SECRETARY:

Senate Resolution 243 offered by Senator Jones, it is congratulatory.

PRESIDENT:

Consent Calendar. All right. With leave of the Body, we're going to move to the Calendar. I'd ask all those members within earshot that we will begin...as...I'm sure everyone is painfully aware, we will be here Tuesday, Wednesday and Thursday and there are five hundred and seventy-six bills on 2nd reading. We will begin at the top of the Calendar and move through the Calendar leaving only the appropriation bills until Thursday morning, so that today and tomorrow we will skip the appropriation bills and leave them until Thursday morning at which time we'll handle all those amendments at the same time. We will begin very shortly and attempt to conclude our work at a reasonable hour, roughly, six o'clock. We'll start again tomorrow morning at ten and go again till six, and on Thursday we will begin at ten and conclude as reasonably early in the afternoon as we can to accommodate our colleagues on the other side of the aisle, they have a social function to attend to, to which I haven't been invited, by the way, Senator Maitland,...thanks. All right, Madam Secretary, while we're awaiting the arrival of a number of members who are leaving their office, why don't we move to page 66 on the Calendar and, with leave of the Body, we'll go to the Order of House Bills 1st Reading. We can clear a couple of those off the Calendar. If any member has a House bill that he or she wishes to pick up, please, inform the Secretary. House bills 1st reading, page 66 on the Calendar.

PRESIDENT:

1340? The gentleman seeks leave of the Body to be shown as the hyphenated cosponsor on Senate Bill 1340. Without objection, leave is granted. All right. We're going to begin on page 1 on the Calendar and I would ask the members to please be attentive. We will be skipping only the appropriation bills which we will ask the appropriations' chairmen and minority spokesmen to be prepared to handle the amendments on Thursday just to facilitate things. So we will be moving immediately through the Calendar. I would ask all members to please be attentive, the Chair does not intend to go backward, we will move forward. All right. Madam Secretary, are we ready? The Secretary informs me there have been a number of new requests for fiscal notes. I would ask those who are requesting to please alert the sponsor, that is simply a matter of courtesy. If you alert the sponsor, that will save all of us some time and just say to the sponsor, I have requested a fiscal note on your bill, please, don't call it. Yes. The question has been asked of the Chair, are we still trying noncontroversial; that day is over. We are now in the fray, get ready, we're going right through the Calendar. PRESIDING OFFICER: (SENATOR SAVICKAS)

The amendment to 596 is really the bill itself, and what it does, it allows one school district in my legislative district a chance to recoup some losses that they suffered as a result of a rather severe bankruptcy within that district.

Is there discussion? If not, Senator Rigney moves the adoption of Amendment No. 1 to Senate Bill 596. Those in favor indicate by saying Aye. Those opposed. The Ayes have it. Amendment No. 1 is adopted. Further amendments?

Thank you, Mr. President and Ladies and Gentlemen of the

There was concern that it would be both from the municipality and from the park district; that was not the intent and it was so expressed in committee. The fact is the response to the fiscal note has been filed with the Secretary.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator DeAngelis, there seems to be a lot of that going on at the moment. So whatever we do here will attempt to establish what we do next. Senator DeAngelis.

SENATOR DeANGELIS:

Well, the request was made three weeks ago, and there is a response to it, it's sitting on the Secretary's Desk. Now I would like to know why...the request is inadequate...or the response is inadequate or why is there a second request being made?

I don't have a question about the fiscal note.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Well, let...let me...let me raise the question, however, with...as a matter...Senator DeAngelis.

SENATOR DeANGELIS:

I don't know that it's proper for the Chair to raise any

question on it at all unless some other member wants...

PRESIDING OFFICER: (SENATOR DEMUZIO)

I...I thought...I thought early you had expected a ruling from the Chair...reference to this. All right.

SENATOR DeANGELIS:

...just a second, Mr...

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right. With leave of...with leave of the Body, we will return to the Order of...of Senate Bill 651 on page 18. Permission had granted to return to that order of business. Is leave granted? Leave is granted. On the Order of page 18, Senate Bills 2nd Reading, Senate Bill 651. Now, Senator DeAngelis there's a fiscal note request that has been filed with respect to this bill. Senator DeAngelis.

SENATOR DeANGELIS:

Well, first of all, you're correct, there was one filed on April 23rd by myself, the response is sitting on the Secretary's Desk. The bill has not been amended, therefore, there's no need for an additional request for a fiscal bill...for a fiscal note. Now if we're going to play these kind of games, we can just delay the whole process by simply filing fiscal notes the second time around to delay a bill. I think it's extraordinary. I've sat on this bill now for three weeks.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator DeAngelis.

SENATOR DeANGELIS:

It's been on the Calendar for three weeks. This bill came out of committee 16 to 2, all right? I've seen other bills that have gone out on partisan roll calls...

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right. Senator DeAngelis, let...let me just point out one thing here because there's been a lot of fiscal notes that have been filed. With respect to your fiscal

note...with respect to your fiscal note, it has not been signed by the department from whence it came as...as provided for in Statute. Now if we start moving your bill with respect to this, then the next person down the line...we're establishing a precedent here. Senator DeAngelis.

SENATOR DeANGELIS:

Well, we questioned the department on that, they told us that that was their fiscal note. We have just contacted the department about ten minutes ago and they say that is their fiscal note.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Well...

SENATOR DeANGELIS:

Now...

PRESIDING OFFICER: (SENATOR DEMUZIO)

...Senator DeAngelis, let me just point out that the Statute is very specific in the order and form of a fiscal note. In the opinion of the Chair, this does not meet that...that criteria. Now I have no quarrel with moving your bill. If you wish to call the department and have this matter reconciled within the...the next few minutes during the...the period of this Session, I have no quarrel with that, I'm sure the Body will have leave to come back to this; but in order for us to move this, then the next person is going to want to do the same thing, that's all I'm attempting to...to head off here. Senator DeAngelis.

SENATOR DeANGELIS:

Well, we did call the department, ten minutes ago, and they did indicate that is their fiscal note. Now what other...other additional phone calls would you like made?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator DeAngelis, the Statute, again, is very explicit. With respect to comment and opinion, for example, your fiscal note gives a comment and opinion in reference to what the

department's position is in reference to this. So, I mean, in terms of...of matter of form, this is, frankly,...not in the manner and form...that we have generally accepted fiscal notes here in this Body; plus, the fact of the matter is that it is not, in fact, signed by the department as...as is requested and required by Statute. Senator DeAngelis.

SENATOR DeANGELIS:

It is on the department's letterhead, it is their response to our request. Now, I'll tell you, you're setting a bad precedent here because the department is in opposition to this bill. That means that an agency can hold up this whole process by simply filing a fiscal note in this manner and then you declare that fiscal note as not being valid. I think you're setting a bad precedent. And I would like to have the statutory reference that...you're making...in terms of form.

PRESIDING OFFICER: (SENATOR DEMUZZIO)

Page 1266, Chapter 63, Section 42.35. Now, again, I...I think...we're...we're taking up a lot of time of the Senate here. I'd be glad to come back and...at some other point and...and discuss this. It just seems to me that it's...it's very simple for the department simply to sign this and conform to the...to the Statute so that the Senate may move on, that's all I'm asking. Senator DeAngelis, can we take it out of the record for a few moments and have leave to come back at it? Senator DeAngelis.

SENATOR DeANGELIS:

Well, what...can I ask what your expectation is in order to move this bill forward that hasn't been fulfilled up to now?

PRESIDING OFFICER: (SENATOR DEMUZZIO)

Well, my expectation is is that the manner and form as prescribed by...by Statute is met with reference to all the fiscal notes that had been filed with all of the legislation

that is here; otherwise, we're going to be ending up...accepting fiscal notes in any manner or...or form that anyone may desire. As a matter of fact, this is actually a...a position paper of the department. Senator Rock, for what purpose do you arise?

SENATOR ROCK:

Well, I...I think the Chair is quite correct, we are wasting an inordinate amount of time on this. The Statute is very clear as to what's required. Once questioned, move on.
PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator...Geo-Karis, for what purpose do you arise?

SENATOR GEO-KARIS:

Mr. President, Ladies and...Gentlemen of the Senate, obviously, there's a question as to the form of his fiscal note. If you have a good form of fiscal note, why not provide a copy...to Senator DeAngelis so we don't waste anymore time?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Well...the Senate does have a...a...a form that is in the...in the manner...that has conformed with our rules over the time...period of time that I have been here. Senator DeAngelis.

SENATOR DeANGELIS:

You didn't answer my question, Mr. President, what expectation? If I get a signature on that, does that satisfy your requirement?

PRESIDING OFFICER: (SENATOR DEMUZIO)

With...with respect to the Statute, it..it, in fact, does not...it does require that no opinion be rendered relevant to the legislation, that it specifically...points out the fiscal impact of the proposed legislation and does not...explicitly indicates that a department's...position should not be stated. Senator DeAngelis.

SENATOR DeANGELIS:

I would like to ask leave then to get it in its correct form and come back to us in...in a little while.

PRESIDING OFFICER: (SENATOR DEMUZIO)

...that's...that's fine. All right. Senator DeAngelis has sought leave of the Body to...to return to the Order of Senate Bill 651 sometime later in the day. Is leave granted? All right. Senator Rock, for what purpose do you arise?

SENATOR ROCK:

Absolutely not. We're moving right through the Calendar, one bill at a time. You're ready or you're not ready.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Rock.

SENATOR ROCK:

...you know, you think the department is the enemy. Whose department is it?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator DeAngelis, do...do you wish to answer that question? Senator DeAngelis.

SENATOR DeANGELIS:

Yeah, that's a good question, Senator Rock, I have to wonder about that myself. First of all, I did not stall the process, that...I have not even seen the fiscal note that's been filed. And if it's been filed, it's just been filed recently, okay? So, we're not...we're not the ones that are stalling it.

PRESIDING OFFICER: (SENATOR DEMUZIO):

All right. Senator Rock, for what purpose do you arise? Senator Rock.

SENATOR ROCK:

I...I'm going to have to resent that because I said when I mounted that Podium, it would be nice as a matter of courtesy if those who are filing requests for fiscal notes would be kind enough to inform the sponsor. That goes both ways. Now I know that there's been fiscal notes filed on every one

of Senator Smith's bills as some form of retaliation. We're all big boys, we understand what's going on. Fact of the matter is, all you have to do is when you file one of these let the sponsor know and give the sponsor an opportunity to...to file the proper piece of paper. But we're not going to stop the proceeding because of a fiscal note. We're just going to move right through the Calendar trying to accommodate, I might say, five hundred and seventy-six bills on 2nd reading sponsored by literally every one of us, so that everybody gets a proper whack at their apple.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right. Senator...Senator DeAngelis.

SENATOR DeANGELIS:

Well, Mr. President...or Senator Rock, I was informed at the last minute that Senator Smith was going to file that fiscal note. I gave her copies of all my documents. At no time did she express to me that those were unsatisfactory, inadequate or that she needed more.

It removes the clause from the amendment which allows the commissioner to fine up to a thousand dollars those persons who attempt to induce disclosure of reports and examination. Does that bring any recollection back? Senator Carroll.

SENATOR CARROLL:

Yes, Mr. President and Ladies and Gentlemen of the Senate, thank you. The commissioner had agreed to this amendment in committee. The purpose of the amendment was that...the commissioner had no jurisdiction over these individuals in a civil matter 'cause they were people outside the germane of his licensure and regulatory activities.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator, we don't have the amendment here. Why don't we just adopt the first amendment, leave it on 2nd reading and...Senator Keats.

2nd reading of the bill. The Committee on Judiciary offers one committee amendment.

PRESIDENT:

Senator Netsch on Committee Amendment No. 1.

SENATOR NETSCH:

Thank you, Mr. President. The bill deals with polygraph examination of victims of crimes, and the committee amendment restricts the scope of the bill. It had originally applied to all violent crimes and as amended by Committee Amendment No. 1 it would apply only to the sexual abuse crimes that were part of the bill that we passed a couple of years ago. I would move the adoption of...Committee Amendment No. 1 to Senate Bill 1159.

PRESIDENT:

Senator Netsch has moved the adoption of Committee Amendment No. 1 to Senate Bill 1159. Discussion? Senator Karpel. All right, all in favor of the amendment indicate by saying Aye. All opposed. The Ayes have it. The amendment is adopted. Are there further amendments?

PRESIDENT:

Amendments from the Floor?

SECRETARY:

Senators Netsch and Karpel offer Amendment No. 2.

PRESIDENT:

Senator Netsch.

SENATOR NETSCH:

Thank you, Mr. President. Amendment No. 2 would make it clear that the prohibition on using polygraphs for victims of the sexual offenses would cover the investigative stage as

well as actual charging and prosecution. So, fundamentally it adds the word "investigation" to the scope of the Act. I would move the...it also corrects one technical error. I would move the adoption of Amendment No. 2 to Senate Bill 1159.

PRESIDENT:

All right, Senator Netsch has moved the adoption of Amendment No. 2 to Senate Bill 1159. Discussion? Senator Hawkinson.

SENATOR HAWKINSON:

Thank you, Mr. President. Will the sponsor yield?

PRESIDENT:

Sponsor indicates she will yield, Senator Hawkinson.

SENATOR HAWKINSON:

Senator, can you tell me what is prohibited by adding the word "investigative"?

PRESIDENT:

Senator Netsch.

SENATOR NETSCH:

Yes, my understanding is that this was suggested to those who had originally proposed the bill, the coalition, by a state's attorney who said that as it had originally been written it would not have covered the police aspect of the eventual prosecution. In other words, we used the words "only charging and prosecution" and we are equally concerned about the...not using the polygraph for these victims during the police investigation period and the...this particular state's attorney had suggested we really needed to add that word to make sure that we were adequately covering.

PRESIDENT:

I'm sorry, Senator Hawkinson.

SENATOR HAWKINSON:

I understand that, Senator, but what is it that you're accomplishing by adding the word "investigative"?

What...what is a police officer prohibited from doing as this amendment comes in?

PRESIDENT:

Senator Netsch.

SENATOR NETSCH:

Giving a...or requiring a polygraph examination of the victim. That was the basic thrust of the entire bill, as you recall, and this would just simply make it clear that the examination could not be mandated of the victim during the investigative stage as well.

PRESIDENT:

Senator Hawkinson.

SENATOR HAWKINSON:

So the amendment prohibits the mandating of the request but it does not prohibit the request from being made voluntarily. Is that right? The officer could still make the request, but if it's...if no is the answer, he must still proceed with his investigation.

PRESIDENT:

Senator Netsch.

SENATOR NETSCH:

Yes, that's the basic thrust of the bill. No law enforcement officer, et cetera shall require an alleged victim. That is the way the basic bill reads and we have not changed that at all.

PRESIDENT:

All right,...Senator Geo-Karis, on Amendment No. 2?

SENATOR GEO-KARIS:

Will the sponsor yield for a question?

PRESIDENT:

Sponsor indicates she'll yield, Senator Geo-Karis.

SENATOR GEO-KARIS:

My understanding when I talked to you about a week ago was that your bill would be specifically relative to the fact

that no police authority or state's attorney authority can request a...a...a polygraph test of a rape...rape victim. Are you intending to leave that the way it is or do you...are you going to change it or send it...if it goes to the House, is it going to be amplified to request that no polygraph examinations be taken of anyone? I'd like to know your legislative intent, please.

PRESIDENT:

Senator Netsch.

SENATOR NETSCH:

No, the first amendment...Committee Amendment No. 1 restricted the scope of the Act to the criminal sexual offenses that are set out in Sections 1213 through 1216 of the Criminal Code, those are the criminal sexual offenses, and the amendment that was...the first amendment did limit the scope of the bill to those offenses as we discussed in committee, and, in fact, the amendment was put on in committee. So, it does not apply to all violent crimes, it applies to the sex offenses.

PRESIDENT:

Senator Geo-Karis.

SENATOR GEO-KARIS:

All right, but you still haven't answered my question. If this bill should go out with that explanation, are you going to allow this bill to be amended in any form which would increase the prevention of the use of the polygraph test for other matters?

PRESIDENT:

Senator Netsch.

SENATOR NETSCH:

Oh, you mean other than the scope of the use of it in criminal investigations? The answer is no. It is not going to be used and I will not permit it to be used for a...a broader purpose...it has to do with this subject matter. It

came from the Coalition Against Sexual Abuse and that is its purpose and that will remain its purpose.

PRESIDENT:

Senator Geo-Karis.

SENATOR GEO-KARIS:

In other words, you are assuring me then that your bill will not try to take away the rights of any of the victims of rape and like offenses. Is that right? In other words, you are not...cause we had a discussion of this, I want to make sure that you're not planning to use this bill as a vehicle to just ban polygraph tests for anyone, because I don't want to see any child molester working in a child's school or what have you.

PRESIDENT:

Senator Netsch.

SENATOR NETSCH:

If I understood your question, I think I answered it very explicitly the first time. This bill deals only with the requirement by law enforcement people of a victim of a...one of the sex offenses described in Sections 1213 through 1216 mandating the victim take a polygraph test. That is what the bill deals with and as long as I am in control of it, that is all the bill will deal with.

PRESIDENT:

Senator Geo-Karis.

SENATOR GEO-KARIS:

That's the legislative intent assurance that I want from you, because I won't vote for the bill otherwise.

PRESIDENT:

Senator Hawkinson.

SENATOR HAWKINSON:

Thank you, Mr. President. I apologize for speaking a second time but will the sponsor yield for a clarification?

PRESIDENT:

Sponsor indicates she'll yield, Senator Hawkinson.

SENATOR HAWKINSON:

The prior questioner used the term "request" and I just want to clarify again that what we're doing here is prohibiting the requirement and not the requesting. Is that correct?

PRESIDENT:

Senator Netsch.

SENATOR NETSCH:

It reads, "No law enforcement officer, state's attorney or other official shall require an alleged victim of one of the offenses in 1213 through...1216 to submit to a polygraph examination or any form," et cetera, et cetera. So, the word "require" is still part of that and it has not been changed.

PRESIDENT:

All right, Senator Netsch has moved the adoption of Amendment No. 2 to Senate Bill 1159. Is there any further discussion? If not, all in favor indicate by saying Aye. All opposed. The Ayes have it. The amendment is adopted. Are there further amendments?

SECRETARY:

Senator Netsch offers Amendment No. 1.

PRESIDENT:

Senator Netsch on Amendment No. 1.

SENATOR NETSCH:

Thank you, Mr. President. This deals with the extra compensation that the state pays to assessing officials who hold a certified Illinois Assessing Officer Certificate. As introduced, it would have raised that compensation from five hundred to seven hundred and fifty dollars a year, and I indicated in committee that I thought that was probably too steep a jump, although it's perfectly justified, at one time, and so the amendment reduces that to six hundred dollars a year.

PRESIDENT:

All right, Senator Netsch has moved the adoption of Amendment No. 1 to Senate Bill 1161. Any discussion? If not, all in favor indicate by saying Aye. All opposed. The Ayes have it. The amendment is adopted. Are there further amendments?

SECRETARY:

Mr. President and members, Committee Amendment No. 1 to Senate Bill 1214 is a technical amendment to bring this bill dealing with liability of...of directors of...of Illinois corporations in...in conformity with a recent similar measure that has been adopted in the State of Delaware, and I would ask for its adoption.

PRESIDING OFFICER: (SENATOR SAVICKAS)

SENATOR HAWKINSON:

Thank you, Mr. President. Will the sponsor yield for a question?

PRESIDING OFFICER: (SENATOR SAVICKAS)

He indicates he will.

Senator, does this bill allow...excusing liability of duty care in a broader sense than we passed last year for directors of not-for-profit corporations in Senate Bill 1200?

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Barkhausen.

SENATOR BARKHAUSEN:

No, I don't believe it does, Senator Hawkinson. I...of course, I can't remember exactly what we did in the not-for-profit context, but it...this affects the Business Corporation Act as...as opposed to the Not-for-profit Corporation Act, as you're probably aware.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Hawkinson.

SENATOR HAWKINSON:

...not-for-profits in Senate Bill 1200 we excused their negligent actions but we did not allow the excuse for inten-

...Senator Demuzio.

SENATOR DEMUZIO:

Well, that amendment was drafted by our staff, Senator Keats ran it by me earlier. It is a agreement that was worked out in committee, he's concerned about the...the issue. We...we indicated during the bargaining process that if we're going to disclose what the expenses were going to be by one side, it ought to be afforded the same opportunity to both sides, and what this amendment does is that it also affords the opportunities for the teachers' bargaining units to make public the amount of money that is spent during the bargaining process, and I think I've explained that properly and would move adoption of Senator Keats' amendment if he...
PRESIDING OFFICER: (SENATOR SAVICKAS)

Well, Senator Keats, this does not sound like a technical amendment and I don't...I think you owe us a little apology for trying to push this through as a technical amendment not realizing you didn't even know what it was. Senator Keats.
SENATOR KEATS:

I'll blame it on Senator Zito as we were sitting here talking. We had the wrong bill, sorry about that. As soon as...as soon as Senator Demuzio said what it was, you noticed my light went right back on and said, whoops, we're on the wrong bill. Yes, it's exactly as he described. It's just to say everybody gets to disclose what their legal fees are so that the public knows what they're paying for the lawyers. It was an agreed upon amendment in committee.

PRESIDING OFFICER: (SENATOR SAVICKAS)

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Keats.

SENATOR KEATS:

The committee amendment will have to be Tabled and this new one that I've handed in to replace it because it's flawed. A two second brief. What the bill does is allow more than one bank to own banking related subsidiaries to share the cost. That was the intent of the bill, it was not well drafted. The first amendment was to clear it up was only marginally better drafted. This amendment does that and that's the intent of the bill and the amendment.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Keats offers Amendment No. 2. Is there discussion? If not...well, Senator Keats had explained it but,

Senator Keats, would you explain it again?

SENATOR KEATS:

Okay. What it is is a normal banking function, a subsidiary whether it deals with processing of checks or things like that, right now one bank has to own it, but if it's a specific banking function, what this bill allows...and it's a commission...supported by the commissioner, would allow several banks to share the expense of it so you don't have six banks, you know, I mean, every bank doing the same thing. This allows them to share it. They don't have to own one hundred percent themselves, they could own twenty percent and have five banks own twenty percent, but these are integral bank functions and it's a joint sharing arrangement.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there further discussion? If not, Senator Keats moves the adoption of Amendment No. 2 to Senate Bill 1415. Those in favor indicate by saying Aye. Those opposed. The Ayes have it. Amendment No. 2 is adopted. Further amendments?

For those of you who have...have had a request for a fiscal note, we'll see if we can get those accomplished by tomorrow and then we will probably at about noon get on the Calendar on the Order of 3rd Reading for final action. So I would suggest that we are going to start at ten o'clock in the morning and, hopefully, go right through; and while I'm on my feet, I would like leave of the Body to be added as the hyphenated cosponsor on Senate Bills 1095 and 1096. SENATOR DUDY CZ:

Thank you, Mr. President. I seek leave to add Senator Degnan as a hyphenated cosponsor to Senate Bill 137. It would read Dudycz-Degnan-Raica-Macdonald.

SENATOR DUDY CZ:

Dudycz-Degnan-Raica-Macdonald and yourself if you wish.

PRESIDING OFFICER: (SENATOR DEMUZIO)

No...no, thanks. I...I think...I...just...just...just for point of clarification, somebody might look it up while we're at a lull, I mean, it just seems to me that under our rules in...in the past, we've only allowed like a couple of hyphenated cosponsors but we've never brought it up, so what the heck. Dudycz said...you want leave to be...has the Secretary got that? You've heard the request of Senator Dudycz. Is leave granted? Leave is granted. So ordered. Senator Alexander, for what purpose do you arise?
