32. the situation where a bus owned by a city performs charter service

22. SENATOR GRAHAM:
23. Mr. President, if I could get the attention of the Senate.
24. There...a list of bills, just read, Ladies and Gentlemen, some
25. of them deal with vacations, retrocession, and so forth. You
26. sponsors of these bills, as soon as the Committee on Assignment
27. of Bills have made their determination which will be very shortly,
28. you will all get a notice of the number of your bill and to which
29. committee it was assigned. Most of those go to Transportation,
30. naturally. It would be my suggestion that tomorrow, when these
31. notes are left on your desk that at one given time on the order
32. of motions, each Senator who has a bill dealing with retrocession,
33. vacation or so forth will simultaneously, or successfully rather,

1. successfully arise and move discharge of that committee all at
  2. the same time. We can save a lot of...a lot of a...a lot of a
  3. ...trouble here and on the Secretary's desk. So, if you will
  4. withhold those motions until tomorrow, all of you sponsors will
