PRESIDENT ROCK:

Will our guests please stand and be recognized. Welcome to Springfield. Senator Demuzio, for what purpose do you arise, sir?

SENATOR DEMUZIO:

While we're on that same order of business, I -- Mr. President, I'd like to re-refer Senate Bill 16 -- I'm sorry, 1969 from Executive to State Government Reorganization <sic>. It's my understanding that the staff has cleared it with the other side of the aisle and everyone is in agreement. So...

PRESIDENT ROCK:

All right. Gentleman has moved to re-refer Senate Bill 1969 from the Executive Committee to the Committee on State Government Reorganization <sic>. Without objection, leave is granted. It's so ordered. Senator Donahue, for what purpose do you arise?

SENATOR DONAHUE:

To object to the discharge of Senate Joint Resolution...

PRESIDENT ROCK:

It's not a discharge; it's a move from one committee to another.

SENATOR DONAHUE:

Oh! To move it from one committee, where?

PRESIDENT ROCK:

From Exec to State Government, I'm told. It -- it's not a resolution; it was a bill. Ladies and Gentlemen, we are going to make every attempt to accommodate the schedule as announced, so I'd ask your indulgence and attention. We have a number of House Bills 1st Reading to be read in. 1st Reading of the bills.

PRESIDENT ROCK:

All right. Rules Committee. All right. Ladies and Gentlemen, we're going to do the resolutions, and then we will move to page 10 on the Calendar for the Order of 3rd Reading, to accommodate that list of recalls that I am told has been distributed. We'll start at page 10, right at the top, and go through as many as we can. Resolutions, Madam Secretary.

SECRETARY HAWKER:

Senate Resolution 1260 offered by President Rock and all Members.

Senate Resolution 1261 offered by President Rock and all Members.

Senate Resolution 1262 offered by Senators Kelly, Mahar and DeAngelis.

you, please, to stay on top of the list. I do not expect there will be any roll calls of any sort, so if any of you have immediate travel plans, feel free to accommodate. Page 10 on the Calendar. On the Order of Senate Bills 3rd Reading, Senate Bill 1520. Senator Watson seeks leave of the Body to return that bill to the Order of 2nd Reading for purposes of an amendment. Is leave granted? Leave is granted. On the Order of House Bills -- Senate Bills 2nd Reading is Senate Bill 1520, Madam Secretary.

SECRETARY HAWKER:

Amendment No. 1 offered by Senator Woodyard.

PRESIDENT ROCK:

Senator Woodyard, on Amendment No. 1.

SENATOR WOODYARD:

Yes. Thank you, Mr. President and Members of the Senate. This amendment was actually a bill that did not make it out of Rules Committee. I don't think because of any controversy whatsoever. It was suggested to me by the supervisor of assessments of my home county. And by the way, the Department of Revenue has no problem with this -- with this at all. It -- it simply allows those counties that divided into four assessment districts by resolution before January 1, 1990, to extend that time to those counties to make those divisions on assessing districts until January 1 of 1992. It is permissive, by the way.

PRESIDENT ROCK:

Senator Woodyard's moved the adoption of Amendment No. 1 to Senate Bill 1520. Discussion? If not, all in favor, indicate by saying Aye. All opposed. The Ayes have it. The amendment's adopted. Are there further amendments?

SECRETARY HAWKER:

Amendment No. 1 offered by Senator Vadalabene.

PRESIDENT ROCK:

Senator Vadalabene, on Amendment No. 1.

SENATOR VADALABENE:

Thank you, Mr. President. Amendment No. 1 to Senate Bill 1532 limits the survivors to receive compensation, based on World War II and Korean POWs, to unmarried surviving spouses. Currently, the bill extends the right of virtually any surviving relative of a POW to receive the fifty-dollars-per-month stipend, per month, for POWs spent in captivity. Originally, the Department of Veterans' Affairs estimated that the highest possible cost of this bill would be four million dollars. The Department would reduce the estimate currently about fifty percent. But the Department of Veterans is not certain of the exact amount, and I -- adopt the amendment.

PRESIDENT ROCK:

All right. Senator Vadalabene's moved the adoption of Amendment No. 1 to Senate Bill 1532. Discussion? If not, all in favor, indicate by saying Aye. All opposed. The Ayes have it. The amendment's adopted. Are there further amendments?

PRESIDENT ROCK:

Senator Vadalabene, on Amendment No. 2.

SENATOR VADALABENE:

Amendment No. 2 to Senate Bill 1532 amends the Department of Veterans Affairs Act to Persian Gulf Veterans Compensation.

STATE OF ILLINOIS  
87th GENERAL ASSEMBLY  
REGULAR SESSION  
SENATE TRANSCRIPT

105th Legislative Day

May 14, 1992

Allows the Department of Veterans' Affairs to compensate Persian Gulf veterans from any money appropriated to pay bonuses for veterans. The Department authorized payments to Persian Gulf veterans to be paid from income on tax checkoff funds. To date, only about six thousand dollars has been raised through the checkoff. The Department of Veterans' Affairs has funds appropriated to pay other veteran bonuses, which would elapse at the end of this fiscal year. This amendment would permit the Department of Veterans' Affairs to use the otherwise lapsed funds to help pay the Persian Gulf veterans, and I move for the adoption.

PRESIDENT ROCK:

Senator Vadalabene's moved the adoption of Amendment No. 2 to Senate Bill 1532. Discussion? If not, all in favor, indicate by saying Aye. All opposed. The Ayes have it. The amendment's adopted. Further amendments?

SECRETARY HAWKER:

Amendment No. 1 offered by Senators Carroll and Luft.

PRESIDENT ROCK:

Senator Carroll.

SENATOR CARROLL:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. Amendment No. 1 would establish basically a Joint Committee on

STATE OF ILLINOIS

REGULAR SESSION  
SENATE TRANSCRIPT

May 14, 1992

Spending Control made up of the Chair and Minority Spokesmen of the two Senate Appropriations Committee, plus the Chair and Minority of the Senate Revenue Committee, a like number appointed by the House of the two of their four Chairs and Minority Spokesmen in Appropriations and one in Revenue - the purpose of which is, if, in fact, it is necessary, based on any of our reductions to contractual services and the like, for someone to feel for those three or four months of the beginning of the fiscal year, when we're not here, that there may have been an emergency that arose that could not await our return - since we're here about nine months out of the year - this would be that safety valve for the Governor to be able to go before a bipartisan, bichamber - equal in each - committee to get a release of funds while the General Assembly was not here. It is hoped that - it is hoped that - that this never has to come into play. It is logical that it will never have to come into play, since if they have twelve months' spending authority, it's only the first three or four months we're not here. At any other time, they would just go before the General Assembly as they always did. But just in case a safety valve was needed, this is offered as a concept to give some relief if, in fact, anybody ever thought it was essential. There is no cost to this at all. The staff would be provided by the four legislative partisan staffs, and I would move adoption of Amendment No. 1.

PRESIDENT ROCK:

Senator Carroll's moved the adoption of Amendment No. 1 to Senate Bill 1557. Discussion? Senator Maitland.

SENATOR MAITLAND:

Thank you very much, Mr. President and Members of the Senate. Senator Carroll, this, of course, dropped on us very quickly. And I don't think this has been circulated. And I don't think many of the Members on this side of the aisle have had a chance to -- to

PRESIDENT ROCK:

All right. Take it out of the record, Madam Secretary. 1590. Senator Vadalabene seeks leave of the Body to return Senate Bill 1590 to the Order of 2nd Reading for purposes of an amendment. Is leave granted? Leave is granted. On the Order of Senate Bills 2nd Reading is Senate Bill 1590, Madam Secretary.

SECRETARY HAWKER:

Amendment No. 1 offered by Senator Vadalabene.

PRESIDENT ROCK:

Senator Vadalabene.

SENATOR VADALABENE:

Thank you, Mr. President, Members of the Senate. This amendment removes the public hearing and the payback provisions originally provided in the bill. This amendment will require affected businesses to notify the Department and local officials if the business plans to cease operations in an enterprise zone. This has been worked out with all the businesses, and they are in support of this amendment.

Thank you, Mr. President, Members of the Senate. This amendment becomes the bill. It's a product of an agreement reached between the Illinois Manufacturers' Association and the Water Reclamation District, as well as a request by Senator Jacobs, to remove language concerning whistleblowers. SENATOR COLLINS:

Thank you, Mr. President and Members of the Senate. Amendment No. 1 deletes everything after the enacting clause in the bill, and instead it provides for Department of Public Aid to work with local municipalities in an effort to provide information - I mean - to identify and provide information to transitional assistance persons on the availability of employment outside of the area in which they reside, and to provide for a -- transportation that will be paid for by the recipients after they receive their first paycheck. But up until that time, the Department will, in fact, provide this transportation to link with existing public transportation through a procedure of coupons that will be reimbursed once the persons are employed and have received their checks.
