Mr. President, I'd just like to ask a procedural ques-

6. tion. I presume this was read a first time when it came over yes-

7. terday in the recess...it was not...

8. PRESIDENT:

9. No. It has not been read.

10. SENATOR CLARKE:

11. Constitutional Amendments must be read three days...

12. PRESIDENT:

13. ...Succeeding days.

14. SENATOR CLARKE:

15. Succeeding days, yeah, before it's passed and there's a dead-

16. line because of the six month provision constitutionally, and I

17. just don't see how, because I understand we're adjourning today,

18. that we can in three days, preceding that deadline, vote on a

19. Constitutional Amendment.

20. PRESIDENT:

21. Senator Clarke, I will respond to that. I think technically,

22. the question is that, of course, this resolution to be operative,

23. as far as an ultimate reaction by the public, must be read on

24. three succeeding days. Now, we can put it on the ballot, for ex-

25. ample, in that process, effective for the General Election of

26. 1976. I think time has already run for it to be on the ballot

27. for 1974. Senator Clarke.

28. SENATOR CLARKE:

29. I was just going to make a further comment, though, from a

30. procedural standpoint, that nobody really knows because last I

31. saw in the paper they weren't sure they were going to get the

32. 375,000 signatures and I think it would be very embarassing, for

33. the House members especially, who are up for election, all of them,

1. if they got this on the ballot and then the proposition itself  
2. weren't voted on.

3. PRESIDENT:

4. Senator Ozinga.

5. SENATOR OZINGA:

6. Mr. President, members of the Senate, I have no objection to  
7. the bypassing of the Executive Committee of this resolution. How-  
8. ever, in view of your answer just a few minutes ago to the...  
9. Senator Clarke, I feel this, that I think under the circumstances  
10. where it would probably be noneffective now anyway for the '74  
11. election, and I feel that if this were to be brought to a vote  
12. right now, this would be...this amendment to the proposition being  
13. petitioned for by the people...by the people of the State, for  
14. this amendment...Constitutional Amendment on the ballot would be  
15. more or less of a slap in the face or a prolongation of this  
16. petition. Therefore, I would say that, under the present circum-  
17. stances, I think that we should probably let this take its ordinary  
18. course and give it a good hearing in the committee in due course  
19. and then if it's still thought that we should have this extension  
20. of time for the one member districts or...things like that, why,  
21. let it come through.

22. PRESIDENT:

23. Senator Wooten.

24. SENATOR WOOTEN:

25. I would like to direct a question to Senator Glass. Did I  
26. understand you Senator to say that this particular action was not  
27. occasioned by the petitions being circulated?

28. PRESIDENT:

29. Senator Glass.

30. SENATOR GLASS:

31. No, I...that would be a misinterpretation of my comments. I  
32. think it...it certainly was occasioned by those petitions. I  
33. think, however, this amendment has great merit in and of itself.

1. I think the Legislature should not be involved in reapportionment because it is a time consuming and demanding procedure and  
2. that ought to be deferred until 1980. And, I further think that,  
3. even if you disagree with that, the people ought to be given an  
4. opportunity to vote on that question, on whether they wish to  
5. have the redistricting single member districts, if that does get  
6. on the ballot, have that go into effect immediately or after  
7. 1980. So, for both of those reasons, I think it's a good  
8. amendment. Thank you.

9. PRESIDENT:

10. Senator Wooten. Senator McCarthy.

11. SENATOR MCCARTHY:

12. Yes, Mr. President, I'd like to speak to the issue. The  
13. issue is, of course, whether or not the Constitutional Amendment  
14. should be discharged from the Executive Committee so that we can  
15. consider it. And then, I think, Senator Knuppel raised an interest-  
16. ing question as to whether or not, we, by a legislative origin-  
17. ated Constitutional Amendment, can frustrate a Constitutional  
18. Amendment that comes from the initiative article. I think, first  
19. of all, let's...let's kind of look and see what would be before  
20. the voters if both of them got on this Fall. If the public ini-  
21. tiated referendum for reduction of size, got on the ballot this  
22. Fall, some people might be attracted to vote favorably for that,  
23. unless it was pointed out to them that its effect was that the...  
24. reapportionment had to take place in a certain year prior to the  
25. end of 1980. And, an argument may be raised among the people,  
26. yes, we're for reduction in size, but we don't want to disrupt  
27. existing legislative...legislative districts. And, therefore,  
28. many people who might be for reduction of size would vote no on  
29. the proposition because they're sick and tired of not knowing who  
30. is their Senator, the identities of their three legislators in  
31. the House. Now, if you have both of them on the ballot, if you  
32. have both of them on the ballot, of course, ultimately, when you  
33.

1. have two constitutional amendments passing at the same time, it  
2. is the intention of the voters that prevail. It strikes me that  
3. it could be a reasonable construction by the courts construing the  
4. action of the voters in the event this situation happens. In the  
5. event, the reduction of size amendment, the people initiative  
6. amendment did pass, and the same voters at the same election says  
7. yes, it passed, but we don't want it to take effect until after  
8. 1980, it would strike me that the public had spoken on the question.  
9. Yes, we want reduction of size but we do not want to disrupt the  
10. legislative districts part way through the decennial period. So,  
11. I think that, perhaps, is an answer that comes to me on the  
12. question that Senator Knuppel prepondered to Senator Glass. Insofar  
13. as the amendment itself is concerned, I'm inclined to think that  
14. the people backing the people, or the public initiative amendment,  
15. would welcome this type of amendment because it would attract  
16. voters to their proposition for the reasons heretofore stated.  
17. Second practical reason is, I think we owe it to the voters to  
18. put this before them because of the disruption that has taken  
19. place in district lines, continuously since Baker vs. Carr and  
20. Reynolds vs. Sims in 1964. That's enough, I think to explain  
21. my position but I would urge a favorable vote on taking this  
22. from the Executive Committee.

23. PRESIDENT:

24. Senator Merritt. Senator Mitchler. Senator Soper.

25. SENATOR SOPER:

26. Well, Mr. President, I think you explained the fact that this  
27. can't get on the ballot and I see no urgency about this matter if  
28. it can't get on the ballot this Fall, so I'd suggest that we just  
29. forget about this and give it a thorough hearing, at the time,  
30. and if we want to put on '76, that's ok.

31. PRESIDENT:

32. Is there further discussion? Senator Glass may close the  
33. debate. I believe your motion is to discharge the Executive

1. Committee from further consideration of HJR CA 33. Senator Glass.

2. SENATOR GLASS:

3. Mr. President, I think the motion has been adequately dis-  
4. cussed and I would ask for a favorable roll call.

5. PRESIDENT:

6. The question is shall HJR CA 33 be discharged from the  
7. Committee on Executive and read a first time. Those in favor of  
8. the motion will vote aye. Those opposed will vote no. The  
9. voting is open. Have all voted who wish? Take the record. Clear  
10. the record, we'll...we'll...do you have to turn it off first, Mr.  
11. Secretary? Yeah, all right. The Secretary advises me, in order  
12. to clear, you...yeah, ok. Do you need a ten second interval now?  
13. All right. The question is shall HJR CA 33 be discharged from the  
14. Committee on Executive and read a first time. The machine did not  
15. function and it has to be cleared and rescheduled. Those in favor  
16. of the question will vote aye. Those opposed nay. Voting is  
17. open. For what purpose does Senator Soper arise?

18. SENATOR SOPER:

19. A parliamentary inquiry. Does it take thirty votes to take  
20. it away from the Committee?

21. PRESIDENT:

22. It does require thirty votes to discharge the committee?  
23. Have all voted who wish? Take the record. For what purpose does  
24. Senator ParTEE arise?

25. SENATOR PARTEE:

26. There was a question asked of you and I...I'm not sure that  
27. I heard. I was speaking with someone. But your ruling is that it  
28. takes thirty votes to discharge a Constitutional Amendment from a  
29. committee.

30. PRESIDENT:

31. Yes. It takes thirty votes to discharge.

32. SENATOR PARTEE:

33. Thank you.

1. PRESIDENT:

2. On that question, the yeas are twenty-three, the nays are  
3. twenty-five, two voting present and the motion fails. Senator  
4. Ozinga.

5. SENATOR OZINGA:

6. I merely have the announcement that the Executive Committee  
7. was scheduled to meet at 1:30 and we have a tremendous roll again  
8. down there, however, 1:30 has come and gone and I know that some  
9. of you would like to grab a bite to eat, but we've got all of  
10. those people sitting down there. I'm sure that if you leave your  
11. proxy with your leader, why, they will be properly voted, but may  
12. I urge all of you to get down there as soon as you can so that we  
13. can at least get a quorum and get started immediately.

14. PRESIDENT:

15. Senator Nudelman:

16. SENATOR NUDELMAN:

17. Mr. President, I would...I would request the permission of  
18. the President and of the Assembly to be added as a co-sponsor to  
19. SB 1439.

20. PRESIDENT:

21. Is there leave? So ordered. Senator Savickas.

22. SENATOR SAVICKAS:

23. Mr. President and members of the Senate, I would also ask  
24. leave to have my name added as a co-sponsor.

25. PRESIDENT:

26. And, Senator Carroll has requested leave. Senator Saperstein.  
27. Is there leave? So ordered. If I may have the attention of the  
28. Body. We have two Death Resolutions. Senator Dougherty.

29. SENATOR DOUGHERTY:

30. Mr. President, I would like to be added as a co-sponsor.

31. PRESIDENT:

32. Leave is granted. So ordered. Will the members please be  
33. in their seats. Resolutions.

1. SECRETARY:

2. SR 407 - By Senator Swinarski and Daley and all members of  
3. the Senate.

4. PRESIDENT:

5. Excuse me, Mr. Secretary. This is a Death Resolution relating  
6. to a former colleague. Will the members please be in their seats.

7. Proceed, Mr. Secretary;

8. SECRETARY:

9. (Secretary reads Senate Resolution No. 407)

10. PRESIDENT:

11. Senator Swinarski.

12. SENATOR SWINARSKI:

13. Mr. President, I move for the suspension of the rules for  
14. the immediate consideration of this resolution. Miss Peotrauski  
15. as the resolution had pointed out, was a lady who was very com-  
16. passionate and who had worked for many, many years with Social  
17. Welfare and to help people. She was a great leader in fighting  
18. for the many causes, including better housing, health, and job  
19. opportunities in recreation. The people of her ward, the people  
20. of her district, the people of Cook County and the State of Illinois,  
21. who she served her entire life...and dedicated her entire life for,  
22. will sorely miss her. She's been a woman who continually, day in  
23. and day out, felt a real need to help people, a real need to work  
24. for people, and she dedicated, as I've said before, her life in  
25. this cause. I'm sure that the Lord Almighty upstairs for Lil has  
26. opened the Gates so that she can help a little bit up there and  
27. that He will take His arms and wrap His arms around her so that  
28. she can spend eternity with Him.

29. PRESIDENT:

30. Senator Partee.

31. SENATOR PARTEE:

32. One of Lillian Peotrauski's favorite statements that always  
33. worked itself into practically all of her public utterances was  
this: I would be remiss if I did not say something concerning

1. a certain thing. So I feel today, on this day which we stop and  
2. pause and think about her presence, I would be remiss if I  
3. did not say that during the years that I knew her, first meeting  
4. her in the House of Representatives where I served there with her.  
5. And, observing her over the years as she went from the House of  
6. Representatives to the County Board of Cook County and serving  
7. with her as a Ward Committeeman probably the first woman Ward  
8. Committeeman in the City of Chicago, I'd be remiss, if I did not  
9. take the time to say that she was a fine human being who gave  
10. freely of herself to mankind, who worked hard and arduously  
11. and diligently to bring services, help, guidance, consideration  
12. and cooperation to the people with whom she lived on a day to  
13. day basis. May the Lord rest her soul.

14. PRESIDENT:

15. Senator Swinarski moves to suspend the rules for the  
16. immediate consideration of SR 407. All in favor signify by  
17. saying aye. Contrary no. The motion carries. On the motion  
18. to adopt, all in favor please rise. The resolution is  
19. adopted.

20. SECRETARY:

21. SR 408 - By Senators Soper, Harris, and all members of the  
22. Senate.

23. (Secretary reads Senate Resolution No. 408)

24. PRESIDENT:

25. Senator Soper.

26. SENATOR SOPER:

27. Mr. President, I now move that we suspend the rules for the  
28. immediate adoption of this resolution.

29. PRESIDENT:

30. Senator Soper has moved the suspension of the rules for the  
31. immediate adoption of SR 408. All in favor signify by saying aye.  
32. Contrary no. The motion carries. The rules are suspended. On  
33. the motion to adopt, all those in favor please rise. The resolu-

tion is adopted. The Senate stands adjourned until Monday at  
4:00 p.m. Will the members please be advised. Please take  
your keys to your voting manual, with you. Those who have  
failed to do so, the Sergeant at Arms will collect them and  
tag them and hold them in the Sergeant at Arms Office. But  
those...ok. Take them with you so that you are responsible  
for them, please.
