an announcement.

PRESIDENT ROCK:

Yes, sir.

SENATOR VADALABENE:

On Wednesday, on May 22nd, we are going to have, in my opinion, one of the finest Memorial Day Services that you've ever seen or heard of. And I would like, this time, for -- for all the Senators to be at their seats to see this event. Senator Mitchler has worked very hard to put a fine Memorial Day Service on, and we kind of -- kind of feel bad that we see so many empty seats when that program is on. So I would appreciate if you would be on the Floor for this day. I think you won't regret it. And the other announcement is we have a lot of goodies now. We have two suggested addresses. One, Welcome Home, Troops and a Memorial Day speech, and Mr. President, they're going like hotcakes already.

PRESIDENT ROCK:

All right. You'd better heed Senator Sam's admonition. The speeches are going like hotcakes. Get them while they're hot. Ladies and Gentlemen, we are going to begin on the Order of Senate Bills 2nd Reading and go right through the Calendar, and we hope to move with some -- some rapidity. Our plan is, as you know, to conclude our business no later than one o'clock, so that the Members can get back to their district and be about their constituent business. So we will get to the Agreed Bill List at approximately 12:30. The Secretary and the Assistant Secretary will read those bills in, and then we'll vote, and that will conclude our business. In the meantime, we're going to do 2nd Readings. We'll start where we left off yesterday on the top of Page 12. Top of Page 12. We left off with Senate Bill 821. That was Senator Raica, then Senator Daley, Senator Severns, Senator Joyce, Senator Mahar. If you turn to Page 12 on the Calendar, Ladies and Gentlemen, we can get going. Senator Fawell, for what

purpose do you arise?

SENATOR FAWELL:

PRESIDENT ROCK:

No, we'll have the opportunity to be again on 2nd Reading the first of next week, unfortunately. We've got a full load next week. We're going to start Monday at noon sharp. Senator Demuzio has agreed to work with you about four o'clock this afternoon. All right. We're going to start on top of Page 12, Ladies and Gentlemen. Senator Raica. 821. Senator Daley. 822. Thank you, Mr. President, Members of the Senate. The -- Committee amendment becomes the bill. As -- I think all of you are aware of the problem we had when Indiana changed the method in which they tax banks. They also imposed an eight and a half percent franchise tax on Illinois banks doing business in Indiana. This amendment is designed to somewhat retaliate on those out-of-state banks doing business in Illinois. And it does -- deal with reporting and regulatory reporting requirements by those out-of-state institutions. 2nd Reading of the bill. The Committee on Judiciary II offers Committee Amendment No. 1.

PRESIDENT ROCK:

Senator Joyce, on Committee Amendment No. 1.

SENATOR J.E. JOYCE:

Thank you, Mr. President and Members of the Senate. Senate Bill 1045, without the amendment, tends to deal with those situations where defense attorneys attempt to use the selection method of trial to delay the -- the eventual trial of the case. The provision in the original bill provided that a defendant could not switch without consent of the state's attorney. That provision has been deleted. There is no longer a consent from the state's attorney required, but, in fact, there are some provisions set out which would preclude the defendant from making that election in those specific situations. I ask for its adoption.

PRESIDENT ROCK:

Senator Joyce has moved the adoption of Committee Amendment

SENATOR DONAHUE:

Thank you, Mr. President, Ladies and Gentlemen of the Senate.  
This amendment implements the Stage II Recovery Program for  
Illinois in the nonattainment areas. It requires the Pollution  
Control Board to adopt regulations requiring owners and operators  
of gasoline dispensing systems that dispense more than ten  
thousand gallons of fuel per month. This threshold basically  
eliminates the small operators and the mom and pops. The  
Amendment requires the Board to have these rules in place by  
November 15, 1992, but the target date for having the systems up  
and running will be set by the Board in accordance with federal  
regulations. Be happy to answer any questions. Otherwise, I move

Thank you. Amendment No. 1 -- in -- in the bill -- and -- this has been agreed, it's my understanding, that in the bill from -- as it was drafted last year - as you know, this is the Minority Scholarship Program that we passed and signed into law - this year the Governor intends to expand that program. What they did, they changed basically the eligibility, and they dropped it to change -- they had it to ten percent -- the student had to be in the top ten percent of their class, and what this amendment does, it puts it up to twenty percent of their class. It also sets aside -- thirty percent of those enrolled minority students in the program would be set aside for the male categories, which would take in the bill that we passed and signed into law and also the concept that the Governor had for expanding the bill to include females as well as males, and I would move for its adoption.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Barkhausen.

SENATOR BARKHAUSEN:

Mr. President and Members, Senate Bill 1423 does four different simple things to make slight modifications to our Business Corporation Act. Committee Amendment No. 1 changes two of those slightly. It changes the term "taxable year" to "taxable period" to accommodate the practices of certain corporations, and then it makes a change to resolve a conflict between two different Sections of the BCA, and to bring the Business Corporation Act more in line in one respect with the revised model Business Corporation Act. I'd urge the adoption of the amendment.

The amendment becomes the resolution. No, it was in accordance with the committee's wishes that it would be changed. The amendment was presented. You do not have this? Then I'm sorry I've troubled the Senate with this information. I'll get the document filed this evening and make the presentation next week. Thank you.

PRESIDENT ROCK:

All right. Take it out of the record. All right. Senators Woodyard and Dunn have Motions in Writing they wish to present. Madam Secretary, on the Order of Motions in Writing, there's a motion with respect to Senate Bill 1000. Read the motion, please.

SECRETARY HAWKER:

I move to discharge the Committee on Local Government from further consideration of Senate Bill 1000, and that it be advanced to 2nd Reading.

STATE OF ILLINOIS  
87th GENERAL ASSEMBLY  
REGULAR SESSION  
SENATE TRANSCRIPT

28th Legislative Day

May 16, 1991

Filed by Senator Woodyard on May 9.

PRESIDENT ROCK:

Senator Woodyard.

SENATOR WOODYARD:

Thank -- thank you, Mr. President, Members of the Senate. I filed this motion on Senate Bill 1000, not because I didn't get a fair hearing in the Local Government Committee. Chairman Daley was very gracious in allowing me to present testimony on this bill. The bill deals with the Township Local Government Distributive Fund, putting them into that formula, capped at twenty million dollars. And due to the makeup of the committee - the geographical location of the Senators on that committee - I did go ahead and file the motion due to the fact most of you Members of that committee were certainly from the suburban and city areas, and quite frankly, it's downstate folks that -- that are really wanting to -- to push this bill forward to at least have a bargaining chip in the final days of the Session, when -- when finally we will resolve what happens with the surcharge money. For that reason, I would move to discharge the Committee on Local Government.

PRESIDENT ROCK:

All right. The Gentleman has moved to discharge the Committee on Local Government from further consideration of Senate Bill 1000. Discussion? Senator Daley.

SENATOR DALEY:

Thank you, Mr. President. I rise to oppose this motion. Senate Bill 1000, as the sponsor indicated, was placed into a subcommittee, out of courtesy to the sponsor and to the township officials, when it became apparent that the bill would not pass. The Membership should be aware that this bill takes twenty million straight off the top of Local Government Distributive Fund, and for this reason, I ask that the Membership oppose this motion.

STATE OF ILLINOIS  
87th GENERAL ASSEMBLY  
REGULAR SESSION  
SENATE TRANSCRIPT

28th Legislative Day

PRESIDENT ROCK:

Further discussion? Senator Demuzio.

SENATOR DEMUZIO:

Well, I don't remember in my seventeen years ever getting up to speak on behalf of a discharged motion from a committee chairman on my side of the aisle, but I'm rising on this one. I think it's time that we debate this issue, because it is a serious issue that affects all of the rural counties in downstate Illinois. The townships want a part of the pie. They weren't included in part of the pie yesterday. They weren't included two years ago, and they ought to have the opportunity -- be debated on this Floor, whether they get it or whether they don't, and I rise to support the Gentleman's motion.

PRESIDENT ROCK:

Further discussion? Senator Fawell.

SENATOR FAWELL:

Thank you very much. As -- as minority leader of Local Government, I too, feel that -- that it would be best if we kept this bill in committee. Right now we are still in the negotiating stages. I think those of us on the Floor are all aware of the fact that the townships have requested a -- a piece of the pie, as -- as Senator Demuzio said, but to -- to have another bill out there on the Floor basically as a shell bill, I think, is -- is not a good idea at this point, and I would ask my colleagues to oppose this motion.

PRESIDENT ROCK:

Further discussion? Senator Luft.

SENATOR LUFT:

Thank you, Mr. President. I'd only echo the remarks of Senator Daley, and the sponsor of the Motion in Writing, that this did receive a fair hearing. As one of those Members of the committee that represents rural areas, I would like to represent

STATE OF ILLINOIS  
87th GENERAL ASSEMBLY  
REGULAR SESSION

them in a way that would suggest to them that I am not being foolhardy. I am not sending out a proposal that has absolutely no chance - no chance - of being considered in the surtax, and that's the reality of it. And that's what I expressed in committee -- to have hundreds of township officials start moving forward writing us letters, when in fact, that we know the townships are not going to get any revenue sharing from the surtax, even if it's passed. So I think it's best to nip it in the bud here, as we tried to do in committee, to prevent those people from thinking that there may be an opportunity, when in fact, there isn't.

PRESIDENT ROCK:

Further discussion? Is there any further discussion? Senator Woodyard, to close. Question is -- Senator Woodyard has moved to discharge the Committee on Local Government from further consideration of Senate Bill 1000. Those in favor of the Motion to Discharge will vote Aye. Opposed will vote Nay, and the voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 22 Ayes, 26 Nays, and the motion fails. Further Motions in Writing, Madam Secretary? Senator Demuzio, for what purpose do you arise?

SENATOR DEMUZIO:

That may be my first and last time to rise to oppose the discharge motions on committees.

PRESIDENT ROCK:

Further motions? Madam Secretary, read the motion, please.

SECRETARY HAWKER:

I move that Senate Bill 1440 be taken from the Table and placed on the Calendar on the Order of 2nd Reading.

Filed by Senator Dunn.

PRESIDENT ROCK:

Senator Dunn.

SENATOR T. DUNN:

Thank you, Mr. President. This is not a Motion to Discharge. It is a motion to remove the bill from the Table in order that we may have more amendments to the bill. I'm working with Senator DeAngelis on this, and we expect next week to have three or four amendments by agreement that hopefully will meet everybody's wishes on this bill.

PRESIDENT ROCK:

All right. Senator Dunn has moved to take Senate Bill 1440 from the Table -- or from the Secretary's Desk, and asks that it be placed on the Calendar on the Order of 2nd Reading. Discussion on the motion? Those in favor of that motion will vote Aye. Opposed will vote Nay, and the voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 20 Ayes, no Nays, and the motion prevails, and it's so ordered. All right. Ladies and Gentlemen, with leave of the Body, we're going to move to the Order of -- Senator Weaver, for what purpose do you arise?

SENATOR WEAVER:

Ruling of the Chair, Mr. President. On discharge motion does it take the majority of those elected?

PRESIDENT ROCK:

It wasn't -- it was not a Motion to Discharge. It was a Motion to take from the Table. It requires a majority of those voting on the question.

SENATOR WEAVER:

Thank you.

PRESIDENT ROCK:

You're welcome. With leave of the Body now, we'll move to Page 43 on the Calendar. On the Order of Senate Bills 3rd Reading. I will ask the Secretary to read the Agreed Bill List. At the conclusion of which reading we will take a single roll
