22. (Secretary reads Message from the House)

23. Mr. President, I am directed to inform the Senate that
24. the House of Representatives has passed a bill of the
25. following title, in the passage of which I am instructed to
26. ask concurrence of the Senate to wit. House Bill 2287.

27. Mr. President, I am directed to inform the Senate
28. that the House of Representatives has concurred with
29. the Senate in the passage of a bill, Senate Bill 1421,
30. together with House Amendment No. 1.

31. PRESIDENT:

32. Senator Sours.

33. SENATOR SOURS:

1. Mr. President and Senators, this is probably out of order,
2. but I'd like to be shown as a sponsor on Senate Bill 1618, of-
3. fered yesterday, I believe, by Senator Weaver.

4. PRESIDENT:

5. Leave is granted. Senator Sours as a co-sponsor of Senate
6. Bill 1618.

7. SECRETARY:

8. (Secretary continues Messages from the House.)

14. PRESIDENT:

15. Executive. Bills on Second Reading. Senator Hynes? On
16. the Floor? Senate Bill 1289.

17. SECRETARY:

18. Senate Bill 1289.

19. (Secretary reads title of the bill.)

20. Second reading of the bill, no Committee amendments.

21. PRESIDENT:

22. Are there amendments from the Floor? Third reading. Senate
23. Bill 1324.

24. SECRETARY:

25. Senate Bill 1324.

26. (Secretary reads title of the bill.)

27. Second reading of the bill, the Committee on Appropriations
28. offers Amendments numbered 1, 2, 3, and 4.

29. PRESIDENT:

30. The Committee on Appropriations has four amendments on this
31. bill. Senator Rock, you wish to explain the amendments? Senator
32. Rock.

33. SENATOR ROCK:

1. This is on 1324, I would just merely move the adoption of the
2. amendment. 1325, Mr. President, I would ask that we hold.

3. PRESIDENT:

4. Alright. Senator Rock has moved the adoption of the four
5. committee amendments. Is there further discussion? The question
6. is, does the Senate adopt the committee amendments to Senate Bill
7. 1324. All in favor signify by saying Aye. Contrary No. The motion
8. carries and the committee amendments are adopted. Are there
9. amendments from the Floor? Third reading. Senator Vadalabene,
10. for what purpose do you arise?

11. SENATOR VADALABENE:

12. Thank you, Mr. President, and members of the Senate. I
13. believe this is the bill where I have asked Vito Biancos to
14. hold this on Second Reading because I had an amendment to put
15. onto this bill and they agreed to it in Appropriations Com-
16. mittee.

17. PRESIDENT:

18. I...I'm sorry Senator, I thought you were seeking recognition
19. for the delegation in the Gallery. I...

20. SENATOR VADALABENE:

21. However, since you've moved it to Third Reading, well I...

22. PRESIDENT:

23. That's alright.

24. SENATOR VADALABENE:

25. ...you'll hold it there and then bring it back to Second
26. when I get this amendment.

27. PRESIDENT:

28. Senator Rock is acting in Senator Hynes absence. He
29. acknowledges that he will with the understanding that Senator
30. Vadalabene will have an opportunity to have his amendment con-
31. sidered. The bill will remain on Third now, but will be recalled
32. when you are ready with your amendment. Alright. Senate Bill
33. 1354. Senator Bruce. Advance.

1. SECRETARY:

2. Senate Bill 1354.

3. (Secretary reads title of the bill.)

4. Second reading of the bill. The Committee on Appropriations
5. offers two amendments.

6. PRESIDENT:

7. Senator Bruce.

8. SENATOR BRUCE:

9. Yes, the two amendments involved add additional money for
10. payment of interest on transportation bonds issued on May 1,
11. another additional one hundred million dollars.

12. PRESIDENT:

13. Senator Bruce has moved to adopt the two committee amend-
14. ments. Is there further discussion? All in favor signify by
15. saying Aye. Contrary No. The motion carries. The committee
16. amendments are adopted. Are there amendments from the Floor?
17. Third reading. Senator Smith.

18. SENATOR SMITH:

19. Mr. President and members of the Senate, I rise on a point
20. of personal privilege. We have with us here this morning, cer-
21. tain of the students from the Douglas School located at 32nd
22. and Calumet in my choice district of this State, the 22nd.
23. The students are here - visitation purposes, and they are accom-
24. panied by one of their instructors, who's...and they are seated
25. here to the rear. Will the students please rise?

26. PRESIDENT:

27. Senator Berning.

28. SENATOR BERNING:

29. Mr. President, while we are on that order of business, may
30. I also rise on a point of personal privilege and introduce to the
31. body and ask that the young people be recognized. We have with us
32. in the President's Gallery, a group of officers and members of the
33. Lake County Young Republican's Federation, down today to observe

1. the Legislature in action. May I ask that they rise and be
2. recognized by this body.

3. PRESIDENT:

4. Senator Rock, Senator Wooten is not on the Floor. Do you
5. wish to advance 1359? Oh, I'm sorry. I understand that the
6. Calendar should...it's in error. That should be Senator Netsch.
7. Alright. You wish it advanced. Alright. Senate Bill 15...
8. 13...Senate Bill 1359.

9. SECRETARY:

10. Senate Bill 1359.

11. (Secretary reads the title of bill.)

12. Second reading of the bill. The Committee on Appropriations
13. offers a...one amendment.

14. PRESIDENT:

15. Senator Rock.

16. SENATOR ROCK:

17. I move the adoption of the amendment.

18. PRESIDENT:

19. Senator Rock moves the adoption of the committee amendment
20. to Senate Bill 1359. Is there a discussion? All in favor of
21. the motion signify by saying Aye. Contrary No. The motion
22. carries. The amendment is adopted. Are there amendments from
23. the Floor. Third reading. Senator Knuepfer. Senate Bill 1486.
24. You wish that advanced? Yes. Senate Bill 1486.

25. SECRETARY:

26. Senate Bill 1486.

27. (Secretary reads title of the bill.)

28. Second reading of the bill. No committee amendments.

29. Amendment No. 1 by Senator Knuepfer.

30. PRESIDENT:

31. Senator Knuepfer.

32. SENATOR KNUEPFER:

33. This was an amendment that was not drafted in the Committee

1. but it was agreed on in the Committee. It was the suggestion
2. of the Chairman, Senator Fawell, that we add some restrictive
3. language in. I've given a copy to Senator Saperstein and
4. Senator Hynes, and it...it's a little more restrictive, that's
5. all, and I'd move the adoption of Amendment No. 1.

6. PRESIDENT:

7. Is there further discussion? Senator Knuepfer moves the
8. adoption of Amendment No. 1 to Senate Bill 1486. All in favor
9. signify by saying Aye. Contrary No. The motion carries. The
10. amendment is adopted. Are there further amendments from the
11. Floor? Third reading. Senator Don Moore. We...in your absence
12. we received a Message from the House relative to Senate Bill 1421.
13. The House did...amend that bill in the House. This...do you
14. wish to proceed on Senate action in connection with the House
15. Amendment to Senate Bill 1421. Senator Don Moore.

16. SENATOR DON MOORE:

17. Thank you, Mr. President and members of the House. Mr.
18. President, the amendment that the House put on Senate Bill 1421
19. deals with the deficiency appropriation for the Department of
20. Public Aid for Fiscal Year 1974. I think the membership will
21. recall that initially there was a 50 million deficiency and a
22. 17 million transfer. The House in its wisdom saw fit to amend
23. the bill to make it a total deficiency of 67 million dollars.
24. That is the affect of amendment No. 1...House Amendment
25. No. 1 to Senate Bill 1421. At this time, Mr. President, I
26. would move to suspend the appropriate rule. I believe that this
27. matter is to lie on the Secretary's desk for a day under our
28. rules. I would move to suspend that rule so that this matter
29. could be acted upon today and we could concur in this amendment.
30. I think the members are aware that there are some 500,000 checks
31. that are being held up pending the approval of this piece of
32. legislation so an emergency does exist and at this time I would
33. move to suspend the rules so that we may consider the concurrence

1. on House Amendment No. 1 to Senate Bill 1421.

2. PRESIDENT:

3. Senator Moore moves to suspend the rules for the purpose
4. of the immediate consideration of the question of concurring
5. in House Amendment No. 1 to Senate Bill 1421. Is there
6. discussion? All in favor of the mo...Senator Partee.

7. SENATOR PARTEE:

8. Now as I understand it, when we passed it out, we transferred
9. 17 million and in the House instead of exceeding to that transfer
10. they instead put in an additional 17 million. Is that correct?

11. PRESIDENT:

12. Senator Moore.

13. SENATOR MOORE:

14. Yes, the bill that dealt with the transfer of 17 million was
15. tabled in the House and the bill for the 50 million deficiency was
16. amended to increase that amount by 17 million or a total of 67
17. million.

18. PRESIDENT:

19. Senator Partee.

20. SENATOR PARTEE:

21. If you know what was the rationale for that course of conduct?
22. I just don't understand it.

23. PRESIDENT:

24. Senator Moore.

25. SENATOR MOORE:

26. I can only assume, Senator Partee, that the reason the
27. House acted as it did was the fear that, if we would transfer
28. the 17 million from the Medical that we are going to have to
29. pick it up next year anyway so we might just as well leave it
30. there and declare it a 67 million deficiency, which in effect is
31. what it is and in their wisdom they saw fit to make it a straight de-
32. ficiency rather than to postpone the inevitable of coming up with
33. the additional Medical next year.

1. PRESIDENT:

2. Senator Partee.

3. SENATOR PARTEE:

4. Something else occurs to me as the...as the reason probably
5. but I'll leave that unexpressed. Only because we have to do this
6. quickly will we exceed to this motion. Ordinarily I would be
7. inclined to say not take the amendment and let's get a conference
8. committee but I think the moment demands that we move with dispatch
9. and on that basis I am going to agree to accepting...concurring
10. in the House amendment. But there's something about it that
11. leaves something less than a desirable taste in my mouth.

12. PRESIDENT:

13. Senator Moore are you in a position to state whether action
14. deferred on this question until Wednesday would create difficulties
15. insofar as the actual processing of warrants for recipients,
16. not for Vendors. Would recipients be in difficulty in the mean-
17. time? Senator Moore.

18. SENATOR MOORE:

19. Mr. President, it's my opinion that this is emergency legis-
20. lation. Checks are being held up to recipients, not to Vendors,
21. to recipients pending the action of...of the Senate on this
22. concurrence to this amendment. I feel that a severe hardship
23. would occur to thousands of recipients in the State of Illinois
24. if we do not act upon this measure today.

25. PRESIDENT:

26. Is there further discussion? The motion is to suspend
27. the rules for the immediate consideration of the House amendment
28. to Senate Bill 1421. All in favor of the motion to suspend
29. signify by saying Aye. Contrary No. Division. All in favor
30. of the motion to suspend signify by rising. Now the question
31. is to suspend the rules. The Chair has called for those who
32. support the motion to suspend to rise. Those opposed rise.
33. The motion to suspend carries 30 to 12. Senator Moore.

1. SENATOR MOORE:

2. Thank you, Mr. President, I now move, Mr. President, that
3. the Senate concur in House Amendment No. 1 to Senate Bill 1421.
4. I'd appreciate a favorable roll call.

5. PRESIDENT:

6. Is there further discussion? The question is, shall the
7. Senate concur in House Amendment No. 1 to Senate Bill 1421.
8. Those in favor will vote Aye. Those opposed Nay. The voting
9. is open. Have all voted who wish? Have all voted who wish?
10. Take the record. On that question the Yeas are 38, the Nays
11. are 16. The Senate, having concurred in the House Amendment
12. to Senate Bill 1421 by a Constitutional Majority, I declare
13. Senate Bill 1421 passed. Senator Fred Smith.

14. SENATOR SMITH:

15. Mr. President and members of the Senate, we have the second
16. half of the group that came to Springfield for the purpose of
17. viewing the scenes and so forth around this historic Capitol
18. and this second group is also from the Douglas School located
19. at 32nd and Calumet, City of Chicago, and the great 22nd
20. Senatorial District of this State. They are located here in the rear,
21. and I wish we'd recognize our guests.

22. PRESIDENT:

23. Senator Graham.

24. SENATOR GRAHAM:

25. Mr. President, the Secretary has...Secretary has on his
26. desk a number of bills. I move that the rules be suspended,
27. the bills be given a number, read and a sponsor identified and
28. they be referred to the Committee on Rules.

29. PRESIDENT:

30. Senator Graham moves that the bills on the Secretary's
31. desk...that we suspend the rules for the purpose of assigning
32. a number to the bills and identify them by sponsor and refer
33. them to the Committee on Rules. All in favor of the motion

1. signify by saying Aye. Contrary No. The motion carries.

2. SECRETARY:

3. Senate Bill...Senate Bill 1624 offered by Senators
4. Smith, Partee, Rock, and Donnewald.

5. 1625 - the same sponsors.

6. 1626 - by Senators Harris, Graham, Howard Mohr,
7. Weaver, Glass, Schaffer, Merritt, Don
8. Moore, Davidson, Berning, Bartulis,
9. Latherow, Shapiro, Nimrod, and Sommer.

10. 1627 - by Senators Donnewald, Harris, Partee,
11. and Dougherty.

12. 1628 - by Senator Bruce.

13. 1629 - by Senators Mitchler, Latherow, Scholl,
14. Wooten, and Buzbee.

15. 1630 - by Senators Mitchler, Latherow, Scholl,
16. Wooten, and Buzbee.

17. 1631 - by Senator Bruce.

18. 1632 - Senators Bruce, Partee, Rock, and Donnewald.

19. PRESIDENT:

20. Alright. Pursuant to Senator Graham's motion Senate Bills
21. 1624 through 1632 are referred to the Committee on Rules.

22. SECRETARY:

23. Senate Bill 1633 - By Senators Harris, Partee, Graham
24. Rock, Donnewald, and Weaver.

25. PRESIDENT:

26. Senator Graham.

27. SENATOR GRAHAM:

28. Mr. President, I move you that this bill be read by title,
29. the rules be suspended and it be placed on the order of Second
30. reading.

31. PRESIDENT:

32. Senator Graham moves that Senate Bill 1633 be read a first
33. time and advanced to the order of Second reading without reference.

1. Is there discussion? All in favor of the motion signify by say-
2. ing Aye. Contrary No. The motion carries. Second reading.
3. Yes, it's got to be read. I'm sorry.
4. SECRETARY:
5. Senate Bill...Senate Bill 1633.
6. (Secretary reads title of bill.)
7. First reading of the bill.
8. PRESIDENT:
9. Yeah. For what purpose does Senator Graham arise. Let me
10. ...
11. SENATOR GRAHAM:
12. What order of business are we on?
13. PRESIDENT:
14. We are on the order of Introduction of Bills. I believe we
15. have completed the work in regard to the bills that were placed
16. on the Secretary's desk. Senator Graham.
17. SENATOR GRAHAM:
18. Is this a proper time to amend Senate Bills on Third Reading?
19. Are we going into that in the next order of business? To call
20. one back and amend it?
21. PRESIDENT:
22. Yes, we will proceed next to the order of Senate Bills on Third
23. and we will deal with the bills on Third reading that have to be
24. amended. Senate Bills on Third reading. What is the bill,
25. Senator Graham, that...Senate Bill 1291.
26. SENATOR GRAHAM:
27. 1291 returned to the order of Second reading for the purpose
28. of amendment.
29. PRESIDENT:
30. Yes. Senator Graham moves to recall Senate Bill 1291 to
31. Second Reading for the purpose of considering an amendment.
32. Senator Graham.
33. SENATOR GRAHAM:

1. I was just thinking...

2. PRESIDENT:

3. Second reading. Proceed, Senator Graham.

4. SENATOR GRAHAM:

5. I was just thinking, maybe it'd be easier for the Presiding

6. Officer to come out here and address the Senate up there. I

7. appreciate you're having a difficult time. The Secretary is

8. too. I think it's unfortunate. The Amendment No. 1 to Senate Bill

9. 1291 is the amendment agreed upon by the members of the State

10. Board of Election. It deals with employees under the control

11. and supervision of the State Board of Elections, incorporates

12. into this act the Administrative Code with regard to discharging

13. of employees. It's an agreed bill and it's important, I believe,

14. that it be implemented and hung onto Senate Bill 1291, which is

15. dealing with a Constitutional requirement and I move its adoption.

16. PRESIDENT:

17. Senator Dougherty.

18. SENATOR DOUGHERTY:

19. I'm going to agree with what Senator Graham has said.

20. PRESIDENT:

21. Senator Graham moves the adoption of Amendment No. 1 to

22. Senate Bill 1291. All in favor signify by saying Aye. Contrary

23. No. The motion carries. The amendment is adopted. Are there amen...

24. further amendments from the Floor? Third reading. Committee

25. reports.

26. SECRETARY:

27. Senator Harris, the Chairman of the Committee on Rules

28. reports to the Senate that the Committee on Rules

29. recommends that Senate Bills 1235, 1286, 1314,

30. 1472, 1496, 1514, 1552, 1553, 1554, 1555, 1564,

31. 1565, 1566, 1608, 1612, 1613, 1614, 1617, 1618,

32. 1619, 1620, 1621, 1622, and 1623 be read by title

33. a first time, ordered printed and referred to

SB 634
nonconcur
5-29-74

1. the Committee on Assignment of Bills.

2. PRESIDENT:

3. Senator Howard Mohr.

4. SENATOR MOHR:

5. Yes, Mr. President, I have talked to the Chairman of Executive Committee, and also to Senator...to Senator Partee with
6. regard to one of the bills just read, Senate Bill 1235, and
7. they're in agreement. I'd like to waive the 6-day notice
8. and have that bill heard today in Executive.

10. PRESIDENT:

11. Senator Mohr moves to suspend the rules for the purpose
12. of waiving the 6-day notice for consideration by Executive today
13. of Senate Bill 1235. On that motion all in favor signify by
14. saying Aye. Contrary No. Motion carries. The rules are suspended
15. and Senate Bill 1235 will be heard in Executive today. Senator
16. Mohr.

17. SENATOR MOHR:

18. Mr. President, would we have to discharge the Committee on
19. Assignment of Bills on that first or is that...this action would
20. take care of that?

21. PRESIDENT:

22. Senator, the only thing that we have had is...why don't
23. you move to take from the Record your motion and when the bill
24. is read a first time...we have not reached that point yet. At
25. that order in the procedure, you can move to suspend for consider-
26. ation. Your motion can be put to refer...suspend for reference
27. to Executive and waive of the 6-day notice at that time.

28. Senator Shapiro.

29. SENATOR SHAPIRO:

30. Mr. President and members of the Senate, on the Secretary's
31. desk is Senate Bill 634. I would now like to move that the
32. Senate nonconcur in House Amendment No. 1 to Senate Bill 634.
33. This involves the changing of a termination date that needs to be

1. changed and we've got to get it back to the House and then into
2. a conference committee.

3. PRESIDENT:

4. Senator Shapiro moves to nonconcur in the House Amendment
5. to Senate Bill 634. Is there a discussion? All in favor of the
6. motion signify by saying Aye. Contrary No. The motion carries
7. and the Senate does not concur in the House Amendment to Senate
8. Bill 634. We stay on the order of the...bills on the Secretary's
9. desk. Senator Weaver, Senate Bill 265.

10. SENATOR WEAVER:

11. Mr. President and members of the Senate, I would move that
12. the Senate concur in House Amendment No. 1 to Senate Bill 265.
13. This affects...only affects the page 17, line 31 and 32, which
14. removes October the first, 1973, as the effective date.

15. PRESIDENT:

16. Senator Weaver moves that the Senate concur in the House
17. Amendment to Senate Bill 265. The question is...the question is
18. does the Senate concur in Amendment No. 1 to Senate Bill 265.
19. Those in favor...for what pur...I'm sorry...Senator Rock.

20. SENATOR ROCK:

21. Parliamentary inquiry, Mr. President. Parliamentary in-
22. quiry, Mr. President. Concurrence of this amendment is passage
23. of this bill. Is that correct?

24. PRESIDENT:

25. That is correct. Concurrence requires 30 votes. Senator
26. Rock.

27. SENATOR ROCK:

28. I just wonder, Mr. President, we are on passage stage.
29. I just wonder if the bill might be explained. It...it has some
30. fiscal impacts that I think a lot of people are not aware of.

31. PRESIDENT:

32. Senator Weaver.

33. SENATOR WEAVER:

1. Well, Senator Rock, basically the intent of this bill is to
2. reduce the collection charge from 4% to 2% that the State charges
3. the cities and municipalities, or counties, I should say, for
4. collecting the sales tax. The actual cost of collection is
5. estimated to be in the neighborhood of 1.3% and we're presently
6. charging those municipalities and counties 4%. The fiscal impact
7. would be in the neighborhood of 6 million dollars.

8. PRESIDENT:

9. Senator Netsch.

10. SENATOR NETSCH:

11. Would you just further clarify or would Senator Weaver
12. yield for a question?

13. PRESIDENT:

14. Indicates he will yield. Proceed Senator Netsch.

15. SENATOR NETSCH:

16. Would you be more specific about the fiscal impact of 6
17. million dollars? Who loses it and who gains it beginning when?

18. PRESIDENT:

19. Senator Weaver.

20. SENATOR WEAVER:

21. Senator Netsch, this would be a loss to the State and a
22. gain to the counties and municipalities of approximately 6
23. million dollars. And it would become effective, I presume,
24. on the Governor's signature...I should say on October first
25. 1974.

26. PRESIDENT:

27. Is there further discussion? The question is shall the
28. Senate concur in amendment...in House amend...Senator Dougherty.

29. SENATOR DOUGHERTY:

30. In the past I have voted against bills of this nature.
31. However, I do feel that, and I am inclined to support the
32. bill for this particular reason. It represents a decrease in
33. the amount of money that is going to the Administration for

1. fees collection for taxes. On the other hand, it will mean an
2. increase in Sales Tax to the municipalities and the counties as affected.
3. And we have a problem in...in Cook County where the...the people
4. as a multiplier has been reduced from 159 to 1.48 which will mean
5. roughly a 5 or 6% decrease in income from taxes. And this in
6. some way or other will replenish the loss that we may have by
7. virtue of the application of a new multiplier. That is my sole
8. reason for supporting the bill and I...I think it's good legis-
9. lation because under the new Constitution counties have been
10. barred from collecting fees for services rendered in the collection
11. of taxes. They...every county in the State has suffered a loss
12. in income. This will try to make up some of the funds that they have
13. lost because of the...of the new Constitution. That's why I am
14. inclined to support it.

15. PRESIDENT:

16. Is there...Senator Conolly. Is there further discussion?
17. Question is, shall the Senate concur in House Amendment No. 1
18. to Senate Bill 265. Those in favor will vote Aye. Those opposed
19. will vote No. The voting is open. Have all voted who wish?
20. Have all voted who wish? Take the Record. On that question
21. the Yeas are 48, the Nays are 2. Those voting Present, 1.
22. senate Bill 265, having received the concurrence of the Senate
23. in the House Amendment, is declared passed. Senator Bell.
24. Senate Bill 210.

25. SENATOR BELL:

26. Mr. President, Senate Bill 210, just to review very briefly,
27. addresses itself to the problem of Physical Education in junior
28. colleges and what the bill essentially does is allows junior col-
29. lege cost credits for Physical Education courses on the same basis
30. as any other course of instruction. We passed the bill out last
31. spring, the House has passed it out with a...with an amendment.
32. The amendment applies to the removal of any possible discrimination
33. process and I would recommend that this body concur to that amend-

1. ment, Sir.

2. PRESIDENT:

3. Is there further discussion? Senator Scholl.

4. SENATOR SCHOLL:

5. Senator, I'd like to ask Senator Bell to yield to a question.

6. PRESIDENT:

7. Indicates that he will. Proceed.

8. SENATOR SCHOLL:

9. Senator Bell, what will this...what is the estimated cost

10. if we demand that we have Physical Education in our junior colleges?

11. PRESIDENT:

12. Senator Bell.

13. SENATOR BELL:

14. Senator Scholl, I'm not prepared to make a statement on that

15. at this time. It was addressed back last spring that particular

16. cost factor. Quite frankly, I'd have to go back and recheck the

17. figures.

18. PRESIDENT:

19. Senator Scholl.

20. SENATOR SCHOLL:

21. I also would like to know how many junior colleges, right

22. now, are not equipped to conduct Physical Education courses.

23. PRESIDENT:

24. Senator Bell.

25. SENATOR BELL:

26. Well, Senator Scholl, this is not mandatory legislation.

27. It's permissive legislation for junior colleges so equipped to

28. allow themselves to do so.

29. PRESIDENT:

30. Senator Rock.

31. SENATOR ROCK:

32. Well, Mr. President, this bill has been with us lo these

33. many months. It was introduced February 28 of last year. I

1. rise, frankly, in opposition to this bill unless I am persuaded.
2. I have not yet heard from the chairman of the Committee on Edu-
3. cation of our Senate, nor from the Minority spokesman. It just
4. seems to me that we are here...the bill is obviously well in-
5. tended, but I think the fiscal impact is something that has not
6. yet been defined and it is worthy of definition. It just seems
7. to me that we are engaging in an exercise that may wind up in
8. costing us more money in the 79th General Assembly than we can
9. ever afford. I would like to hear, frankly, from Senator
10. Fawell or Senator Saperstein.

11. PRESIDENT:

12. Senator Mitchler.

13. SENATOR MITCHLER:

14. Mr. President, members of the Senate, the one thing about
15. this bill that troubles me is the fact that our public junior
16. colleges are serving a very definite purpose. They're taking
17. young people, immediately out of high school, that can't leave
18. the community and go away to a senior college for various
19. reasons, financial, maybe they can't qualify for entrance. You
20. also have people in the community attending these colleges on a
21. part-time basis and a refresher course type of base and to set
22. up a requirement for student participation in a Physical Education
23. course is added expense and another obligation on the part of the
24. students. Now our junior college system is not designed to get
25. into all of the senior college and university programs and once
26. you give them this type of legislation, it's a foot-in-the-door
27. and they consider it a mandate. Senator Bell, you are correct
28. when it is really not a mandate or mandatory, but they interpret
29. it as such and first thing you know they're into a full-scale
30. program with a...they want to have that astroturf on their
31. football fields and everything and another great expense and you're
32. defeating the main purpose of a good economically run local public
33. junior college.

1. Senator Buzbee.

2. SENATOR BUZBEE:

3. Thank you, Mr. President. Mr. President, I find it rather
4. strange that the member...the member of this Senate that is known
5. to be a friend of the various Veterans groups, speaking in opposi-
6. tion to this bill. We hear constantly that the youth of America
7. are not physically fit, et cetera, et cetera, et cetera. As a
8. matter of fact, the Vice-President of the United States just
9. returned from a trip, or just made some statements, rather,
10. a few weeks ago about observations that he made of the physical
11. fitness of the youth of Red China. And, the Vice-President of
12. the United States said that he thought that the coun...this country
13. ought to strive to bring our youth to the...to the standard that
14. the youth of Red China were. I think this is a good bill. I
15. think the concept of Physical Education, we've had the President's
16. Council on Physical Fitness with us for years. We're constantly being
17. inundated by the media and so forth with the fact that our various
18. health problems could possibly be alleviated if we...people were more
19. fit, and I just cannot see any reason for opposition to this bill.
20. It does not require them to build astroturfs or football fields
21. or anything like that. All it does is..is that it says that they
22. shall be able to...they shall...it says that no junior college
23. may be recognized by the State Board unless it includes Physical
24. Education among the other courses of study and requires all full-
25. time students, and that's all it is, is full-time students, whose
26. physical condition permits, to participate in such Physical Educa-
27. tion courses. We discussed this bill thoroughly in the Education
28. Committee. I believe that it's a good bill and I think that it
29. ought to be supported. Thank you, Mr. President.

30. PRESIDENT:

31. Senator Bell.

32. SENATOR BELL:

33. Well, thank you, Senator Buzbee, you've been a good

1. colleague in this as this bill has tried to fight its way through
2. both houses. However, there is some question here and I under-
3. stand that Senator Fawell would like to address himself a little
4. further to this at a later time, and I think at this time we'll
5. just hold it up and so I'd like to have it taken from the Record.

6. PRESIDENT:

7. Take it out of the Record. Senator Kosinski.

8. SENATOR KOSINSKI:

9. Mr. President, I'd like to move on Senate Bill 1320 and ask
10. that the Senate move to concur on House Bill Amendment to the
11. bill.

12. PRESIDENT:

13. Yes. Is there further discussion? Senator Kosinski moves
14. to concur in the House Amendment to Senate Bill 1320. The question is
15. shall the Senate concur in Amendment No. 1 to House Bill...I'm
16. sorry...to Senate Bill 1320. Those in favor will vote Aye. Those
17. opposed will vote No. The voting is open. Have all voted who
18. wish? Have all voted who wish? Take the record. On that question
19. the Yeas are 47, the Nays are none. The Senate having concurred
20. in the House Amendment to Senate Bill 1320, Senate Bill 1320 is
21. declared passed. Senate Bill 1321. Senator Kosinski.

22. SENATOR KOSINSKI:

23. Mr. President and Senators, I move to concur with the House
24. Amendment on Senate Bill 1321. What it does, it removes some
25. 35 thousand dollars from the original supplemental appropria-
26. tion. I now seek a favorable roll call.

27. PRESIDENT:

28. Is there further discussion? The question is shall the Senate
29. concur in Amendment No. 1 to Senate Bill 1321? Those in favor
30. will vote Aye. Those opposed will vote No. The voting is open.
31. Have all voted who wish? Have all voted who wish? Take the
32. Record. On that question the Yeas are 45, the Nays are 1, the
33. Senate having concurred in the adoption of the House Amendment,

1. Senate Bill 1321 is declared passed. Senator Carroll.

2. SENATOR CARROLL:

3. Thank you, Mr. President, I would now move that the Senate
4. concur with House Amendment No. 1 to Senate Bill 1274. It mere-
5. ly changes the total line of that appropriation to be in con-
6. formity with the changes we had made in the Senate Bill by way
7. of appropriation process.

8. PRESIDENT:

9. Is there further discussion? The question is shall the
10. Senate concur in Amendment No. 1 to Senate Bill 1274. On
11. that question, those in favor vote Aye. Those opposed vote
12. No. The question is, shall the Senate concur in House Amendment
13. No. 1 to Senate Bill 1274. Those in favor vote Aye. Those
14. opposed vote No. The voting is open. Have all voted who wish?
15. Have all voted who wish? Take the record. On that question the
16. Yeas are 43, the Nays are 1, 1 voting Present. The seven...
17. Senate having concurred in the House Amendment to Senate Bill
18. 1274, Senate Bill 1274 is declared passed. For what purpose
19. does Senator Sours arise?

20. SENATOR SOURS:

21. A matter of personal privilege. I rarely resort to this,
22. but I have two guests...

23. PRESIDENT:

24. Proceed.

25. SENATOR SOURS:

26. ...here from Peoria today, Dr. Stanley W. Niehouse, Executive
27. Assistant at Illinois Central College. Will you stand please.
28. And W...William L. Sanders, both from Peoria.

29. PRESIDENT:

30. Senator Conolly. Senate Bill 876.

31. SENATOR CONOLLY:

32. Mr. President.

33. PRESIDENT:

1. Excuse me, Senator Conolly, for what purpose does Senator
2. Saperstein arise?

3. SENATOR SAPERSTEIN:

4. Point of special privilege. We have in the Gallery Mr.
5. and Mrs. Sam Wiley from the 11th District in Chicago. Will they
6. stand and be recognized.

7. PRESIDENT:

8. Senator Conolly.

9. SENATOR CONOLLY:

10. Mr. President, I move concurrence with Amendment No. 1
11. to Senate Bill 876. It puts the referendum back in so there
12. will be no tax increase of this North Shore Sanitary District
13. Act. Puts the referendum back in and affects only one district,
14. which is this district.

15. PRESIDENT:

16. Senator Rock.

17. SENATOR ROCK:

18. I wonder...I wonder, Mr. President, if the sponsor will
19. be kind enough to hold this bill for another day?

20. PRESIDENT:

21. Senator Conolly.

22. SENATOR CONOLLY:

23. Since it affects only one district, I cannot understand why
24. you would want me to hold it, but I'd be more than glad to agree
25. with my friend any time.

26. PRESIDENT:

27. The bill will be held. Senator Bruce, Senate Bill 1278.

28. SENATOR BRUCE:

29. Yes, Mr. President and members of the Senate. I would move
30. the Senate concur on House Amendment No. 1. It does not change
31. the total except we amended the bill in the Senate and did not
32. change the total line. The House wishes to pick nits with us
33. and has changed the total line to conform...to conform with the

1. rest of the bill.

2. PRESIDENT:

3. The question is, shall the Senate concur in House Amendment
4. No. 1 to Senate Bill 1278. On that question those in favor will
5. vote Aye. Those opposed will vote No. The voting is open.
6. Have all voted who wish? Take the Record. For what purpose
7. Senator Partee arise?

8. SENATOR PARTEE:

9. A point of personal privilege, Mr. President. In the South
10. Gallery are a group of students from the Wentworth School in
11. Chicago. I would ask that they stand and be recognized by the
12. Senate.

13. PRESIDENT:

14. On that question the Yeas are 43, the Nays are none. The
15. Senate having concurred in the House Amendment to Senate Bill
16. 1278, Senate Bill 1278 is declared passed. Senate bills on
17. Third reading. Senator Graham. Senate Bill 1291.

18. SECRETARY:

19. Senate Bill 1291.

20. (Secretary reads title of bill.)

21. Third reading of the bill.

22. PRESIDENT:

23. Senator Graham.

24. SENATOR GRAHAM:

25. Mr. President and members of the Senate, this bill became
26. necessary due to a typographical omission last year when we were
27. drafting up hurriedly the bill that dealt with the State Board of
28. Elections. What this does is, really establish the terms of the
29. Chairman of the State Board of Elections. Without it the Board
30. Chairman's term would terminate this July and without this bill
31. the next one up for Chairman of the Board would not be able to
32. serve probably because their terms will be up next year. This is
33. to put this in conformity with the thinking of the Senate and

1. fulfill our Constitutional requirement with regard to State Board
2. of Elections. Senator Dougherty, myself, the Commission on Elec-
3. tion Laws, and the members of the State Board of Elections support
4. its adoption.

5. PRESIDENT:

6. Senator Dougherty.

7. SENATOR DOUGHERTY:

8. Mr. President and members of the Senate I concur in what
9. Senator Graham has said. This Election Commission bill, and it
10. does straighten out the terminology of the term of the Chairman.
11. The next Chairman will rotate, will be of another political
12. party.

13. PRESIDENT:

14. Is there further discussion? The ques...the question is
15. shall Senate Bill 1291 pass. Those in favor will vote Aye.
16. Those opposed will vote No. The voting is open. Have all
17. voted who wish? Have all voted who wish? Take the record.
18. On that question the Yeas are 46, the Nays are 2. Senate Bill
19. 1291, having received Constitutional Majority, is declared passed.
20. Senator Rock.

21. SENATOR ROCK:

22. I just wonder. I usually take credence for what Senator
23. Weaver does. I don't see him listed on that other board. I
24. wonder is the light...I see him on this one...what about that
25. one. I certainly don't want Senator Weaver's light to be out.

26. PRESIDENT:

27. Senator Latherow.

28. SENATOR LATHEROW:

29. Mr. President, I think I can answer that. This board will
30. not let Senator Weaver vote wrong.

31. PRESIDENT:

32. 1394. Do you wish to call that bill? Senator Fawell.

33. SECRETARY:

1. SB 1394.

2. (Secretary reads title of bill)

3. 3rd reading of the bill.

4. PRESIDENT:

5. Senator Fawell.

6. SENATOR FAWELL:

7. Yes. Mr. President and Members of the Senate. A great
8. deal could be said about this bill but just sufficed to say
9. it is the distributive...of the appropriation for the distri-
10. butive fund, the common school fund of one billion, seventy-
11. five million dollars and it will result in full funding under
12. the...the resource equalizer formula as passed by the Legisla-
13. ture during the last session. This is a Committee bill. It is
14. bipartisanly sponsored and if there are any questions which
15. anyone has in regard to specifics, I would be more than glad to
16. attempt to respond to them. We are bringing about here an in-
17. crease over the common school fund of the last fiscal year of
18. approximately one hundred seventy-five million dollars which
19. represents approximately seventy-three million more than what
20. the OSPI has seen fit to recognize. I think it is an obligation
21. which the Legislature must live up to. Giving it the highest
22. priority that is expenditures for this formula for the elementary
23. and secondary schools of the State of Illinois. Within a four or
24. five year period, we will have completed the process and I think
25. we will have inculcated into the Law of Illinois, therefore, one
26. of the most progressive steps of in...inssofar as funding of ele-
27. mentary and secondary schools are concerned with the Nation, of
28. which I think all of us can be justly proud. I would therefore
29. ask for the support of the Senate.

30. PRESIDENT:

31. Senator Saperstein.

32. SENATOR SAPERSTEIN:

33. Mr. President and Ladies and Gentlemen of the Senate, now

1. I rise in support of this bill and this had the complete cooper-
2. ation of the Democratic Senators, realizing that this is one of
3. the most important fiscal bills to come before the Senate, I
4. believe. This represents a commitment that the Senate made when
5. we adopted the Resource Equalizer Formula we promised the school
6. districts, the teachers, the children of the State of Illinois
7. that through this Formula that we would offer them greater equal-
8. ization in quality education. We must fulfill our commitment
9. and this is a struggle that had taken place in the Illinois Leg-
10. islature for the past six years and I would recommend that we
11. make this vote unanimous. Thank you.

12. PRESIDING:

13. Is there further discussion? The question is, shall SB 1394
14. pass? On that question those in favor will vote aye. Those
15. opposed vote no. The voting is open. Have all voted who wish?
16. Have all voted who wish? Take the record. On that question, the
17. yeas are 50, the nays are none, 1 voting present. SB 1394 having
18. received a constitutional majority is declared passed. Senate

24. Senator Howard Mohr.

25. SENATOR MOHR:

26. Yes, Mr. President. This is the bill I spoke to earlier
27. with...I checked with Senator Partee and also Senator Ozinga,
28. Chairman of the Executive Committee. I'd like to discharge
29. the...well, it's assigned to Exec...and suspend the rules for
30. the sixth day hearing and have it heard in Executive today.

31. PRESIDENT:

32. Senator with...with reference to SB 1235. Senator Mohr
33. moves to suspend the rules for the purpose of referring the bill

1. to the Committee on Executive and to have the bill heard today,
2. waiving the sixth day notice. Senator Graham.

3. SENATOR GRAHAM:

4. Mr. President, I have no objection but the committee report
5. on the Assignment of Bills is in the Secretary's Office and this
6. bill was I think referred to Executive. I have no objection.
7. You're discharging Executive.

8. PRESIDENT:

9. The motion is to suspend for the purpose of referring the
10. bill directly to the Committee on Executive and further to waive
11. the six day notice so that the bill can be heard in Executive
12. today. Is there discussion? All in favor signify by saying aye.

28. than each individual sponsor making it a motion to suspend the

31. leave it to the discretion of the Chair to make the requisite

33. Appropriations.

1. PRESIDENT:

2. All right, Senator Rock moves to suspend the rules for the

5. that they be referred directly to Appropriations. The motion is
6. to suspend for that purpose. Is there discussion? All in favor
