SENATOR MORRISON:

I rise on a point of personal privilege, Madam President.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Please state your point, Senator.

SENATOR MORRISON:

I'm delighted to be joined today by two constituents from Highland Park, Jerry and Elaine Adler. I believe this is their first trip to Springfield, and please help me in welcoming them.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Welcome to the Illinois General Assembly. Welcome. Have a wonderful experience. Senator LaHood, for what purpose do you rise?

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Please state your -- state your announcement, Senator.

SENATOR RAOUL:

Madam President, Members of the unified Senate, we gathered last night at Springfield Lanphier High School gymnasium to take on the commoners from across the Rotunda. And notwithstanding predictions that their youth would prevail over the AARP members in our Chamber, the old adage of -- the old story of the tortoise beating the hare, particularly with Mike Connelly and -- and Steve Stadelman coming through clutch in the second half; and our resident wrestler, Neil Anderson, making his presence and his body felt - if we could just get him to pass the ball after he gets a rebound instead of dribbling; and our -- and our linebacker, Napoleon Harris, getting rebounds; and us all coming together, we prevailed and, again, we prevailed over the commoners and the House of the Lords rule again, as we will in the softball game next month.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Congratulation. Illinois Senate beat the House. Woohoo! Senator Koehler, for what purpose do you rise?

SENATOR KOEHLER:

Yes, point of announcement, Madam President.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Yes, please state your announcement.

SENATOR KOEHLER:

Well, joining me today is someone that you met last year. He's back for the second year in a row. It's my honorary Page, Aaron Chess. Aaron is seventeen years old; is a senior at Richwoods High School. He's most interested in politics, because

he likes helping people and bringing changes to his country, his State, and his community. When he graduates from high school, he plans on attending, this fall, Olivet Nazarene University in Bourbonnais. And after college, he wants to -- in which he's going to study political science, of course, he plans on starting a career in politics. So please help me in welcoming my Page for a Day, Aaron Chess.

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Welcome to the Illinois General Assembly. Senator Link, for what purpose do you rise?

SENATOR LINK:

PRESIDING OFFICER: (SENATOR LIGHTFORD)

Please state your announcements, Senator.

SENATOR LINK:

Well, first, I'd like to introduce my -- well, the first thing I want to do is Senator Raoul omitted one thing from last night's game. Senator Raoul was the first MVP of the Senate/House basketball game. And I'd like to introduce my Page for a Day - and then I have one more announcement - is Grace Schneider, a seventh grader from Senator Clayborne's area, Collinsville North School. And her favorite subject is chorus. And her parents, Lisa and Russ Frederich are up -- I think, up in the gallery. Would we - over there - would we welcome them to the Illinois Senate?

She's a junior. She, too, is on the National Honor Society and wants to become a lawyer. I'm -- I'm going to try to direct her to another path perhaps. But -- and we have also Sophie Rickhoff from Bartelso. She's a senior. She is the homecoming queen for 2015 and she is going to become an occupational therapist. And we have also Alexandria Garland from Breese. She's a senior, as well on the Honor Society. She is going to major in geological engineering and a minor in humanitarian engineering and science. PRESIDING OFFICER: (SENATOR LINK)

Senator Anderson.

SENATOR ANDERSON:

Senator, this bill couldn't be simpler and it is far from regulation. What we're doing is allowing any combat veteran that comes back, the least we can do for them, who are some of the most important members of our society, to grant them their first year's registration fee when they're coming back into civilian life.

PRESIDING OFFICER: (SENATOR LINK)

The effect on the budget will be minimal, coming from SOS. They are neutral on this. There's approximately three thousand veterans in Illinois that could be coming back in the next three to five years.

Senator Haine.

SENATOR HAINE:

Could you enlighten the Body on those last two terms, please? What are they?

I have a definition for you here, Senator. It is -- to hostile fire or explosion of a hostile mine; on duty in an area in close -- in close proximity to a hostile fire incident and the member is in danger of being exposed to the same dangers actually experienced by other service members subjected to hostile fire or explosion of hostile mines. SENATOR NYBO:

Thank you, Mr. President. You caught me just as I was signing a congratulatory {sic} note here for Senator Anderson on his first bill. I would like to remind everybody that this is not my first bill. So this is not my first bill. Mr. President, Senate Bill 1582 amends the Illinois Vehicle Code to provide that a driver who willfully violates regulations pertaining to motor vehicle carrier drivers' hours of service shall be guilty of a Class 3 felony when the violation was a proximate cause of great bodily harm or death to another person. It further provides that any person other than the driver - and that could be the employer - who willfully violates regulations pertaining to motor carrier drivers' hours of service shall be guilty of a Class 2 felony when the violation was a proximate cause of great bodily harm or death to another person. So, this is an initiative, Mr. President -- or Mr. President, of our DuPage County State's Attorney, Bob Berlin. This is in connection with two very serious accidents that took place within the last year and our State's Attorney felt that he could not sentence -- charge and sentence the individuals involved with the appropriate penalty. So what he's seeking is an enhancement to a level that's commensurate with the crime. And I think it's important to note that we're not just punishing the drivers in this situation, but we're actually going to punish more severely the employers who are, in a lot of situations, pushing these

Senator Righter, on your bill.

SENATOR RIGHTER:

Thank you, Mr. President, Ladies and Gentlemen of the Chamber. Senate Bill 1893 is an initiative of the Department of Human Services. It simply removes from statute a provision that requires the Department to engage in and enter into contracts with private agencies to administer a program it no longer administers. Be happy to answer any questions.

PRESIDING OFFICER: (SENATOR LINK)

Is there any discussion? Seeing none, the question is, shall Senate Bill 1893 pass. All those in favor will vote Aye. Opposed,

Senator Righter, on your bill.

SENATOR RIGHTER:

Thank you, Mr. President, Ladies and Gentlemen of the Chamber. Senate Bill 1894 is also a Department of Human Services initiative. It is in response to some findings by the Auditor General in its most recent audit. The Department was found to be not keeping certain records with regards to a program that it is no longer required to administer. It's administered by another agency. This simply repeals the statutory provisions that were the basis of the audit findings. Be happy to answer any questions.
