If I can have your attention...if I can have your attention, we have a number of distinguished guests and the Chair will be happy to yield to Senator Glenn Poshard.

SENATOR POSHARD:

Thank you, President Rock. Ladies and Gentlemen of the Senate, I have some very important guests with me here today that I'd like the Senate to take the time to recognize and, perhaps, listen to for a couple of moments. I think all of us are very proud when industry or business moves into our district especially industry that stays there. This year in Herrin, Illinois, which is one of the leading industrial

towns in southern Illinois, we're celebrating the thirty-fifth anniversary of Sheller-Globe Industries, an auto parts manufacturing firm. Last year Herrin, Illinois celebrated the fortieth anniversary of Norge industries which is another major employer in southern Illinois. Between these two plants, over twelve hundred southern Illinoisans have good jobs; not only good jobs, but the management and the employees of Sheller-Globe and Norge have some of the best labor management relationships of any industries in the State of Illinois. They're very community oriented plants. They do a good job with their people and I wanted to recognize especially Sheller-Globe here today on their thirty-fifth anniversary in the City of Herrin. I have with me here on the Podium, Mr. Dan Shambeck, the plant manager at Sheller-Globe; Mr. Art Wilson who is the manager of human resources for Sheller-Globe. I have Mayor Ed Quaglia, the Mayor of Herrin; Mr. Tom Dinis, the executive director of the Chamber of Commerce who plays a great role in helping to retain industry in our area; Denzel Walker, the president and the cohort of Tom in the Chamber of Commerce and Mr. John Nichols, who is the manager of human resources for our Norge Plant in Herrin. I wanted to recognize these folks and I have a special resolution which I'll be presenting to them, but before I do that, I would like for Mr. Dan Shambeck to address the Senate for just a couple of minutes on some issues that he feels as a medium-sized plant manager in this state are important for us to be concerned about in this Senate. Mr. Shambeck.

MR. DAN SHAMBECK:

(Remarks given by Mr. Shambeck)

SENATOR POSHARD:

Dan, thank you, for your remarks and I'd like to present you with this resolution congratulating Sheller-Globe for thirty-five years of continuous service to the Community of

Herrin. Thank you, very much.

House Bill 803 offered by Senator Etheredge.

(Secretary reads title of bill)

1st reading of the bills.

PRESIDENT:

All right...the Chair has spoken with the minority leader, we do have a very heavy schedule this afternoon. Our intent is to go to Senate bills 2nd reading for a few minutes at least and try to move the noncontroversial, nonamended bills. In the meantime, Senators Berman and Schaffer have indicated that the Senate bill that was yesterday moved from 2nd to 3rd, Senate Bill 485, the middle of page 32, is obviously of an emergency nature. And so, with leave of the Body, we'll move to the Order of Senate Bills 3rd Reading. On the Order of Senate Bills 3rd Reading, the middle of page 32...we are on page 32 in the Calendar. All right. With leave of the Body, we're moving to page 32 on the Calendar on the Order of Senate Bills 3rd Reading is Senate Bill 485. Read the bill, Madam Secretary, please.

SECRETARY:

3rd reading of the bill.

PRESIDENT:

Senator Berman.

SENATOR BERMAN:

Thank you, Mr. President. Senate...

PRESIDENT:

If we can have your attention, this is final action. Senator Berman.

SENATOR BERMAN:

Thank you, Mr. President. Senate Bill 485 is the bill

that we debated on 2nd reading yesterday. As it is presented to you today, the bill appropriates a little bit less than one million dollars to cover the state's portion of the contracts ready to be let for three schools districts for asbestos abatement, and those three school districts are Richmond School District for four hundred...for two hundred and seventy thousand dollars, the Central Community District in Iroquois County for a hundred and five thousand and Morton High School District for six hundred thousand dollars. This appropriation is to Capital Development Board. If there are additional funds or rather substitute funds that will come to this...to these school districts as a result of any state or Federal appropriation of any permanent funding mechanism,...these monies would be returned under that funding mechanism. We debated the issue as to whether Morton should be in or out, they are in. I think the bill should move forward to address the needs of these three school districts so that they can go to contract and do the work immediately. I ask for a favorable vote.

PRESIDENT:

Any discussion? Is there any discussion? If not, the question is, shall Senate Bill 485 pass. Those in favor will vote Aye. Opposed vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 59 Ayes, no Nays, none voting Present. Senate Bill 485 having received the required constitutional majority is declared passed. All right. Ladies and gentlemen, for the remaining fifteen or twenty minutes, we're going to try Senate bills 2nd reading. We would hope that anything with controversy would not be called. We are all, obviously, under a little bit of stress and strain and there are committee meetings again starting at two o'clock, but in order to move the process and afford our clerical help some much needed relief,

PRESIDENT:

No, it's been waived off. Believe me, I know the controversial ones or at least some of them. We...we needn't get into that this afternoon. Senator DeAngelis.

SENATOR DeANGELIS:

Well, Mr. President, I heard you clearly indicate that the order of business would be those bills that don't have any committee amendments, the bills that don't have any Floor amendments.

And are noncontroversial.

Noncontroversial amendments. The...the bill has come out...well, you know,...

I...I don't mean to be arbitrary. Senator Smith, yeah, there's a fiscal...request for a fiscal note anyway and I'm sure there will be a request for a pension...impact note and debt service note and whatever else we have. Senator DeAngelis.

SENATOR DeANGELIS:

Well, I would like to point out for members of the Body that the...the...the...we...we asked for the fiscal note. The department responded that since this bill doesn't do anything, there's no cost. Now, for a bill that doesn't do anything, how can it be so controversial?

Senator Etheredge, what do we do now with a bill with no sponsor?...are you going to substitute yourself or who do we put in there? Senator Etheredge.
