If I can turn your attention to page 20 on the Calendar, it is Senator Schaffer, Geo-Karis, Savickas, Welch, Lechowicz, Holmberg, Barkhausen. Senator Schaffer, you're the leadoff witness. Okay. All right, Madam Secretary, with leave of the Body, we'll move to the Order of House Bills 2nd Reading, top of page 20. On the Order of House Bills 2nd Reading is House Bill 1742. Read the bill, please.

SECRETARY:

House Bill 1742.

(Secretary reads title of bill)

2nd reading of the bill. The Committee on Elementary and Secondary Education offers one committee amendment.

PRESIDENT:

Senator Schaffer on Committee Amendment No. 1.

SENATOR SCHAFFER:

Mr. President and members of the Senate, this bill delays the implementation of the Asbestos Safety Act. As it reached the Senate, it was a five-year delay. In committee an amendment was placed on for a one-year delay...that probably is

acceptable. We are continuing negotiations with the Department of Public Health, but at this point, I think the general agreement...we ought to go with the one-year extension and see where we are.

PRESIDENT:

Question is the adoption of Committee Amendment No. 1 to...House Bill 1742. Discussion? Senator DeAngelis.

SENATOR DeANGELIS:

After this.

PRESIDENT:

After this. Any...any discussion on the adoption of Amendment No. 1? If not, Senator Schaffer moves the adoption of Committee Amendment No. 1 to House Bill 1742. All in favor indicate by saying Aye. All opposed. The Ayes have it. The amendment is adopted. Further amendments?

SECRETARY:

No further committee amendments.

PRESIDENT:

Any amendments from the Floor?

SECRETARY:

No Floor amendments.

PRESIDENT:

3rd reading. Senator DeAngelis, for what purpose do you arise, sir?

SENATOR DeANGELIS:

Thank you, Mr. President. I would like to have leave of the Body to discharge House Bill 2444 from further consideration in the Executive Committee for the purposes of Tabling it.

PRESIDENT:

A motion to Table is always in order. The gentleman seeks leave of the Body to move to the Order of Motions for the purpose of moving to discharge the Committee on Executive from further consideration of House Bill 2444 for the purpose

of Tabling. All in favor of the motion to discharge indicate by saying Aye. All opposed. The Ayes have it. The bill is now discharged. Senator DeAngelis now moves to Table House Bill 2444. All in favor of the motion to Table indicate by saying Aye. All opposed. The Ayes have it. The motion carries and the bill is Tabled. Senator Raica, on this question?

SENATOR RAICA:

No, point of personal privilege, Mr. President.

PRESIDENT:

State...state your point, sir.

SENATOR RAICA:

Mr. President and Ladies and Gentlemen of...of the Senate, we have with us members of the UAW from Willow Springs, the GM Plant, with us on the Republican side of the aisle. I wish that they would stand and be recognized.

PRESIDENT:

The fact that they're on the Republican side, we won't hold that against them. Welcome to our guests in the gallery. Please stand and be recognized. 1758, Senator Geo-Karis. On the Order of House Bills 2nd Reading, top of page 20, is House Bill 1758. Read the bill, Madam Secretary.

PRESIDENT:

Senator Geo-Karis on Committee Amendment No. 1. Senator Geo-Karis on Amendment No. 1.

SENATOR GEO-KARIS:

Mr...Mr. President, Amendment No. 1 is at the request of the committee was...says...amends...section...amends House Bill 1758 as amended in Section 1 by deleting all of Section

5-14 and inserting in lieu thereof the following, "Section 5-14, access roads and driveways for private and public use may upon receipt of a permit from the county superintendent of highways be laid out from a county highway in accordance with regulations adopted by the county board." I move for the passage of this amendment.

PRESIDENT:

Senator Geo-Karis has moved the adoption of Amendment No. 1 to House Bill 1758. Discussion? Senator Demuzio.

SENATOR DEMUZIO:

...thank you, Mr. President. Senator Geo-Karis, according to the...analysis that I have, it says that it "Authorizes the county superintendent of highways upon receipt of a permit," I assume that is from the state, "to regulate and provide for construction of county roads designed for both public and private use as adopted by the county board." Is this a committee amendment and if is...if it is so, why do we need this?

PRESIDENT:

Senator Geo-Karis.

SENATOR GEO-KARIS:

It was a committee amendment and what this amendment does, it accomplishes the intent of the bill in one sentence rather than the page and a half language which came over from the House...that was in the committee.

PRESIDENT:

Senator Demuzio.

SENATOR DEMUZIO:

Thank you, very much. I...I think that pretty well clears it up. Thank you.

Well, thank you, Mr. President. We...we simply didn't have a copy of the amendment.
