1st Reading of the bills.

PRESIDENT:

Ladies and gentlemen, yesterday we determined that Senator Berman and Kustra had a motion and we've decided to postpone it until today. The Chair will recognize Senator Berman. Senator Berman, we have done the impossible, we have shut you off. Senator Berman.

SENATOR BERMAN:

Thank you, Mr. President. We don't let those little things bother us. I move that the Special Temporary Committee on Assignment of Bills be discharged from further consideration of Senate Bill 651 and Senate Bill 652 and that the bills be read a second time and placed on the Calendar on the Order of 3rd Reading...651...these are bills sponsored by myself and Senator Kustra. These two bills deal with Chicago school reform and what they do are two things that I don't think are in...dispute at all.

One moves the effective date of the bill up from July 1 to May 1, that's... Senate Bill 651; and Senate Bill 652 provides the same

86th GENERAL ASSEMBLY

kind of legal protection for members of the school...local school councils and the...subdistrict councils as are provided to members of the Chicago Board of Education. I've...move the motion that I have just made, Mr...

PRESIDENT:

All right, Senator Berman has moved to discharge the Committee on Assignment of Bills from further consideration of Senate Bill 651 and 652 and asked that the bills be read a second time and placed on the calendar on the Order of 3rd Reading. Senator Kustra.

SENATOR KUSTRA:

Thank you, Mr. President, members of the Senate. Mr. President we on now?

PRESIDENT:

We are. Yeah, there you go.

SENATOR KUSTRA:

Mr. President and members of the Senate, just to elaborate on the need to bypass committee and move these bills forward as fast as possible. Couple of weeks ago Senator Berman chaired a meeting in Chicago which was designed to take a look at how Chicago school reform is coming along. One of the groups we heard from were the Chicago school parents who reported to us that the job of getting parents to serve on school councils has been made more difficult by some opponents to Chicago school reform who are running around telling these parents that if they serve on a local school council they are going to lose their homes and their property because they will be sued for what actions they might take. Of course, that's nonsense, but to make sure that these people are safe in their new positions as school council members we need that indemnification provision which one of these bills provides. I also think it makes good sense to move up the date of the bill. Members on this side of the aisle fought from the very beginning for the earliest

possible adoption of this legislation, and this gives the new mayor of Chicago the earliest opportunity to put new school board members on there. So, I am all in favor of this proposal. I hope that we can move it with expedition through the General Assembly.

PRESIDENT:

All right, the motion is to discharge the Committee on Assignment from further consideration of Senate Bills 651 and 652. The sponsor has asked that the bills be read a second time and placed on the Order of 3rd Reading. Further discussion? Senator Jones.

SENATOR JONES:

Yeah, thank you, Mr. President. Senator Berman. I...I spoke with you on this issue yesterday as it relate to the school councils, and I concur with Senator Kustra in his remarks as it relate to the...the indemnification of these local school councils. However, we recognize that there are persons who are in strong opposition to the legislation running around here...around the community confusing people. And that portion as it relates to the election of the school councils, are we moving that date up equally as well?

PRESIDENT:

Senator Berman.

SENATOR BERMAN:

Thank you. No, we have looked at the bill and the only...the only thing that the movement of the effective date does...because everything else has specific dates. The things that does not have specific dates is the appointment of the interim school board, and as Senator Kustra has said and the intention of my motion is to allow the new mayor only to move up the appointment of the interim board. The election of the councils will not be advanced merely by the advancing of the effective date.

SENATOR JONES:

Well...are you...are you stating that in Senate Bill 1840 which is now law that the election of the councils will take place this fall, is that written into the bill, that it will be this fall?

PRESIDENT:

Senator Berman.

SENATOR BERMAN:

Yes.

PRESIDENT:

Three times, yes. Alright, Senators Berman and Kustra move that Senate Bill 651 and 652 be discharged from the Committee on Assignment of Bills and be read a second time and placed on the calendar on the Order of 3rd Reading. All in favor of that motion indicate by saying Aye. All opposed. The Ayes have it. The motion carries. Madam Secretary, on the order of Senate Bills 2nd Reading, Senate Bill 651, please.

PRESIDENT:

Ladies and gentlemen, we have...at the moment, I understand the Reference Bureau is still working to accommodate the members' wishes. The Chair has been informed that a former colleague, Senator John Gilbert, has unfortunately passed away. Senator Ralph Dunn has the information. I am told that the funeral is two o'clock on Monday at the First United Methodist Church in Carbondale and that there will be a visitation period on Sunday from five until eight o'clock, and Senator Dunn assures me...my office will contact everyone to allow...or at least afford the information. Senator Geo-Karis.

SENATOR GEO-KARIS:

Mr...Mr. President, has the adjournment resolution been read in already?

PRESIDENT:

It has not. Senate Joint Resolution No. 38 is the adjournment resolution. It will call for us when we adjourn today to come back on Tuesday, April 11th, at the hour of twelve o'clock. We've just...we've not...just not done it yet.
